

ACCURANGE

The most flexible and affordable practice facility distance tool on the market today

*I would recommend **AccuRange** to any facility that wants to take their range to the next level. Putting exact yardages in the palm of a golfer's hand is a game changer.*

Nick Tedeschi, PGA Head Professional
Granite Links Golf Club
Boston, MA

***AccuRange** was installed at The Par Tee in less than 48 hours. It is affordable for any facility and can also be used to advertise services to generate revenue for our golf shop, golf lessons and club repair.*

***AccuRange** is hands down, the best yardage measuring device.*

Tom Mason, PGA Owner
Par Tee Golf Center
West Columbia, SC

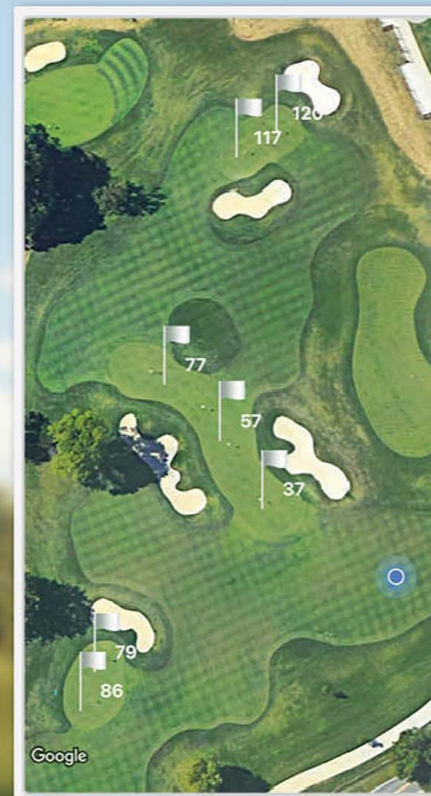

*I don't know why everyone doesn't use **AccuRange**.*

Larry Drehs, Head Golf Professional
Hyde Park Golf & Country Club
Cincinnati, OH
