Necessary information for upcoming events (Vendor Set Up Information)

Francis Scott Key Mall and Valley Mall will provide a table, chair, and tablecloths.

Registration

You will receive one registration form per event along with your invoice.

Please ensure that all registrations are sent back to info@benefithubus.com so that we can guarantee your place at the event. You will be notified by email that you have been registered when your full payment and registration forms have been received by us.

All invoices must be paid by credit card. We do not accept checks. We will not hold invoices due to the limited spots available for each event. We require a 50% deposit (due immediately upon receiving your invoice).

If you are participating in a payment arrangement and you have not paid the remaining balance of your invoice by the event time, then you must forfeit the event. We will keep your deposit and your position at the event will be resold.

Raffles

There are raffle baskets present at each event. We ask that our vendors donate one item towards the raffle. This is not mandatory, but it is appreciated as all proceeds from the raffle go towards our Pay it Forward projects.

Unless a specific Project has been named for the event, Benefit Hub US Corp will distribute the proceeds between the two projects: Sponsor a Child and Operation Vets.

We rely heavily on raffles, donations, and sponsors to help our Pay it Forward Projects. Vendors who give raffles help us to continue to support the Pay it Forward Projects, and in turn, helps us to continue coordinating events.

Maryland Benefit Hub Events Roster

Donations or Sponsors

Your vendor registration fee contributes towards our venue fees, advertisements and operating expenses.

If you know of a business or organization that could help us, please contact us!

They could choose to do one of the following:

- Sponsor Benefit Hub US Corp monthly
- Make a donation
- Sponsor an event

Please email us at info@benefithubus.com and let us know what you wish to contribute and in what capacity.

Membership information:

Membership is by invitation only. If you have received this roster, then you have been invited to become a member. Please contact your sales consultant that sent you this roster in order to purchase a membership. Memberships help us continue our daily operations, and a portion of your membership fee will go to our Pay it Forward Projects.

We currently offer three types of memberships – Exclusive, Non-Exclusive, and Craft. All Memberships are renewable on your anniversary date that you registered for the membership.

Both Exclusive and Non-Exclusive memberships have the same perks apart from times they are able to access new events and pricing.

Exclusive Membership

An Exclusive membership is \$150 a year and gives you a 55% discount on all events registered with us. Being an exclusive member means you are among some of the first to know about new events! This allows you 24-48 hours to register for an event before it goes out to the public.

We only allow 2 of the same type of vendor (regionally) to hold an exclusive membership with us. Because of this, they alternate month to month on a primary and back-up basis. The primary vendor of the month gets the first 24 hours to register after an event is announced, and the back-up gets the last 24 hours.

When registering for an event a member must email info@benefithubus.com so that it is time and date stamped to ensure fair opportunity. In the event that a primary member cancels on an event, the back-up is notified to see if they would like the event before it is offered to non-exclusive members and then to the public.

Non-Exclusive Membership

Non-Exclusive Membership is \$90 and gives you a 35% discount on all events registered with us.

Non-Exclusive memberships allow multiple members from any region, any business, and any state.

Non-Exclusive Benefit Hub members get 24 hours to respond and register for an event before it goes out to the public. After it goes out to the public the event can be registered for by anyone - however a member would still have a chance to get the event and receive the discount.

Maryland Benefit Hub Events Roster

Exclusive Craft Membership

Exclusive Craft Memberships are \$120.00 and gives you 50% discount off of all events.

You will never pay more than \$80 for an event as an Exclusive Craft Member, unless it is a huge craft show at an expo center. For example: the Home & Garden Show is for medium/large companies and is held over multiple days. Therefore, a craft vendor will not get this event for \$80.00. Events like this are the exception.

In the Exclusive Craft Membership, we allow multiple members from any region, any craft business, and any state.

A member of the Exclusive Craft Membership gets 72 hours to respond and register for an event before it goes out to the public.

Not every event will be 100% craft oriented: events that are available will have BOTH craft vendors and direct sales vendors. As we get more craft members, we will start having 100% craft events.

Craft Members will be put in their own Craft group and messenger on Facebook.
