

# There's No Use Living For Today

Darrell Scott

## V1

Well, there's no use living for today  
There's no use living for today-eeee  
Well today was once to-morrow  
And today's tomorrows' yesterday  
There's no use living for today

## V2

The girl I love is up and gone  
The girl I love is up and gone  
She left yesterday morning  
And by supper time I had a brand new song  
The girl I left is up and gone

## Inst Break 1

## V3

The cat is scratching at my door  
I got a big black cat and he's scratching at my do-ooooor  
He runs by me kind of funny  
cause I've never let him in be-fore  
The cat is scratching at my door

## V4

Everybody needs some time away  
(don't you think?)  
Everybody, everybody needs some time away  
She'll only  
be gone for the weekend but it feels like Sunday every day  
Everybody needs a little bit of time away

## Inst Break 2

## V5

She's coming in on the 12:09  
My baby's coming on the 12:09  
She will ask me about the weekend  
And I'll lie and tell her it was fine  
She'll be coming in on the 12:09

## V1 Repeat

Well, there's no use living for today  
There's no use living for today  
Well today was once to-morrow  
And today's tomorrows' yesterday  
There's no use living for today
