

You Gotta Walk That Lonesome Valley

(Chorus)

E

You gotta walk that lonesome valley,

B7

E E7

And you gotta walk it by yourself

A

E

Ain't nobody here can walk it for you

B7

E

You gotta walk that lonesome valley by yourself.

Now Daniel was a Bible hero

He was a prophet brave and true

In a den of hungry lions

He showed what faith can do for you

(Chorus)

Some folks say John was a Baptist,

Some folks say he was a Jew

But the Holy Bible tells us

That he was a preacher, too.

(Chorus)

Although the road be rough and rocky

and the hills be steep and high

We can sing as we go marchin'

And we'll win that one big union by and by.

(Chorus)

.... You gotta walk..... it by yourself
