```

V3 or V4
I ain't afraid of the cold, cruel world outside,
No Chicken Little running from a falling sky
The only thing trouble's me is you
If you leave me what will I do?
Valerie won't you be good to me?

V3 or V4
You got me down on the knees of my shaking feet
Can't play the blues 'cause of you I drop the beat
Valerie what's your complaint?
I try to be everything I ain't
Valerie won't you be good to me?

Valerie won't you be good to me?
Valerie won't you be good to me?
