Calm my roving, carve my pine Say farewell to the hitching line Comes a time to lay me down First I'm going to sing this song	Who'll be left to play guitar Who'll be round to break your heart Who's gonna fix it up once more When I'm on that other shore [Chorus]	Play to the center and back to the bar Bust through the middle with a right-hand star Promenade your lady home George Buck is come and gone [Chorus]
<u>Chorus</u> Hey buckdancers, shout and sing Make the halls and rafters ring When old George Buck is dead and gone Who'll be left to sing this song	Whoop that I say and the cart won't go How can I plough when the wheels don't roll Broke-down rigging ain't fit to ride Do my pound in the bye and bye [Chorus]	Birdie in the cage and seven hands round Buck and wing bird all night long Promenade your lady home Georgie Buck has been and gone [Chorus]

George Buck is dead and gone Left me here to sing this song George Buck is dead and gone Left me here to sing this song	Georgie Buck is dead and gone Left me here to sing this song George Buck is dead and gone Left me here to sing this song	Silvi-o, silver and gold Won't buy back the beat of a heart grown cold Silvio, I gotta go Find out something only dead men know
Went to the well but the water was dry Dipped my bucket in the clear blue sky [?] down way buckdancer's choice And now too [?] of hearing my voice	Stake my future on a hell of a past Looks like tomorrow is coming on fast I ain't complaining about what I got I seen better times but who has not	Left me here, on my own [?] where with a back to the bones Whole bunch of crackers and some books to read [?] from a mustard seed George Buck is dead and gone Left me here to sing this song
