<p>Heard of a van that is loaded with weapons Packed up and ready to go Heard of some grave sites, out by the highway A place where nobody knows</p> <p>The sound of gunfire, off in the distance I'm getting used to it now Lived in a brownstone, lived in the ghetto I've lived all over this town</p> <p>This ain't no party, this ain't no disco This ain't no fooling around No time for dancing, or lovey dovey I ain't got time for that now</p> <p>Transmit the message to the receiver Hope for an answer some day I got three passports, a couple of visas Don't even know my real name</p> <p>High on a hillside, the trucks are loading Everything's ready to roll Sleep in the daytime, I work in the nighttime I might not ever get home</p> <p>This ain't no party, this ain't no disco This ain't no fooling around This ain't no Mudd Club, or C.B.G.B I ain't got time for that now</p>	<p>Keys break</p> <p>Chorus</p> <p>Heard about Houston? Heard about Detroit? Heard about Pittsburgh, P. A.? You oughta know not to stand by the window Somebody see you up there</p> <p>I got some groceries, some peanut butter To last a couple of days But I ain't got no speakers, ain't got no headphones, ain't got no records to play</p> <p>Why stay in college? Why go to night school? Gonna be different this time Can't write a letter, can't send no postcard I can't write nothing at all</p> <p>This ain't no party, this ain't no disco This ain't no fooling around I'd like to hold you, I'd love to kiss you I ain't got no time for that now</p> <p>Trouble in transit, got through the roadblock We blended with the crowd We got computers, we're tapping phone lines I know that that ain't allowed</p>	<p>We dress like students, we dress like housewives Or in a suit and a tie I changed my hairstyle, so many times now Don't know what I look like!</p> <p>You make me shiver, I feel so tender We make a pretty good team Don't get exhausted, I'll do some driving You ought to get you some sleep</p> <p>Burned all my notebooks, what good are Notebooks? They won't help me survive My chest is aching, burns like a furnace The burning keeps me alive</p> <p>Keys break</p>
