<p><b>Chorus</b></p> <p>A                    Em                    D          Comes a time when the blind-man takes your hand,                            A   A/G#   A/F#   A/E          And says "Don't you see?                            B   E          Gotta make it some-how on the          Dm                    A          dreams you still believe."</p>	<p>E                    Fm F#m   Em7          Don't give it up, you got an emp-ty cup                            F#m   Em7          Only love can fill,                            F#m          Only love can fill.</p>	
<p>A                    E   Bm                    D          Been walking all morning went walking all night          A                    E          I can't see much difference between the          G            D   Dm          dark and light          A                    E            Bm                    D          And I feel the wind And I taste the rain          A            Em            G                    D   Dm          Never in my mind to cause so much pain.</p>	<p><b>Chorus</b></p> <p><b>Solo</b></p> <p>From day to day just letting it ride.          You get so far away from how it feels inside.          You can't let go cause you're afraid to fall,          But the day may come when you can't feel at all.</p> <p><b>Chorus +</b>          Only love can fill,          Only love can fill.</p>	<p><b>Outro Solo</b></p>
