BEAUTY AND THE BEAST

2022 Annual Recital

A LETTER FROM NS DANCE ACADEMY ARTISTIC DIRECTOR

I would like to take this opportunity to welcome the family and friends of our students to Beauty and the Beast, NSDA 2022 first Annual Recital production. Our students have been working extremely hard at night and on weekends since February to present our show.

The process of learning and preparing repertoire is a valuable part of the education of the professional dancer. Our students have had the unique opportunity to experience working together and how to develop a strong and productive work ethic.

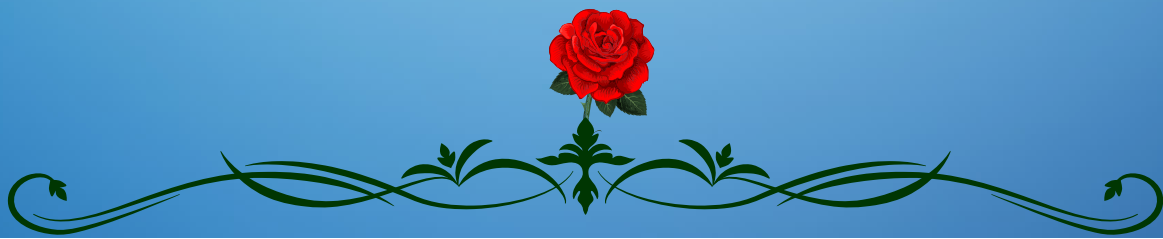

It has been a privilege for me to work with these very talented and engaging young people that we have welcome to NS Dance Academy. I am very grateful for the enthusiastic community support - in time, money, and encouragement - that allows our children to share their talent with the community.

On behalf of NS Dance Academy, we thank all our students for choosing NSDA to a place they can call home. It is a such a joy to participate in the development of the next generation of dancers!

Sincerely,

A handwritten signature in black ink that reads "Nicolas Scheuer". The signature is written in a fluid, cursive style.

Disney's BEAUTY AND THE BEAST

Note from Nicolas Scheuer

"A tale as old as time... A provincial French town, an enchanted castle, a beautiful young girl, and a prince who is cursed to live as a monstrous beast all set the stage for one of the most beloved stories of all time. Follow Belle and her adventures in the castle as she uncovers the mysterious story of the Beast and how she grows to love all of the charming characters...Mrs. Potts, Chip, Lumiere, Cogsworth, and Plummete."
