```

My baby she wrote me a letter she didn't call me on the phone Five little words was all she wrote she said "See ya later I'm gone" She had no explanation about why she had to go well I can't take a joke, but I can _ take a hint _ She don't love me no more	Chorus And (Well) if D7 C#7 nobody loves you and you feel like dust on an empty shelf just remember you can love yourself Turnaround	My mother says she loves me but you know she could be jivin' too Everybody's always criticizing everything that I do I work 9 to 5, do the best I can _ I try to please the boss I bought a big ol' house, and a brand new car _ and then he laid me off Chorus Turnaround	Every time I meet a lady I wanna try to get to know Either I'm too small or she's too tall She's rich and I'm po' So I called my old friend Hazel Mae Asked her out for a little date She said "I'm married now and I got three little kids, boy ya' just a little too late" Chorus x2 Turnaround
