

# They Love Each Other

100 bpm

**Merry run around,  
Sailin' up and down,  
Looking for a shot in some direction.**

**Got it from the top,  
It's nothing you can stop,  
Lord, you know they made a fire connection.  
They love each other.**

**Lord you can see that it's true,  
Lord you can see that it's true,  
Lord you can see that it's true.**

**He could pass his time,  
Around some other line  
But you know he choose this place beside her.  
They love each other.**

**Chorus**

**Don't get in their way,  
There's nothing you can say,  
Nothing that you need to add or do.  
They love each other,**

**Chorus**

**Its' nothing, they explain,  
It's like a diesel train  
You better not be there when it rolls, over,  
They love each other**

**Chorus**

**Though you're making noise  
Just can't hear your voice  
What a dizzy ride and you're cold sober  
They love each other**

**Chorus**

**Bridge:  
Hoping you believe me  
What I say is true  
Everything I'm tellin'  
I heard it first from you.**

**Heard your news report  
You know you're falling short  
Pretty soon won't trust you for the weather  
When that ship [train] comes in  
You won't know where it's been  
You gotta try and see a little further They love each  
other**

**Chorus**
