A Fistful of Stars (*Rap Rock Version*)

(Spoken Intro – Heavy Guitar Riff)

Yo, I was too far gone, lost in the night.
Chasin' stars that stayed outta sight.
But you brought me back, lit the fire inside.
Now I'm alive, with you by my side.

(Verse 1 – Rap)

Flyin' to the moon, I'll be there soon.
Runnin' through the dark, singin' to the tune.
The ground was cold, I couldn't last.
Then your love hit me, like a thunder blast.
Now the sky's so close, I can feel it near.
Your touch, your love—it's why I'm here.

(Pre-Chorus – Sung)

Your love pulled me from the abyss,
Woke my soul with every kiss.

(Chorus – Shouted with Power Chords)

I was too far down,
To catch a fistful of stars.
But I'm coming alive again,
When you kiss my face.
You're the only one,
My saving grace.
The only star I'll ever chase!

(Repeat Chorus x2)

(Guitar Solo)

(Verse 2 – Rap)

The way you hold me, it's pure fire.
You turn my pain into wild desire.

Your eyes, your smile, they light my way.
You chase the shadows, keep the dark away.
With every move, you break my chains.
Now I'm flying free, no fear, no pain.

(Pre-Chorus – Sung)

Falling for you feels like the sky.
You caught my heart, now I can fly.

(Chorus – Shouted with Backup Vocals)

I was too far down,
To catch a fistful of stars.
But I'm coming alive again,
When you kiss my face.
You're the only one,
My saving grace.
The only star I'll ever chase!

(Repeat Chorus with Heavier Beat)

(Bridge – Heavy Bassline)

(Rap)

Falling for you feels so high.
Turning my lows into midnight skies.

(Sung)

With you, I'm stronger, I've found my way.
Your love is my dawn, my brightest day.

(Shouted)

Your love's my anthem, your fire's my fight.
We're breaking through the dark tonight!

(Chorus – Explosive)

I was too far down,
To catch a fistful of stars.
But I'm coming alive again,
When you kiss my face.
You're the only one,
My saving grace.
The only star I'll ever chase!

(Repeat Chorus x2)

(Outro – Whispered over Fading Guitar)

Flyin' to the moon, I'll be there soon.

But now I know, it's all for you.
Your love brought me back, where I begin.
I'm alive again when you touch my skin.

(Heavy Instrumental Fade-Out)
