Graham, Richmond

Intro: B Emaj7

B Emaj7
Honey, you are my shining star,
B Emaj7
Don't go away, oh baby.
B Emaj7
I want to be right here where you are
B Emaj7
Till my dying day, oh baby.

So many times I've tried to find
A love like yours and mine, oh baby
Girl, don't you realize how you hypnotize,
Make me love you each time, oh baby.

Chorus

A E F# F# B F# G#
Honey, I'll never leave you lonely,
A E F# G F#
I'll give my love to you only, to you only, to you on-ly.

Many nights when we're lying here next to each other
Lost in love, oh baby.

Baby, when we touch, I love you so much
You're all I've ever dreamed of, oh baby.

Refrain

Chorus

E Amaj7
Honey you are my shining star
Don't you go away, oh baby
I wanna be right here where you are
Till my dying day, oh baby

So many have tried, tried to find
A love like yours and mine, oh baby
Don't you realise how you hypnotise me
Make me love you more each time, oh baby

Honey, I'll never leave you lonely
I'll give my love to you only, to you only
To you only

[*chorus*]

Feel so good when we're lying here next to each other
Lost in love, oh baby
Honey when we touch, I love you so much
You're all I ever dreamed of, oh baby

Honey, I'll never leave you lonely
I'll give my love to you only, to you only
To you only

Honey you are my shining star, don't you go away
