1. The evening sun is setting low.

The clock on the wall says it's time to go.  
I'm playin' a groove, I don't know about you.  
Tell me exactly what you want to do.

## Chorus

2. Might be twelve o'clock it might be three.  
Time doesn't mean that much to me.  
Haven't felt this way since I don't know when  
And I don't know when I'm going to feel this way again.

## Chorus

3. Might be six o'clock or it might be eight.  
It doesn't matter if its getting late.  
We're gonna make the band play one more song.  
Get in the groove if it takes all night long.
