

Old And In The Way

105bpm

Old and in the way, that's what I heard them say
They used to heed the words he said, but that was yesterday
Gold will turn to gray and youth will fade away
They'll never care about you while you're old and in the way

<p>Once I hear tell, he was happy Had his share of friends and good times Now, those friends have all passed on He don't have no place called home Looking back to a better day, he's just old and in the way.</p>	<p>When just a boy, he left his home Thought he'd have the world on a string Now the years have come and gone Through the streets he walks alone Like the old dog gone astray, he's just old and in the way</p>	<p>Intro Chorus Verse, Chorus Inst over Chorus Verse, Chorus Inst over Verse Chorus + End</p>
