LOT DIAGRAM

Draw a diagram of the lot on which the building is to be constructed, showing the size of the building and where it is located on the lot. Also, show the distance from the building to the front, side and rear lot lines. Show all building presently on the property.

I hereby certify that the owner of record authorizes this application. I further certify that the proposed plans as shown, are accurate to the best of my knowledge. The applicant shall further agree that: Neither he nor his successor will sell, convey or otherwise dispose of any land surrounding a structure if such transaction will result in the structure being left on a lot which fails to meet the minimum requirements set forth in the township zoning ordinance and allows appropriate township officials to access the site for purposes of checking the zoning requirements.
