The Washington Ladies Riding Club Association High Point Series Award does not require WLRCA membership and is open to all Mounted Drill Teams. WLRCA sanctioned events usually include the following events: Eastside Round-Up, Quicksilver Spring Classic, C C Riders Annual Competition, PNWDTA Annual Competition, and the Clark County Fair Competition.

Only Free Style Drill scores are counted. Placing points are used for tabulation and not the judges' scores. WLRCA rules require two judges for this event.

The High Point Series Champion carries the Championship Flag for the year.

The yearly cost per team is \$25.00 payable prior to April 1st.
