At **NS Dance Academy**, our tuition structure is designed to be simple, consistent, and flexible for families.

For dancers taking **1 or 2 weekly classes**, tuition is offered as a **single annual payment**, due on **August 1st, 2026**.

For students enrolled in **3 or more classes**, tuition is divided into **10 equal installments**, calculated based on the total number of classes for the entire season. While some months—such as December—may have fewer classes due to holidays and others may have more to balance the schedule, your monthly installment remains the same throughout the year.

Families who prefer to pay in full may also choose our **annual option**, which includes a **5% discount** when paid by **August 1st, 2026**. This even, predictable payment structure helps ensure consistency and simplifies the tuition process for all families. Tuition is due on the first day of your child's class each month, and no credits or refunds are given for absences, weather, cancellations, or drops.
