

Pack It Up Student Registration 2026/2027

Your students can participate in a take-home meal program, here at Coopersville Area Public Schools called Pack It Up. Pack It Up provides students with a take home meal Monday - Thursday. This program is intended for families currently experiencing a financial burden and/or food needs.

The 2026/2027 distribution of meals will begin on September 14.

At the end of the school day (Monday-Thursday), students will bring home a bag with nutritious meal items. Items could include fruit (fresh or fruit cups), granola bars, pudding cups, raisins, cookies, chips, peanut butter (smooth), white bread, fruit snacks, and/or nuts.

There is no cost to participate in this meal program! If you feel your student(s) would benefit from this opportunity, please complete the response form at the bottom of this letter and submit. **You'll need to complete the form for each child in your household.** Your response will be kept confidential. Once you sign up, your student will receive meals for the remainder of the school year, starting the Monday after you sign up. If you move or no longer require a take-home meal from PIU, please contact us so we can take your student(s) off our weekly distribution list.

These opportunities are being provided by Coopersville Cares & Faith Community Church of Coopersville (dba CUMC). To learn more about Pack It Up, please visit www.coopersvillecares.org/pack-it-up-coopersville-1.

Contact PIU if you have question on changes, removal or anything else about the program:
