🎸 "Shows' On Up" 🎸

*A Country Anthem of Strength, Love & Good Upbringing
(Inspired by Chris Stapleton, Morgan Wallen, and George Strait – Big Guitar Riffs, Soulful
Vocals, and That Real Country Heartbeat.)*

🔥 INTRO – Laid-Back, Strong, Classic Country Groove

(Steel guitar swells, deep bass thumps, acoustic picking softly rings out, building into a driving beat.)

🔥 VERSE 1 – A Man Who Stands Tall

🎤 *(Deep, warm male country vocal, rich with emotion.)*

- 💬 He don't talk too much, but when he does, you listen...
- 💬 He's got that kinda way that makes a girl feel safe...
- 💬 Ain't scared of a little hard work or a hard decision...
- 💬 He don't break, he don't run, he stands in place.

🎸 *(Electric guitar slides in with a slow, bluesy twang.)*

- 💬 His boots hit the ground like his word hits strong...
 - 💬 Ain't gotta say it twice, 'cause he don't do wrong.
-

🔥 CHORUS – The Man Who Shows Up

🎤 *(Bigger drums, harmonies kick in, full band explodes into a proud, anthemic melody!)*

- 💬 He musta been raised right, musta had a good name...
- 💬 Taught to shake a hand, never run from the rain...

- 🗣️ Taught to love one woman, give his word, keep it tough...
- 🗣️ Ain't about talkin' 'bout it, he just shows' on up.

🔥 *(Big electric guitar riff follows, drums build, and we ride into the next verse!)*

🔥 VERSE 2 – A Cowboy's Kind of Love

🎤 *(More grit in the voice, steel guitar whining in the background.)*

- 🗣️ Ain't got a diamond ring, but he's got strong hands...
 - 🗣️ Builds a life, not just castles in the sand.
 - 🗣️ Loves a woman right, like his daddy said to do...
 - 🗣️ Knows that promises mean more than "I love you."

 - 🗣️ He ain't the type to turn and leave...
 - 🗣️ He's there in the storm, holdin' on to me.
-

🔥 CHORUS – REPEAT WITH EVEN MORE FIRE

🎤 *(Full harmonies, big stomp-and-clap rhythm, stadium singalong energy!)*

- 🗣️ He musta been raised right, musta had a good name...
- 🗣️ Taught to shake a hand, never run from the rain...
- 🗣️ Taught to love one woman, give his word, keep it tough...
- 🗣️ Ain't about talkin' 'bout it, he just shows' on up.

🔥 *(Electric guitar solo rips through, bending into a soulful, blues-country melody.)*

🔥 BRIDGE – The Heart of a Good Man

🎤 *(Soft, stripped back—just acoustic guitar and vocals, raw & real.)*

- 🗣️ In a world full of ghosts, full of people who leave...
- 🗣️ He's steady as the sunrise, solid as an old oak tree.
- 🗣️ You don't have to wonder if he's gonna stay...
- 🗣️ When the world shakes hard, he don't walk away.

🔥 *(Kick drum builds back in, the band rises, and we hit the final chorus with everything we got!)*

🔥 FINAL CHORUS – The Big Finish

🎤 *(Powerful, full-band, hands-in-the-air kind of moment!)*

💬 **He musta been raised right, musta had a good name...**

💬 **Taught to shake a hand, never run from the rain...**

💬 **Taught to love one woman, give his word, keep it tough...**

💬 **Ain't about talkin' 'bout it, he just shows' on up.**

🎤 *(Final line—just vocals and soft guitar strum, raw and honest.)*

💬 **Yeah, some men talk about love... but the right one's showin' on up.**

🔥 **(Final electric guitar bends, the last drum hit echoes, and the song fades on a deep, humming bass note.)**
