Gonna take me to my burying ground.

And my heart stopped beating and my hands turned cold
And my heart stopped beating and my hands turned cold
And my heart stopped beating and my hands turned cold
And I believe what the Bible told.

Did you ever hear that coffin sound
Did you ever hear that coffin sound
Did you ever hear that coffin sound
Means another poor boy is in the ground.

Well you can dig my grave with a silver spade
Dig my grave with a silver spade
Dig my grave with a silver spade
Lay me down with a golden chain

It's a lonely lane that got no end
It's a lonely lane that got no end
It's a lonely lane that got no end
It's a bad old wind that never change

Did you ever hear them church bells toll
Ever hear them church bells toll
Did you ever hear them church bells toll
Then you know that the poor boy's dead and gone.

And there's one last favor I'll ask of you
And there's one last favor I'll ask of you
And just one last favor I'll ask of you
You can see that my grave is kept clean.
