Then you are off to nearby Arches National Park for sightseeing. The 18,000 square-foot visitors center will introduce you to the unique geologic forces that created the highest concentration of natural arches in the world with over 2,000 named arches within its 73,000-acre boundary. Visit all the park highlights including Park Avenue, Balance Rock, The Windows and Delicate Arch. This evening arrive Bryce Canyon and check into your hotel located just outside the park. **(B, L)**

DAY 7 Tues., Oct.,19: BRYCE CANYON - ZION NATIONAL PARKS

Enter Bryce Canyon National Park for sightseeing. The hues and intricate shapes of Bryce Canyon carry even the most mature adult away into a fairyland fantasy. The Paiute Indians used a word to describe Bryce that translates into, "red rocks standing like men in a bowl-shaped canyon." Mormon settler Ebenezer Bryce, for whom the canyon was named, described it as "a hell of a place to lose a cow." Then take a short drive to see Utah's oldest and most famous national park, Zion National Park. An early Mormon settler described the park's massive formations as "temples built by hands, not of man." The Paiutes believed mischievous spirits lived among the 2,000-foot high towers and would not enter the canyon alone or remain there after dark. There will be time for lunch on your own followed by the opportunity to explore Zion Canyon, a brilliant green canyon set against the backdrop of sheer red cliffs, with an occasional lacy waterfall fanning out from the rocks. This evening arrive in St. George for hotel check in followed by a farewell dinner. **(B, D)**
