

Wholesale Purchase List

Looking to add unique and holistic products to your establishment? Our hair and body oil based serums are the perfect way to market at your nail, hair, or tanning salon, spa, boutique, or retail establishment. We offer low minimum orders.

Use these handcrafted serums to create a custom luxurious herbal hair serum, anti-aging facial serum, facial cleansing oil, or bath, body, yoni, or massage oil. In addition, we offer a wide variety of organic certified holistic healing herbs for yoni steaming needs. Serums are created with organic seed oils, containing superior amounts of antioxidants, blended with your choice of essential oil blends. Our wholesale products provide a wide range of healing benefits.

Sizes available: gallon, half gallon, retail (1 or 2 oz).

Gallon/half gallon sizes: product is ready to fill your containers.

Yoni Herbs: gallon, half gallon, retail (0.08 oz).
