1. Attended the Landfill meeting by Zoom on November 18, 2020. They are applying for a regional recycling grant for \$100,000 which requires a match of \$30,000. The yearly tonnage is down approximately 7,753 tons this year which comes to around \$461,000 in revenue not received. The recycling system will be turned on November 23, 2020.
2. Prepare a new Ishpeming Township Water Service Ordinance for your review.
3. Started on the Newsletter for 2020 which will be completed by December 31, 2020. Let me know if there is anything you want in the Newsletter.
4. The Ishpeming Township Board of Review will be meeting on Tuesday, December 15, 2020 at 6:00 p.m. The Board meets to correct qualified errors and appeals related to Principal Resident Exception, Taxable Value Uncapping, Disabled Veterans Exemptions, Poverty Exemptions, etc.
5. Receive pricing on a glass recycling trailer. The trailer will be 83' x 12' with a tarp cover.
6. Had a meeting with Recycling Partnership and Marquette Township to discuss the recycling carts, education requirements, etc. Will be having by-weekly meetings starting after the New Years.
7. Received Asset Management Forms from UP Engineering to fill out for the grant application.
8. Need to get a list of garbage customers with addresses for the recycling carts, so we get an accurate number of carts required.
