

Announcement of One Day Workshop for

Innovative Research Mindset

About the Workshop on Innovative Research Mindset:

The workshop is meant for those who are the future intellectuals of our nation. The youth of Bharat, mainly those who have completed their masters' programme and are thinking about research as well as those who all might be pursuing their Ph.D. are the ones who are going to take our nation on the path of development. This workshop is meant to share those concepts, thoughts, vision required for the intellectuals to lead the world on Knowledge path.

Many a times we listen that innovative research must be done. However, it is rare that anyone really tells us how to think out of the box? Is there any technique or is there any psychological hack that helps mind work in a different manner? Well, in this workshop we are going to discuss how our thoughts are governed and how can we bring in changes into our thinking process.

What do you gain after attending the workshop?

- ✚ You may gain a mindset that allows you to think out of the box.
- ✚ By practicing the concepts and techniques in your routine, you would be able to manage your mind.
- ✚ When your mind is peaceful, you would be able to allow innovative thoughts flow easily.
- ✚ You would also be eligible to gain the true Knowledge.
- ✚ You would be able to conduct research independently.

Overview of the Sessions:

First Session	Introductory Session
Second Session	The Concepts and Techniques for Innovative Research Mindset
Third Session	Activities and Interaction
Fourth Session	Applying any of the techniques and concepts with your area of research
Fifth Session	Interactive session and queries resolving

Workshop Sessions:

All the sessions will be conducted online via Google Meet. The link for the sessions would be shared in the WhatsApp group. It is mandatory to attend all the sessions.
