

Crazy Fingers

Your rain falls like crazy fingers,
Pearly of fragile thunder keeping time
Recall the days that still are to come
Some sing blue

Hang your heart on laughing willow
Stray down to the water, Deep Sea of Love
Beneath the sweet calm face of the sea
Swift undertow

Chorus
Life may be sweeter for this, I don't know,
Feels like it might be alright,
While Lady Lullaby sings plainly through
you
[Love still rings true.
[Whooooo

Cloud hands reaching from a rainbow
Tapping at the window, touch your hair
So swift and bright strange figures of light
Float in air.

Who can stop what must arrive now?
Something new is waiting to be born
Dark as the night you're still by my side
Shine inside.

Chorus
Gone are the days we stopped to decide
Where we should go, we just ride.
Gone are the broken eyes we saw through a dream,
[Gone - both dream and lie.
[(whooooo)

Solo over Verse x 2

Chorus 3 (same as 1)

Midnight on a carousel ride
Reaching for the gold ring down inside
Never could reach it
Just slips away
But [When] I try.
