Greetings:

I am Lee Langon, Sponsorship Director for the Crossroads Foundation, and I would like to introduce you to our federal 501(c)(3) charitable organization.

Our mission is to serve our community at large by focusing on the many shortcomings, difficulties and challenges facing our youth and many communities.

We sponsor and promote positive community activities and events such as:

- Educational Scholarships
- Back to School Supply Drives
- Clothing Drives
- Food Drives – Including Turkey and Christmas Basket Giveaways
- National Night Out Against Crime Police/Community Partnership Events
- Youth Sports Events

As a nonprofit organization, we rely on the generosity of community partners to aid us in bringing these efforts to fruition. I invite your organization to partner with us to promote more community outreach through one of our four sponsorship level campaigns. For your reference, I have included with this letter our current sponsorship opportunities. I would love to speak with you to discuss this opportunity further.

We look forward to building a caring, giving partnership and collaboration with you and your organization.

Thanking you in advance,

Lee Langon

Sponsorship Director
