

I Shall Be Released

||: G /// | Am /// | Bm / C / | G /// :||

They say every man can be replaced
They say every distance is not near.
But I remember every face
Of every man who put me here.

Chorus

I see my light come shining,
From the west down to the east.
Any day now, any day now
I shall be released.

Solo

They say every man needs protection.
They say that every man must fall.
Yet I swear I see my reflection
Some place so high above this wall.

Chorus

Solo

Down here next to me in this lonely crowd
Is a man who swears he's not to blame.
All day long you hear him crying out so loud
Calling out that he's been framed.

Chorus
