DreamLifer (Suspense Version)

(Verse 1)

You walk over clouds and bodies,
To the music, to the beat.
Love falls, love falls,
You see faces as they creep.
Total recall, total recall,
You remember all your dreams,
When you have total recall,
Total recall.

(Pre-Chorus)

You're a dreamlifer,
Dreamlifer.
Wake up with bruises on my neck,
Gasping for breath,
I still hear your words,
Tic tock, baby, it's time to wake up.

(Chorus)

Love comes crashing down,
Crashing down,
When you have total recall,
Total recall,
You're a dreamlifer,
Dreamlifer.

(Verse 2)

Oh, oh, oh, dreamlifer, dreamlifer,
Oh, oh, oh, dreamlifer, dreamlifer.
When you can't find yourself in your sleep,
And see faces as they creep.
Love falls, love falls,
When you have total recall,
Total recall.

(Pre-Chorus)

You're a dreamlifer,
Dreamlifer.

You want to come into my dreams,
But you're not what you seem.
I can't see your face,
But I know you're there,
Your hands around my neck,
Whispering "Tic tock, baby, it's time to wake up."

(Chorus)

Love comes crashing down,
Crashing down,
When you have total recall,
Total recall,
You're a dreamlifer,
Dreamlifer.

(Bridge)

Tic tock, the clock is running out,
I feel your presence, I feel the doubt.
Is it real or just a game?
Your whispers echo, calling my name.
Tic tock, it's time to wake up,
But my heart's racing—don't wake me up.

(Harmonica solo: A slow, eerie build into tension)

(Chorus)

Love comes crashing down,
Crashing down,
When you have total recall,
Total recall,
You're a dreamlifer,
Dreamlifer.

(Outro)

Oh, oh, oh, dreamlifer, dreamlifer,
Tic tock, baby, it's time to wake up.
Oh, oh, oh, dreamlifer, dreamlifer,
Tic tock, baby, it's time to wake up.

(Fading eerie whispers)

Tic tock... time to wake up...
