Reneging - Playing out of turn, Play wrong suit, Bidding out of turn **Points automatically goes to the Opponent Team at the next highest bid. (Ex. Bid is 5 Opponent gets 6; Bid is 5 No Opponent gets 11) Unless opponent wants to play hand out for more points. **Misdeal** - If team was going to make the bid, or team was set it stands, so count your cards before play. **Bidding/Playing Out of Turn** - The Bid is voided, and the opponent gets to bid from scratch, or the opponent wins the bid plus one (1), so don't bid out of turn.
