Verse 2

**2. Till we all fall down, it'll do you fine.
Don't think about what you left behind.
The way you came or the way that you go.
Let your tracks be lost in the dark and snow.**

Chorus

**3. When the shadows grow, it'll do you fine.
When the cold winds blow, it'll ease your mind.
The shape it takes could be yours to chose.**

<p>What you may win, what you may lose.</p>	<pre> ----- ----- -----2-2- ----2-2--/4----- -/4----- ----- </pre>
--	--

Chorus

End Fade

||: Bm / A / | E / Bm / : ||
You're my woman now (*make yourself easy*)
You're my woman now (*make yourself easy*)
You're my woman now (*make yourself easy*)
