About Us.

Takaza Transport and Logistics is a registered truck transportation company in Shah Alam, Selangor. We focus on providing quality services in transporting goods for customers in Peninsular Malaysia. Humbly established in 2013, Takaza Transport has grown rapidly and has trucks ranging from 3-tonne, 5-tonne, and 10-tonne (canvas, bonded/box truck). We will continue acquiring more trucks to fulfill our existing and future customers' demands. We successfully offer our clients complete door to door transportation, which is tailored to their exact requirements. We believe that automation and I.T. development will be an integral part of our industry in the future.

At Takaza Transport and Logistics, we understand how important and how necessary reliable, accountable fulfilment, and distribution services are to your business. We will always hold true to our commitment to providing excellent service and at the same time offering good value to our customers. Give us the opportunity to help you to focus on your core competencies while we take care of the rest.

Our greatest asset has been our dedicated staff of employees. The motivation, perseverance, loyalty, and willingness of our staff to strive for excellence have made it possible for Takaza Transport and Logistics to compete successfully in the local marketplace. Our teams are committed to make a difference and achieve excellence in customer services that resulted in most preferred transportation among the locals. Similarly, the Takaza Transport and Logistics has deep roots spanning over 7 years in the logistics industry. We have grown from strength to strength to where it is today. Our passion is to be Malaysian leader in logistics industry. We are committed to continuously seek opportunities which will enable us to spread our wings further and undertake movement of logistics in the entire continents of the world. Ultimately, wherever there is a customer shipment, we at Takaza Transport and Logistics will have the right solutions.
