D C	C D
There are stars	Sometimes there's a part of me
G D	C D
In the southern sky	Has to turn from here and go
D C G D	C D
Southward as you go	Running like a child from these warm stars
D C	D C G D
There is moonlight	Down the seven bridges road
G D	
And moss in the trees	A Capella:
D C G D	There are stars in the southern sky
Down the Seven Bridges Road	And if ever you decide
0	You should go
Inst short	There is a taste of time sweetened honey
	Down the Seven Bridges Road
Now I have loved you like a baby	
Like some lonesome child	
And I have loved you in a tame way	
And I have loved you wild
