# **V3**

Everybody's just waiting to hear from the one
Who can give them the answer
And lead them back to that place in the warmth of the sun
Where sweet childhood still dances
But who'll come along
And hold out that strong but gentle father's hand?
G
Long ago I heard someone say something 'bout Everyman

#### **Half Chorus**

Waiting here for Everyman Make it on your own if you think you can If you see somewhere to go I understand

I'm not trying to tell you that I've seen the plan
Bm A E7
