

OPHTHALMIC TESTER

Buffalo Grove, IL

Armada Solution is a boutique staffing firm covering clients of all areas. We work closely with you to make sure the fit is right.

Position Summary

We are looking for an Ophthalmic Tester for a busy ophthalmology practice located in Buffalo Grove, IL. Ophthalmic Tester's main responsibility is assisting in providing excellent patient care to the patients during their visit. Ophthalmic Tester handles a wide range of duties while using equipment to perform the initial testing needed to prepare a patient for an exam. Willing to train the right person, no previous experience required. This is a full-time direct hire position.

Compensation

\$16/hr and up

Benefits

vision
health
401k
paid time off

Essential Functions

- Provide exceptional customer service during every patient encounter. Display a professional attitude, greet patients promptly with a smile and demonstrate patience throughout the patient testing process.
- Provide a brief explanation of each test to patients so they understand what role the test is playing in their diagnosis and care.
- Interface each test result to the patients' electronic medical record.
- Demonstrate teamwork while working efficiently along with other Ophthalmic Testers.

Requirements

High school diploma or GED; Previous working experience in a Customer Service role; Prior healthcare experience is a plus; Desire to gain industry knowledge and training (willing to train the right person); Reliable transportation; Exceptional interpersonal and communication skills.
