

Stealin'

Shady Grove version

G C D

Put your arms around me like a circle round the sun I
wanna love you moma like my easy rider done

Chorus

You don't believe I love you, look what a fool I've been
You don't believe I'm sinking, look what a hole I'm in
Stealin', stealin', pretty moma don't you tell on me
I'm stealin' back to my same old used to be

Solo

The woman I love she's just my height and size
A married girl come to see me some time

Chorus

Solo

Put your arms around me like a circle round the sun
I wanna love you moma like my easy rider done

Chorus

Stealin', stealin', pretty moma don't you tell on me
I'm stealin' back to my same old used to be
