

Waiting For A Miracle

92 bpm

**V1 Working and waiting in the hot sun,
With all the rich saints
and the fallen ones.
Working and waiting for the night to come.
And they're waiting for a. and they're waiting for a,
and they're waiting for a miracle.**

**V2 Somewhere out there is a land that's cool,
Where peace and balance are the rule,
Working for the future like some mystic jewel,
And they're waiting for a. and they're waiting for a,
and they're waiting for a miracle.**

Bridge

**You rub the palm of your hands on the
grimey pane in the hope that you can see. (When you're
waiting)**

**Stand up tall pretend you're
strong in the hope that you will be. (When you're
waiting)**

**Like the ones that cry, like the
ones that die, try to set the
angels in us free.**

**And they're waiting for a, and they're waiting for a
miracle.**

Solo

Bridge

**v3 Struggle for a nickel, struggle for a dime,
Forget about the past, leave your worries behind.
How come the future has to take such a long time.)
When you're waiting for a, when you're waiting for a,
When you're waiting for a miracle.**
