You're here, I'm holding you so near. I'm staring into the face of my Savior,

King and Creator. You could of left us on our own, but you're here...

**I don't know how long I'm going to have you for, but I'll be watching when you
change the world. Look at your hands, they're still so small.**

Someday you're going to stretch them out and save us all. -You're Here
