PRESIDENT'S MESSAGE

Welcome to our 118th Fall Fair! That's something special to celebrate, but in addition, **it's our 25th year at our existing location!**

To celebrate this milestone this year's theme is "Silver Buckles & Boots".

Please join us with your silver buckles and boots on at the Fair AUGUST 21, 22 & 23, 2025

We are so proud of our event, our volunteers and our sponsors who make it all possible. I would personally like to thank our amazing group of directors and volunteers for the many hours they have invested in this event to make sure it's something we can all be very proud of.

We hope that you take time to enjoy all that our Fair has to offer. We have a very full three-day schedule, with something for everyone.

Our exhibit hall boasts the talents of many local exhibitors. Everything from handcrafts to baking, photography to produce. Our area is thriving with local artists and producers!

Stroll through the barns and help us celebrate our local farmers as they show us their award-winning livestock and poultry. Stop at the horse arena to watch some exciting horse show activity and join us Friday night at the cattle ring for our annual market steer auction, where we celebrate the success of our local 4-H youth.

Make sure you visit our food booths to support local businesses and service clubs and enjoy the daily entertainment on the Moody stage.

Don't forget to take in the midway, the view of the Fair can really be appreciated from the top of the Ferris Wheel! We pride ourselves on having something for everyone to enjoy, we can't wait to share it all with you!

Lisa Koschel
DDAS 2025 President

We invite you to join us on Facebook at Dryden & District Agricultural Society or check us out on our website at www.drydenfair.ca We will post many fair updates, but we are busy year-round, check out what we are up to!

OAAS DISTRICT 15 ASSOCIATES

Dryden and District Agriculture Society is one of six fairs in the District 15 Region. Other societies include Canadian Lakehead Exhibition, Hymers, Murillo, Rainy River Valley District, and Kenora. Representatives from each fair meet annually in the fall to discuss our common fair interests and concerns. Butter Tarts, Chocolate Chip, Honey and Quilt, 1st place winners from each fair are judged at this meeting to determine the district winners. They also meet each spring and host a judging school to ensure our judges are OAAS qualified.

We are also a member of the Ontario Association of Agricultural Societies (O.A.A.S.). In February the OAAS hosts its annual convention. Delegates to this meeting may take the district competition winning exhibits for provincial competition.

Location and dates of other fairs across Ontario can be found at ontarioagsocieties.com/our-fairs

JUNIOR FAIR RULES:

1. Junior Fair applies to ages 16 years and under
2. Ages are all as of January 1st of the current year.
3. Anyone wishing to compete in an older age category may do so; however, points will only be accumulated in their own age group

JUNIOR GARDEN COMPETITION

We hope you will encourage and lend your guidance to provide the opportunity for your children to participate in planting a garden. All children, both rural and urban, in the Dryden district are eligible to participate. The rules of this competition are stated below. Please follow the instructions carefully. Gardens which do not comply with these rules may be disqualified.

Children who have a garden in this competition or have actively participated in another garden will be eligible to display vegetables and flowers to compete in produce classes. Children are not restricted to entering only the number of items for their gardens ie: they may have carrots to enter in more than one size category; or they may have flowers/vegetables in another garden separate from their fair garden.

INSTRUCTIONS:

1. Child's age as of January 1st of the current year will be used to select proper class.
2. All gardens are to be divided off from the family garden and to have a name marker
3. Child must plant, weed, and care for the plot on their own throughout the summer season.
4. Child should be prepared to work the garden regularly.
5. Plant only the number of vegetables and flowers specified in the class, otherwise the garden may be disqualified.

SOME HELPFUL HINTS TO GROW AND SHOW AT THE FAIR

Vegetables	Flowers
Thin vegetables to allow remaining plants to grow rapidly, with better shape and to meet optimum size	Practice grooming - remove old blooms & discoloured leaves in the garden and for showing at the fair
Turnips - thin out from 6" to 8" apart	Weed around plants to reduce competition for nutrients
Carrots, Beets, & Onions - thin out from 2" to 3" apart	Give plants space to grow; poor air circulation can lead to fungal disease
Onions should be mature - clean but do not peel	Choose sprays and stems with plenty of blooms
Carrots, Beets & Turnips - cut tops ½" above crown; retain tap root; snip off any side roots	Always show the exact number of blooms specified
Only brush vegetables clean of soil; do not wash	Ensure flowers are uniform in size
