<p>G C Standing on the moon I got no G C cobwebs on my shoe G Standing on the moon I feel so alone and blue I see the Gulf of Mexico As tiny as a tear The coast of California Must be somewhere over here - over here</p>	<p>Standing on the moon I see the battle rage below Standing on the moon I see the soldiers come and go There's a metal flag beside me Someone planted long ago Old Glory standing stiffly Crimson, white and indigo Old Glory standing stiffly Crimson, white and indigo - indigo</p>	<p>I see all of Southeast Asia I can see El Salvador I hear the cries of children And the other songs of war It's like a mighty melody That rings down from the sky Standing here upon the moon I watch it all roll by - all roll by All roll by All roll by</p>

<p>Standing on the moon I see a shadow on the sun Standing on the moon The stars go fading one by one I hear a cry of victory And another of defeat a scrap of age-old lullaby Down some forgotten street</p>	<p>Standing on the moon Where talk is cheap and vision true Standing on the moon But I would rather be with you Somewhere in San Francisco On a back porch in July Just looking up to heaven At this crescent in the sky In the sky</p>	<p>Standing on the moon With nothing left to do A lovely view of heaven But I'd rather be with you A lovely view of heaven But I'd rather be with you – Be with you A lovely view of heaven But I'd rather be with you I'd rather be with you – Be with you I'd rather be with you – Be with you</p>
