(a) Take any action with respect to the Property, other than as directed in Sections 1 and 2 hereof, and the Trustee shall have no liability to any party except for liability arising out of its own gross negligence, fraud or willful misconduct;

(b) Institute any proceeding for the collection of any principal and income arising from, or institute, appear in, or defend any proceeding of any kind with respect to, any of the Property unless and until it shall have received instructions from the Company given as provided herein to do so and the Company shall have advanced or guaranteed to it funds sufficient to pay any expenses incident thereto;

(c) Change the investment of any Property, other than in compliance with Section 1(c);

(d) Refund any depreciation in principal of any Property;

(e) Assume that the authority of any person designated by the Company to give instructions hereunder shall not be continuing unless provided otherwise in such designation, or unless the Company shall have delivered a written revocation of such authority to the Trustee;

(f) The other parties hereto or to anyone else for any action taken or omitted by it, or any action suffered by it to be taken or omitted, in good faith and in the exercise of its own best judgment (provided, that with respect to its duties under Sections l(i), l(j), and 2(a) above, the Trustee shall take no action except as set forth in written instructions from the Company, confirmed by telephone, in accordance with Section 3(a)), except for its gross negligence, fraud or willful misconduct. The Trustee may rely conclusively and shall be protected in acting upon any order, notice, demand, certificate, opinion, or advice of counsel (including counsel chosen by the Trustee), statement, instrument, report, or other paper or document (not only as to its due execution and the validity and effectiveness of its provisions, but also as to the truth and acceptability of any information therein contained) which is believed by the Trustee, in good faith, to be genuine and to be signed or presented by the proper person or persons (provided, that with respect to its duties under Sections l(i), l(j), and 2(a) above, the Trustee shall take no action except as set forth in written instructions from the Company, confirmed by telephone, in accordance with Section 3(a)) The Trustee shall not be bound by any notice or demand, or any waiver, modification, termination, or rescission of this Agreement or any of the terms hereof, unless evidenced by a written instrument delivered to the Trustee signed by the proper party or parties and, if the duties or rights of the Trustee are affected, unless it shall give its prior written consent thereto;

(g) Verify the correctness of the information set forth in the Registration Statement or to confirm or assure that any Business Combination consummated by the Company or any other action taken by it is as contemplated by the Registration Statement;

(h) File local, state, and/or federal tax returns or information returns with any taxing authority on behalf of the Trust Account or deliver payee statements to the Company documenting the taxes, if any, payable by the Company or the Trust Account, relating to the income earned on the Property;

(i) Pay any taxes on behalf of the Trust Account (it being expressly understood that the Property shall not be used to pay any such taxes and that such taxes, if any, shall be paid by the Company from funds not held in the Trust Account or released to it under Section 2(a) hereof);

(j) Imply obligations, perform duties, inquire, or otherwise be subject to the provisions of any agreement or document other than this agreement and that which is expressly set forth herein; or

(k) Verify calculations, qualify, or otherwise approve Company requests for distributions pursuant to Sections l(i), l(j), and 2(a) above.

5. Trust Account Waiver. The Trustee has no right of set-off or any right, title, interest or claim of any kind ("Claim") to, or to any monies in, the Trust Account, and hereby irrevocably waives any Claim to, or to any monies in, the Trust Account that it may have now or in the future. In the event the Trustee has any Claim against the Company under this Agreement, including, without limitation, under Section 3(b) or Section 3(c) hereof, the Trustee shall pursue such Claim solely against the Company and its assets outside the Trust Account and not against the Property or any monies in the Trust Account.

6. Termination. This Agreement shall terminate as follows:

(a) If the Trustee gives written notice to the Company that it desires to resign under this Agreement, the Company shall use its reasonable efforts to locate a successor trustee during which time the Trustee shall act in accordance with this Agreement. At such time that the Company notifies the Trustee that a successor trustee has been appointed by the Company and has agreed to become subject to the terms of this Agreement, the Trustee shall transfer the management of the Trust Account to the successor trustee, including but not limited to the transfer of copies of the reports and statements relating to the Trust Account, whereupon this Agreement shall terminate; provided, however, that, in the event that the Company does not locate a successor trustee within ninety (90) days of receipt of the resignation notice from the Trustee, the Trustee may submit an application to have the Property deposited with any court in the State of New York or with the United States District Court for the Southern District of New York and upon such deposit, the Trustee shall be immune from any liability whatsoever; or

(b) At such time that the Trustee has completed the liquidation of the Trust Account in accordance with the provisions of Section l(i) hereof, and distributed the Property in accordance with the provisions of the Termination Letter, this Agreement shall terminate except with respect to Section 3(b) and Section 5.

7. Miscellaneous.

(a) The Company and the Trustee will each restrict access to confidential information relating to funds being transferred to or from the Trust Account to authorized persons. Each party must notify the other party immediately if it has reason to believe

unauthorized persons may have obtained access to such information, or of any change in its authorized personnel. In executing funds transfers, the Trustee will rely upon all information supplied to it by the Company, including account names, account numbers, and all other identifying information relating to a beneficiary, beneficiary's bank, or intermediary bank. Except for any liability arising out of the Trustee's gross negligence, fraud, or willful misconduct, the Trustee shall not be liable for any loss, liability, or expense resulting from any error in the information supplied to it or funds transferred based on such information.

(b) This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The parties hereto consent to the jurisdiction and venue of any state or federal court located in the City of New York, Borough of Manhattan, for purposes of resolving any disputes hereunder. As to any claim, cross-claim, or counterclaim in any way relating to this Agreement, each party waives the right to trial by jury.

(c) This Agreement may be executed in several original or facsimile counterparts, each one of which shall constitute an original, and together shall constitute but one instrument.

(d) This Agreement contains the entire agreement and understanding of the parties hereto with respect to the subject matter hereof. Except for Sections l(i) and l(j) (which sections may not be modified, amended or deleted without the affirmative vote of a majority of the then outstanding shares of Common Stock of the Company; provided that no such amendment will affect any Public Stockholder who has otherwise indicated his, her or its election to redeem his, her or its shares of Common Stock in connection with a vote sought to amend this Agreement), this Agreement or any provision hereof may only be changed, amended or modified by a writing signed by each of the parties hereto; provided, however, that no such change, amendment or modification may be made without the prior written consent of the Representative. The Trustee may require from Company counsel an opinion as to the propriety of any proposed amendment.

SUPPORT AGREEMENT

This Support Agreement (this "Agreement") is made as of May 24, 2021, by and between 1295908 B.C. Ltd., a company organized under the laws of the Province of British Columbia (the "Company") and the undersigned SPAC shareholders (the "Voting Parties" and each a "Voting Party").

WHEREAS, contemporaneously with the execution and delivery of this Agreement, SPAC and the Company have entered into an Agreement and Plan of Merger (as amended or modified from time to time, the "Merger Agreement"), pursuant to which, among other things, on the terms and conditions set forth therein, at the Effective Time, Merger Sub will merge with and into SPAC (the "Merger"), with SPAC surviving as a direct, wholly-owned subsidiary of the Company. Capitalized terms used and not defined herein shall have the respective meanings assigned to them in the Merger Agreement.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. As used herein, the following terms shall have the following meanings:

(a) "Voting Shares" shall mean all securities of SPAC beneficially owned (as such term is defined in Rule 13d-3 under the Exchange Act, excluding shares of stock underlying unexercised warrants, but including any shares of stock acquired upon exercise of such warrants) ("Beneficially Owned") by any Voting Party, including any and all securities of SPAC acquired and held in such capacity subsequent to the date hereof.

(b) "Family Member" means with respect to any Person, such Person's spouse, ancestors, descendants (whether by blood, marriage or adoption) or spouse of a descendant of such Person, brothers and sisters (whether by blood, marriage or adoption) and inter vivos or testamentary trusts of which only such Person and his spouse, ancestors, descendants (whether by blood, marriage or adoption), brothers and sisters (whether by blood, marriage or adoption) are beneficiaries.

(c) "Permitted Transfer" means a Transfer of Voting Shares by a Voting Party (a) to any Family Member of such Voting Party, (b) to any Affiliate of such Voting Party, (c) to any Affiliate of any Family Member of such Voting Party, (d) to any of such Voting Party's related investment funds or vehicles controlled or managed by such Voting Party or Affiliate of such Voting Party, (d) to any other Voting Party to the extent that such Voting Party transferee agrees in a written instrument with the Company (which may be an amendment or joinder to the Lockup Agreement if agreed by the Company) to the same restrictions on transfer following Closing with respect to such transferred Voting Shares as would have been applicable to such Voting Shares prior to such transfer, and (e) with the prior consent of the Company, which shall not be unreasonably withheld, conditioned, or delayed, by private sales made at or prior to the consummation of the Merger at prices no greater than the price at which the SPAC Founder Shares were originally purchased.

2. Representations and Warranties of the Voting Parties. Each Voting Party on its own behalf hereby represents and warrants to the other parties hereto, severally and not jointly, with respect to such Voting Party and such Voting Party's ownership of its Voting Shares set forth on Annex A hereto as follows:

(a) Authority. If Voting Party is a legal entity it is duly organized, validly existing and, to the extent such concept is applicable, in good standing under the applicable law of the jurisdiction of its organization, and Voting Party has all requisite power and authority to enter into this Agreement, to perform fully Voting Party's obligations hereunder and to consummate the transactions contemplated hereby. If Voting Party is a natural person, Voting Party has the legal capacity to enter into this Agreement. If Voting Party is a legal entity, this Agreement has been duly authorized by all necessary action, executed and delivered by Voting Party. This Agreement constitutes a valid and binding obligation of Voting Party enforceable in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(b) No Consent. No consent, approval or authorization of, or designation, declaration or filing with, any Governmental Entity or other Person on the part of Voting Party is required in connection with the execution, delivery and performance of this Agreement. If Voting Party is a natural person, no consent of such Voting Party's spouse is necessary under any "community property" or other laws for the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby. If Voting Party is a trust, no consent of any beneficiary is required for the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

(c) No Conflicts. Neither the execution and delivery of this Agreement, nor the consummation of the Transactions, including the transactions contemplated hereby, nor Voting Party's compliance with the terms hereof and performance of his, her or its obligations hereunder, will, directly or indirectly (i) violate, conflict with or result in a breach of, or constitute a default (with or without notice or lapse of time or both) under any provision of, Voting Party's organizational documents (as applicable), any trust agreement, loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, instrument, permit, concession, franchise, license, judgment, order, notice, decree, statute, law, ordinance, rule or regulation applicable to Voting Party or to Voting Party's property or assets (including the Voting Shares) that would reasonably be expected to prevent or delay the consummation of the Transactions or that would reasonably be expected to prevent Voting Party from fulfilling its obligations under this Agreement or (ii) result in the creation or imposition of any Lien upon the Voting Shares.

(d) Ownership of Shares. Voting Party (i) Beneficially Owns its Voting Shares free and clear of all Liens (except for any such Lien that may be imposed pursuant to this Agreement, the Merger Agreement and the transactions contemplated hereby and thereby, any applicable restrictions on transfer under applicable U.S. state or federal securities or "blue sky" law) and (ii) has the sole power to vote or caused to be voted its Voting Shares. Except pursuant hereto and pursuant to, (A) the Subscription Agreements, dated on or about July 30, 2020, by and between SPAC and the Voting Parties and (B) the Letter Agreements, dated as of January 19, 2021, by and among SPAC and the Voting Parties, as of the date hereof, there are no options, warrants or other rights, agreements, arrangements or commitments of any character to which Voting Party is a party relating to the pledge, acquisition, disposition, transfer or voting of Voting Shares prior to the consummation of the Transactions and there are no voting trusts or voting agreements with respect to the Voting Shares. Other than the Voting Shares set forth on Annex A hereto, as of the date hereof, Voting Party does not Beneficially Own any Voting Shares or any options, warrants or other rights to acquire any additional shares of common stock, par value $0.0001 per share, of SPAC ("SPAC Common Stock") or any security exercisable for or convertible into shares of SPAC Common Stock.

(e) No Litigation. There is no Legal Proceeding pending against, or, to the knowledge of Voting Party, threatened against, Voting Party that would reasonably be expected to materially impair or materially adversely affect the ability of Voting Party to perform Voting Party's obligations hereunder, to consummate the Transactions, including the transactions contemplated by this Agreement, or that would reasonably be expected to prevent or delay the consummation of the Transactions.

(f) Sophistication. Voting Party is a sophisticated shareholder and has adequate information concerning the business and financial condition of SPAC and the Company to make an informed decision regarding this Agreement and the other transactions contemplated by the Transaction Agreements and has independently and based on such information as the Voting Party has deemed appropriate, made its own analysis and decision to enter into this Agreement, without reliance upon SPAC, the Company, any of their Affiliates or any of the respective Representatives of the foregoing. Voting Party acknowledges that SPAC and the Company have not made and do not make any representation or warranty, whether express or implied, of any kind or character except as expressly set forth in this Agreement. Voting Party acknowledges that the agreements contained herein with respect to the Voting Shares Beneficially Owned by Voting Party are irrevocable.

3. Agreement to Vote Shares. Each Voting Party shall, solely in his, her or its capacity as a SPAC Stockholder, during the term of this Agreement vote or cause to be voted all Voting Shares that he, she or it Beneficially Owns, at every meeting of the stockholders of SPAC at which such matters are considered and at every adjournment or postponement thereof: (i) in favor of the SPAC Transaction Proposals; and (ii) against (A) any proposal or offer from any Person (other than the Company or any of its Affiliates) concerning a SPAC Business Combination or the adoption of any agreement to enter into a SPAC Business Combination; and (B) any action, proposal, transaction or agreement that could reasonably be expected to materially impede, interfere with, delay, discourage, adversely affect or inhibit the timely consummation of the Transactions or the fulfillment of SPAC's obligations under the Merger Agreement or change in any manner the voting rights of any class of shares of SPAC (including any amendments to SPAC's certificate of incorporation or bylaws other than in connection with the Transactions).

4. No Voting Trusts or Other Arrangement. Each Voting Party agrees that, during the term of this Agreement, Voting Party will not, and will not permit any entity under Voting Party's control to, deposit any Voting Shares in a voting trust, grant any proxies with respect to the Voting Shares or subject any of the Voting Shares to any arrangement with respect to the voting of the Voting Shares. Each Voting Party hereby revokes any and all previous proxies and attorneys in fact with respect to the Voting Shares.

5. Transfer and Encumbrance. Each Voting Party agrees that, during the term of this Agreement, Voting Party will not, directly or indirectly, transfer (including by operation of law), sell, offer, exchange, assign, pledge or otherwise dispose of or encumber ("Transfer") any of his, her or its Voting Shares or enter into any contract, option or other agreement with respect to, or consent to, a Transfer of, any of his, her or its Voting Shares or Voting Party's voting or economic interest therein, except a Permitted Transfer; provided, however, as a precondition to such Permitted Transfer, the transferee shall agree in a writing, reasonably satisfactory in form and substance to SPAC and the Company, to be bound by all of the terms of this Agreement. Any attempted Transfer (other than a Permitted Transfer) of Voting Shares or any interest therein in violation of this Section 5 shall be null and void.

6. Appraisal and Dissenters' Rights. Each Voting Party hereby (i) waives, and agrees not to assert or perfect, any rights of appraisal or rights to dissent from the Transactions that Voting Party may have by virtue of ownership of the Voting Shares and (ii) agrees not to commence or participate in any claim, derivative or otherwise, against SPAC relating to the negotiation, execution or delivery of this Agreement or the Merger Agreement or the consummation of the Transactions, including any claim (A) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement or (B) alleging a breach of any fiduciary duty of the board of directors of SPAC in connection with this Agreement, the Merger Agreement or the Transactions.

7. Redemption Rights. Each Voting Party agrees not to exercise any right to redeem any Voting Shares Beneficially Owned as of the date hereof or acquired and held in such capacity subsequent to the date hereof.

8. Acquisition of Additional Shares. In the event that, during the term of this Agreement, (a) any Voting Shares are issued to a Voting Party pursuant to any stock dividend, stock split, recapitalization, reclassification, combination or exchange of Voting Shares or otherwise, (b) a Voting Party purchases or otherwise acquires beneficial ownership of any Voting Shares or (c) a Voting Party acquires the right to vote or share in the voting of any Voting Shares (collectively the "New Securities"), then such New Securities acquired or purchased by such Voting Party shall be subject to the terms of this Agreement to the same extent as if they constituted the Voting Shares owned by such Voting Party as of the date hereof.

9. Termination. This Agreement shall automatically terminate upon the earliest to occur of (i) the Effective Time, (ii) the date on which the Merger Agreement is terminated in accordance with its terms, and (iii) the effective date of a written agreement executed and delivered by the Company and each Voting Party terminating this Agreement. Upon termination of this Agreement, no party shall have any further obligations or liabilities under this Agreement; provided, that nothing in this Section 9 shall relieve any party of liability for any willful breach of this Agreement occurring prior to termination.

10. No Agreement as Director or Officer. Each Voting Party is signing this Agreement solely in its capacity as a SPAC Stockholder. No Voting Party makes any agreement or understanding in this Agreement in such Voting Party's capacity (or in the capacity of any Affiliate, partner or employee of Voting Party) as a director or officer of SPAC (if Voting Party holds such office). Nothing in this Agreement will limit or affect any actions or omissions taken by a Voting Party in his, her or its capacity as a director or officer of SPAC, and no actions or omissions taken in any Voting Party's capacity as a director or officer shall be deemed a breach of this Agreement. Nothing in this Agreement will be construed to prohibit, limit or restrict a Voting Party from exercising his or her fiduciary duties as an officer or director to SPAC or its equityholders. Voting Party shall not be responsible for the actions of SPAC or the board of directors of SPAC (or any committee thereof) or any officers, directors (in their capacity as such), employees and professional advisors of SPAC and Voting Party makes no representations or warranties with respect to the actions of any of the foregoing.

11. Specific Enforcement. Monetary damages would not adequately compensate an injured party for the breach of this Agreement by any party hereto and, accordingly, this Agreement shall be specifically enforceable, in addition to any other remedy to which such injured party is entitled at law or in equity, and any breach of this Agreement shall be the proper subject of a temporary or permanent injunction or restraining order. Further, each party hereto waives any claim or defense that there is an adequate remedy at law for such breach or threatened breach or an award of specific performance is not an appropriate remedy for any reason at law or equity and agrees that a party's rights would be materially and adversely affected if the obligations of the other parties under this Agreement were not carried out in accordance with the terms and conditions hereof.

12. Entire Agreement; Amendments; Waivers. This Agreement and the Merger Agreement supersede all prior agreements, written or oral, among the parties hereto with respect to the subject matter hereof and contain the entire agreement among the parties with respect to the subject matter hereof. 14. Miscellaneous.

(a) *Governing Law; Consent to Jurisdiction.* This Agreement and any action, suit, dispute, controversy or claim arising out of this Agreement, or the validity, interpretation, breach or termination of this Agreement, shall be governed by and construed in accordance with the laws of the State of Delaware without the application of principles of conflicts of law that would result in the application of the laws of another jurisdiction. Each of the parties irrevocably consents to the exclusive jurisdiction and venue of the Chancery Court of the State of Delaware, or if such court declines jurisdiction, then to any federal court located in Wilmington, Delaware and, in either case, any appellate court therefrom in connection with any matter based upon or arising out of this Agreement, agrees that process may be served upon them in any manner authorized by the laws of the State of Delaware for such Person and waives and covenants not to assert or plead any objection which they might otherwise have to such manner of service of process. Each party may do so only if he, she or it hereby waives, and shall not assert as a defense in any legal dispute, that: (i) such Person is not personally subject to the jurisdiction of the above named courts for any reason; (ii) such Legal Proceeding may not be brought or is not maintainable in such court; (iii) such Person's property is exempt or immune from execution; (iv) such Legal Proceeding is brought in an inconvenient forum; or (v) the venue of such Legal Proceeding is improper. Each party hereby agrees not to commence or prosecute any such action, claim, cause of action or suit other than before one of the above-named courts, nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action, claim, cause of action or suit to any court other than one of the above-named courts, whether on the grounds of inconvenient forum or otherwise. Each party hereby consents to service of process in any such proceeding in any manner permitted by Delaware law, and further consents to service of process by nationally recognized overnight courier service guaranteeing overnight delivery, or by registered or certified mail, return receipt requested, at its address specified pursuant to Section 13. Notwithstanding the foregoing in this Section 14(a), any party may commence any action, claim, cause of action or suit in a court other than the above-named courts solely for the purpose of enforcing an order or judgment issued by one of the above-named courts.

(b) *Waiver of Jury Trial.* TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES MAY DO SO ONLY IF HE, SHE OR IT IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM RELATING THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT. FURTHERMORE, NO PARTY SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

(c) *Severability.* In the event that any term, provision, covenant or restriction of this Agreement, or the application thereof, is held to be illegal, invalid or unenforceable under any present or future Applicable Law: (a) such provision will be fully severable; (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof; (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom; and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms of such illegal, invalid or unenforceable provision as may be possible.

(d) *Counterparts; Electronic Execution.* This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same document and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart. Delivery by electronic transmission to counsel for the other parties of a counterpart executed by a party shall be deemed to meet the requirements of the previous sentence.

(e) *Titles and Headings.* The titles, captions and table of contents in this Agreement are for reference purposes only, and shall not in any way define, limit, extend or describe the scope of this Agreement or otherwise affect the meaning or interpretation of this Agreement.

(f) *Assignment; Successors and Assigns; No Third Party Rights.* No party may assign, directly or indirectly, including by operation of law, either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other parties. Subject to the first sentence of this Section 14(f), this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

(g) *No Ownership Interests.* Except as provided in this Agreement, nothing contained in this Agreement shall be deemed to vest in the Company any direct or indirect ownership or incidence of ownership of or with respect to any Voting Shares. Except as provided in this Agreement, all rights, ownership and economic benefits relating to the Voting Shares shall remain vested in and belong to the Voting Parties. Nothing in this Agreement shall be interpreted as creating or forming a "group" with any other Person for purposes of Rule 13d-5(b)(l) of the Exchange Act or any other similar provision of applicable law.

(h) *Expenses.* All fees, costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such fees, costs and expenses.

(i) *Further Assurances.* Each party hereto shall execute and deliver such additional documents as may be necessary or desirable to effect the Transactions, on the terms and subject to the conditions set forth in the Transaction Agreements, including this Agreement and the Merger Agreement.

SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this "Subscription Agreement") is entered into this day of , 2021, by and among 1295908 B.C. Ltd., a company organized under the laws of the Province of British Columbia, Canada (the "Issuer"), Legato Merger Corp., a Delaware corporation ("Legato"), and [ ], a [ ] ("Subscriber").

WHEREAS, concurrently with the execution and delivery of this Subscription Agreement, the Issuer entered into an Agreement and Plan of Merger (as the same may be amended or supplemented from time to time in accordance with its terms, the "Merger Agreement"), by and among the Issuer, Algoma Merger Sub, Inc., a Delaware corporation and a direct, wholly-owned subsidiary of the Issuer ("Merger Sub"), and Legato, pursuant to which, among other things, (i) the Issuer will amend and restate its articles of incorporation, complete a stock split and change its name to "Algoma Steel Group Inc."; (ii) Merger Sub will merge with and into Legato (the "Merger"), with Legato continuing as the surviving company and as a wholly-owned subsidiary of the Issuer; and (iii) all of the issued and outstanding shares of common stock, par value $0.0001 per share, of Legato (the "Common Stock"), will be cancelled and exchanged for the right to receive the Issuer's common shares (the "Common Shares") and all of the issued and outstanding warrants to purchase shares of Common Stock at an exercise price of $11.50 per share will to be assigned to, and assumed by, the Issuer and become warrants to purchase Common Shares at an exercise price of $11.50 per share;

WHEREAS, in connection with the Merger, on the terms and subject to the conditions set forth in this Subscription Agreement, Subscriber desires to subscribe for and purchase from the Issuer and the Issuer desires to issue and sell to the Subscriber, substantially concurrently with, or immediately following, the closing of the Merger (the "Closing") and on the date the Closing occurs (the "Closing Date"), the number of Issuer's Common Shares set forth on the signature page hereto (such Common Shares, the "Acquired Shares") for a purchase price of $10.00 per share (the "Share Purchase Price"), or the aggregate purchase price set forth on the signature page hereto (the "Purchase Price"); and

WHEREAS, certain other investors (each such investor, an "Other Subscriber") that are either institutional "accredited investors" (as such term is defined in Rule 501 under the U.S. Securities Act of 1933, as amended (the "Securities Act,")) or otherwise eligible investors outside of the United States (within the meaning of Regulation S under the Securities Act ("Regulation S")), have entered into subscription agreements with the Issuer substantially similar to this Subscription Agreement, pursuant to which such Other Subscribers have agreed to subscribe for and purchase, and the Issuer has agreed to issue and sell to such Other Subscribers, on the Closing Date, a total, when combined with the Acquired Shares, of at least 10,000,000 Common Shares at the Share Purchase Price (the "Other Subscription Agreements"), for aggregate gross proceeds to the Issuer, when combined with the Purchase Price, of at least $100,000,000.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. Subscription. Subject to the terms and conditions hereof, Subscriber hereby agrees to subscribe for and purchase, and the Issuer hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Acquired Shares (such subscription and issuance, the "Subscription"). The undersigned understands and agrees that the undersigned's subscription for the Acquired Shares shall be deemed to be accepted by the Issuer only when this Subscription Agreement is signed by a duly authorized person by or on behalf of the Issuer. In the event of the termination of this Subscription Agreement in accordance with the terms hereof, this Subscription Agreement shall be null and void and have no force or effect.

2. Closing.

(a) Subject to the satisfaction or waiver (in writing) of the conditions set forth in Section 2(d), (e) and (f) (other than those conditions that by their nature are to be satisfied at the Subscription Closing, but without affecting the requirement that such conditions be satisfied or waived at the Subscription Closing), the closing of the Subscription contemplated hereby (the "Subscription Closing") is contingent upon the substantially concurrent consummation of the Closing and the Subscription Closing, both of which shall occur on the Closing Date. Not less than four (4) business days prior to the date on which the Issuer reasonably expects the Closing to occur (the "Scheduled Closing Date"), the Issuer shall provide written notice (which may be via email) to Subscriber of the Scheduled Closing Date (the "Closing Notice"), which Closing Notice shall contain the Issuer's wire instructions for an escrow account ("Escrow Account") established by the Issuer with a third-party escrow agent appointed by the Issuer, which may be the transfer agent for the Common Stock or the Common Shares (the "Escrow Agent"), for the purpose of receiving the Purchase Price from Subscriber in advance of the Subscription Closing.

(b) At least three (3) business days prior to the Scheduled Closing Date, Subscriber shall deliver the Purchase Price to the Escrow Account by wire transfer of United States dollars in immediately available funds. If this Subscription Agreement is terminated prior to the Closing or the Subscription Closing does not occur on the Scheduled Closing Date (or any permitted delay thereof) and all or any portion of the Purchase Price has been delivered to the Escrow Account, then promptly (but in no event longer than two (2) business days thereafter) after such termination or failure of the Subscription Closing to occur, the Issuer will instruct the Escrow Agent to promptly (but in no event longer than two (2) business days thereafter) return such funds to Subscriber.

(c) On the Closing Date and as soon as practicable following the Closing, subject to the satisfaction or waiver (in writing) of the conditions set forth in Section 2(d), (e) and (f) (other than those conditions that by their nature are to be satisfied at Subscription Closing, but without affecting the requirement that such conditions be satisfied or waived at the Subscription Closing), if Subscriber has delivered the Purchase Price to the Escrow Account, the Issuer shall deliver the Acquired Shares to Subscriber in book-entry form, and when delivered the Acquired Shares shall be fully paid, non-assessable and free and clear of any liens or other restrictions whatsoever (other than those arising under applicable securities laws), in the name of Subscriber, or a nominee or custodian designated by Subscriber, in each case, in accordance with Subscriber's delivery instructions. Each book entry for the Acquired Shares shall contain a notation, and each certificate (if any) evidencing the Acquired Shares shall be stamped or otherwise imprinted with a legend, in substantially the following form:

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION, AND MAY NOT BE REOFFERED, SOLD, ASSIGNED, PLEDGED, ENCUMBERED, TRANSFERRED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF SUCH REGISTRATION OR AN EXEMPTION THEREFROM.

UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE [INSERT THE DATE THAT IS FOUR MONTHS AND ONE DAY AFTER THE CLOSING DATE.]

(d) The Subscription Closing shall be subject to the satisfaction on the Closing Date, or the waiver (in writing) by each of the parties hereto, of each of the following conditions:

(i) no suspension of the qualification of the Acquired Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;

(ii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation (whether temporary, preliminary or permanent) which is then in effect and has the effect of making consummation of the transactions contemplated hereby illegal or otherwise preventing or prohibiting consummation of the transactions contemplated hereby, and no governmental authority shall have instituted or threatened in writing a proceeding seeking to impose any such prevention or prohibition; and

(iii) (a) all conditions precedent to the closing of the Merger contained in the Merger Agreement shall have been satisfied (as determined by the parties to the Merger Agreement and other than those conditions that may only be satisfied at the Closing, but subject to satisfaction of such conditions as of the Closing) or waived (other than those conditions that by their nature are to be satisfied at Closing, but without affecting the requirement that such conditions be satisfied or waived at Closing) and (b) the Subscription Closing shall be scheduled to occur substantially concurrently with the Closing and on the Closing Date.

(e) The obligations of Subscriber at the Closing shall be subject to the satisfaction on the Closing Date, or the waiver by Subscriber, of each of the following conditions:

(i) all representations and warranties of each of the Issuer and Legato contained in Section 3 and Section 4, respectively, shall be true and correct in all material respects (other than representations and warranties that are qualified by "Issuer Material Adverse Effect" or "Legato Material Adverse Effect" (each as defined below), which representations and warranties shall be true in all respects) at and as of the Closing Date, unless they specifically speak as of an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (other than representations and warranties that are qualified by "Issuer Material Adverse Effect" or "Legato Material Adverse Effect," which representations and warranties shall be true in all respects as of such earlier date);

(ii) the Issuer shall have performed, satisfied and complied with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing, except where the failure of such performance or compliance would not or would not reasonably be expected to prevent, materially delay, or materially impair the ability of the Issuer to consummate the Closing and the Subscription Closing; and

(iii) no amendment, modification or waiver of the Merger Agreement shall have occurred that materially and adversely affects the economic benefits that Subscriber would receive under this Subscription Agreement without having received Subscriber's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed).

(f) The obligations of the Issuer at the Closing shall be subject to the satisfaction on the Closing Date, or the waiver by the Issuer, of each of the following conditions:

(i) all representations and warranties of Subscriber contained in Section 5 shall be true and correct at and as of the Closing Date; and

(ii) Subscriber shall have performed, satisfied and complied with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing, except where the failure of such performance or compliance would not or would not reasonably be expected to prevent, materially delay, or materially impair the ability of Subscriber to consummate the Subscription Closing.

(g) At the Subscription Closing, the parties hereto shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the Subscription as contemplated by this Subscription Agreement.

(h) In the event that the Merger is re-structured where a new entity will become the successor public company following the Merger whose securities are issued in consideration of or in exchange for the Issuer's or Legato's securities (the "Successor"), then as a condition to consummating the Merger, the Successor will agree in writing to be bound by the terms of this Subscription Agreement that apply to the Issuer after the Closing, and any references in this Subscription Agreement to the Acquired Shares will include any equity securities of the Successor that are issued in consideration of or exchange for the Acquired Shares.

3. Issuer Representations and Warranties. The Issuer represents and warrants to the Subscriber, as of the date hereof and as of the Closing Date, that:

(a) The Issuer has been duly incorporated and is validly existing as a corporation under the laws of British Columbia, with corporate power and authority to own, lease and operate its properties and conduct its business as presently conducted and to enter into, deliver and perform its obligations under this Subscription Agreement.

(b) As of the Closing Date, the Acquired Shares will be duly authorized and, when issued and delivered to Subscriber against full payment for the Acquired Shares in accordance with the terms of this Subscription Agreement, the Acquired Shares will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any statutory or contractual preemptive or similar rights.

(c) This Subscription Agreement, the Other Subscription Agreements and the Merger Agreement (collectively, the "Transaction Documents") have been duly authorized, executed and delivered by the Issuer and are enforceable against the Issuer in accordance with their respective terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

(d) As of immediately prior to the Closing and after the stock split, the authorized share capital of the Issuer will consist of an unlimited number of Common Shares, of which 75,000,000 Common Shares will be issued and outstanding, and an unlimited number of preference shares in the capital of the Issuer (the "Preference Shares"), of which no Preferred Shares will be issued and outstanding. As of immediately prior to the Closing, all of the issued and outstanding Common Shares will have been duly authorized and validly issued and will be fully paid and non-assessable and have not been issued in violation of any preemptive or similar rights. Each Common Share will have been issued in compliance in all material respects with applicable law and the Issuer's organizational documents (as in effect at the time of such issuance).

(e) The execution and delivery by the Issuer of the Transaction Documents, and the performance by the Issuer of its obligations under the Transaction Documents, including the issuance and sale of the Acquired Shares and the consummation of the other transactions contemplated hereby, do not and will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Issuer pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Issuer is a party or by which the Issuer is bound or to which any of the property or assets of the Issuer is subject; (ii) the organizational documents of the Issuer; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer, its subsidiaries or any of its properties, except, in the case of clauses (i) and (iii), for conflicts, breaches, violations, defaults, liens or encumbrances that would not result in an Issuer Material Adverse Effect. As used in this Subscription Agreement, "Issuer Material Adverse Effect" means any change, event, state of facts, development or occurrence that, individually or in the aggregate: (a) has had, or would reasonably be expected to have, a materially adverse effect on the business, assets, financial condition or results of operations of the Issuer and its subsidiaries, taken as a whole; or (b) that would materially affect the validity of the Acquired Shares or the legal authority of the Issuer to comply in all material respects with the terms of this Subscription Agreement.

(f) There are no securities or instruments issued by or to which the Issuer is a party containing anti-dilution or similar provisions that will be triggered by the issuance of (i) the Acquired Shares, (ii) the Common Shares to be issued pursuant to any Other Subscription Agreement or (iii) any securities to be issued pursuant to the Merger Agreement, in each case, that have not been or will not be validly waived on or prior to the Closing Date.

(g) The Issuer is not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of (i) the organizational documents of the Issuer, (ii) any loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, permit, franchise or license to which the Issuer is now a party or by which the Issuer's properties or assets are bound or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer or any of its properties, except, in the case of clauses (ii) and (iii), for defaults or violations that would not result in an Issuer Material Adverse Effect.

(h) The Issuer is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, provincial, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance by the Issuer of this Subscription Agreement (including, without limitation, the issuance of the Acquired Shares), other than (i) filings required by applicable securities laws, (ii) the filings required in accordance with Section 11(o), (iii) those required by The Nasdaq Capital Market ("Nasdaq") and the Toronto Stock Exchange (the "TSX"), and (iv) the failure of which to obtain would not result in an Issuer Material Adverse Effect.

(i) As of the Closing, the issued and outstanding Common Shares will be registered pursuant to Section 12(b). of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and will be listed for trading on Nasdaq and the TSX. There is no suit, action, proceeding or investigation pending or, to the knowledge of the Issuer, threatened against the Issuer by Nasdaq, the Securities and Exchange Commission (the "SEC"), the TSX or the applicable securities commission or securities regulatory authority in each of the provinces and territories of Canada (the "Canadian Securities Regulators"), as applicable, with respect to any intention by such entity to deregister the Common Shares, or prohibit or terminate the listing of the Common Shares, on Nasdaq or the TSX, as applicable.

(j) Assuming the accuracy of Subscriber's representations and warranties set forth in Section 5, no registration under the Securities Act is required for the offer and sale of the Acquired Shares by the Issuer to Subscriber in the manner contemplated by this Subscription Agreement.

(k) Neither the Issuer nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D of the Securities Act) in connection with any offer or sale of the Acquired Shares.

(l) The Issuer has not entered into any side letter or similar agreement with any Other Subscriber in connection with such Other Subscriber's direct or indirect investment in the Issuer and no Other Subscription Agreement includes terms and conditions that are materially more advantageous to any such Other Subscriber than Subscriber hereunder.

(m) Except for transaction fees payable to Jefferies Group LLC in connection with the Merger, fees otherwise contemplated by the Merger Agreement and placement fees payable to EarlyBirdCapital, Inc. in its capacity as placement agent for the offer and sale of the Acquired Shares (in such capacity, the "Placement Agent"), the Issuer has not paid, and is not obligated to pay, any brokerage, finder's or other commission or similar fee in connection with its issuance and sale of the Acquired Shares, including, for the avoidance of doubt, any fee or commission payable to any shareholder or affiliate of the Issuer.

4. Legato Representations and Warranties. Legato represents and warrants to the Subscriber, as of the date hereof and as of the Closing Date, that:

(a) Legato has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware, with corporate power and authority to own, lease and operate its properties and conduct its business as presently conducted and to enter into, deliver and perform its obligations under this Subscription Agreement.

(b) The Transaction Documents have been duly authorized, executed and delivered by Legato and are enforceable against Legato in accordance with their respective terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

(c) The execution and delivery by Legato of the Transaction Documents, and the performance by Legato of its obligations under the Transaction Documents, including the consummation of the other transactions contemplated hereby, do not and will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Legato pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Legato is a party or by which Legato is bound or to which any of the property or assets of Legato is subject; (ii) the organizational documents of Legato; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Legato or any of its properties, except, in the case of clauses (i) and (iii), for conflicts, breaches, violations, defaults, liens or encumbrances that would not result in a Legato Material Adverse Effect. As used in this Subscription Agreement, "Legato Material Adverse Effect" means any change, event, state of facts, development or occurrence that, individually or in the aggregate has had, or would reasonably be expected to have, a materially adverse effect on the business, assets, financial condition or results of operations of Legato.

(d) Legato is not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of (i) the organizational documents of Legato, (ii)any loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, permit, franchise or license to which Legato is now a party or by which Legato's properties or assets are bound or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Legato or any of its properties, except, in the case of clauses (ii) and (iii), for defaults or violations that would not result in a Legato Material Adverse Effect.

(e) Legato is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, provincial, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance by Legato of this Subscription Agreement, other than (i) filings required by applicable securities laws, (ii) the filings required in accordance with Section 11(o), (iii) those required by Nasdaq and the TSX, including with respect to obtaining shareholder approval, and (iv) the failure of which to obtain would not result in a Legato Material Adverse Effect.

(f) As of the date hereof, the authorized capital stock of Legato consists of (i) 60,000,000 shares of Common Stock, par value $0.0001 per share and (ii) 1,000,000 preference shares, par value $0.0001 per share (the "Preference Shares"). As of the date hereof: (i) 30,307,036 shares of Common Stock are issued and outstanding, (ii) no Preference Shares are issued and outstanding, and (iii) 24,179,000 warrants, each entitling the holder thereof to purchase one share of Common Stock at an exercise price of $11.50 per share, are issued and outstanding. As of the date hereof and as of the Closing, Legato had and will have no outstanding liabilities other than those reflected on its most recent balance sheet included in the SEC Documents (as defined below).

(g) Legato has not received any written communication from a governmental entity that alleges that Legato is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not result in a Legato Material Adverse Effect.

(h) Legato has not entered into any side letter or similar agreement with any Other Subscriber in connection with such Other Subscriber's direct or indirect investment in the Issuer and no Other Subscription Agreement includes terms and conditions that are materially more advantageous to any such Other Subscriber than Subscriber hereunder.

(i) Legato has made available to Subscriber (including via the SEC's EDGAR system) a copy of each form, report, statement, schedule, prospectus, proxy, registration statement and other document, if any, filed by Legato with the SEC since its initial registration of the shares of Common Stock (the "SEC Documents"), which SEC Documents, as of their respective filing dates, complied in all material respects with the requirements of the Exchange Act applicable to the SEC Documents and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents. None of the SEC Documents filed under the Exchange Act (except to the extent that information contained in any SEC Document has been superseded by a later timely filed SEC Document) contained, when filed, any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided,* that, with respect to information about the Issuer or any of its affiliates included in the joint proxy statement/prospectus to be filed by the Issuer and Legato with respect to the Merger, the representation and warranty in this sentence is made to Legato's knowledge. The financial statements of Legato included in the SEC Documents comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of Legato as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments, and further subject to Legato's need to restate any previously filed financial statement contained within an SEC Document in order to account for its warrants as liabilities as required by recent SEC guidance. Legato has timely filed each report, statement, schedule, prospectus, and registration statement that Legato was required to file with the SEC since its inception. There are no material outstanding or unresolved comments in comment letters from the Staff of the SEC with respect to any of the SEC Documents.

(j) Except for such matters that would not result in a Legato Material Adverse Effect, there is no (i) proceeding pending, or, to the knowledge of Legato, threatened against Legato or (ii) judgment, decree, injunction, ruling or order of any governmental entity or arbitrator outstanding against Legato.

(k) Except for transaction fees payable to Cassel Salpeter & Co., LLC in connection with the Merger, fees otherwise contemplated by the Merger Agreement and placement fees payable to the Placement Agent, Legato has not paid, and is not obligated to pay, any brokerage, finder's or other commission or similar fee in connection with its issuance and sale of the Acquired Shares, including, for the avoidance of doubt, any fee or commission payable to any shareholder or affiliate of Legato.

5. Subscriber Representations and Warranties. Subscriber represents and warrants to the Issuer and Legato, as of the date hereof and as of the Closing Date, that:

(a) Subscriber has been duly organized and is validly existing in good standing under the laws of its jurisdiction of organization, with the requisite entity power and authority to enter into, deliver and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly authorized, executed and delivered by Subscriber. This Subscription Agreement is enforceable against Subscriber in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

(c) The execution and delivery by Subscriber of this Subscription Agreement, and the performance by Subscriber of its obligations under this Subscription Agreement, including the purchase of the Acquired Shares and the consummation of the other transactions contemplated hereby, will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of Subscriber's properties that would reasonably be expected to have a Subscriber Material Adverse Effect or materially affect the legal authority of Subscriber to comply in all material respects with this Subscription Agreement, except, in the cases of clauses (i) and (iii), as would not result in a Subscriber Material Adverse Effect. As used herein, "Subscriber Material Adverse Effect" means any change, event, state of facts, development or occurrence relating to Subscriber that, individually or in the aggregate, would prevent or materially delay or impede the consummation of the Subscription Closing or that materially affects the legal authority of Subscriber to comply with the terms of this Subscription Agreement.

If Subscriber is in Canada it is (a) an "accredited investor" as defined in National Instrument 45-106 Prospectus Exemptions ("NI 45-106") and (b) is not a person created or used solely to purchase or hold securities as an "accredited investor" as defined in NI 45-106, and it has completed Schedule B (and, if applicable, Schedule B-1) following the signature page hereto and the information contained therein is accurate and complete.

(e) Subscriber understands that the Acquired Shares are being offered (i) in the United States in a transaction not involving any public offering within the meaning of Section 4(a)(2) of the Securities Act or (ii) in "offshore transactions" within the meaning of Regulation S and that the offer and sale of the Acquired Shares have not been registered under the Securities Act. Subscriber understands that the Acquired Shares may not be resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Issuer or a subsidiary thereof, (ii) to non-U.S. persons pursuant to offers and sales that occur outside the United States within the meaning of, and in compliance with, Regulation S, (iii) pursuant to Rule 144 under the Securities Act, provided that all of the applicable conditions thereof have been met or (iv) pursuant to another applicable exemption from the registration requirements of the Securities Act, and that any certificates or book-entry records representing the Acquired Shares shall contain a legend to such effect; *provided* that, if any Acquired Shares are being sold in accordance with Regulation S, the legend may be removed by providing to the transfer agent for the Acquired Shares a declaration in the form attached hereto as Schedule C. Subscriber acknowledges that the Acquired Shares will not be eligible for resale pursuant to Rule 144A promulgated under the Securities Act. Subscriber understands and agrees that the Acquired Shares will be subject to transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Acquired Shares and may be required to bear the financial risk of an investment in the Acquired Shares for an indefinite period of time. Subscriber acknowledges that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Acquired Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Acquired Shares directly from the Issuer. Subscriber further acknowledges that there have been no representations, warranties, covenants and agreements made to Subscriber by the Issuer, Legato, the Placement Agent or any of their respective officers, directors, employees, shareholders, affiliates or agents expressly or by implication, other than the representations, warranties, covenants and agreements made solely by the Issuer or solely by Legato included in this Subscription Agreement.

(g) Subscriber's acquisition and holding of the Acquired Shares will not constitute or result in a non-exempt prohibited transaction under section 406 of the Employee Retirement Income Security Act of 1974, as amended, section 4975 of the Internal Revenue Code of 1986, as amended (the "Code"), or any applicable similar law.

(h) In making its decision to subscribe for and purchase the Acquired Shares, Subscriber has relied solely upon its own independent investigation. Without limiting the generality of the foregoing, Subscriber has not relied on any statements or other information provided by the Placement Agent concerning the Issuer or the Acquired Shares or the offer and sale of the Acquired Shares. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Acquired Shares, including with respect to the Issuer and the Merger. Subscriber and Subscriber's professional advisors have had the full opportunity to review documentation, ask such questions, receive answers and obtain such information as Subscriber and its professional advisors have deemed necessary to make an investment decision with respect to the Acquired Shares. Subscriber acknowledges that certain information provided by the Issuer was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(i) Subscriber became aware of this offering of the Acquired Shares solely by means of direct contact between Subscriber and the Issuer, Legato or the Placement Agent, and the Acquired Shares were offered to Subscriber solely by direct contact between Subscriber and the Issuer, Legato or the Placement Agent. (j) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Acquired Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Acquired Shares, and Subscriber has sought such accounting, legal and tax advice as Subscriber has considered necessary to make an informed investment decision.

(k) Subscriber acknowledges and agrees that neither the Placement Agent nor any affiliate of the Placement Agent has provided Subscriber with any information or advice with respect to the Acquired Shares nor is such information or advice necessary or desired. Subscriber acknowledges that the Placement Agent and its representatives (i) have not made any representation as to the Issuer or the quality of the Acquired Shares, (ii) may have acquired non-public information with respect to the Issuer which Subscriber agrees need not be provided to it, (iii) have made no independent investigation with respect to the Issuer or the Acquired Shares or the accuracy, completeness or adequacy of any information supplied to Subscriber by the Issuer, (iv) have not acted as Subscriber's financial advisor or fiduciary in connection with the issue and purchase of the Acquired Shares and (v) have not prepared a disclosure or offering document in connection with the offer and sale of the Acquired Shares.

(l) Alone, or together with its professional advisor, Subscriber acknowledges that it has adequately analyzed and fully considered the risks of an investment in the Acquired Shares and determined that the Acquired Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Issuer. Subscriber acknowledges that the Subscriber may suffer a total loss, and lose all of its investment in the Acquired Shares.

(m) Subscriber understands and agrees that none of the SEC, any Canadian Securities Regulator or any other securities regulatory authority has passed upon or endorsed the merits of the Acquired Shares or made any findings or determination as to the fairness of an investment in the Acquired Shares.

(n) Subscriber is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons, the Executive Order 13599 List, the Foreign Sanctions Evaders List, or the Sectoral Sanctions Identification List, each of which is administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") (collectively "OFAC Lists"), (ii) owned or controlled by, or acting on behalf of, a person, that is named on an OFAC List, (iii) organized, incorporated, established, located, resident or born in, or a citizen, national, or the government, including any political subdivision, agency, or instrumentality thereof, of, Cuba, Iran, North Korea, Syria, the Crimea region of Ukraine, or any other country or territory embargoed or subject to substantial trade restrictions by the United States, (iv) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515 or (v) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. section 5311 et seq.) (the "BSA"), as amended by the USA PATRIOT Act of 2001 (the "PATRIOT Act"), and its implementing regulations (collectively, the "BSA/PATRIOT Act"), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required, it maintains policies and procedures reasonably designed to ensure compliance with OFAC-administered sanctions programs, including for the screening of its investors against the OFAC Lists. Subscriber further represents and warrants that, to the extent required, it maintains policies and procedures reasonably designed to ensure that the funds held by Subscriber and used to purchase the Acquired Shares were legally derived.

(o) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Code or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code (collectively, "Similar Laws"), or an entity whose underlying assets are considered to include "plan assets" of any such plan, account or arrangement (each, a "Plan") subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, then Subscriber represents and warrants that (i) neither the Issuer, nor any of its respective affiliates (the "Transaction Parties") has acted as the Plan's fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Acquired Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan's fiduciary with respect to any decision to acquire, continue to hold or transfer the Acquired Shares; (ii) the decision to invest in the Acquired Shares has been made at the recommendation or direction of an "independent fiduciary" ("Independent Fiduciary") within the meaning of U.S. Code of Federal Regulations 29 C.F.R. section 2510.3 21 (c), as amended from time to time (the "Fiduciary Rule") who is (A) independent of the Transaction Parties; (B) is capable of evaluating investment risks independently, both in general and with respect to particular transactions and investment strategies (within the meaning of the Fiduciary Rule); (C) is a fiduciary (under ERISA and/or section 4975 of the Code) with respect to Subscriber's investment in the Acquired Shares and is responsible for exercising independent judgment in evaluating the investment in the Acquired Shares; and (D) is aware of and acknowledges that (I) none of the Transaction Parties is undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the purchaser's or transferee's investment in the Acquired Shares, and (II) the Transaction Parties have a financial interest in the purchaser's investment in the Acquired Shares on account of the fees and other remuneration they expect to receive in connection with transactions contemplated hereunder.

(p) As of the date of this Subscription Agreement Subscriber does not have, and during the thirty (30) day period immediately prior to the date of this Subscription Agreement Subscriber has not entered into, any "put equivalent position" as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale positions with respect to the securities of Legato. For purposes of this Subscription Agreement, "Short Sales" shall mean all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers.

(q) Subscriber has (or has commitments to have), and at the Closing will have, sufficient funds to pay the Purchase Price pursuant to Section 2 (b)(i),

6. Additional Subscriber Agreement. Subscriber hereby agrees that, from the date of this Subscription Agreement, neither Subscriber nor any person or entity acting on behalf of Subscriber or pursuant to any understanding with Subscriber will engage in any Short Sales with respect to securities of Legato prior to the Closing; *provided, however,* that for purposes of this Section 6 only, the definition of "Short Sales" shall not include options, puts and calls (which shall expressly be permitted). Notwithstanding the foregoing, nothing herein shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber's participation in the transactions contemplated hereby (including Subscriber's controlled affiliates and/or affiliates) from entering into any Short Sales.

7. Registration Rights

(a) In the event that the Acquired Shares are not registered in connection with the Closing, the Issuer agrees that, as soon as practicable (but in any case no later than thirty (30) calendar days after the Closing Date) (the "Filing Deadline"), it will file with the SEC (at its sole cost and expense) a registration statement registering the resale of the Acquired Shares (the "Registration Statement"), and it shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) ninety (90) calendar days after the Closing if the SEC notifies the Issuer that it will "review" the Registration Statement and (ii) ten (10) business days after the Issuer is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be "reviewed" or will not be subject to further review (the "Effectiveness Deadline"). The Issuer agrees to cause such Registration Statement, or another shelf registration statement that includes the Acquired Shares, to remain effective until the earliest of (i) the first (1st) anniversary of the Subscription Closing, (ii) the date on which Subscriber ceases to hold any Acquired Shares issued pursuant to this Subscription Agreement, or (iii) on the first date on which Subscriber is able to sell all of its Acquired Shares issued pursuant to this Subscription Agreement (or shares received in exchange therefor) under Rule 144 within 90 days without limitation as to the amount of such securities that may be sold and without the requirement for the Issuer to be in compliance with the current public information requirement under Rule 144. Subscriber agrees to disclose its ownership to the Issuer upon request to assist it in making the determination described above. The Issuer may amend the Registration Statement so as to convert the Registration Statement to a Registration Statement on Form F-3 (or Form S-3, if applicable) at such time after the Issuer becomes eligible to use such Form F-3 (or Form S-3, if applicable). Subscriber acknowledges and agrees that the Issuer may suspend the use of any such Registration Statement if it determines (a) that the use of such Registration Statement would require the inclusion of financial statements that are unavailable for issue for reasons beyond the Issuer's control, or (b) that in order for such Registration Statement not to contain a material misstatement or omission, an amendment thereto would be needed to include information that would at that time not otherwise be required in a current, quarterly, or annual report under the Exchange Act; *provided,* that (I) the Issuer shall not so delay filing or so suspend the use of the Registration Statement on more than three (3) occasions or for a period of more than sixty (60) consecutive days or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360)-day period, (II) the Issuer shall have a bona fide business purpose for not making such information public and (III) the Issuer shall use commercially reasonable efforts to make such Registration Statement available for the sale by Subscriber of such securities as soon as practicable thereafter. The Issuer's obligations to include the Acquired Shares issued pursuant to this Subscription Agreement (or shares issued in exchange therefor) for resale in the Registration Statement are contingent upon Subscriber furnishing in writing to the Issuer such information regarding Subscriber, the securities of the Issuer held by Subscriber and the intended method of disposition of such Acquired Shares, which shall be limited to non-underwritten public offerings, as shall be reasonably requested by the Issuer to effect the registration of such Acquired Shares, and shall execute such documents in connection with such registration as the Issuer may reasonably request that are customary of a selling shareholder in similar situations; *provided, however,* that Subscriber shall not in connection with the foregoing be required to execute any lock-up or similar agreement or otherwise be subject to any contractual restriction on the ability to transfer the Acquired Shares. The Issuer will provide a draft of the Registration Statement to Subscriber for review at least two (2) business days in advance of filing the Registration Statement. So long as Subscriber delivers to the Issuer a completed questionnaire (which shall include representations and warranties as to relevant matters), Subscriber shall not be identified as a statutory underwriter in the Registration Statement unless in response to a comment or request from the staff of the SEC or another regulatory agency; *provided, however,* that if the SEC requests that Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have an opportunity to withdraw from the Registration Statement. For purposes of clarification, any failure by the Issuer to file the Registration Statement by the Filing Deadline or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Issuer of its obligations to file or effect the Registration Statement set forth in this Section 7. For purposes of this Section 7, "Acquired Shares" includes any other equity security of the Issuer issued or issuable with respect to the Acquired Shares by way of share split, dividend, distribution, recapitalization, merger, exchange, replacement or similar event or otherwise.

(b) The Issuer shall advise Subscriber within three (3) business days (email being sufficient) (at the Issuer's expense): (i) when a Registration Statement or any post-effective amendment thereto has become effective; (ii) of the issuance by the SEC of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose; (iii) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of the Acquired Shares included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and (iv) subject to the provisions in this Subscription Agreement, of a suspension pursuant to Section 7(a) or the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading (provided that any such notice pursuant to this Section 7(b) shall solely provide that the use of the Registration Statement or prospectus has been suspended without setting forth the reason for such suspension and shall not contain any material non-public information regarding the Issuer). The Issuer shall use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable. Upon the occurrence of any event contemplated in clauses (i) through (iv) above, except for such times as the Issuer is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement, the Issuer shall use its commercially reasonable efforts to as soon as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Acquired Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. Subscriber agrees that it will promptly discontinue offers and sales of the Acquired Shares using a Registration Statement until Subscriber receives copies of a supplemental or amended prospectus that corrects the misstatement(s) or omission(s) referred to above in clause (iv) and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Issuer that it may resume such offers and sales (which notice shall not contain any material non-public information regarding the Issuer). If so directed by the Issuer, Subscriber will deliver to the Issuer or, in Subscriber's sole discretion destroy, all copies of the prospectus covering the Acquired Shares in Subscriber's possession; *provided, however,* that this obligation to deliver or destroy all copies of the prospectus covering the Acquired Shares shall not apply (x) to the extent Subscriber is required to retain a copy of such prospectus in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or in accordance with a bona fide pre-existing document retention policy or (y) to copies stored electronically on archival servers as a result of automatic data back-up.

(c) For as long as Subscriber holds Acquired Shares, the Issuer will use commercially reasonable efforts to file all reports necessary to enable the undersigned to resell the Acquired Shares pursuant to the Registration Statement and, when Rule 144 of the Securities Act becomes available to Subscriber, Rule 144 of the Securities Act. In connection with any sale, assignment, transfer or other disposition of the Acquired Shares by Subscriber pursuant to Rule 144 or pursuant to any other exemption under the Securities Act such that the Acquired Shares held by Subscriber become freely tradable and upon compliance by Subscriber with the requirements of this Subscription Agreement, if requested by Subscriber, the Issuer shall use commercially reasonable efforts to cause the Issuer's transfer agent to remove any restrictive legends related to the book entry account holding such Acquired Shares and make a new, unlegended entry for such book entry Acquired Shares sold or disposed of without restrictive legends within two (2) trading days of any such request therefor from Subscriber; *provided,* that the Issuer and the transfer agent have timely received from Subscriber customary representations and other documentation reasonably acceptable to the Issuer and the transfer agent in connection therewith. Subject to receipt from Subscriber by the Issuer and the transfer agent of customary representations and other documentation reasonably acceptable to the Issuer and the transfer agent in connection therewith, including, if required by the transfer agent, an opinion of the Issuer's counsel, in a form reasonably acceptable to the transfer agent, to the effect that the removal of such restrictive legends in such circumstances may be effected under the Securities Act, Subscriber may request that the Issuer shall remove any legend from the book-entry position evidencing its Acquired Shares following the earliest of such time as such Acquired Shares (i) have been or are about to be sold or transferred pursuant to an effective registration statement, (ii) have been or are about to be sold pursuant to Rule 144 or (iii) are eligible for resale under Rule 144(b)(1) or any successor provision without the requirement for the Issuer to be in compliance with the current public information requirement under Rule 144 and without volume or manner-of-sale restrictions applicable to the sale or transfer of such Acquired Shares. If restrictive legends are no longer required for such Acquired Shares pursuant to the foregoing, the Issuer shall, in accordance with the provisions of this section and within two (2) trading days of any request therefor from Subscriber accompanied by such customary and reasonably acceptable representations and

other documentation referred to above establishing that restrictive legends are no longer required, deliver to the transfer agent irrevocable instructions that the transfer agent shall make a new, unlegended entry for such book entry Acquired Shares. The Issuer shall be responsible for the fees of its transfer agent and all Depository Trust Company or CDS Clearing and Depository Services Inc. fees associated with such issuance.

(d) Indemnification.

(i) The Issuer agrees to indemnify and hold harmless, to the extent permitted by law, Subscriber, its directors, and officers, employees, and agents, and each person who controls Subscriber (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and each affiliate of Subscriber (within the meaning of Rule 405 under the Securities Act) from and against any and all losses, claims, damages, liabilities and expenses (including, without limitation, any reasonable attorneys' fees and expenses incurred in connection with defending or investigating any such action or claim) caused by any untrue or alleged untrue statement of a material fact contained in any Registration Statement, prospectus included in any Registration Statement or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as and to the extent, but only to the extent, the same are caused by or contained in any information regarding Subscriber furnished in writing to the Issuer by or on behalf of Subscriber expressly for use therein.

(ii) Subscriber agrees, severally and not jointly with any person that is a party to the Other Subscription Agreements, to indemnify and hold harmless the Issuer, its directors and officers and agents and employees and each person who controls the Issuer (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable attorneys' fees) resulting from any untrue statement of a material fact contained in the Registration Statement, or any form of prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein (in the case of any prospectus, or any form of prospectus or preliminary prospectus or supplement thereto, in light of the circumstances under which they were made) or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by Subscriber expressly for use therein. In no event shall the liability of Subscriber be greater in amount than the dollar amount of the net proceeds received by Subscriber upon the sale of the Acquired Shares purchased pursuant to this Subscription Agreement giving rise to such indemnification obligation.

(iii) Any person entitled to indemnification herein shall (1) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and, (2) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties exists with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, employee, agent, affiliate or controlling person of such indemnified party and shall survive the transfer of the Acquired Shares purchased pursuant to this Subscription Agreement.

(v) If the indemnification provided under this Section 7(d) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 7(d) from any person who was not guilty of such fraudulent misrepresentation. In no event shall the liability of Subscriber be greater in amount than the dollar amount of the net proceeds received by Subscriber upon the sale of the Acquired Shares purchased pursuant to this Subscription Agreement giving rise to such contribution obligation.

8. Stock Exchange Listings. The Issuer shall use reasonable best efforts to cause the Acquired Shares to be approved for listing on Nasdaq, subject to official notice of issuance, and conditionally approved for listing on the TSX, subject only to fulfillment of customary conditions following the Closing Date, in each case as promptly as practicable after the date of the Merger Agreement, and in any event on or prior to the Closing Date.

9. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Merger Agreement is terminated in accordance with the terms therein, (b) upon the mutual written agreement of each of the parties hereto to terminate this Subscription Agreement, (c) if any of the conditions to Closing set forth in Section 2(d), (e) or (f) are not satisfied on or prior to the Closing Date and, as a result thereof, the transactions contemplated hereby are not consummated on the Closing Date or (d) at the election of Subscriber, on December 31, 2021, if the Merger has not occurred by such date; *provided,* that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover out-of-pocket losses, liabilities or damages arising from such breach. The Issuer and Legato shall promptly notify Subscriber of the termination of the Merger Agreement after the termination of such agreement.

10. Trust Account Waiver. Subscriber acknowledges that Legato is a blank check company with the powers and privileges to effect a merger, asset acquisition, reorganization or similar business combination involving the Issuer and one or more businesses or assets. Subscriber further acknowledges that, as described in Legato's prospectus relating to its initial public offering dated January 19, 2021 (the "Prospectus"), available at www.sec.gov, substantially all of Legato's assets consist of the cash proceeds of the Legato's initial public offering and a private placement of its securities, and substantially all of those proceeds have been deposited in a trust account (the "Trust Account") for the benefit of Legato, its public shareholders and the underwriters of Legato's initial public offering. Except with respect to interest earned on the funds held in the Trust Account that may be released to Legato to pay its tax obligations, if any, the cash in the Trust Account may be disbursed only for the purposes set forth in the Prospectus. For and in consideration of Legato entering into this Subscription Agreement, the receipt and sufficiency of which are hereby acknowledged, Subscriber, on behalf of itself and its representatives, hereby irrevocable waives any and all right, title and interest, or any claim of any kind they have or may have in the future arising out of this Subscription Agreement, in or to any monies held in the Trust Account, and agrees not to seek recourse against the Trust Account as a result of, or arising out of, this Subscription Agreement; *provided, however,* that nothing in this Section 10 shall be deemed to limit any Subscriber's right, title, interest or claim to the Trust Account by virtue of such Subscriber's record or beneficial ownership of securities of Legato acquired by any means other than pursuant to this Subscription Agreement, including but not limited to any redemption right with respect to any such securities of Legato.

11. Miscellaneous.

(a) Subscriber acknowledges that Legato, the Issuer, the Placement Agent and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Issuer and Legato if any of the acknowledgments, understandings, agreements, representations and warranties made by Subscriber as set forth herein are no longer accurate in all material respects. (d) The representations and warranties made by each party in this Subscription Agreement, as well as covenants to be performed by a party prior to the Subscription Closing, shall survive for a period of six months following the Closing (the "Survival Period") and thereafter no party shall have any right to bring any claim of any kind with respect to a breach of any such representation, warranty or covenant; *provided, however,* if a party has notified the other parties in writing of an alleged breach of any such representation, warranty or covenant prior to the expiration of the Survival Period, such party's right to bring a claim in respect of such breach shall survive indefinitely. All covenants to be performed by a party following the Subscription Closing shall survive until performed.

(e) Legato and the Issuer may request from Subscriber such additional information as Legato and the Issuer may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Acquired Shares, and Subscriber shall provide such information as may be reasonably requested.

(f) This Subscription Agreement may not be modified, waived or terminated except by an instrument in writing, signed by the party against whom enforcement of such modification, waiver, or termination is sought.

(g) This Subscription Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

From and after the issuance of the Disclosure Document, to Legato's and the Issuer's knowledge, Subscriber shall not be in possession of any material, nonpublic information received from Legato, the Issuer or any of their officers, directors or employees, and Subscriber shall no longer be subject to any confidentiality or similar obligations under any current agreement, whether written or oral, with Legato, the Issuer, the Placement Agent or any of their respective affiliates, relating to the transactions contemplated hereby. Notwithstanding anything in this Subscription Agreement to the contrary, Legato and the Issuer shall not publicly disclose the name of Subscriber or any of its affiliates, or include the name of Subscriber or any of its affiliates in any press release or in any filing with the SEC or any regulatory agency or trading market, without the prior written consent of Subscriber, except (i) as required by the U.S. federal securities law in connection with the Registration Statement, (ii) in a press release or marketing materials of Legato in connection with the Merger and (iii) to the extent such disclosure is required by applicable law, at the request of the Staff of the SEC, any Canadian Securities Regulator or regulatory agency, or under the regulations of Nasdaq or the TSX, in which case Legato or the Issuer shall provide Subscriber with prior written notice of such disclosure permitted under subclauses (ii) and (iii).

Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower may designate.

(g) For purposes of determining compliance with Sections 11.01 and 11.04, if any Indebtedness or Lien is Incurred in reliance on a basket measured by reference to a percentage of Consolidated Total Assets, and any refinancing or replacement thereof would cause the percentage of Consolidated Total Assets to be exceeded if calculated based on the Consolidated Total Assets on the date of such refinancing or replacement, such percentage of Consolidated Total Assets will be deemed not to be exceeded so long as the principal amount of such refinancing or replacement Indebtedness or other obligation does not exceed an amount sufficient to repay the principal amount of such Indebtedness or other obligation being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest, penalties and premiums (including tender, prepayment or repayment premiums) thereon plus underwriting discounts and other customary fees, commissions and expenses (including upfront fees, original issue discount or initial yield payment) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 11.04 (which additional amounts shall be deemed incurred under and a utilization of such other provision of Section 11.04 pursuant to which they are permitted to be incurred).

Each Lender hereby

irrevocably agrees to make Revolving Loans upon one Business Day's notice pursuant to each Mandatory Borrowing in the amount and in the manner specified in the preceding sentence and on the date specified in writing by the Swingline Lender notwithstanding (i) the amount of the Mandatory Borrowing may not comply with the Minimum Borrowing Amount otherwise required hereunder, (ii) whether any conditions specified in Section 7 are then satisfied, (iii) whether a Default or an Event of Default then exists, (iv) the date of such Mandatory Borrowing, and (v) the Availability at such time. In the event that any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including as a result of the commencement of a proceeding under any Debtor Relief Laws with respect to the Borrower), then each Lender hereby agrees that it shall forthwith purchase (as of the date the Mandatory Borrowing would otherwise have occurred, but adjusted for any payments received from the Borrower on or after such date and prior to such purchase) from the Swingline Lender such participations in the outstanding Swingline Loans as shall be necessary to cause the Lenders to share in such Swingline Loans ratably based upon their respective RL Percentages (determined before giving effect to any termination of the Revolving Loan Commitments pursuant to the last paragraph of Section 12), provided that (x) all interest payable on the Swingline Loans shall be for the account of the Swingline Lender until the date as of which the respective participation is required to be purchased and, to the extent attributable to the purchased participation, shall be payable to the participant from and after such date and (y) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing Lender shall be required to pay the Swingline Lender interest on the principal amount of participation purchased for each day from and including the day upon which the Mandatory Borrowing would otherwise have occurred to but excluding the date of payment for such participation, at the Overnight Rate for the first three days and at the interest rate otherwise applicable to Revolving Loans maintained as Base Rate Loans or Canadian Prime Rate Loans, as applicable, hereunder for each day thereafter.

(d) If the Maturity Date shall have occurred in respect of any Tranche of Revolving Loan Commitments at a time when another tranche or tranches of Revolving Loan Commitments is or are in effect with a longer Maturity Date, then on the earliest occurring Maturity Date all then outstanding Swingline Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Maturity Date); provided, however, that if on the occurrence of such earliest Maturity Date (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit or Reimbursement Undertaking participations as contemplated in Section 3.04), no Default or Event of Default then exists or would result therefrom and there shall exist sufficient unutilized Extended Commitments so that the respective outstanding Swingline Loans could be incurred pursuant the Extended Commitments which will remain in effect after the occurrence of such Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and same shall be deemed to have been incurred solely pursuant to the relevant Extended Commitments, and such Swingline Loans shall not be so required to be repaid in full on such earliest Maturity Date (provided that the

Swingline Expiry Date has been extended to such later Maturity Date, in accordance with this Agreement).

2.02. Minimum Amount of Each Borrowing. Except during a Dominion Period, the aggregate principal amount of each Borrowing of Loans under a respective Tranche shall not be less than the Minimum Borrowing Amount applicable to such Tranche. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than (x) five Borrowings of LIBOR Loans in the aggregate and (y) 5 Borrowings of Canadian CDOR Rate Loans in the aggregate.

2.03. Notice of Borrowing.

(a) Whenever the Borrower desires to incur (x) LIBOR Loans or Canadian CDOR Rate Loans hereunder, the Borrower shall give the Administrative Agent at the Notice Office at least one Business Days' prior notice of each LIBOR Loan or Canadian CDOR Rate Loan to be incurred hereunder and (y) Base Rate Loans hereunder (excluding Swingline Loans and Revolving Loans made pursuant to a Mandatory Borrowing) or Canadian Prime Rate Loans hereunder (excluding Swingline Loans and Revolving Loans made pursuant to a Mandatory Borrowing), the Borrower shall give the Administrative Agent notice at the Notice Office at on the Business Day on which each Base Rate Loan or Canadian Prime Rate Loan is to be incurred hereunder, provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 11:00 A.M. (Toronto time) on such day. Each such notice (each, a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.10, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing, in the form of Exhibit A-1 (which notice may be delivered through the Administrative Agent's electronic platform or portal), appropriately completed to specify: (i) the aggregate principal amount of the Loans to be incurred pursuant to such Borrowing (stated in the Available Currency), (ii) the date of such Borrowing (which shall be a Business Day), (iii) in the case of U.S. Dollar Denominated Loans, whether the Loans being incurred pursuant to such Borrowing are to be initially maintained as Base Rate Loans or, to the extent permitted hereunder, LIBOR Loans and, if LIBOR Loans, the initial Interest Period to be applicable thereto and (iv) in the case of Canadian Dollar Denominated Loans, whether the Loans being incurred pursuant to such Borrowing are to be initially maintained as Canadian Prime Rate Loans or, to the extent permitted hereunder, Canadian CDOR Rate Loans and, if Canadian CDOR Rate Loans, the initial Interest Period to be applicable thereto. The Administrative Agent shall promptly give each Appropriate Lender notice of such proposed Borrowing, of such Appropriate Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing. If the Borrower fails to specify a Type of Loan in a Notice of Borrowing, then the applicable Loans shall be made as (x) in the case of U.S. Dollar Denominated Loans, Base Rate Loans and (y) in the case of Canadian Dollar Denominated Loans, Canadian Prime Rate Loans. If the Borrower requests a Borrowing of LIBOR Loans or Canadian CDOR Rate Loans or Canadian CDOR Rate Loans in a Notice of Borrowing but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) (1) Whenever the Borrower desires to incur Swingline Loans hereunder, the Borrower shall give the Swingline Lender no later than 1:00 P.M. (Toronto

time) on the date that a Swingline Loan is to be incurred, written notice or telephonic notice promptly confirmed in writing of each Swingline Loan to be incurred hereunder. Each such notice shall be irrevocable and specify in each case (A) the date of Borrowing (which shall be a Business Day) and (B) the aggregate principal amount of the Swingline Loans to be incurred pursuant to such Borrowing (stated in the Available Currency).

(2) Mandatory Borrowings shall be made upon the notice specified in Section 2.01(c), with the Borrower irrevocably agreeing, by its incurrence of any Swingline Loan, to the making of the Mandatory Borrowings as set forth in Section 2.01(c).

(c) Without in any way limiting the obligation of the Borrower to confirm in writing any telephonic notice of any Borrowing or prepayment of Loans, the Administrative Agent or the Swingline Lender, as the case may be, may act without liability upon the basis of telephonic notice of such Borrowing or prepayment, as the case may be, believed by the Administrative Agent or the Swingline Lender, as the case may be, in good faith to be from an Authorized Officer of the Borrower, prior to receipt of written confirmation. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's or the Swingline Lender's record of the terms of such telephonic notice of such Borrowing or prepayment of Loans, as the case may be, absent manifest error.

(d) All Borrowing requests which are not made on-line via the Administrative Agent's electronic platform or portal shall be subject to (and unless the Administrative Agent elects otherwise in the exercise of its sole discretion, such Borrowings shall not be made until the completion of) the Administrative Agent's authentication process (with results satisfactory to the Administrative Agent) prior to the funding of any such requested Loan.

2.04. Disbursement of Funds. (a) No later than 1:00 P.M. (Toronto time) on the date specified in each Notice of Borrowing (or (x) in the case of Swingline Loans, no later than 1:00 P.M. (Toronto time) on the date specified pursuant to Section 2.03(b)(i) or (y) in the case of Mandatory Borrowings, no later than 1:00 P.M. (Toronto time) on the date specified in Section 2.01(c)), each Appropriate Lender will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date (or in the case of Swingline Loans, the Swingline Lender will make available the full amount thereof). All such amounts will be made available in U.S. Dollars (in the case of U.S. Dollar Denominated Loans) or Canadian Dollars (in the case of Canadian Dollar Denominated Loans), as the case may be, and in immediately available funds to the Agent's Account, and the Administrative Agent will, except in the case of Revolving Loans made pursuant to a Mandatory Borrowing, make available to the Borrower at its Designated Account, the aggregate of the amounts so made available by the Appropriate Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such

amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrower a corresponding amount, subject to Section 2.19. If such corresponding amount is not in fact made available to the Administrative Agent by such Appropriate Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Appropriate Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Appropriate Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Appropriate Lender, the Defaulting Lender Rate, and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Loans hereunder.

2.05. Notes. (a) The Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 14.15 and shall, if requested by such Lender, also be evidenced (i) in the case of Revolving Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-1, with blanks appropriately completed in conformity herewith (each, a "Revolving Note" and, collectively, the "Revolving Notes"), and (iv) in the case of Swingline Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-2, with blanks appropriately completed in conformity herewith (the "Swingline Note").

(b) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Loans to the Borrower shall affect or in any manner impair the obligations of the Borrower to pay the Loans (and all related Credit Document Obligations) incurred by the Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any

of its Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans.

2.06. Conversions. The Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Loans (other than Swingline Loans which may not be converted pursuant to this Section 2.06) made pursuant to one or more Borrowings (so long as of the same Tranche) of one or more Types of Loans into a Borrowing (of the same Tranche) of another Type of Loan, provided that, (i) except as otherwise provided in Section 2.10, LIBOR Loans may be converted into Base Rate Loans only on the last day of an Interest Period applicable to the Loans being converted and no such partial conversion of LIBOR Loans shall reduce the outstanding principal amount of such LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount applicable thereto, (ii) unless the Required Lenders otherwise agree, Base Rate Loans may only be converted into LIBOR Loans if no Default or Event of Default is in existence on the date of the conversion, (iii) Canadian CDOR Rate Loans may be converted into Canadian Prime Rate Loans only on the last day of an Interest Period applicable to the Loans being converted and no such partial conversion of Canadian CDOR Rate Loans shall reduce the outstanding principal amount of such Canadian CDOR Rate Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount applicable thereto, (iv) unless the Required Lenders otherwise agree, Canadian Prime Rate Loans may only be converted into Canadian CDOR Rate Loans if no Default or Event of Default is in existence on the date of the conversion and (v) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBOR Loans or Canadian CDOR Rate Loans than is permitted under Section 2.02. Each such conversion shall be effected by the Borrower by giving the Administrative Agent at the Notice Office prior to 11:00 A.M. (Toronto time) at least (x) in the case of conversions of Base Rate Loans into LIBOR Loans and Canadian Prime Rate Loans in Canadian CDOR Rate Loans, three Business Days' prior notice and (y) in the case of conversions of LIBOR Loans into Base Rate Loans and Canadian CDOR Rate Loans into Canadian Prime Rate Loans, one Business Day's prior notice (each, a "Notice of Conversion/Continuation"), in each case in the form of Exhibit A-2, appropriately completed to specify the Loans to be so converted, the Borrowing or Borrowings pursuant to which such Loans were incurred and, if to be converted into LIBOR Loans or Canadian CDOR Rate Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Loans. If the Borrower requests a conversion to LIBOR Loans or Canadian CDOR Rate Loans in any Notice of Conversion/Continuation but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

2.07. Pro Rata Borrowings. All Borrowings of Loans under this Agreement (other than Swingline Loans and Extraordinary Advances) shall be incurred from the Lenders pro rata on the basis of their Revolving Loan Commitments. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

2.08. Interest. (a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Loan to a LIBOR Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the relevant Applicable Margin plus the Base Rate as in effect from time to time.

(b) The Borrower agrees to pay interest in respect of the unpaid principal amount of each LIBOR Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBOR Loan to a Base Rate Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the relevant Applicable Margin plus the LIBOR Rate for such Interest Period.

(c) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Canadian Prime Rate Loan from the date of Borrowing thereof until the earlier of (i) maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Canadian Prime Rate Loan to a Canadian CDOR Rate Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the relevant Applicable Margin plus the Canadian Prime Rate.

(d) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Canadian CDOR Rate Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Canadian CDOR Rate Loan to a Canadian Prime Rate Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the relevant Applicable Margin during such Interest Period plus the Canadian CDOR Rate for such Interest Period.

(e) Upon the occurrence and during the continuance of an Event of Default under Section 12.01(a), all overdue amounts outstanding hereunder shall bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Applicable Law. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(f) Accrued (and theretofore unpaid) interest shall be payable (i) in respect of each Base Rate Loan, (x) quarterly in arrears on each Quarterly Payment Date , (y) on the date of any repayment or prepayment in full of all outstanding Base Rate Loans of any Tranche, and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand, (ii) in respect of each Canadian Prime Rate Loan, (x) quarterly in arrears on each Quarterly Payment Date, (y) on the date of any repayment or prepayment in full of all outstanding Canadian Prime Rate Loans of any Tranche, and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand, (iii) in respect of each LIBOR Loan, (x) on the last day of each Interest Period applicable thereto and, in

the case of an Interest Period in excess of three months, on each date occurring at three month intervals after the first day of such Interest Period, and (y) on the date of any repayment or prepayment (on the amount repaid or prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand and (iv) in respect of each Canadian CDOR Rate Loan, (x) on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three month intervals after the first day of such Interest Period, and (y) on the date of any repayment or prepayment (on the amount repaid or prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(g) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBOR Rate and Canadian CDOR Rate for each Interest Period applicable to the respective LIBOR Loans or Canadian CDOR Rate Loans, as the case may be, and shall promptly notify the Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.09. Interest Periods. At the time the Borrower gives the Notice of Borrowing or any Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBOR Loan or Canadian CDOR Rate Loan (in the case of the initial Interest Period applicable thereto) or prior to 11:00 A.M. (Toronto time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBOR Loan or Canadian CDOR Rate Loan (in the case of any subsequent Interest Period), the Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such LIBOR Loan, which Interest Period shall, at the option of the Borrower, be (x) a one, three, six or, if approved by each Appropriate Lender, twelve month period or (y) if agreed by the Administrative Agent in its sole discretion, such other period not to exceed one-month, provided that (in each case):

(i) all LIBOR Loans or Canadian CDOR Rate Loans, as the case may be, comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any LIBOR Loan or Canadian CDOR Rate Loan shall commence on the date of Borrowing of such LIBOR Loan or Canadian CDOR Rate Loan (including the date of any conversion thereto from a Base Rate Loan or Canadian Prime Rate Loan, as applicable) and each Interest Period occurring thereafter in respect of such LIBOR Loan or Canadian CDOR Rate Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBOR Loan or Canadian CDOR Rate Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBOR Loan or Canadian CDOR Rate Loan would otherwise expire on a day which is not a Business Day, such Interest

Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a LIBOR Loan or Canadian CDOR Rate Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Loans shall be selected which extends beyond the Maturity Date for such Tranche of Loans;

If by 11:00 A.M. (Toronto time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBOR Loans or Canadian CDOR Rate Loans, (x) the Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBOR Loans or Canadian CDOR Rate Loans as provided above, the Borrower shall be deemed to have elected to convert such LIBOR Loans or Canadian CDOR Rate Loans into Base Rate Loans or Canadian Prime Rate Loans, as applicable, effective as of the expiration date of such current Interest Period and (y) the Borrower requests a continuation of LIBOR Loans or Canadian CDOR Rate Loans in any Notice of Conversion/Continuation but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

2.10. Increased Costs, Illegality, etc.

(a) Special Provisions Applicable to LIBOR Rate and Canadian CDOR Rate.

(i) The LIBOR Rate may be adjusted by the Administrative Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs to such Lender of maintaining or obtaining any eurodollar deposits or increased costs (other than Taxes which shall be governed by Section 5.04), in each case, due to Change in Law occurring subsequent to the commencement of the then applicable Interest Period, and changes in the reserve requirements imposed by the Board of Governors, which additional or increased costs would increase the cost of funding or maintaining loans bearing interest at the LIBOR Rate. In any such event, the affected Lender shall give the Borrower and the Administrative Agent notice of such a determination and adjustment and the Administrative Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, the Borrower may, by notice to such affected Lender (A) require such Lender to furnish to the Borrower a statement setting forth in reasonable detail the basis for adjusting such LIBOR Rate and the method for determining the amount of such adjustment, or (B) repay the LIBOR Loans of such Lender with respect to which such adjustment is made (together with any amounts due under this Section 2.10.

(ii) In the event that any change in market conditions or any Change in Law shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain LIBOR Loans or Canadian CDOR Rate Loans or to continue such funding or maintaining, or to determine or charge interest rates at the LIBOR Rate or Canadian CDOR Rate, as applicable, such Lender shall give notice of such changed circumstances to the Administrative Agent and the Borrower and the Administrative Agent promptly shall transmit the notice to each other Lender and (y) in the case of any LIBOR Loans or Canadian CDOR Rate Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such LIBOR Loans or Canadian CDOR Rate Loans, as applicable, and interest upon the LIBOR Loans of such Lender thereafter shall accrue interest at the rate then applicable to Base Rate Loans, and interest upon the Canadian CDOR Rate Loans of such Lender thereafter shall accrue interest at the rate then applicable to Canadian Prime Rate Loans and (z) the Borrower shall not be entitled to elect any Borrowings at the LIBOR Rate or Canadian CDOR Rate, as applicable, until such Lender determines that it would no longer be unlawful or impractical to do so.

(iii) Anything to the contrary contained herein notwithstanding, neither the Administrative Agent, nor any Lender, nor any of their Participants, is required actually to acquire eurodollar deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate or Canadian CDOR Rate.

(b) If any Lender determines that after the Closing Date the introduction of or any change in any Applicable Law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Revolving Loan Commitments hereunder or its obligations hereunder, then the Borrower agrees to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.10 shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10, will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts; provided that a Lender shall not demand compensation for any increased costs pursuant to a change if it shall not be the

general policy of such Lender to demand such compensation under equivalent provisions in other credit agreements.

(c) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder, issued in connection therewith or in implementation thereof and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).

2.11. Compensation. In connection with each LIBOR Loan or Canadian CDOR Rate Loan, the Borrower shall indemnify, defend, and hold the Administrative Agent and the Lenders harmless against any loss, cost, or expense actually incurred by the Administrative Agent or any Lender as a result of (A) the payment or required assignment of any principal of any LIBOR Loan or Canadian CDOR Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (B) the conversion of any LIBOR Loan or Canadian CDOR Rate Loan other than on the last day of the Interest Period applicable thereto, or (C) the failure to borrow, convert, continue or prepay any LIBOR Loan or Canadian CDOR Rate Loan on the date specified in any Notice of Borrowing delivered pursuant hereto (such losses, costs, or expenses, "Funding Losses"). A certificate of the Administrative Agent or a Lender delivered to the Borrower setting forth in reasonable detail any amount or amounts that the Administrative Agent or such Lender is entitled to receive pursuant to this Section 2.11 shall be conclusive absent manifest error. The Borrower shall pay such amount to the Administrative Agent or the Lender, as applicable, within 30 days of the date of its receipt of such certificate.

2.12. Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of or increased payment under Section 2.10 or Section 5.04 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans or Letters of Credit affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10 and 5.04. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation.

2.13. Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of any event giving rise to the operation of Section 2.10 or Section 5.04 with respect to any Lender which results in such Lender charging to the Borrower increased costs or indemnified Taxes in excess of those being generally charged by the other

Lenders or (z) in the case of a refusal by a Lender to consent to a proposed change, waiver, discharge or termination with respect to this Agreement which has been approved by the Required Lenders as (and to the extent) provided in Section 14.12(b), the Borrower shall have the right, in accordance with Section 14.04(b), if no Event of Default then exists or would exist after giving effect to such replacement, to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of which shall be reasonably acceptable to the Administrative Agent; provided that:

(i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 14.04(b) (and with all fees payable pursuant to said Section 14.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Revolving Loan Commitments and outstanding Loans of, and in each case all participations in Swingline Loans and Letters of Credit by, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the respective Replaced Lender, (B) an amount equal to all Unpaid Drawings that have been funded by (and not reimbursed to) such Replaced Lender, together with all then unpaid interest with respect thereto at such time and (C) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01 (other than pursuant to Section 4.01(b)), (y) each Issuing Lender an amount equal to such Replaced Lender's RL Percentage of any Unpaid Drawing relating to Letters of Credit issued by such Issuing Lender or the Underlying Issuer (including as an Issuing Lender's agent) (which at such time remains an Unpaid Drawing) to the extent such amount was not theretofore funded by such Replaced Lender and (z) in the case of any replacement of Revolving Loan Commitments, the Swingline Lender an amount equal to such Replaced Lender's RL Percentage of any Mandatory Borrowing to the extent such amount was not theretofore funded by such Replaced Lender to the Swingline Lender; and

(ii) all obligations of the Borrower then owing to the Replaced Lender (other than those specifically described in clause (a) above in respect of which the assignment purchase price has been, or is concurrently being, paid, but including all amounts, if any, owing under Sections 2.11 and 4.01(b)) shall be paid in full to such Replaced Lender concurrently with such replacement.

Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and is authorized (which authorization is coupled with an interest) to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption

Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 14.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (a) and (b) above, recordation of the assignment on the Register by the Administrative Agent pursuant to Section 14.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including Sections 2.10, 2.11, 5.04, 13.06, 14.01 and 14.06), which shall survive as to such Replaced Lender.

2.14. Incremental Commitments.

(a) The Borrower may, at any time, on one or more occasions pursuant to an Incremental Facility Amendment, increase the Total Revolving Loan Commitment (each such increase, an "Incremental Increase") by (x) adding an additional last-out Tranche of Revolving Loan Commitments that is otherwise identical to each then-existing Tranche except for the items specified in clause (a)(iv) below (each, an "Additional Incremental Tranche") or (y) increasing the aggregate amount of the Revolving Loan Commitments of any then-existing Tranche (each, an "Increased Incremental Tranche"; and any such Additional Incremental Tranche or Increased Incremental Tranche, an "Incremental Revolving Facility"; and the loans thereunder, "Incremental Loans"; and the Revolving Loan Commitments (or term loan) in respect thereof, each, an "Incremental Commitment" and any Additional Incremental Tranche or Increased Incremental Tranche made on a last-out basis, a "Last-Out Incremental Tranche") in an aggregate amount, together with all prior Incremental Revolving Facilities then in effect, not to exceed the Incremental Cap; provided that

(i) unless the Administrative Agent otherwise agrees, no Incremental Commitment may be less than the Minimum Borrowing Amount (or such lesser amount to which the Administrative Agent may reasonably agree);

(ii) except as separately agreed from time to time between the Borrower and any Lender, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such Revolving Loan Commitments shall be within the sole and absolute discretion of such Lender (it being agreed that the Borrower shall not be obligated to offer the opportunity to any Lender to participate in any Incremental Revolving Facility);

(iii) no Incremental Revolving Facility or Incremental Loan (nor the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a lender providing all or part of such Incremental Revolving Facility or Incremental Loan;

(iv) the terms of any Incremental Revolving Facility established as an Additional Incremental Tranche shall be identical to the terms applicable to all

existing Tranches except that (A) such Additional Incremental Tranche shall rank junior in right of payment and/or security to any then-existing Tranche of Revolving Loans as provided in clause (vii)(A) below, (B) the scheduled final maturity date of such Additional Incremental Tranche shall be no earlier than (but may be later than) the then-existing Tranches of Revolving Loans, (C) the effective yield (and the components thereof) and unused commitment fees applicable to any Additional Incremental Tranche may be determined by the Borrower and the lender or lenders providing such Additional Incremental Tranche, (D) additional structuring, upfront and arranger and other similar fees may be paid to the lenders and/or arrangers providing such Additional Incremental Tranche and (E) such Additional Incremental Tranche may be structured as a term loan;

(v) the terms of any Incremental Revolving Facility established as an Increased Incremental Tranche shall be identical to those applicable to the applicable then-existing Tranche (except with respect to structuring, commitment and arranger fees and other similar fees);

(vi) no Incremental Revolving Facility may have a final maturity date earlier than (or require scheduled amortization or mandatory commitment reductions prior to) the Latest Maturity Date;

(vii) (A) each Increased Incremental Tranche shall rank pari passu with the Tranche of Revolving Loans being increased both in right of payment and in security, (B) any Last-Out Incremental Tranche shall rank junior to any then-existing Tranche of Revolving Loans in right of payment and/or security (and to the extent the relevant Incremental Revolving Facility is junior to or subordinated to any then-existing Tranche of Revolving Loans in right of payment or security, it shall be subject to an Acceptable Intercreditor Agreement) and (C) no Incremental Revolving Facility may be (x) guaranteed by any Person which is not a Credit Party or (y) secured by Liens on any assets other than the Collateral;

(viii) except in the case of any Additional Incremental Tranche the proceeds of which are to be used to consummate "limited conditionality" acquisitions (in which case no Event of Default under Section 12.01(a) or (e) shall exist immediately prior to or after giving effect to such Additional Incremental Tranche), (A) no Event of Default shall exist immediately prior to or after giving effect to such Incremental Revolving Facility and (B) the representations and warranties of the Credit Parties set forth in this Agreement and the other Credit Documents shall be true and correct in all material respects on and as of the date of any such Increased Incremental Tranche with the same effect as though such representations and warranties had been made on and as of the date of such Increased Incremental Tranche; provided that to the extent that any representation and warranty specifically refers to a given date or period, it shall be true and correct in all material respects as of such date or for such period;

(ix) to the extent more than one Tranche exists after giving effect to any such Incremental Revolving Facility, (x) the borrowing and repayment (except for (1) payments of interest and fees at different rates on the Credit Facilities (and related outstandings) and (2) repayments required upon the Maturity Date of any Credit Facility) of Revolving Loans with respect to any Tranche after the effective date of such Incremental Commitments shall be made on a pro rata basis with all other Tranches (other than an Additional Incremental Tranche), (y) all Swingline Loans and Letters of Credit or Reimbursement Undertakings shall be participated on a pro rata basis by all Lenders (other than any Lender in respect of an Additional Incremental Tranche) and (z) repayment of Revolving Loans with respect to, and reduction and termination of Revolving Loan Commitments under, any Tranche (other than a Last-Out Incremental Tranche) after the effective date of such Incremental Commitment shall be made on a pro rata basis with all other Tranches (other than an Last-Out Incremental Tranche);

(x) no Last-Out Incremental Tranche the Revolving Loan Maturity Date of which is later than the Initial Revolving Loan Maturity Date shall be effective as to the obligations of any Swingline Lender to make any Swingline Loans or any Issuing Lender with respect to Letters of Credit without the consent of such Swingline Lender or such Issuing Lender (such consents not to be unreasonably withheld or delayed) (and, in the absence of such consent, all references herein to Latest Maturity Date shall be determined, when used in reference to such Swingline Lender or such Issuing Lender, as applicable, without giving effect to the Revolving Loan Maturity Date of such Last-Out Incremental Tranche); and

(xi) the proceeds of any Incremental Revolving Facility may be used for working capital, Capital Expenditures and other general corporate purposes of the Borrower and its Subsidiaries (including Permitted Payments, Restricted Payments, Investments, Permitted Acquisitions, Restricted Debt Payments and any other purpose, in each case, not prohibited by the terms of the Credit Documents).

(b) Incremental Commitments may be provided by any existing Lender, or by any other Eligible Transferee (any such other Eligible Transferee being called an "Additional Lender"); provided that the Administrative Agent, the Swingline Lender and each Issuing Lender shall have consented (such consent not to be unreasonably withheld, conditioned or delayed) to the relevant Additional Lender's provision of Incremental Commitments if such consent would be required under Section 14.04(b) for an assignment of Revolving Loan Commitments or Revolving Loans to such Additional Lender.

(c) Each Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Borrower all such documentation (including the relevant Incremental Facility

Amendment) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, (i) each Additional Lender shall become a Lender for all purposes in connection with this Agreement, (ii) all Incremental Commitments shall become Revolving Loan Commitments for all purposes in connection with the Agreement and (iii) all Incremental Loans shall become Revolving Loans for all purposes in connection with this Agreement.

(d) As a condition precedent to the effectiveness of any Incremental Revolving Facility or the making of any Incremental Loans, (i) upon its reasonable request, the Administrative Agent shall have received customary written opinions of counsel consistent with those delivered on the Closing Date under Section 6 or delivered from time to time pursuant to Section 10.12 (other than changes to such legal opinions resulting from a Change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent), as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall have received, from each Additional Lender, an Administrative Questionnaire in the form provided to such Additional Lender by the Administrative Agent and such other documents as it shall reasonably require from such Additional Lender, (iii) the Administrative Agent and applicable Additional Lenders shall have received all fees required to be paid in respect of such Incremental Revolving Facility or Incremental Loans and (iv) upon its request, the Administrative Agent shall have received a certificate of the Borrower signed by an Authorized Officer thereof:

(i) certifying and attaching a copy of the resolutions adopted by the governing body of the Borrower approving or consenting to such Incremental Revolving Facility or Incremental Loans, and

(ii) to the extent applicable, certifying that the condition set forth in clause (a)(viii) above has been satisfied.

(e) If any Incremental Revolving Facility is implemented by an Increased Incremental Tranche (i) each then-existing Lender (other than a Lender in respect of an Additional Incremental Tranche) immediately prior to such increase will automatically and without further act be deemed to have assigned to each Additional Lender under the applicable Increased Incremental Tranche, and each such Additional Lender will automatically and without further act be deemed to have assumed a portion of such existing Lender's participations hereunder in any outstanding Letters of Credit, Swingline Loans, and Mandatory Borrowings such that, after giving effect to each deemed assignment and assumption of participations, all of the Lenders' (other than a Lender in respect of an Additional Incremental Tranche) (including each Additional Lender's) (x) participations hereunder in Letters of Credit, Swingline Loans and Mandatory Borrowings shall be held on a pro rata basis on the basis of their respective Revolving Loan Commitments (after giving effect to any increase in the Total Revolving Loan Commitment pursuant to this Section 2.14) and (y) the existing Lenders of the applicable Tranche shall assign Revolving Loans to certain other Lenders of such Tranche (including

the Additional Lenders providing the relevant Incremental Revolving Facility), and such other Lenders (including the Additional Lenders providing the relevant Incremental Revolving Facility) shall purchase such Revolving Loans, in each case to the extent necessary so that all of the Lenders of such Tranche participate in each outstanding borrowing of Revolving Loans pro rata on the basis of their respective Revolving Loan Commitments of such Tranche (after giving effect to any increase in the Total Revolving Loan Commitment pursuant to this Section 2.14); it being understood and agreed that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (e).

(f) On the date of effectiveness of any Incremental Revolving Facility, all dollar thresholds included in any determination made with respect to Excess Availability shall be increased automatically in a Dollar Amount equal to the percentage by which the Incremental Commitments increase the Total Revolving Loan Commitment.

(g) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Amendment and/or any amendment to any other Credit Document with the Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Revolving Loans or commitments increased or extended pursuant to this Section 2.14 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment or increase, as applicable, of such new tranches or sub-tranches, in each case on terms consistent with and/or to effect the provisions of this Section 2.14. All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders.

(h) Notwithstanding anything to the contrary in this Section 2.14 or in any other provision of any Credit Document, if the proceeds of any Last- Out Incremental Tranche are intended to be applied to finance a Permitted Acquisition or other Permitted Investment and the lenders providing such Incremental Revolving Facility so agree, the availability thereof shall be subject to customary "SunGard" or "certain funds" conditionality (including the making and accuracy of Specified Representations as conformed for such Permitted Acquisition or other Permitted Investment).

(i) This Section 2.14 shall supersede any provisions in Section 14.06 or 14.12 to the contrary.

2.15. Extensions of Loans and Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to all Lenders holding Revolving Loans of any Tranche or Revolving Loan Commitments of any Tranche, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Revolving Loans or Revolving Loan Commitments of such Tranche) and on the same terms to each such Lender, the Borrower

is hereby permitted from time to time to consummate transactions with any individual Lender who accepts the terms contained in the relevant Extension Offer to extend the Maturity Date of all or a portion of such Lender's Revolving Loans and/or Revolving Loan Commitments of such Tranche and otherwise modify the terms of all or a portion of such Revolving Loans and/or Revolving Loan Commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Revolving Loans and/or Revolving Loan Commitments (and related outstandings); but, for greater certainty, except as permitted by Section 2.14, no Extension Offer shall offer an increase in the existing Revolving Loan Commitments of any Lender or provide for any overadvances or other non-pro rata increase in the principal amount of Revolving Loans thereunder (whether by way of payment in kind, premium or otherwise)) (each, an "Extension"); it being understood that any Extended Loans shall constitute a separate Tranche of Revolving Loans from the Tranche of Revolving Loans from which they were extended and any Extended Commitments shall constitute a separate Tranche of Revolving Loan Commitments from the Tranche of Revolving Loan Commitments from which they were extended, so long as the following terms are satisfied:

(i) except as to (x) interest rates, fees and final maturity (which shall be determined by the Borrower and set forth in the relevant Extension Offer), (y) terms applicable to such Extended Commitments or Extended Loans that are more favorable to the lenders of such Extended Commitments or Extended Loans than those contained in the Credit Documents and are then conformed (or added) to the Credit Documents on or prior to the effectiveness of such Extension for the benefit of the Lenders or, as applicable, the Administrative Agent pursuant to the applicable Extension Amendment and (z) any terms or other provisions applicable only to periods after the Latest Revolving Loan Maturity Date (in each case of clauses (x), (y) and (z), as determined as of the date of such Extension), the commitment of any Lender that agrees to an Extension (an "Extended Commitment"; and each Revolving Loan thereunder, an "Extended Loan"), and the related outstandings, shall be a revolving commitment (or related outstandings, as the case may be) with substantially consistent terms (or terms not less favorable to existing Lenders) as the Tranche of Revolving Loan Commitments subject to the relevant Extension Offer (and related outstandings) provided hereunder; provided that to the extent any non-extended portion of the Initial Revolving Facility or any Additional Revolving Facility then exists after giving effect to any such Extension, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on any Credit Facility (and related outstandings), (B) repayments required upon the existing non-extended Maturity Date of such Credit Facility and (C) repayments made in connection with any permanent repayment and termination of Revolving Loan Commitments under such Credit Facility (subject to clause (3) below)) after the effective date of such Extended Commitments shall be made on a *pro rata* basis with such non-extended portion of such Credit Facility (other than an Additional Incremental Tranche) or such non-extended portion of such Additional Revolving Facility, as applicable, (2) all Swingline Loans and/or Letters of Credit shall be participated

on a *pro rata* basis by all Lenders (other than Lenders in respect of an Additional Incremental Tranche) of the applicable Tranche and (3) any permanent repayment of Revolving Loans with respect to, and reduction or termination of Revolving Loan Commitments under, any such Additional Revolving Facility after the effective date of such Extended Commitment and prior to the Maturity Date of such Revolving Loan Commitments shall be made on a *pro rata* basis with such non-extended portion of such Credit Facility (other than an Additional Incremental Tranche);

(ii) if the aggregate principal amount of Revolving Loans or Revolving Loan Commitments, as the case may be, in respect of which Lenders shall have accepted the relevant Extension Offer exceeds the maximum aggregate principal amount of Revolving Loans or Revolving Loan Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Revolving Loans or Revolving Loan Commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) held by Lenders that have accepted such Extension Offer;

(iii) unless the Administrative Agent otherwise agrees, each Extension shall be in a minimum amount of $5,000,000;

(iv) any applicable Minimum Extension Condition shall be satisfied or waived by the Borrower; and

(v) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to any Extension consummated by the Borrower pursuant to this Section 2.15, (i) no such Extension shall constitute a voluntary or mandatory payment or prepayment for purposes of Section 4.02, 5.01, 5.02, 5.03, 14.02 or 14.06 and (ii) except as set forth in clause (a)(iii) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Borrower may, at its election, specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and which may be waived by the Borrower in its sole discretion) of Revolving Loans or Revolving Loan Commitments (as applicable) of any or all applicable Tranches be tendered. The Administrative Agent and the Lenders hereby consent to the Extensions and the other transactions contemplated by this Section 2.15 (including payment of any interest, fees or permitted premium in respect of any Tranche of Extended Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 4.02, 5.01, 5.02, 5.03, 14.02 or 14.06) or any other Credit Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.15.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (x) the consent of each Lender agreeing to such Extension with respect to one or more of its Revolving Loans and/or Revolving Loan Commitments under any Tranche (or a portion thereof), (y) with respect to any Extension of the Revolving Loan Commitments, the consent of each Issuing Lender to the extent the commitment to provide Letters of Credit is to be extended and (z) with respect to any Extension of the Revolving Loan Commitments, the consent of the Swingline Lender to the extent the swingline facility is to be extended (in each case which consent shall not be unreasonably withheld or delayed). All Extended Loans and Extended Commitments and all obligations in respect thereof shall constitute Secured Obligations under this Agreement and the other Credit Documents that are secured by the Collateral and guaranteed on a *pari passu* basis with all other Credit Document Obligations under this Agreement and the other Credit Documents.

(d) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Extension Amendment and such other amendments to this Agreement and the other Credit Documents with the Borrower as may be necessary in order to establish new Tranches or sub-Tranches in respect of Loans or Revolving Loan Commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Tranches or sub-Tranches, in each case on terms consistent with this Section 2.15. All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders. As a condition precedent to the effectiveness of any Extension Amendment, upon its request, the Administrative Agent shall have received a certificate of the Borrower dated the date thereof signed by an Authorized Officer of the Borrower, certifying and attaching the resolutions adopted by the Borrower approving such Extension Amendment and certifying that the conditions precedent set forth in clause (a) above have been satisfied, and, to the extent reasonably requested by the Administrative Agent, the Administrative Agent shall have received customary legal opinions consistent with those delivered on the Closing Date under Section 6 or delivered from time to time pursuant to Section 10.12 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent) and/or reaffirmation agreements in form and substance reasonably satisfactory to the Administrative Agent. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment.

(e) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including rendering timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be reasonably established by, or reasonably acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.15.

(f) This Section 2.15 shall supersede any provisions in Section 14.06 or 14.12 to the contrary.

2.16. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 12 or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder, including with respect to any Extraordinary Advances that were made by the Administrative Agent and that were required to be, but were not, paid by the Defaulting Lender; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the Issuing Lender or the Swingline Lender hereunder; third, if so determined by the Administrative Agent or requested by the Issuing Lender or the Swingline Lender, to be held as cash collateral for future funding obligations of that Defaulting Lender of any participation in any Swingline Loan or Letter of Credit or Reimbursement Undertaking; fourth, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as reasonably determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders, the Issuing Lender or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Lender or the Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or Unpaid Drawings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or Unpaid Drawings were made at a time when the conditions set forth in Section 7 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Unpaid Drawings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or Unpaid Drawings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.16(a) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(b) if any Swingline Loan Exposure or Letter of Credit Exposure exists at the time a Lender becomes a Defaulting Lender then:

(i) all or any part of such Swingline Loan Exposure and Letter of Credit Exposure shall be reallocated among the Lenders that are Non-Defaulting Lenders in accordance with their respective RL Percentages but only to the extent (x) the sum of all Non-Defaulting Lenders' Individual RL Exposures plus such Defaulting Lender's Swingline Loan Exposure and Letter of Credit Exposure does not exceed the aggregate amount of all Non-Defaulting Lenders' Revolving Loan Commitments and (y) immediately following the reallocation to a Non-Defaulting Lender, the Individual RL Exposure of such Non-Defaulting Lender does not exceed its Revolving Loan Commitment at such time;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within five (5) Business Days following written notice by the Administrative Agent (x) first, prepay the unreallocated portion of such Defaulting Lender's Swingline Loan Exposure (without a permanent commitment reduction) and (y) second, cash collateralize in a manner reasonably satisfactory to the applicable Issuing Lender the unreallocated portion such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in aggregate amount equal to 100% of such Defaulting Lender's Letter of Credit Exposure for so long as such Letter of Credit Exposure is outstanding;

(iii) the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 4.01(b) with respect to such Defaulting Lender's Letter of Credit Exposure;

(iv) if the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 2.16(a), then the fees payable to the Lenders pursuant to Section 4.01(b) shall be adjusted in accordance with such Non-Defaulting Lenders' RL Percentages; and

(v) if any Defaulting Lender's Letter of Credit Exposure is neither cash collateralized nor reallocated pursuant to this Section 2.16 (a), then, without prejudice to any rights or remedies of any Issuing Lender or any Lender hereunder, all Letter of Credit Fees payable under Section 4.01(b) with respect to such Defaulting Lender's Letter of Credit Exposure shall be payable to each Issuing Lender until such Letter of Credit Exposure is cash collateralized and/or reallocated; and

(c) notwithstanding anything to the contrary contained in Section 2.01(b) or Section 3, so long as any Lender is a Defaulting Lender (i) the Swingline Lender shall not be required to fund any Swingline Loan and no Issuing Lender or Underlying Issuer, as the case may be, shall be required to issue, amend or increase any Letter of Credit or Reimbursement Undertaking, unless it is satisfied that the related

exposure will be 100% covered by the Revolving Loan Commitments of the Non-Defaulting Lenders and/or cash collateral has been provided by the Borrower in accordance with Section 2.16(b), and (ii) participating interests in any such newly issued or increased Letter of Credit or Reimbursement Undertaking or newly made Swingline Loan shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 2.16(b)(i) (and Defaulting Lenders shall not participate therein).

In the event that the Administrative Agent, the Borrower, each Issuing Lender and the Swingline Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then (i) the Swingline Loan Exposure and Letter of Credit Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Loan Commitments and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Revolving Loans in accordance with its RL Percentage and (ii) so long as no Event of Default then exists, all funds held as cash collateral pursuant to Section 2.16(b) shall thereafter be promptly returned to the Borrower. If the Revolving Loan Commitments have been terminated, all other Obligations (other than contingent obligations not due and owing) with respect to the Revolving Loans and Swingline Loans have been paid in full and no Letters of Credit are outstanding (other than cash collateralized or backstopped Letters of Credit in a manner reasonably satisfactory to each applicable Issuing Lender), then, so long as no Event of Default then exists, all funds held as cash collateral pursuant to Section 2.16(b) shall thereafter be promptly returned to the Borrower.

2.17. Reserves; Eligibility.

(a) The Administrative Agent may at any time and from time to time in the exercise of its Permitted Discretion upon at least three (3) Business Days' prior written notice to the Borrower, establish or increase or decrease any Reserves (the "Reserve Change Notice"), which notice shall include a reasonably detailed description of such Reserve being established (during which period (x) the Administrative Agent shall discuss any such Reserve or change with the Borrower and (y) the Borrower may take such action as may be required so that the event, condition or matter that is the basis for such Reserve no longer exists or exists in a manner that would result in the establishment of a lower Reserve, in each case in a manner and to the extent reasonably satisfactory to the Administrative Agent); provided that the determination of Availability in connection with any Notice of Borrowing delivered during such three (3) Business Day period shall be based on the Borrowing Base taking into account the effect of such Reserve Change Notice.

(b) The establishment or change of any Reserve pursuant to a Reserve Change Notice shall, in each case, be limited to such reserves or changes as the Administrative Agent determines in its Permitted Discretion to be necessary (x) to reflect items that could reasonably be expected to adversely affect the value or collectability of the applicable Eligible Accounts and Eligible Inventory or (y) to reflect items that could reasonably be expected to adversely affect the enforceability or priority of the Administrative Agent's Liens on the applicable ABL Facility Priority Collateral; provided

that no Reserves may be taken or increased after the Closing Date based on circumstances, conditions, events or contingencies known to the Administrative Agent as of the Closing Date and for which no Reserves were imposed on the Closing Date, unless such circumstances, conditions, events or contingencies shall have changed in any material adverse respect since the Closing Date as determined by the Administrative Agent in its Permitted Discretion; provided that such requirements shall not apply (and no Reserve Change Notice shall be required), where such Reserve is a Banking Services Product Reserve, a Dilution Reserve, an Inventory Reserve, a Pension Contribution Reserve, a WRAP Plan Reserve, a Sales Tax Reserve, the Great Lakes Reserve, a WEPPA Reserve, or a Tariff Reserve, which Reserves shall be effective when applicable in each case in accordance with the conditions specified herein for imposing such Reserve, including the applicable conditions specified in clause (c) below.

(c) Notwithstanding any other provision of this Agreement to the contrary, (i) in no event shall Reserves (or changes in Reserves or the valuation of assets) with respect to any component of the Borrowing Base duplicate Reserves, valuation or adjustments already accounted for in determining eligibility criteria (including collection and/or advance rates) or Appraised Value thereof (determined in a manner consistent with the most recent inventory appraisal provided to the Administrative Agent pursuant to Section 8.04(II)), (ii) the amount of any such Reserve (or change in Reserve) shall be a reasonable quantification of the incremental dilution of the Borrowing Base attributable to the relevant contributing factors or shall have a reasonable relationship to the event, condition or other matter that is the basis for such Reserve or change, (iii) Banking Services Product Reserves may be imposed by the Administrative Agent in its Permitted Discretion; provided that if paid after the principal amount of the Loans pursuant to the Pari Principal Waterfall Clause, no Reserve may be imposed in respect of Cash Management Obligations or Hedging Obligations, in each case without the prior written consent of the Borrower, (iv) no Dilution Reserves shall be imposed except for an amount not to exceed 1.0% for each incremental whole percentage in dilution over 5.0%, (v) no Reserves shall be imposed for any scheduled pension contribution amounts, normal or special, except for the Pension Contribution Reserve; provided that the maximum "special payments" (as such term is defined in the applicable Pension Matters Documents) under the DB Plans remain capped for a period ending no earlier than January 1, 2038, in the aggregate, at Can$31,000,000 (or Can$36,000,000, if the WRAP Pension Plan is assumed by the Borrower in accordance with the applicable Pension Matters Documents), (vii) no Reserves shall be imposed for any rights under s. 81.1 of the BIA or similar rights of unpaid suppliers, (viii) Reserves may be established for any wages, compensation, severance, workers compensation, or similar claims and will be limited to the portion which could rise to a super-priority lien or effective priority under s. 81.4 of the BIA, ss. 6(5)(a) and 36(7) of the CCAA in relation to the Wage Earners Protection Program Act (WEPPA) ("WEPPA Reserve"); (ix) Reserves may be established for any HST, PST, QST or other sales taxes and will be limited to amounts not paid or remitted when due only so long as Specified Excess Availability is less than the greater of (1) 6.25% of Availability and (2) $12,500,000 for five (5) consecutive Business Days ("Sales Tax Reserve"); (x) except for the Pension Contribution Reserve and the WRAP Plan Reserve, no Reserves

shall be imposed for legacy solvency or windup deficiencies or contributions not due and unpaid in respect of pension plans of the Borrower so long as the Borrower obtains the Pension Regulatory Relief in respect of the Hourly Pension Plan and the Salaried Pension Plan; (xi) subject to clause (i) above, the Great Lakes Reserve may be imposed by the Administrative Agent in its Permitted Discretion ; (xii) no Reserves shall be imposed for Inventory on lands subject to the New PortLP Leases so long as the Inter-Lender Agreement is in full force and effect (and, for further clarity, no further access rights arrangements shall be required); and (xiii) the Tariff Reserve may be imposed by the Administrative Agent in its Permitted Discretion.

(d) Any changes to the eligibility criteria set forth in the definitions of Eligible Accounts, and Eligible Inventory shall be subject to 3 Business Days' prior written notice by the Administrative Agent to the Borrower and shall have a reasonable relationship to the event, condition, other circumstance, or fact that is the basis for such change in eligibility and shall not be duplicative of any other reserve established and currently maintained or eligibility criteria; provided that the determination of Availability in connection with any Notice of Borrowing delivered during such three Business Day period shall be based upon the Borrowing Base taking into account the effect of such notice.

2.18. Protective Advances; Overadvances.

(a) Any contrary provision of this Agreement or any other Credit Document notwithstanding (but subject to Section 2.18(d) below), at any time (A) after the occurrence and during the continuance of a Default or an Event of Default, or (B) that any of the other applicable conditions precedent set forth in Section 7 are not satisfied, the Administrative Agent hereby is authorized by the Borrower and the Lenders, from time to time, in the Administrative Agent's sole discretion, to make Revolving Loans to, or for the benefit of, the Borrower, on behalf of the Lenders, that the Administrative Agent, in its Permitted Discretion, deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Credit Document Obligations (the Revolving Loans described in this Section 2.18(a) shall be referred to as "Protective Advances"). In any event, if any Protective Advance remains outstanding for more than 60 days, unless otherwise agreed to by the Lenders, the Borrower shall immediately repay such Protective Advance. Notwithstanding the foregoing, the aggregate amount of all Protective Advances outstanding at any one time shall not exceed 10% of the Borrowing Base. The Administrative Agent's authorization to make Protective Advances (other than Agent Extraordinary Advances, as defined below) may be revoked at any time by the Required Lenders delivering written notice of such revocation to the Administrative Agent. Any such revocation shall become effective prospectively upon the Administrative Agent's receipt thereof.

(b) Any contrary provision of this Agreement or any other Credit Document notwithstanding, the Lenders hereby authorize the Administrative Agent or the Swingline Lender, as applicable, and either the Administrative Agent or the Swingline Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue

to make Revolving Loans (including the Swingline Loans) to the Borrower notwithstanding that an Overadvance exists or would be created thereby, so long as (A) after giving effect to such Revolving Loans, the outstanding Total Utilization of Revolving Commitments under all Tranches does not exceed the Borrowing Base by more than 10% of the Borrowing Base, and (B) subject to Section 2.18(d) below, after giving effect to such Revolving Loans, the outstanding Total Utilization of Revolving Commitments under all Tranches (except for and excluding amounts charged to the Loan balance shown on the Register for interest, fees, or expenses) does not exceed the Total Revolving Loan Commitment. In the event the Administrative Agent obtains actual knowledge that the outstanding Total Utilization of Revolving Commitments under all Tranches exceeds the amounts permitted by this Section 2.18, regardless of the amount of, or reason for, such excess, the Administrative Agent shall notify the Lenders as soon as practicable (and prior to making any (or any additional) intentional Overadvances (except for and excluding amounts charged to the Loan balance shown on the Register for interest, fees, or expenses) unless Administrative Agent determines that prior notice would result in imminent harm to the Collateral or its value, in which case the Administrative Agent may make such Overadvances and provide notice as promptly as practicable thereafter), and the Lenders thereupon shall, together with the Administrative Agent, jointly determine the terms of arrangements that shall be implemented with the Borrower intended to reduce, within a reasonable time, the outstanding principal amount of the Revolving Loans to the Borrower to an amount permitted by the preceding sentence. In such circumstances, if any Lender objects to the proposed terms of reduction or repayment of any Overadvance, the terms of reduction or repayment thereof shall be implemented according to the determination of the Required Lenders. In any event, if any Overadvance not otherwise made or permitted pursuant to this Section 2.18 remains outstanding for more than 60 days, unless otherwise agreed to by the Required Lenders, the Borrower shall immediately repay Revolving Loans in an amount sufficient to eliminate all such Overadvances not otherwise made or permitted to this Section 2.18. The Administrative Agent's and Swingline Lender's authorization to make intentional Overadvances (other than Agent Extraordinary Advances, as defined below) may be revoked at any time by the Required Lenders delivering written notice of such revocation to the Administrative Agent. Any such revocation shall become effective prospectively upon the Administrative Agent's receipt thereof.

(c) Each Protective Advance and each Overadvance (each, an "Extraordinary Advance") shall be deemed to be a Revolving Loan hereunder, except that no Extraordinary Advance shall be eligible to be a LIBOR Loan or a Canadian CDOR Rate Loan. Prior to Settlement of any Extraordinary Advance, all payments with respect thereto, including interest thereon, shall be payable to the Administrative Agent solely for its own account. Each Lender shall be obligated to settle with the Administrative Agent as provided in Section 2.19 (or Section 2.16 with respect to any Defaulting Lender, as applicable) for the amount of such Lender's RL Percentage of any Extraordinary Advance. The Extraordinary Advances shall be repayable on demand, secured by the Administrative Agent's Liens, constitute Obligations hereunder, and bear interest at the rate applicable

from time to time to Revolving Loans that are Base Rate Loans or Canadian Prime Rate Loans, as applicable.

(d) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, no Extraordinary Advance may be made by the Administrative Agent if such Extraordinary Advance would cause the aggregate Total Utilization of Revolving Commitments under all Tranches to exceed the Total Revolving Loan Commitment or any Lender's RL Percentage of Total Utilization of Revolving Commitments under all Tranches to exceed such Lender's Revolving Loan Commitment; provided that the Administrative Agent may make Extraordinary Advances in excess of the foregoing limitations so long as such Extraordinary Advances that cause the aggregate Total Utilization of Revolving Commitments under all Tranches to exceed the Total Revolving Loan Commitment or a Lender's RL Percentage of Total Utilization of Revolving Commitments under all Tranches to exceed such Lender's Revolving Loan Commitments are for the Administrative Agent's sole and separate account and not for the account of any Lender ("Agent Extraordinary Advances").

(e) The provisions of this Section 2.18 are for the exclusive benefit of the Administrative Agent, the Swingline Lender, and the Lenders and are not intended to benefit the Borrower (or any other Credit Party) in any way.

2.19. Settlement. It is agreed that, notwithstanding any other provision of this Agreement, that settlement among the Lenders as to the Revolving Loans (including Swingline Loans and Extraordinary Advances) shall take place on a periodic basis in accordance with the following provisions:

(a) Administrative Agent shall request settlement ("Settlement") with the Lenders on a weekly basis, or on a more frequent basis if so determined by the Administrative Agent in its sole discretion (1) on behalf of the Swingline Lender, with respect to the outstanding Swingline Loans, (2) for itself, with respect to the outstanding Extraordinary Advances, and (3) with respect to any Credit Party's or any of their Subsidiaries' payments or other amounts received, as to each by notifying the Lenders by telecopy, telephone, or other similar form of transmission, of such requested Settlement, no later than 2:00 p.m. on the Business Day immediately prior to the date of such requested Settlement (the date of such requested Settlement being the "Settlement Date"). Such notice of a Settlement Date shall include a summary statement of the amount of outstanding Revolving Loans (including Swingline Loans and Extraordinary Advances) for the period since the prior Settlement Date. Subject to the terms and conditions contained herein (including Section 2.16): (y) if the amount of the Revolving Loans (including Swingline Loans and Extraordinary Advances) made by a Lender that is not a Defaulting Lender exceeds such Lender's RL Percentage of the Revolving Loans (including Swingline Loans and Extraordinary Advances) as of a Settlement Date, then the Administrative Agent shall, by no later than 12:00 p.m. on the Settlement Date, transfer in immediately available funds to a Deposit Account of such Lender (as such Lender may designate), an amount such that each such Lender

shall, upon receipt of such amount, have as of the Settlement Date, its RL Percentage of the Revolving Loans (including Swingline Loans and Extraordinary Advances), and (z) if the amount of the Revolving Loans (including Swingline Loans and Extraordinary Advances) made by a Lender is less than such Lender's RL Percentage of the Revolving Loans (including Swingline Loans and Extraordinary Advances) as of a Settlement Date, such Lender shall no later than 12:00 p.m. on the Settlement Date transfer in immediately available funds to the Agent's Account, an amount such that each such Lender shall, upon transfer of such amount, have as of the Settlement Date, its RL Percentage of the Revolving Loans (including Swingline Loans and Extraordinary Advances). Such amounts made available to the Administrative Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable Swingline Loans or Extraordinary Advances and, together with the portion of such Swingline Loans or Extraordinary Advances representing the Swingline Lender's RL Percentage thereof, shall constitute Revolving Loans of such Lenders. If any such amount is not made available to the Administrative Agent by any Lender on the Settlement Date applicable thereto to the extent required by the terms hereof, the Administrative Agent shall be entitled to recover for its account such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate.

(b) In determining whether a Lender's balance of the Revolving Loans (including Swingline Loans and Extraordinary Advances) is less than, equal to, or greater than such Lender's RL Percentage of the Revolving Loans (including Swingline Loans and Extraordinary Advances) as of a Settlement Date, the Administrative Agent shall, as part of the relevant Settlement, apply to such balance the portion of payments actually received in good funds by the Administrative Agent with respect to principal, interest, fees payable by the Borrower and allocable to the Lenders hereunder, and proceeds of Collateral.

(c) Between Settlement Dates, the Administrative Agent, to the extent Extraordinary Advances or Swingline Loans are outstanding, may pay over to the Administrative Agent or the Swingline Lender, as applicable, any payments or other amounts received by the Administrative Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Extraordinary Advances or Swingline Loans. Between Settlement Dates, the Administrative Agent, to the extent no Extraordinary Advances or Swingline Loans are outstanding, may pay over to the Swingline Lender any payments or other amounts received by the Administrative Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to the Swingline Lender's RL Percentage of the Revolving Loans. If, as of any Settlement Date, payments or other amounts of the Credit Parties or their Subsidiaries received since the then immediately preceding Settlement Date have been applied to the Swingline Lender's RL Percentage of the Revolving Loans other than to Swingline Loans,

as provided for in the previous sentence, the Swingline Lender shall pay to the Administrative Agent for the accounts of the Lenders, and the Administrative Agent shall pay to the Lenders (other than a Defaulting Lender if the Administrative Agent has implemented the provisions of Section 2.16, subject to the last paragraph thereof), to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each such Lender shall, upon receipt of such amount, have, as of such Settlement Date, its RL Percentage of the Revolving Loans. During the period between Settlement Dates, the Swingline Lender with respect to Swingline Loans, the Administrative Agent with respect to Extraordinary Advances, and each Lender with respect to the Revolving Loans other than Swingline Loans and Extraordinary Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the daily amount of funds employed by the Swingline Lender, the Administrative Agent, or the Lenders, as applicable.

SECTION 3. Letters of Credit.

3.01. Letters of Credit. (a) Subject to and upon the terms and conditions set forth herein, the Borrower may request that an Issuing Lender issue or cause to be issued by an Underlying Issuer (including as an Issuing Lender's agent), at any time and from time to time on and after the Closing Date and prior to the 5th Business Day prior to the Revolving Loan Maturity Date, for the account of the Borrower and for the benefit of any holder (or any trustee, agent or other similar representative for any such holders) of L/C Supportable Obligations, an irrevocable standby letter of credit, in a form customarily used by such Issuing Lender or Underlying Issuer, as the case may be, or in such other form as is reasonably acceptable to such Issuing Lender or Underlying Issuer, as the case may be (each such letter of credit, a "Letter of Credit" and, collectively, the "Letters of Credit"). All Letters of Credit shall be denominated in U.S. Dollars or Canadian Dollars and shall be issued on a sight basis only. If an Issuing Lender, at its option, elects to cause an Underlying Issuer to issue a requested Letter of Credit, such Issuing Lender agrees that it will enter into arrangements relative to the reimbursement of such Underlying Issuer (which may include, among other means, by becoming an applicant with respect to such Letter of Credit or entering into undertakings or other arrangements that provide for reimbursement of such Underlying Issuer with respect to such drawings under Letter of Credit; each such obligation or undertaking, irrespective of whether in writing, a "Reimbursement Undertaking") with respect to Letters of Credit issued by such Underlying Issuer for the account of the Borrower. By submitting a request to an Issuing Lender for the issuance of a Letter of Credit, the Borrower shall be deemed to have requested that (x) such Issuing Lender issue the requested Letter of Credit or (y) the Underlying Issuer of such Issuing Lender issue the requested Letter of Credit (and, in such case, to have requested such Issuing Lender to issue a Reimbursement Undertaking with respect to such requested Letter of Credit).

(b) Subject to and upon the terms and conditions set forth herein, each Issuing Lender agrees that it will, at any time and from time to time on and after the Closing Date and prior to the 5th Business Day prior to the Revolving Loan Maturity Date, following its receipt of the respective Letter of Credit Request, issue for account of the Borrower, one or more Letters of Credit or Reimbursement Undertakings as are

permitted to remain outstanding hereunder without giving rise to a Default or an Event of Default; provided that no Issuing Lender shall be under any obligation to issue any Letter of Credit or Reimbursement Undertakings of the types described above if at the time of such issuance:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall purport by its terms to enjoin or restrain such Issuing Lender or Underlying Issuer from issuing such Letter of Credit or any requirement of law applicable to such Issuing Lender or Underlying Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Lender or Underlying Issuer shall prohibit, or request that such Issuing Lender or Underlying Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit or Reimbursement Undertaking in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction or reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect with respect to such Issuing Lender on the date hereof, or any unreimbursed loss, cost or expense which was not applicable or in effect with respect to such Issuing Lender as of the date hereof and which such Issuing Lender reasonably and in good faith deems material to it; or

(ii) such Issuing Lender shall have received from the Borrower, any other Credit Party or the Required Lenders prior to the issuance of such Letter of Credit notice of the type described in the second sentence of Section 3.03(b).

3.02. Maximum Letter of Credit Outstandings; Final Maturities. Notwithstanding anything to the contrary contained in this Agreement, (i) no Letter of Credit or Reimbursement Undertaking shall be issued the Stated Amount of which, when added to the Letter of Credit Outstandings (exclusive of Unpaid Drawings which are repaid on the date of, and prior to the issuance of, the respective Letter of Credit or Reimbursement Undertaking) at such time would exceed either (x) the Letter of Credit Sublimit or (y) when added to the sum of (I) the Dollar Amount of all Revolving Loans then outstanding and (II) the Dollar Amount of all Swingline Loans then outstanding, an amount equal to the Excess Availability at such time and (ii) each Letter of Credit or Reimbursement Undertaking issued under any Tranche shall by its terms terminate on or before the earlier of (A) the date which occurs 12 months after the date of the issuance thereof and (B) the Revolving Loan Maturity Date for such Tranche (although any such Letter of Credit or Reimbursement Undertaking may be extendible for successive periods of up to 12 months, but, in each case, not beyond the date referred to in clause (B) unless 105% of the then-available Stated Amount thereof is cash collateralized or backstopped or other arrangements reasonably satisfactory to the relevant Issuing Lender or Underlying Issuer have been made with respect thereto on or before the date that such Letter of Credit or Reimbursement Undertaking is extended beyond the date referred to in clause (B)).

3.03. Letter of Credit Requests; Minimum Stated Amount. (a) Whenever the Borrower desires that a Letter of Credit be issued for its account, the Borrower

shall give the Administrative Agent and the respective Issuing Lender at least five Business Days' (or such shorter period as is acceptable to such Issuing Lender) written notice thereof (including by way of facsimile). Each notice shall be in the form of Exhibit A-3, appropriately completed (each, a "Letter of Credit Request").

(b) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower to the Lenders that such Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.02. Unless the respective Issuing Lender has received notice from the Borrower, any other Credit Party or the Required Lenders before it issues a Letter of Credit or Reimbursement Undertaking that one or more of the conditions specified in Section 7 are not then satisfied, or that the issuance of such Letter of Credit or Reimbursement Undertaking would violate Section 3.02, then such Issuing Lender shall, subject to the terms and conditions of this Agreement, issue the requested Letter of Credit for the account of the Borrower or Reimbursement Undertaking in accordance with such Issuing Lender's (or Underlying Issuer's, if applicable) usual and customary practices. Upon the issuance of or modification or amendment to any Letter of Credit or Reimbursement Undertaking, each Issuing Lender shall promptly notify the Borrower and the Administrative Agent, in writing of such issuance, modification or amendment and such notice shall be accompanied by a copy of such Letter of Credit or Reimbursement Undertaking or the respective modification or amendment thereto, as the case may be. Promptly after receipt of such notice, the Administrative Agent shall notify the Participants, in writing, of such issuance, modification or amendment.

(c) The initial Stated Amount of each Letter of Credit or Reimbursement Undertaking shall not be less than a Dollar Amount of $100,000 or such lesser amount as is acceptable to the respective Issuing Lender or Underlying Issuer, as the case may be.

3.04. Letter of Credit Participations. (a) Immediately upon the issuance by an Issuing Lender of any Letter of Credit or Reimbursement Undertaking, such Issuing Lender shall be deemed to have sold and transferred to each Lender, and each such Lender (in its capacity under this Section 3.04, a "Participant") shall be deemed irrevocably and unconditionally to have purchased and received from such Issuing Lender, without recourse or warranty, an undivided interest and participation, to the extent of such Participant's RL Percentage, in such Letter of Credit or Reimbursement Undertaking, each drawing or payment made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto. Upon any change in the Revolving Loan Commitments or RL Percentages of the Lenders pursuant to Section 2.13, 2.14 or 14.04(b), it is hereby agreed that, with respect to all outstanding Letters of Credit, Reimbursement Undertakings and Unpaid Drawings relating thereto, there shall be an automatic adjustment to the participations pursuant to this Section 3.04 to reflect the new RL Percentages of the Incremental Lender and the assignor and assignee Lender, as the case may be.

(b) In determining whether to pay under any Letter of Credit or Reimbursement Undertaking, no Issuing Lender or Underlying Issuer, as the case may be

shall have any obligation relative to the other Lenders other than to confirm that any documents required to be delivered under such Letter of Credit or Reimbursement Undertaking appear to have been delivered and that they appear to substantially comply on their face with the requirements of such Letter of Credit or Reimbursement Undertaking. Any action taken or omitted to be taken by an Issuing Lender or Underlying Issuer, as the case may be, under or in connection with any Letter of Credit or Reimbursement Undertaking issued by it shall not create for such Issuing Lender or Underlying Issuer, as the case may be, any resulting liability to the Borrower, any other Credit Party, any Lender or any other Person unless such action is taken or omitted to be taken with bad faith, gross negligence, willful misconduct or material breach on the part of such Issuing Lender or Underlying Issuer, as the case may be (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(c) In the event that an Issuing Lender makes any payment under any Letter of Credit or Reimbursement Undertaking issued by it and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.05(a), such Issuing Lender shall promptly notify the Administrative Agent, which shall promptly notify each Participant of such failure, and each Participant shall promptly and unconditionally pay to such Issuing Lender the amount of such Participant's RL Percentage of such unreimbursed payment in the Available Currency in which such Letter of Credit or Reimbursement Undertaking is denominated and in same day funds. If the Administrative Agent so notifies, prior to 12:00 Noon (Toronto time) on any Business Day, any Participant required to fund a payment under a Letter of Credit or Reimbursement Undertaking, such Participant shall make available to the respective Issuing Lender in the Available Currency in which such Letter of Credit or Reimbursement Undertaking is denominated such Participant's RL Percentage of the amount of such payment on such Business Day in same day funds. If and to the extent such Participant shall not have so made its RL Percentage of the amount of such payment available to the respective Issuing Lender, such Participant agrees to pay to such Issuing Lender, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to such Issuing Lender at the Overnight Rate for the first three days and at the interest rate applicable to Revolving Loans that are maintained as Base Rate Loans or Canadian Prime Rate Loans, as applicable, for each day thereafter. The failure of any Participant to make available to an Issuing Lender its RL Percentage of any payment under any Letter of Credit or Reimbursement Undertaking issued by such Issuing Lender shall not relieve any other Participant of its obligation hereunder to make available to such Issuing Lender its RL Percentage of any payment under any Letter of Credit on the date required, as specified above, but no Participant shall be responsible for the failure of any other Participant to make available to such Issuing Lender such other Participant's RL Percentage of any such payment.

(d) Whenever an Issuing Lender receives a payment of a reimbursement obligation as to which it has received any payments from the Participants pursuant to clause (c) above, such Issuing Lender shall pay to each such Participant which has paid its RL Percentage thereof, in the Available Currency in which such Letter of

Credit or Reimbursement Undertaking is denominated and in same day funds, an amount equal to such Participant's share (based upon the proportionate aggregate amount originally funded by such Participant to the aggregate amount funded by all Participants) of the principal amount of such reimbursement obligation and interest thereon accruing after the purchase of the respective participations.

(e) Upon the request of any Participant, each Issuing Lender shall furnish to such Participant copies of any Letter of Credit or Reimbursement Undertaking issued by it and such other documentation as may reasonably be requested by such Participant.

(f) The obligations of the Participants to make payments to each Issuing Lender with respect to Letters of Credit or Reimbursement Undertakings shall be irrevocable and not subject to any qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including any of the following circumstances:

(i) any lack of validity or enforceability of this Agreement or any of the other Credit Documents;

(ii) the existence of any claim, setoff, defense or other right which the Borrower or any of its Restricted Subsidiaries may have at any time against a beneficiary named in a Letter of Credit or Reimbursement Undertaking, any transferee of any Letter of Credit or Reimbursement Undertaking (or any Person for whom any such transferee may be acting), the Administrative Agent, any Participant, or any other Person, whether in connection with this Agreement, any Letter of Credit, any Reimbursement Undertaking, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between the Borrower or any Restricted Subsidiary and the beneficiary named in any such Letter of Credit or Reimbursement Undertaking);

(iii) any draft, certificate or any other document presented under any Letter of Credit or Reimbursement Undertaking proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or

(v) the occurrence of any Default or Event of Default.

3.05. Agreement to Repay Letter of Credit Drawings. (a) The Borrower agrees to reimburse each Issuing Lender, by making payment to the Administrative Agent in immediately available funds into the Agent's Account, for any payment or disbursement made by such Issuing Lender under any Letter of Credit or Reimbursement Undertaking issued by it (each such amount, so paid until reimbursed by the Borrower, an "Unpaid Drawing"), not later

than one Business Day following receipt by the Borrower of notice of such payment or disbursement (provided that no such notice shall be required to be given if a Default or an Event of Default under Section 12.01(e) shall have occurred and be continuing, in which case the Unpaid Drawing shall be due and payable immediately without presentment, demand, protest or notice of any kind (all of which are hereby waived by the Borrower)), with interest on the amount so paid or disbursed by such Issuing Lender, to the extent not reimbursed prior to 12:00 Noon (Toronto time) on the date of such payment or disbursement, from and including the date paid or disbursed to but excluding the date such Issuing Lender was reimbursed by the Borrower therefor at a rate per annum equal to (x) in the case of Letters of Credit or Reimbursement Undertakings denominated in U.S. Dollars, the Base Rate as in effect from time to time and (y) in the case of Letters of Credit or Reimbursement Undertakings denominated in Canadian Dollars, the Canadian Prime Rate as in effect from time to time, in each case, plus the Applicable Margin as in effect from time to time for Revolving Loans that are maintained as Base Rate Loans or Canadian Dollar Denominated Loans, as applicable; provided, however, to the extent such amounts are not reimbursed prior to 12:30 Noon (Toronto time) on the third Business Day following the receipt by the Borrower of notice of such payment or disbursement or following the occurrence of a Default or an Event of Default under Section 12.01(e) shall have occurred and be continuing, interest shall thereafter accrue on the amounts so paid or disbursed by such Issuing Lender (and until reimbursed by the Borrower) at a rate per annum equal to (x) in the case of Letters of Credit or Reimbursement Undertakings denominated in U.S. Dollars, the Base Rate as in effect from time to time and (y) in the case of Letters of Credit or Reimbursement Undertakings denominated in Canadian Dollars, the Canadian Prime Rate as in effect from time to time, in each case, plus the Applicable Margin for Revolving Loans that are maintained as Base Rate Loans or Canadian Dollar Denominated Loans, as applicable; as in effect from time to time plus 2%, with such interest to be payable on demand. Each Issuing Lender shall give the Borrower prompt written notice of each Drawing under any Letter of Credit or Reimbursement Undertaking issued by it, provided that the failure to give any such notice shall in no way affect, impair or diminish the Borrower's obligations hereunder. Each Drawing under any Letter of Credit or Reimbursement Undertaking shall (unless (x) the Borrower notifies the Administrative Agent in writing to the contrary, (y) the Borrower is unable to satisfy the conditions precedent to the making of Revolving Loans set forth in Section 7, or (z) (i) the Total Utilization of Revolving Commitments at such time exceeds 100% of the Borrowing Base at such time or (ii) the Total Utilization of Revolving Commitments at such time exceeds the Total Revolving Loan Commitment at such, in which case the procedures specified above in this Section 3.05 and in Section 3.04 for funding by the Participants shall apply) constitute a request by the Borrower to the Administrative Agent for a Borrowing of Revolving Loans pursuant to Section 2.03(a) constituting (x) in the case of Letters of Credit or Reimbursement Undertakings denominated in U.S. Dollars, Base Rate Loans and (y) in the case of Letters of Credit or Reimbursement Undertakings denominated in Canadian Dollars, Canadian Prime Rate Loans, in each case, in the amount of such Drawing, and the date with respect to such Borrowing shall be the date of payment of the relevant Drawing (it being understood that, in each such case, the Administrative Agent shall notify the Lenders thereof and the Lenders shall make available to the Administrative Agent shall notify the Lenders thereof and the Lenders shall make available to the Administrative Agent their pro rata portion of such Borrowing and the proceeds thereof shall be applied to reimburse the respective issuing Lender for such Drawing).

(b) The obligations of the Borrower under this Section 3.05 to reimburse each Issuing Lender with respect to drafts, demands and other presentations for payment under Letters of Credit or Reimbursement Undertakings issued by it (each, a "Drawing") (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower or any Restricted Subsidiary may have or have had against any Lender (including in its capacity as an Issuing Lender or as a Participant), including any defense based upon the failure of any drawing under a Letter of Credit to conform to the terms of the Letter of Credit or any nonapplication or misapplication by the beneficiary of the proceeds of such Drawing; provided, however, that the Borrower shall not be obligated to reimburse any Issuing Lender for any wrongful payment made by such Issuing Lender under a Letter of Credit issued by it as a result of acts or omissions constituting bad faith, gross negligence, willful misconduct or material breach on the part of such Issuing Lender (as determined by a court of competent jurisdiction in a final and non-appealable decision).

3.06. Increased Costs. If at any time after the Closing Date, the introduction of or any change in any Applicable Law, rule, regulation, order, guideline or request or in the interpretation or administration thereof by the NAIC or any Governmental Authority charged with the interpretation or administration thereof, or compliance by any Issuing Lender, any Underlying Issuer or any Participant with any request or directive by the NAIC or by any such Governmental Authority (whether or not having the force of law), shall either (i) impose, modify or make applicable any reserve, deposit, capital adequacy or similar requirement against letters of credit or Reimbursement Undertakings issued by any Issuing Lender or any Underlying Issuer, as the case may be, or participated in by any Participant, (ii) subject any Issuing Lender, any Underlying Issuer or any Participant to any Taxes (other than (i) Indemnified Taxes, (ii) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes, and (iii) Connection Income Taxes) on or with respect to Letters of Credit or Reimbursement Undertakings, commitments, or other obligations or its deposits, reserves, other liabilities or capital attributable thereto or (iii) impose on any Issuing Lender, any Underlying Issuer or any Participant any other conditions relating, directly or indirectly, to this Agreement or any Letter of Credit or Reimbursement Undertaking; and the result of any of the foregoing is to increase the cost to any Issuing Lender, any Underlying Issuer or any Participant of issuing, maintaining or participating in any Letter of Credit or Reimbursement Undertaking, or reduce the amount of any sum received or receivable by any Issuing Lender, any Underlying Issuer or any Participant hereunder or reduce the rate of return on its capital with respect to Letters of Credit or Reimbursement Undertakings, then, upon the delivery of the certificate referred to below to the Borrower by any Issuing Lender (for itself or on behalf of any Underlying Issuer) or any Participant (a copy of which certificate shall be sent by such Issuing Lender or such Participant to the Administrative Agent), the Borrower agrees to pay to such Issuing Lender or such Underlying Issuer or such Participant such additional amount or amounts as will compensate such Issuing Lender or such Underlying Issuer or such Participant for such increased cost or reduction in the amount receivable or reduction on the rate of return on its capital. Any Issuing Lender (for itself of on behalf of any Underlying Issuer) or any Participant, upon determining that any additional amounts will be payable to it (or to the Underlying Issuer, as the case may be)

pursuant to this Section 3.06, will give prompt written notice thereof to the Borrower, which notice shall include a certificate submitted to the Borrower by such Issuing Lender (for itself or on behalf of any Underlying Issuer) or such Participant (a copy of which certificate shall be sent by such Issuing Lender (for itself or on behalf of any Underlying Issuer) or such Participant to the Administrative Agent), setting forth in reasonable detail the basis for the calculation of such additional amount or amounts necessary to compensate such Issuing Lender or Underlying Issuer or such Participant. The certificate required to be delivered pursuant to this Section 3.06 shall, absent manifest error, be final and conclusive and binding on the Borrower.

3.07. Provisions Related to Extended Commitments. If the Maturity Date in respect of any Tranche of Revolving Loan Commitments occurs prior to the expiration of any Letter of Credit or Reimbursement Undertaking, then (i) if one or more other tranches of Revolving Loan Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit or Reimbursement Undertakings shall automatically be deemed to have been issued (including for purposes of the obligations of the Lenders to purchase participations therein and to make Revolving Loans and payments in respect thereof pursuant to Section 3) under (and ratably participated in by Lenders pursuant to) the Revolving Loan Commitments in respect of such non-terminating Tranches up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Extended Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit or Reimbursement Undertaking may be so reallocated) and to the extent any Letters of Credit or Reimbursement Undertakings are not able to be reallocated pursuant to this Section 3.07 and there are outstanding Revolving Loans under the non-terminating Tranches, the Borrower agrees to repay all such Revolving Loans (or such lesser amount as is necessary to reallocate all Letters of Credit or Reimbursement Undertakings pursuant to this Section 3.07) or (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall cash collateralize any such Letter of Credit or Reimbursement Undertaking in a manner satisfactory to the Administrative Agent and the respective Issuing Lender or Underlying Issuer, as the case may be, but only up to the amount of such Letter of Credit or Reimbursement Undertaking not so reallocated. Except to the extent of reallocations of participations pursuant to clause (i) of the immediately preceding sentence, the occurrence of a Maturity Date with respect to a given tranche of Revolving Loan Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Lenders in any Letter of Credit or Reimbursement Undertaking issued before such Maturity Date.

3.08. Conflict with Letter of Credit Request. Notwithstanding anything else to the contrary in this Agreement, any Letter of Credit Request or any other document related to issuing a Letter of Credit or Reimbursement Undertaking, (i) in the event of any conflict between the terms hereof and the terms of any Letter of Credit Request or such other document, the terms hereof shall control in all respects and (ii) any grant security interest pursuant to any Letter of Credit Request shall be null and void.

SECTION 4. Commitment Commissions; Fees; Reductions of Revolving Loan Commitment.

4.01. Fees. (a) The Borrower agrees to pay to the Administrative Agent for distribution to each Lender of any Tranche (other than a Defaulting Lender) a commitment commission (the "Commitment Commission") for the period from and including the Closing Date to and including the Revolving Loan Maturity Date of such Tranche (or such earlier date on which the Total Revolving Loan Commitment for such Tranche has been terminated) computed at a rate per annum equal to the Applicable Commitment Fee Percentage for such Tranche multiplied by the daily average Unutilized Revolving Loan Commitment of such Lender for such Tranche as in effect from time to time. Accrued Commitment Commission shall be due and payable quarterly in arrears on each Quarterly Payment Date and on the date upon which the Total Revolving Loan Commitment for such Tranche is terminated. For purposes of calculating the Commitment Commission only, no portion of the Initial Revolving Loan Commitments shall be deemed utilized as a result of outstanding Swingline Loans.

(b) The Borrower agrees to pay to the Administrative Agent for distribution to each Lender of any Tranche (other than a Defaulting Lender) (based on each such Lender's respective RL Percentage for such Tranche) a fee in respect of each Letter of Credit or Reimbursement Undertaking (the "Letter of Credit Fee") for the period from and including the date of issuance of such Letter of Credit or Reimbursement Undertaking to and including the date of termination or expiration of such Letter of Credit or Reimbursement Undertaking, computed at a rate per annum equal to the Applicable Margin for such Tranche as in effect from time to time during such period with respect to Revolving Loans for such Tranche that are maintained as (x) in the case of Letters of Credit or Reimbursement Undertakings denominated in U.S. Dollars, LIBOR Loans, or (y) in the case of Letters of Credit or Reimbursement Undertakings denominated in Canadian Dollars, Canadian CDOR Rate Loans, in each case, on the daily Stated Amount of each such Letter of Credit or Reimbursement Undertaking. Accrued Letter of Credit Fees shall be due and payable quarterly in arrears in U.S. Dollars on each Quarterly Payment Date and on the first day on or after the termination of the Total Revolving Loan Commitment for such Tranche upon which no Letters of Credit remain outstanding.

(c) The Borrower agrees to pay to each Issuing Lender, for its own account, a facing fee in respect of each Letter of Credit or Reimbursement Undertaking issued by it (the "Facing Fee") for the period from and including the date of issuance of such Letter of Credit or Reimbursement Undertaking to and including the date of termination or expiration of such Letter of Credit or Reimbursement Undertaking, computed at a rate per annum equal to 0.125% of the daily Stated Amount of such Letter of Credit or Reimbursement Undertaking. Accrued Facing Fees shall be due and payable quarterly in arrears on each Quarterly Payment Date and upon the first day on or after the termination of the Total Revolving Loan Commitment upon which no Letters of Credit or Reimbursement Undertakings remain outstanding.

(d) The Borrower agrees to pay to each Issuing Lender, for its own account, upon each payment under, issuance of, or amendment to, any Letter of Credit or Reimbursement Undertaking issued by it, such amount as shall at the time of such event be the administrative charge and the reasonable expenses which such Issuing Lender is

generally imposing in connection with such occurrence with respect to letters of credit or Reimbursement Undertakings.

(e) The Borrower agrees to pay to the Administrative Agent such fees as agreed to in the Fee Letter or such other fees as may be agreed to in writing from time to time by Holdings or any of its Restricted Subsidiaries and the Administrative Agent.

4.02. Voluntary Termination of Unutilized Revolving Loan Commitments. (a) Upon at least three Business Days' prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, at any time or from time to time, without premium or penalty to terminate the Total Unutilized Revolving Loan Commitment in whole, or reduce it in part, pursuant to this Section 4.02(a), in an integral multiple of $5,000,000 (or such lesser amount if it represents the Total Unutilized Revolving Loan Commitment) and in integral multiples of $1,000,000 in excess thereof in the case of partial reductions to the Total Unutilized Revolving Loan Commitment, provided that each such reduction shall apply proportionately to permanently reduce the Revolving Loan Commitment of each Lender.

(b) In the event of certain refusals by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 14.12(b), the Borrower shall have the right, subject to obtaining the consents required by Section 14.12(b), upon five Business Days' prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), to terminate the entire Revolving Loan Commitment of such Lender, so long as all Loans, together with accrued and unpaid interest, Fees and all other amounts, owing to such Lender (including all amounts, if any, owing pursuant to Section 2.11 but excluding the payment of amounts owing in respect of Loans of any Tranche maintained by such Lender, if such Loans are not being repaid pursuant to Section 14.12(b)) are repaid concurrently with the effectiveness of such termination (at which time Schedule 1.01(a) shall be deemed modified to reflect such changed amounts) and such Lender's RL Percentage of all outstanding Letters of Credit is cash collateralized in a manner satisfactory to the Administrative Agent and the respective Issuing Lenders, and at such time, such Lender shall no longer constitute a "Lender" for purposes of this Agreement, except with respect to indemnifications under this Agreement (including Sections 2.10, 2.11, 3.06, 5.04, 13.06, 14.01 and 14.06), which shall survive as to such repaid Lender.

(c) Each notice delivered by the Borrower pursuant to this Section 4.02 and Section 5.01 shall be irrevocable, provided that a notice of termination of (i) the Total Unutilized Revolving Loan Commitment or (ii) the entire Revolving Loan Commitment of a Lender, in each case, delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness, in which case such notice may be

revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of termination) if such condition is not satisfied.

4.03. Mandatory Reduction of Commitments. (a) In addition to any other mandatory commitment reductions pursuant to this Section 4.03, the Total Revolving Loan Commitment shall terminate in its entirety upon the applicable Maturity Date.

(b) Each reduction to, or termination of, the Total Revolving Loan Commitment pursuant to this Section 4.03 shall be applied to proportionately reduce or terminate, as the case may be, the Revolving Loan Commitment of each Lender with a Revolving Loan Commitment.

(c) The Letter of Credit Sublimit shall be permanently and ratably reduced from time to time on the date of each reduction of the Unutilized Revolving Loan Commitments pursuant to Section 4.02(a) by the amount, if any, by which the amount that the Letter of Credit Sublimit exceeds the Total Revolving Loan Commitment (after giving effect to such reduction of the Unutilized Revolving Loan Commitments).

SECTION 5. Prepayments; Payments; Taxes.

5.01. Voluntary Prepayments. (a) The Borrower shall have the right to prepay the Loans, without premium or penalty, in whole or in part at any time and from time to time on the following terms and conditions: (i) the Borrower shall give the Administrative Agent prior to 12:00 Noon (Toronto time) at the Notice Office (x) at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay Base Rate Loans (or same day notice in the case of a prepayment of U.S. Dollar Denominated Swingline Loans) or Canadian Prime Rate Loans (or same day notice in the case of a prepayment of Canadian Dollar Denominated Swingline Loans) and (y) at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay LIBOR Loans or Canadian CDOR Rate Loans, which notice (in each case) shall specify whether Revolving Loans or Swingline Loans shall be prepaid, the amount of such prepayment and the Types of Loans to be prepaid and, in the case of LIBOR Loans or Canadian CDOR Rate Loans, the specific Borrowing or Borrowings pursuant to which such LIBOR Loans or Canadian CDOR Rate Loans were made, and which notice the Administrative Agent shall, except in the case of a prepayment of Swingline Loans, promptly transmit to each of the Lenders; (ii) (x) each partial prepayment of Revolving Loans pursuant to this Section 5.01(a) shall be in a Dollar Amount of at least $500,000 (or such lesser amount as is acceptable to the Administrative Agent in any given case) and (y) each partial prepayment of Swingline Loans pursuant to this Section 5.01(a) shall be in Dollar Amount of at least $100,000 (or such lesser amount as is acceptable to the Administrative Agent in any given case), provided that (x) if any partial prepayment of LIBOR Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBOR Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, then such Borrowing may not be continued as a Borrowing of LIBOR Loans (and same shall automatically be converted into a Borrowing of Base Rate Loans) and any election of an Interest Period with respect thereto given by the Borrower shall have no force or effect and (y) if any partial prepayment of Canadian CDOR Rate Loans made pursuant

to any Borrowing shall reduce the outstanding principal amount of Canadian CDOR Rate Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, then such Borrowing may not be continued as a Borrowing of Canadian CDOR Rate Loans (and same shall automatically be converted into a Borrowing of Canadian Prime Rate Loans) and any election of an Interest Period with respect thereto given by the Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans.

(b) In the event of certain refusals by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 14.12(b), the Borrower may, upon five Business Days' prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), repay all Loans of such Lender (including all amounts, if any, owing pursuant to Sections 2.11), together with accrued and unpaid interest, Fees and all other amounts then owing to such Lender in accordance with, and subject to the requirements of, said Section 14.12(b), so long as (A) in the case of the repayment of Revolving Loans of any Lender pursuant to this clause (b), (x) the Revolving Loan Commitment of such Lender is terminated concurrently with such repayment pursuant to Section 4.02(b) (at which time Schedule 1.01(a) shall be deemed modified to reflect the changed Revolving Loan Commitments) and (y) such Lender's RL Percentage of all outstanding Letters of Credit is cash collateralized in a manner satisfactory to the Administrative Agent and the respective Issuing Lenders and (B) the consents, if any, required by Section 14.12(b) in connection with the repayment pursuant to this clause (b) shall have been obtained.

5.02. Mandatory Repayments. (a) If on any Revaluation Date (after giving effect to the determination of the Dollar Amount of each outstanding Loan, and Letter of Credit Outstandings), the Total Utilization of Revolving Commitments exceeds the Availability at such time (an "Overadvance"), the Borrower shall prepay on such day the Loans, in accordance with Section 5.02(e); provided that (x) if such Overadvance is caused solely by changes in the exchange rate of non-U.S. Dollar amounts, the Borrower shall prepay the Loans within two Business Days and (y) no Overadvance shall result in a Default due to the Borrower's failure to comply with Section 2.01 for so long as such Overadvance remains outstanding in accordance with the terms of this paragraph, but solely with respect to the amount of such Overadvance. If, after giving effect to the prepayment of the Dollar Amount of Swingline Loans and Revolving Loans, the Letter of Credit Outstandings exceeds Availability at such time, the Borrower shall pay to the Administrative Agent into the Agent's Account on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to the Letter of Credit Outstandings at such time), such cash and/or Cash Equivalents to be held as security for all Obligations of the Borrower to the Issuing Lenders and the Lenders hereunder in a cash collateral account to be established by the Administrative Agent; provided that (x) if such excess is caused solely by changes in the exchange rate of non-U.S. Dollar amounts, the Borrower shall pay an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to the Letter of Credit Outstandings at such time)

within two Business Days and (y) no such excess shall result in a Default due to the Borrower's failure to comply with Section 2.01 for so long as such excess remains outstanding in accordance with the terms of this paragraph, but solely with respect to the amount of such excess.

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) (i) Subject to Section 12.02, any prepayment of any Loan pursuant to this Section 5.02 shall be applied as follows:

(1) *first*, to repay outstanding Extraordinary Advances to the full extent thereof;

(2) *second*, to repay outstanding Swingline Loans to the full extent thereof;

(3) *third*, to repay outstanding Revolving Loans (other than any Additional Incremental Tranche) to the full extent thereof;

(4) *fourth*, to repay outstanding Loans constituting an Additional Incremental Tranche to the full extent thereof; and

(5) *fifth*, to the Administrative Agent to be held in a cash collateral account as security for all Letter of Credit Outstandings.

(ii) Any prepayment of Loans shall be applied first to Base Rate Loans and Canadian Prime Rate Loans to the full extent thereof before application to LIBOR Loans and Canadian CDOR Rate Loans, in each case in a manner which minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.11.

(f) In addition to any other repayments or mandatory prepayments pursuant to this Section 5, (i) all then outstanding Revolving Loans of any Tranche shall be repaid in full on the Maturity Date for such Tranche and (ii) outstanding Swingline Loans shall be repaid in full on the earlier of (x) the fifth Business Day following the date of the incurrence of such Swingline Loans and (y) the Swingline Expiry Date.

5.03. Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be made to the Administrative Agent for the account of the Lender or Lenders entitled thereto not later than 12:00 Noon (Toronto time) on the date when due and shall be made in the relevant Available Currency of the underlying obligation in immediately available funds into the Agent's Account. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the

applicable rate during such extension. The Borrower hereby authorizes the Administrative Agent, from time to time without prior notice, to charge to the Borrower's account with the Administrative Agent all interest, fees and principal when due hereunder.

5.04. Taxes. Payments Free of Taxes. All payments made by the Borrower hereunder and under any Note will be made without setoff, counterclaim or other defense. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Credit Parties. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with Applicable Law any Other Taxes, or at the option of the Administrative Agent, timely reimburse it for the payment of any Other Taxes.

(c) Indemnification by the Credit Parties. The Credit Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising there from or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender 's failure to comply with the provisions of Section 14.04 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect

thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 5.04, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed pursuant to or in connection with FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 5.04(f)(ii),

"FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 5.04 (including by the payment of additional amounts pursuant to this Section 5.04), it shall pay to the appropriate Credit Party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such Credit Party, upon the request of such Lender, shall repay to such Lender the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the Lender be required to pay any amount to a Credit Party pursuant to this paragraph (g) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Credit Party or any other Person.

(h) Issuing Lender and Swingline Lender. For purposes of this Section 5.04, the term "Lender" includes any Issuing Lender and the Swingline Lender.

(i) Survival. Each party's obligations under this Section 5.04 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Total Revolving Loan Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

SECTION 6. Conditions Precedent to the Credit Events on the Closing Date. The effectiveness of this Agreement and the obligation of each Lender to make Loans, and the obligation of each Issuing Lender to issue Letters of Credit, on the Closing Date are subject at the time of the making of such Loans or the issuance of such Letters of Credit to the satisfaction (or waiver in accordance with Section 14.12) of the following conditions:

6.01. Credit Documents; Notes. On or prior to the Closing Date, (i) Holdings, the Borrower, the Subsidiary Guarantors, the Administrative Agent and each of the

Initial Lenders shall have signed a counterpart hereof (whether the same or different counterparts) and shall have delivered the same to the Administrative Agent at the Notice Office or, in the case of the Initial Lenders, shall have given to the Administrative Agent telephonic (confirmed in writing), written or telex notice (actually received) at such office that the same has been signed and mailed to it, (ii) there shall have been delivered to the Administrative Agent for the account of each of the Lenders that has requested the same at least three Business Days prior to the Closing Date, a Revolving Note executed by the Borrower and, if so requested by the Swingline Lender, the Swingline Note executed by the Borrower, in each case in the amount, maturity and as otherwise provided herein and (iii) there shall have been delivered to the Administrative Agent an executed counterpart of each of the Initial Credit Documents and the Perfection Certificate.

6.02. Consummation of the Acquisition. The Acquisition shall have been, or substantially concurrently with the incurrence of Term Loans on the Closing Date, shall be, consummated in all material respects in accordance with the terms of the Acquisition Agreement, after giving effect to any modifications, amendments, consents or waivers thereto, other than those modifications, amendments, consents or waivers by Holdings, the Borrower or any Subsidiary that are materially adverse to the interests of the Lenders in their capacities as such, unless consented to in writing by the Lead Arrangers (such consent not to be unreasonably withheld, delayed or conditioned; provided that the Lead Arrangers shall be deemed to have consented to such modification, amendment, consent or waiver unless they object thereto in writing within 2 business days of receipt of written notice of such modification, amendment, consent or waiver); it being understood and agreed that (a) any increase in the purchase price from the purchase price set forth in the Acquisition Agreement shall be deemed not to be materially adverse to the interests of the Lenders in their capacities as such so long as such increase is funded by amounts available to be drawn hereunder or the Backstop Commitment Letter on the Closing Date or such increase is pursuant to any working capital or purchase price (or similar) adjustment provision set forth in the Acquisition Agreement, (b) any change to extend the "Sunset Date" (as defined in the Acquisition Agreement) to a date no later than the date that is 120 days after the date of the Fee Letter shall be deemed not to be materially adverse to the interests of the Lenders in their capacities as such and (c) any change to, or waiver, consent or approval by the Borrower in respect of, the definition of Closing Date Material Adverse Effect shall be deemed materially adverse to the interests of the Lenders in their capacities as such.

6.03. Opinions of Counsel. On the Closing Date, the Administrative Agent (or its counsel) shall have received a customary written opinion of (i) Davis Polk & Wardwell LLP, special New York counsel to the Credit Parties and (ii) Osler, Hoskin & Harcourt LLP, Canadian counsel and special Delaware counsel to the Credit Parties, in each case addressed to the Administrative Agent, the Collateral Agent and each of the Lenders as of the Closing Date and dated as of the Closing Date covering such matters incident to the transactions contemplated herein as the Administrative Agent may reasonably request.

6.04. Company Documents. On the Closing Date, the Administrative Agent shall have received a certificate from each Credit Party, dated the Closing Date, signed on behalf of such Credit Party by an Authorized Officer of such Credit Party, and, if applicable,

attested to by the Secretary or any Assistant Secretary of such Credit Party, with appropriate insertions, together with copies of the certificate or articles of incorporation and by-laws (or other equivalent organizational documents), as applicable, of such Credit Party, good standing certificates, certificates of status or similar certificate in the jurisdiction of organization (if applicable) of such Credit Party, and the resolutions of such Credit Party referred to in such certificate, and each of the foregoing shall be in form and substance reasonably acceptable to the Administrative Agent.

6.05. Term Loan Facility Documents. Except as could reasonably be expected to result in a Material Adverse Effect, the property of the Borrower and its Restricted Subsidiaries,

taken as a whole, (i) as of the date hereof, is in good operating order, condition and repair (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Borrower and its Restricted Subsidiaries as presently conducted.

The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union or employee organization under any collective bargaining agreement to which the Borrower or any of its Restricted Subsidiaries is bound.

9.19. Intellectual Property.

(a) Ownership/No Claims. Each of Holdings and the Borrower and each of its Restricted Subsidiaries owns, or is licensed to use, all patents, patent applications, trademarks, industrial designs, trade names, service marks, source identifiers, copyrights, technology, trade secrets, proprietary information, domain names, social media identifiers, know-how, methods and processes (collectively, "Intellectual Property") necessary for the conduct of its business as currently conducted, except for those the failure to own or license which, either individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. Notwithstanding the foregoing, the obligations in paragraphs (a), (b), (c), (e), (f) or (h) of this Section 10.01 may be satisfied with respect to any financial statements of the Borrower by furnishing (a) the applicable financial statements of Holdings (or any other Parent Entity) or (b) Holdings' (or any other Parent Entity's), as applicable, Form 10-K or 10-Q, as applicable, filed with the SEC or any securities exchange, in each case, within the time periods specified in such paragraphs; provided that, with respect to each of clauses (A) and (B), (i) to the extent such financial statements relate to any Parent Entity, such financial statements shall be accompanied by consolidating information (which need not be audited) that summarizes in reasonable detail the differences between the information relating to such Parent Entity, on the one hand, and the information relating to the Borrower on a standalone basis, on the other hand, which consolidating information shall be certified by an Authorized Officer of the Borrower as having been fairly presented in all material respects and (ii) to the extent such statements are in lieu of statements required to be provided under Section 10.01(c), such statements shall be accompanied by a report and opinion of an independent registered public accounting firm of nationally recognized standing or another accounting firm reasonably acceptable to the Administrative Agent, which report and opinion shall satisfy the applicable requirements set forth in Section 10.01(c) as if the references to "the Borrower" therein were references to such Parent Entity.

No financial statement required to be delivered pursuant to Section 10.01(a), (b) or (c) shall be required to include acquisition accounting adjustments relating to the Transactions or any Permitted Acquisition or other Investment to the extent it is not practicable to include any such adjustments in such financial statement.

10.02. Books, Records and Inspections; Quarterly Conference Calls. (a) The Borrower will, and will cause each of its Restricted Subsidiaries to, keep proper books of record and accounts in which full, true and correct entries in conformity with all Requirements of Law shall be made of all dealings and transactions in relation to its business and activities in order to permit the preparation of financial statements in conformity with IFRS. The Borrower will, and will cause each of its Restricted Subsidiaries to, permit officers and designated representatives of the Administrative Agent or any Lender to visit and inspect, under guidance of

officers of the Borrower or such Restricted Subsidiary, any of the properties of the Borrower or such Restricted Subsidiary, and to examine the books of account of the Borrower or such Restricted Subsidiary and discuss the affairs, finances and accounts of the Borrower or such Restricted Subsidiary with, and be advised as to the same by, its and their officers and independent accountants, all upon reasonable prior notice and at such reasonable times and intervals and to such reasonable extent as the Administrative Agent or any such Lender may reasonably request.

(b) At the request of the Administrative Agent, the Borrower will within 10 days after the date of the delivery (or, if later, required delivery) of the quarterly and annual financial information pursuant to Sections 10.01(b) and (c), hold a conference call or teleconference, at a time selected by the Borrower with such of the Lenders that choose to participate, to review the financial results of the previous Fiscal Quarter or Fiscal Year, as the case may be, and the financial condition of the Borrower and its Restricted Subsidiaries and the budgets presented for the current Fiscal Year of the Borrower and its Restricted Subsidiaries.

10.03. Insurance.

(a) Generally. Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, the Borrower will, and will cause each of its Restricted Subsidiaries to, keep its insurable property adequately insured at all times by financially sound and reputable insurers and maintain such other insurance, to such extent and against such risks as is customary with companies in the same or similar businesses operating in the same or similar locations, including insurance with respect to Mortgaged Properties and other properties material to the business of the Borrower and its Restricted Subsidiaries against such casualties and contingencies and of such types and in such amounts with such deductibles as is customary in the case of similar businesses operating in the same or similar locations, including (i) physical hazard insurance on an "all risk" basis, (ii) commercial general liability against claims for bodily injury, death or property damage covering any and all insurable claims, (iii) explosion insurance in respect of any boilers, machinery or similar apparatus constituting Collateral, (iv) business interruption insurance and (v) such other insurance as may be required by any Requirement of Law; provided that with respect to physical hazard insurance, neither the Collateral Agent nor the Borrower or any of its Restricted Subsidiaries shall agree to the adjustment of any claim thereunder without the consent of the other (such consent not to be unreasonably withheld or delayed); provided, further, that the consent of neither the Borrower nor any of its Restricted Subsidiaries shall be required during an Event of Default.

(b) Requirements of Insurance. All such insurance shall (i) provide that no cancellation, material reduction in amount or material change in coverage thereof shall be effective until at least 30 days (or 10 days in the case of the failure to pay any premiums thereunder) after receipt by the Collateral Agent of written notice thereof and (ii) name the Collateral Agent as mortgagee (in the case of property insurance) or additional insured on behalf of the Secured Parties (in the case of liability insurance) or lender loss payee (in the case of property insurance), as applicable; provided that the

Borrower shall have 45 days after the Closing Date (or such later date as agreed by the Collateral Agent) to comply with the requirements of the foregoing clause (ii) with respect to policies in effect on the Closing Date.

(c) [Reserved].

(d) Broker's Report. The Borrower shall deliver to the Administrative Agent and the Lenders a report of a reputable insurance broker with respect to such insurance and such supplemental reports with respect thereto as the Administrative Agent may from time to time reasonably request.

(e) Mortgaged Properties. No Credit Party that is a holder of Mortgaged Property shall take any action that is reasonably likely to be the basis for termination, revocation or denial of any insurance coverage required to be maintained under such Credit Party's respective Mortgage or that could be the basis for a defense to any claim under any Insurance Policy maintained in respect of the Premises, and the Borrower shall otherwise comply in all material respects with all Insurance Requirements in respect of the Premises; provided, however, that each Credit Party may, at its own expense and after written notice to the Administrative Agent, (i) contest the applicability or enforceability of any such Insurance Requirements by appropriate legal proceedings, the prosecution of which does not constitute a basis for cancellation or revocation of any insurance coverage required under this Section 10.03 or (ii) cause the Insurance Policy containing any such Insurance Requirement to be replaced by a new policy complying with the provisions of this Section 10.03.

10.04. Existence; Franchises. Holdings will, and will cause each of the Borrower and its Restricted Subsidiaries to, do or cause to be done, all things necessary to preserve and keep in full force and effect its existence and its material rights, franchises, licenses, permits and Intellectual Property; provided, however, that nothing in this Section 10.04 shall prevent (i) sales of assets and other transactions or dispositions by Holdings, the Borrower or any of its Restricted Subsidiaries in accordance with Section 11 or (ii) the withdrawal by Holdings, the Borrower or any of its Restricted Subsidiaries of its qualification as a foreign Company in any jurisdiction if such withdrawal could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

10.05. Compliance with Statutes, etc. Holdings and the Borrower will, and will cause each of its Restricted Subsidiaries to, comply with all applicable statutes, regulations and orders of, and all applicable restrictions imposed by, all Governmental Authorities in respect of the conduct of its business and the ownership of its property except such non-compliances as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

10.06. Compliance with Environmental Laws; Environmental Reports. (a) Except where failure to do so will not reasonably be expected to have a Material Adverse Effect, the Borrower will comply, and will cause each of its Restricted Subsidiaries to comply, with all Environmental Laws; obtain and renew all Environmental Permits applicable to its

business facilities, operations and Real Property; and conduct all Responses required by, and in accordance with, Environmental Laws which, if not so conducted, could reasonably be expected to result in the creation of any Lien in favor of any Governmental Authority for (i) liability under Environmental Laws or (ii) damages arising from, or costs incurred by, such Governmental Authority in response to a Release or threatened Release of any Hazardous Material into the Environment; provided that neither the Borrower, nor any of its Restricted Subsidiaries shall be required to undertake any Response to the extent that its obligation to do so is being contested in good faith and by proper proceedings and appropriate reserves are being maintained with respect to such circumstances in accordance with IFRS.

(b) If an Event of Default that results in the Release of Hazardous Materials or is otherwise a breach of Section 10.06(a) shall have occurred and be continuing for more than 45 days, at the written request of the Administrative Agent or the Required Lenders through the Administrative Agent, the Borrower or any of its Subsidiaries shall provide to the Lenders within 90 days after such request (or such longer period as may be agreed by the Administrative Agent in its sole discretion), at the expense of the Borrower, a report, prepared by a reputable environmental consulting firm reasonably acceptable to the Administrative Agent with respect to each Mortgaged Property with respect to which a breach of Section 10.06(a) has occurred, describing the Release of Hazardous Materials or the breach of Section 10.06(a) and any related adverse impacts, and the estimated cost of any Response that may be required pursuant to Environmental Laws to address such Release or breach of Section 10.06(a) and related adverse impacts.

10.07. Employee Benefits. With respect to all Plans, each Credit Party shall (a) comply with the applicable provisions of the PBA, any other applicable Requirements of Law and with all applicable collective bargaining agreements, except where such failure to comply would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect and (b) furnish to the Administrative Agent copies of any notice of intention to terminate or wind up any DB Plan or notice of intent to order a termination or winding up of any DB Plan sent by any applicable Governmental Authority to any Credit Party; and (c) upon request by the Administrative Agent, copies of (i) the most recent actuarial valuation report for each DB Plan; and (ii) such other documents or reports or filings with a Governmental Authority relating to any DB Plan as the Administrative Agent shall reasonably request. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, no Credit Party shall adopt, participate in, or have any liability (contingent or otherwise) with respect to, any ERISA Plan.

10.08. End of Fiscal Years. The Borrower will cause its and each of its Restricted Subsidiaries' Fiscal Years to end on March 31 of each calendar year; provided that the Borrower may, upon written notice to the Administrative Agent, change its Fiscal Year-end to another date reasonably acceptable to the Administrative Agent, in which case the Borrower and the Administrative Agent will, and are hereby authorized to (without requiring the consent of any other Person, including any Lender), make any adjustments to this Agreement that are necessary to reflect such change in Fiscal Year.

10.09. Performance of Obligations. The Borrower will, and will cause each of its Restricted Subsidiaries to, perform all of its obligations under the terms of each mortgage, indenture, security agreement, loan agreement or credit agreement and each other agreement, contract or instrument by which it is bound, except such non-performances as would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

10.10. Payment of Taxes; Priority Claims. Except as set forth in Schedule 10.10, each of Holdings and the Borrower will pay and discharge, and will cause each of its Restricted Subsidiaries to pay and discharge, all material Taxes and Priority Claims imposed upon it or upon its income or profits or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims which, if unpaid, might become a Lien or charge upon any properties of Holdings, the Borrower or any of its Restricted Subsidiaries not otherwise permitted under Section 11.01; provided that neither Holdings, the Borrower nor any of their Restricted Subsidiaries shall be required to pay any such Tax which is being contested in good faith and by proper proceedings and for which Holdings, the Borrower or such Restricted Subsidiary, as applicable has maintained adequate reserves with respect thereto in accordance with IFRS and such non-payment does not give rise to a Priority Claim.

10.11. Use of Proceeds. The Borrower will use the proceeds of the Loans and Letters of Credit issued hereunder only as provided in Section 9.08.

10.12. Additional Collateral; Additional Guarantors.

(a) Subject to the terms of each Acceptable Intercreditor Agreement then extant and the terms of this Section 10.12, Holdings will, and will cause each other Credit Party to, with respect to any property acquired after the Closing Date (subject to clause (c) below) by Holdings or any other Credit Party that is required to be subject to the Lien created by any of the Security Documents pursuant to such Security Documents and the Collateral and Guarantee Requirements but is not so subject, promptly (and in any event within 30 days after the acquisition thereof (or such longer period as the Collateral Agent may agree in its sole discretion)) (i) execute and deliver to the Collateral Agent such amendments or supplements to the relevant Security Documents or such other documents as the Collateral Agent shall deem necessary or advisable to grant to the Collateral Agent, for its benefit and for the benefit of the other Secured Parties, a Lien on such property subject to no Liens other than Permitted Liens, and (ii) take all actions necessary to cause such Lien to be duly perfected to the extent required by such Security Document in accordance with all applicable Requirements of Law and Perfection Requirements, including the filing of financing statements in such jurisdictions as may be reasonably requested by the Collateral Agent.

(b) Subject to the terms of each Acceptable Intercreditor Agreement then extant, the Borrower will, and will cause each other Credit Party to, with respect to any Person that is or becomes (or is required to become) a Subsidiary Guarantor after the Closing Date, promptly (and in any event within 30 days after such Person becomes a Subsidiary (or such longer period as the Collateral Agent may agree in its sole

discretion)), cause such Credit Party and such Person (other than an Excluded Subsidiary) to comply with the requirements set forth in clause (a) of the definition of "Collateral and Guarantee Requirement" necessary to cause the Lien created by the applicable Security Document to be duly perfected to the extent required by such Security Document in accordance with the Collateral and Guarantee Requirement.

10.13. Security Interests; Further Assurances. Subject to the terms of each Acceptable Intercreditor Agreement then extant, the Borrower will, and will cause each other Credit Party to, promptly upon the reasonable request of the Administrative Agent, the Collateral Agent or any Lender, at the Credit Parties' expense, execute, acknowledge and deliver, or cause the execution, acknowledgment and delivery of, and thereafter register, file or record, or cause to be registered, filed or recorded, in an appropriate governmental office, any document or instrument supplemental to or confirmatory of the Security Documents or otherwise deemed by the Administrative Agent or the Collateral Agent reasonably necessary or desirable for the continued validity, perfection and priority of the Liens on the Collateral covered thereby subject to no other Liens except Permitted Liens, or obtain any consents or waivers as may be necessary or appropriate in connection therewith and deliver or cause to be delivered to the Collateral Agent from time to time such other documentation, consents, authorizations, approvals and orders in form and substance reasonably satisfactory to the Collateral Agent as the Collateral Agent shall reasonably deem necessary to perfect or maintain the Liens on the Collateral pursuant to the Security Documents. Upon the exercise by the Administrative Agent, the Collateral Agent or any Lender of any power, right, privilege or remedy pursuant to any Credit Document which requires any consent, approval, registration, qualification or authorization of any Governmental Authority, execute and deliver all applications, certifications, instruments and other documents and papers that the Administrative Agent, the Collateral Agent or such Lender may require. If the Administrative Agent, the Collateral Agent or the Required Lenders determine that they are required by a Requirement of Law to have appraisals prepared in respect of the Real Property of any Credit Party (other than Holdings) constituting Collateral, the Borrower shall provide to the Administrative Agent appraisals that satisfy the applicable requirements of (i) the Real Estate Appraisal Reform Amendments of FIRREA (for Real Property located in the United States), (ii) the Appraisal Institute of Canada (for Real Property located in Canada) or (iii) any successor equivalent of (i) and (ii), and are otherwise in form and substance satisfactory to the Administrative Agent.

10.14. [Reserved].

10.15. [Reserved].

10.16. Affirmative Covenants with Respect to Leases. With respect to each Lease, the respective Credit Party shall perform all the obligations imposed upon it by the landlord under such Lease and enforce all of the tenant's obligations thereunder, except where the failure to so perform or enforce, either individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

10.17. Information Regarding Collateral. Holdings and the Borrower will not, and will not permit any other Credit Party to, effect any change (i) in any Credit Party's

legal name, (ii) in the location of any Credit Party's chief executive office, its principal place of business, any office in which it maintains books or records relating to Collateral owned by it or any office or facility at which Collateral owned by it is located (including the establishment of any such new office or facility), (iii) in any Credit Party's identity or organizational structure, (iv) in any Credit Party's Federal Taxpayer Identification Number or organizational identification number, if any, or (v) in any Credit Party's jurisdiction of organization (in each case, including by merging or amalgamating with or into any other entity, reorganizing, dissolving, liquidating, reorganizing or organizing in any other jurisdiction), until (A) it shall have given the Administrative Agent prior written notice of its intention so to do, clearly describing such change and providing such other information in connection therewith as the Administrative Agent may reasonably request and (B) it shall have taken all action reasonably requested by the Administrative Agent to maintain the perfection and priority of the security interest of the Collateral Agent for the benefit of the Secured Parties in the Collateral, if applicable. Each Credit Party agrees to promptly provide the Administrative Agent with certified Organizational Documents reflecting any of the changes described in the preceding sentence. Each Credit Party also agrees to promptly notify the Administrative Agent of any change in the location of any office in which it maintains books or records relating to Collateral owned by it or any office or facility at which Collateral is located (including the establishment of any such new office or facility), other than changes in location to a Mortgaged Property or a leased property subject to a Landlord Access Agreement.

10.18. Post-Closing Matters. Cause to be delivered or performed the documents and other agreements set forth on Schedule 10.18 within the time frames specified on such Schedule 10.18. Notwithstanding anything to the contrary contained herein or in any other Credit Document, (x) all provisions of this Agreement and the other Credit Documents (including all conditions precedent, representations, warranties, covenants, events of default and other agreements herein and therein) shall be deemed modified to the extent necessary to effect the actions set forth on Schedule 10.18 (and to the permit the taking of such actions within the time periods required in Schedule 10.18 rather than as otherwise provided in the Credit Documents) and (y) to the extent any representation and warranty in any Credit Document would not be true because the actions in Schedule 10.18 were not taken on the Closing Date, the respective representation and warranty shall be required to be true and correct in all material respects at the time the respective action is taken (or was required to be taken) in accordance with Schedule 10.18.

10.19. OFAC; Sanctions; Anti-Corruption Laws; Anti-Money Laundering Laws. (a) Each Credit Party will, and will cause each of its Subsidiaries to comply with all applicable Sanctions, Anti-Corruption Laws and Anti-Money Laundering Laws. Each of the Credit Parties and its Subsidiaries shall implement and maintain in effect policies and procedures designed to ensure compliance by the Credit Parties and their Subsidiaries and their respective directors, officers, employees, agents and Affiliates with all Sanctions, Anti-Corruption Laws and Anti-Money Laundering Laws.).

(b) Notwithstanding any other provision of this Section 10.19, no Canadian Credit Party shall be required to comply with any Sanctions, or shall be restricted from engaging in any transaction, in each case, to the extent that such

compliance or restriction would breach the *Foreign Extraterritorial Measures Act* (Canada).

10.20. [Reserved]

10.21. Designation of Restricted and Unrestricted Subsidiaries. The Borrower may designate (or re-designate) any Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary if that designation would not cause an Event of Default; provided, however, that no Subsidiary may be designated as an Unrestricted Subsidiary if it is a "Restricted Subsidiary" for the purpose of the Term Loan Credit Agreement. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, then, other than in the case of New PortLP and New PortGP, such designation will be deemed to be an Investment by the Borrower therein made as of the time of the designation in an amount equal to the portion of the Fair Market Value of the net assets of such Subsidiary attributable to the Borrower's equity interest therein as estimated by the Borrower in good faith, and will reduce the amount available for Restricted Payments under Section 11.03 or under one or more clauses of the definition of Permitted Investments, as determined by the Borrower, in an amount equal to such deemed Investment. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Borrower may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Borrower; provided that such designation will be deemed to be an incurrence of Liens and Indebtedness by a Restricted Subsidiary of the Borrower of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Liens and Indebtedness are permitted under Sections 11.01 and 11.04, in each case, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period and (2) no Event of Default would be in existence following such designation. Any such designation by the Borrower shall be evidenced to the Administrative Agent by an Officer's Certificate certifying that such designation complies with the preceding conditions.

Notwithstanding anything to the contrary herein, on the Closing Date, New PortLP and New PortGP shall be the only Subsidiaries of the Borrower that shall be Unrestricted Subsidiaries.

10.22. Business; etc. The Borrower and its Restricted Subsidiaries will engage (directly or indirectly) only in the businesses which relate to the production or distribution of steel or the manufacturing of steel product (including businesses such as mining) in which the Borrower and its Subsidiaries are engaged or planning to be engaged as of the Closing Date, or businesses reasonably ancillary thereto.

SECTION 11. Negative Covenants. Holdings (solely with respect to Section 11.10) and each other Credit Party party hereto hereby covenants and agrees that, on and after the Closing Date and until the Termination Date:

11.01. Liens. The Borrower will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, create, Incur or permit to exist any Lien (each, an "Initial

Lien") that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Borrower or any Subsidiary Guarantor, unless:

(i) In the case of Initial Liens on the Collateral, such Initial Lien is a Permitted Lien; or

(ii) In the case of Initial Liens on any asset or property that is not ABL Facility Priority Collateral, such Initial Lien is a Permitted Lien pursuant to clause (31) thereof and secures Indebtedness permitted to be Incurred under Section 11.04.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

11.02. Merger and Consolidation. (a) The Borrower will not consolidate with, amalgamate or merge with or into or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(1) the resulting, surviving, continuing or transferee Person (the "Successor Company") will be a Person organized and existing under the laws of (x) Canada or any Province of Canada or (y) the United States of America, any State of the United States of America or the District of Columbia at the time of the execution of an assignment and assumption agreement and the Successor Company (if not the Borrower) will expressly assume, by an assignment and assumption agreement, executed and delivered to the Administrative Agent and the Collateral Agent, in form satisfactory to the Administrative Agent and the Collateral Agent, all the obligations of Borrower under the Credit Documents;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been Incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(3) the Borrower shall have delivered to the Administrative Agent and the Collateral Agent an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indenture (if any) comply with this Agreement and an Opinion of Counsel stating that such assignment and assumption agreement and the Credit Documents after giving effect to any related amendments thereto have been duly authorized, executed and delivered and are legal, valid and binding

agreements enforceable against the applicable Successor Company (in each case, in form satisfactory to the Administrative Agent and the Collateral Agent), provided that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above; and

(4) (x) any security interests granted to the Collateral Agent for the benefit of the Secured Parties in the Collateral pursuant to the Security Documents shall remain in full force and effect and perfected (to at least the same extent as in effect immediately prior to such amalgamation or merger (including no additional limitations that would impact the Collateral Agent's ability to realize upon the Collateral in any material respect)) and all actions required to maintain said perfected status have been or will be promptly taken, in each case as required by Section 10.12 and (y) each Subsidiary Guarantor shall deliver a reaffirmation agreement in respect of its Guaranty and security interests with respect thereto to the Administrative Agent.

For purposes of this Section 11.02, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Borrower, which properties and assets, if held by the Borrower instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Borrower on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Borrower.

The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Borrower under this Agreement and the other Credit Documents but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Agreement or the other Credit Documents.

Notwithstanding the preceding clauses (2), (3) and (4) (which do not apply to transactions referred to in this sentence), (x) any Restricted Subsidiary of the Borrower may consolidate or otherwise combine with, merge or amalgamate into or transfer all or part of its properties and assets to the Borrower, (y) any Restricted Subsidiary may consolidate or otherwise combine with, merge, or amalgamate into or transfer all or part of its properties and assets to any other Restricted Subsidiary that is a Guarantor and (z) any Restricted Subsidiary that is not a Guarantor may consolidate or otherwise combine with, merge, or amalgamate into or transfer all or part of its properties and assets to any other Restricted Subsidiary that is not a Guarantor. Notwithstanding the preceding clause (2) (which does not apply to the transactions referred to in this sentence), the Borrower may consolidate or otherwise combine with or merge or amalgamate into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Borrower, reincorporating the Borrower in another jurisdiction, or changing the legal form of the Borrower.

The foregoing provisions (other than the requirements of clause (2) above) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Borrower.

(b) No Subsidiary Guarantor may:

(1) consolidate with or merge or amalgamate with or into any Person, or

(2) sell, convey, transfer or dispose of, all or substantially all its assets, in one transaction or a series of related transactions, to any Person, or

(3) permit any Person to merge or amalgamate with or into the Subsidiary Guarantor, unless:

(A) the other Person is the Borrower or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; provided that if such other Person is the Borrower, either (x) the Borrower shall be the continuing or surviving Person or (y) such transaction shall comply with the requirements set forth in Section 11.02(a); or

(e) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Borrower as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 11.04 the Borrower shall be in default of this Section 11.04).

(f) Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Borrower or a Restricted Subsidiary may Incur pursuant to this Section 11.04 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Permitted Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(b) The provisions of the preceding paragraph (a) will not prohibit:

(i) any encumbrance or restriction pursuant to (x) the Credit Documents, (y) any Term Loan Facility or (z) any other agreement or instrument, in each case, in effect at or entered into on the Closing Date;

(B) contained in mortgages, pledges, charges or other security agreements permitted under this Agreement and the Security Documents or securing Indebtedness of the Borrower or a Restricted Subsidiary permitted under this Agreement and the Security Documents to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements; or

(C) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Borrower or any Restricted Subsidiary;

(xii) any other agreement that does not restrict in any manner (directly or indirectly) Liens created pursuant to the Credit Documents on any Collateral securing the Secured Obligations and does not require the direct or indirect granting of any Lien securing any Indebtedness or other obligation by virtue of the granting of Liens on or pledge of property of any Credit Party to secure the Secured Obligations;

(xiii) any encumbrance or restriction arising pursuant to an agreement or instrument (which, if it relates to any Indebtedness, shall only be permitted if such Indebtedness is permitted to be Incurred pursuant to the provisions of Section 11.04 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole (A) are not materially less favorable to the Lenders than the encumbrances and restrictions contained in the Credit Documents as in effect on the Closing Date or (B) either (x) the Borrower determines at the time of entry into such agreement or instrument that such encumbrances or restrictions will not adversely affect, in any material respect, the Borrower's ability to make principal or interest payments on Term Loans or (y) such encumbrance or restriction applies only during the continuance of a default relating to such agreement or instrument;

11.06. Transactions with Affiliates.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Borrower (an "Affiliate Transaction") involving aggregate value in excess of $2,500,000 unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Borrower or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of $30,000,000 and is in the ordinary course of business, the terms of such transaction have been approved by a majority of the members of the Board of Directors; and

(ix) any transaction between or among the Borrower or any Restricted Subsidiary and any Affiliate of the Borrower or an Associate or similar entity that would constitute an Affiliate Transaction solely because the Borrower or a Restricted Subsidiary owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(e) Bankruptcy, etc. Holdings, the Borrower or any of its Restricted Subsidiaries (other than any Immaterial Subsidiary) shall commence a voluntary case concerning itself under Title 11 of the United States Code, 11 U.S.C. §§ 101-1532, as may be amended from time to time, (the "Bankruptcy Code"); or an involuntary case is commenced against Holdings, the Borrower or any of its Restricted Subsidiaries, and the petition with respect to such involuntary case is not dismissed within 60 days after the filing thereof, provided, however, that during the pendency of such period, each Lender shall be relieved of its obligation to extend credit hereunder; or a custodian (as defined in the Bankruptcy Code) is appointed for, or takes charge of, all or substantially all of the property of Holdings, the Borrower or any such Restricted Subsidiary, to operate all or any substantial portion of the business of the Holdings, Borrower or any such Restricted Subsidiaries, or Holdings, the Borrower or any such Restricted Subsidiary commences any other proceeding under any reorganization, arrangement, adjustment of debt, relief of debtors, dissolution, bankruptcy, insolvency, liquidation or any analogous procedure or step is taken in any jurisdiction whether now or hereafter in effect relating to Holdings, the Borrower or any such Restricted Subsidiary (including under any Canadian Insolvency Law), or there is commenced against Holdings, the Borrower or any such Restricted Subsidiary any such proceeding which remains undismissed for a period of 60 days after the filing thereof, or Holdings, the Borrower or any of such Restricted Subsidiary is adjudicated insolvent or bankrupt; or any order of relief or other order approving any such case or proceeding (including the entry of an order of relief against it or for the appointment of a receiver, controller, receiver-manager, trustee, monitor, custodian or similar official for it or for any substantial part of its property) is entered; or Holdings, the Borrower or any of such Restricted Subsidiary makes a general assignment for the benefit

(i) first, to the payment of all costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Administrative Agent and the Collateral Agent and their agents and counsel, interest and principal on Extraordinary Advances held solely by the Administrative Agent (and in the case of Agent Extraordinary Advances in a principal amount not to exceed $5,000,000), and all expenses, liabilities and advances made or incurred by such Agents in connection therewith and all amounts (including any fees, indemnities, expenses and other amounts incurred in connection with enforcing the rights of the Secured Parties under the Credit Documents) for which the Administrative Agent and the Collateral Agent, as applicable, are entitled to indemnification pursuant to the provisions of any Credit Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(ii) second, to payment in full of interest, followed by principal on Protective Advances (other than Agent Extraordinary Advances), pro rata in accordance with the respective amounts then due and owing to the Lenders,

(iii) third, Unfunded Advances/Participations and all outstanding expenses actually due and payable to the Swingline Lender and the Issuing Lenders (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent, the Swingline Lender and the Issuing Lenders pro rata in accordance with the amounts of Unfunded Advances/Participations owed to them on the date of any such distribution) on a ratable basis;

(iv) fourth, without duplication of amounts applied pursuant to clauses (i) and (ii) and (iii) above, to the payment in full in cash, pro rata, of interest and other amounts constituting Credit Document Obligations (other than principal and Unpaid Drawings and Obligations owed to a Defaulting Lender and

other than Agent Extraordinary Advances), in each case equally and ratably in accordance with the respective amounts thereof then due and owing;

(v) fifth, to the payment in full in cash, pro rata, of (x) the principal amount of the Credit Document Obligations (including Unpaid Drawings, but excluding Agent Extraordinary Advances) and (y) all Hedging Obligations and all Cash Management Obligations, in each case, constituting Obligations but only up to the amount included in the Banking Services Product Reserve with respect thereto, and any breakage, termination or other amounts thereunder under obligations of the type described in clauses (a), (b) and (c) in the definition "Obligations") (this clause, the "Pari Principal Waterfall Clause");

(vi) sixth, without duplication of amounts applied to clause (i) above, to the payment in full in cash of Agent Extraordinary Advances;

(x) tenth, the balance, if any, to the Person lawfully entitled thereto (including the applicable Credit Party or its successors or assigns) or as a court of competent jurisdiction may direct.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (i) through (x) of this Section 12.02, the Credit Parties shall remain liable, jointly and severally, for any deficiency.

12.03. Cure Rights

(i) Notwithstanding anything to the contrary in this Agreement (including Article 12.01), if the Borrower reasonably expects to fail (or has failed) to comply with the Financial Covenant for any Fiscal Quarter, the Borrower shall have the right (the "Cure Right") to issue Permitted Cure Securities for cash or otherwise receive cash contributions in respect of Permitted Cure Securities (the "Cure Amount"), and thereupon the Borrower's compliance with the Financial Covenant shall be recalculated giving effect to the following pro forma adjustment: Consolidated EBITDA shall be increased (notwithstanding the absence of a related addback in the definition of "Consolidated EBITDA"), solely for the purpose of determining compliance with the Financial Covenant as of the end of such Fiscal Quarter in which the Cure Amount is so received by the

Borrower and for applicable subsequent periods which include such Fiscal Quarter, by an amount equal to the Cure Amount. If, after giving effect to the foregoing recalculation (but not, for the avoidance of doubt, except as expressly set forth below, taking into account any immediate repayment of Indebtedness in connection therewith), the requirements of the Financial Covenant would be satisfied, then the requirements of the Financial Covenant shall be deemed satisfied as of the end of the relevant Fiscal Quarter with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred (or would have occurred) shall be deemed cured for the purposes of this Agreement; provided that (i) no more than five (5) Cure Rights may be exercised from the Closing Date to the Latest Maturity Date; (ii) no more than two Cure Rights may be exercised during any period of four consecutive Fiscal Quarters; (iii) no Cure Amount shall exceed the amount necessary to cause compliance with the Financial Covenant for the immediately preceding Fiscal Quarter and the period then ended; (iv) the Cure Amount is actually received by the Borrower at any time during such Fiscal Quarter or thereafter until the date that is 10 Business Days after the later of (x) the commencement of the applicable Compliance Period and (y) the date on which financial statements for such Fiscal Quarter are required to be delivered pursuant to Section 10.01(b) or (c), as applicable (the "Cure Expiration Date"); (v) such Cure Amount shall be added to Consolidated EBITDA solely for purposes of determining compliance with the Financial Covenant for such Fiscal Quarter as described above and not for any other purpose under this Agreement (including not for the any calculations testing pro forma compliance with the Financial Covenant (whether in connection with the Payment Conditions or otherwise) or the Consolidated Total Leverage Ratio, and shall not result in any adjustment to any amounts including the amount of Indebtedness (directly or by way of netting (except to the extent that such proceeds are actually applied to repay such Indebtedness)) and disregarded for purposes of determining the Availability or amount of any covenant basket (including the Available Equity Amount); and (vi) no Lender or Issuing Lender shall be required to make any credit extension hereunder if an Event of Default under the Financial Covenant has occurred and is continuing unless and until the Cure Amount is actually received by the Borrower on or prior to the applicable Cure Expiration Date.

(ii) Upon receipt by the Administrative Agent of written notice, on or prior to the Cure Expiration Date, that the Borrower intends to use the Cure Right in respect of a Fiscal Quarter (a "Cure Notice") and until the Cure Expiration Date to which such Cure Notice relates, no Agent (nor any sub- agent therefor) nor any Lender or other Secured Party may exercise any rights to foreclosure on or take possession of the Collateral or any other right or remedy under any Credit Document (except as set forth in Section 12.03 (a) (i) (vi) above) on the basis of any actual or purported Event of Default with respect to the Financial Covenant

until and unless the Cure Expiration Date has occurred without the Cure Amount having been received and designated by the Borrower.

(iii) Upon receipt by the Borrower of the Net Cash Proceeds of any capital contribution referred to in Section 12.03(i), the Borrower shall then be in compliance with the Financial Covenant, the Borrower shall be deemed to have satisfied the requirements of such covenants as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Event of Default with respect to any such covenant that had occurred shall be deemed cured for all purposes of this Agreement and the other Credit Documents.

SECTION 13. The Administrative Agent and the Collateral Agent.

13.01. Appointment. The Lenders hereby irrevocably designate and appoint (and by entering in an ABL Hedge Letter Agreement, each ABL Hedge Provider party thereto shall be deemed to irrevocably designate and appoint) Wells Fargo as Administrative Agent (for purposes of this Section 13 and Section 14.01, the term "Administrative Agent" also shall include Wells Fargo in its capacity as Collateral Agent pursuant to the Security Documents and the ABL Intercreditor Agreement) to act as specified herein and in the other Credit Documents. Each Lender hereby irrevocably authorizes (and by entering in an ABL Hedge Letter Agreement, each ABL Hedge Provider party thereto shall be deemed to irrevocably authorize), and each holder of any Note by the acceptance of such Note shall be deemed irrevocably to authorize, the Administrative Agent to take such action on its behalf under the provisions of this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of the Administrative Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto. In performing its functions and duties hereunder, the Administrative Agent shall act solely as an agent of the Lenders (and, if applicable, the ABL Hedge Providers) and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings or any of its Subsidiaries. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Credit Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents or of exercising any rights and remedies thereunder) in its sole discretion (except as otherwise expressly provided in this Agreement) and by or through officers, directors, agents, employees, Affiliates or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties and may rely upon (and be fully protected in relying upon) such advice. The Administrative Agent may delegate any and all such rights and powers to, any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent shall not be responsible for the negligence or

misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by the Administrative Agent, as determined in a final and non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Section 13 shall apply to any such sub-agent of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

13.02. Nature of Duties. The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Credit Documents. Neither the Administrative Agent nor any of its officers, directors, agents, employees or affiliates shall be liable for any action taken or omitted by it or them hereunder or under any other Credit Document or in connection herewith or therewith, unless caused by its or their gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have or be deemed to have by reason of this Agreement or any other Credit Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Credit Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Credit Document except as expressly set forth herein or therein.

(b) The Administrative Agent shall not have any duty to (i) take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or Applicable Law; or (ii) disclose, except as expressly set forth herein and in the other Credit Documents, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(c) Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, each Lead Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Credit Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Lead Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Sections 13.06 and 14.01. Without limitation of the foregoing, each Lead Arranger shall not have and shall not be deemed to have, solely by reason of this Agreement or any other Credit Documents, any fiduciary relationship in respect of any Lender or any other Person.

13.03. Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender, each ABL Hedge Provider, each Secured Party party to a Treasury Services Agreement and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings and its Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings and its Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible or liable to any Lender or the holder of any Note or any participant for (i) any recitals, statements, information, representations or warranties made herein or in any document, certificate, report, statement or other writing referred to or delivered in connection with this Agreement or any other Credit Document and (ii) the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Security Documents, or for any failure of any Credit Party or any other party to any Credit Document to perform its obligations hereunder. The Administrative Agent shall not (i) be responsible for the financial condition of Holdings or any of its Subsidiaries, (ii) be responsible for or have any duty to ascertain or required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, or the financial condition of Holdings or any of its Subsidiaries or the existence or possible existence of any Default or Event of Default, (iii) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral, (iv) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and (v) be under any obligation to inspect the properties, books or records of any Credit Party or any Affiliate thereof. Each Lender, ABL Hedge Provider, Secured Party party to a Treasury Services Agreement and the holder of each Note acknowledges that none of the Administrative Agent or any of its officers, directors, agents, employees, Affiliates or attorneys has made any representation or warranty to it, and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of any Credit Party and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by the Administrative Agent or any of its officers, directors, agents, employees, Affiliates or attorneys.

13.04. Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any

right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders and any action taken or failure to act pursuant to instructions from the Required Lenders shall be binding upon all of the Lenders, ABL Hedge Providers, Secured Parties party to a Treasury Services Agreement and the holder of each Note, as applicable.

13.05. Reliance. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Credit Document and its duties hereunder and thereunder, upon advice of counsel (including counsel to the Borrower or any Lender) or any experts selected by the Administrative Agent.

13.06. Indemnification. The Administrative Agent may incur and pay certain expenses to the extent the Administrative Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Credit Documents, including court costs, attorneys' fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrower is obligated to reimburse the Administrative Agent or Lenders for such expenses pursuant to this Agreement or otherwise. Following any Event of Default and the exercise of rights and remedies with respect thereto, the Administrative Agent is authorized to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by the Administrative Agent to reimburse the Administrative Agent for such out-of-pocket costs and expenses actually incurred by it with respect to such exercise of rights and remedies prior to the distribution of any amounts to the Lenders (or other Secured Parties), in each case in accordance with Section 12.02. To the extent the Administrative Agent (or any affiliate thereof) is not reimbursed and indemnified by the Borrower (whether or not the transactions contemplated hereby are consummated), the Lenders will reimburse and indemnify the Administrative Agent (and any affiliate thereof) on demand in proportion to their respective "percentage" as used in determining the Required Lenders (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any affiliate thereof) in performing its duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

13.07. The Administrative Agent in its Individual Capacity. With respect to its obligation to make Loans or issue or participate in Letters of Credit under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender," "Required Lenders," "Supermajority Lenders," "Holders of Notes" or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may, without notice to or consent of any Secured Party, accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Credit Party or any Affiliate of any Credit Party (or any Person engaged in a similar business with any Credit Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any Affiliate of any Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders, ABL Hedge Providers and each Secured Party party to a Treasury Services Agreement acknowledge that,

pursuant to the activities described in this Section, Wells Fargo or its Affiliates may receive information regarding a Secured Party or its Affiliates or any other Person party to any Credit Documents that is subject to confidentiality obligations in favor of such Credit Party or such other Person and that prohibit the disclosure of such information to such parties, and that, in such circumstances (and in the absence of a waiver of such confidentiality obligations), the Administrative Agent shall not be under any obligation to provide such information to such Lenders, ABL Hedge Providers and each Secured Party party to a Treasury Services Agreement.

13.08. Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

13.09. Resignation by the Administrative Agent. (a) The Administrative Agent may resign from the performance of all its respective functions and duties hereunder and/or under the other Credit Documents at any time by giving 15 Business Days' prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and, unless a Default or an Event of Default under Section 12.01(e) then exists, the Borrower (unless such notice is waived by the Borrower). Any such resignation by the Administrative Agent hereunder shall also constitute its resignation as an Issuing Lender and the Swingline Lender, in which case the resigning Administrative Agent (x) shall not be required to issue any further Letters of Credit or make any additional Swingline Loans hereunder and (y) shall maintain all of its rights as Issuing Lender or Swingline Lender, as the case may be, with respect to any Letters of Credit issued by it, or Swingline Loans made by it prior to the date of such resignation. Such resignation shall take effect upon the appointment of a successor Administrative Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation by the Administrative Agent (unless waived pursuant to the preceding paragraph), the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (provided that the Borrower's approval shall not be required if an Event of Default then exists).

(c) If a successor Administrative Agent shall not have been so appointed within such 15 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower's consent shall not be required if an Event of Default then exists), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above by the 20th Business Day after the date such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Upon a resignation of the Administrative Agent pursuant to this Section 13.09, the retiring (or retired) Administrative Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of this Section 13 (and the analogous provisions of the other Credit Documents) shall continue in effect for the benefit of the retiring (or retired) Administrative Agent for all of its actions and inactions while serving as the Administrative Agent and such successor Administrative Agent shall succeed to all the rights, powers, and duties of the retiring Administrative Agent and the term "Administrative Agent" shall mean such successor Administrative Agent.

13.10. Collateral Matters. (a) Each Lender irrevocably authorizes and directs the Collateral Agent to enter into the Credit Documents, including the Security Documents (which, for purposes of this Section 13, also shall include all Control Agreements, Landlord Access Agreements, bailee agreements and similar agreements), the ABL Intercreditor Agreement, the Inter-Lender Agreement and each Acceptable Intercreditor Agreement for the benefit of the Lenders and the other Secured Parties. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement, the Security Documents, ABL Intercreditor Agreement, the Inter-Lender Agreement or any Acceptable Intercreditor Agreement, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents.

(b) Each of the Secured Parties (x) irrevocably appoints and authorizes the Collateral Agent to act as the agent of (and to hold any security interest created by the Security Documents for and on behalf of) such Secured Party for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Credit Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and (y) irrevocably appoints each other Lender as its agent and bailee for the purpose of perfecting Liens (whether pursuant to Section 8-301(a)(2) of the UCC or otherwise), for the benefit of the Secured Parties, in assets in which, in accordance with the UCC or any other Applicable Law, a security interest can be perfected by possession or control. Should any Lender (other than the Collateral Agent)

obtain possession or control of any such Collateral, such Lender shall notify the Collateral Agent thereof, and, promptly following the Collateral Agent's request therefor, shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions. In this connection, the Collateral Agent (and any co-agents, sub-agents, receivers and attorneys-in-fact appointed by the Collateral Agent pursuant hereto for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits of all provisions of this Section 13 (including Section 13.06, as though such co-agents, sub-agents, receivers and attorneys-in-fact were the Collateral Agent under the Credit Documents) and Section 14.01 as if set forth in full herein with respect thereto. For the avoidance of doubt, neither the Administrative Agent nor the Collateral Agent shall owe any fiduciary duty, duty of loyalty, duty of care, duty of disclosure or any other obligation whatsoever to any ABL Hedge Provider except as set forth in Section 14.27.

(c) The Lenders hereby irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon (A) termination of the Revolving Loan Commitments and payment and satisfaction of all of the Credit Document Obligations (other than inchoate indemnification obligations) at any time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby and (B) termination or expiration of all Lender Hedging Agreements (unless collateralized or other arrangements made, in each case, to the satisfaction of the applicable ABL Hedge Provider) and payment in full of all amounts due and payable thereunder, (ii) constituting property being sold or otherwise disposed of (to Persons other than Holdings and its Subsidiaries) upon the sale or other disposition thereof in compliance with Section 11.08, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 14.12), (iv) as otherwise may be expressly provided in the relevant Security Documents or the last sentence of each of Sections 11.01 and 11.08 or in any Acceptable Intercreditor Agreement or (v) in lieu of any release permitted pursuant to this Section 13.10(c), the Collateral Agent may subordinate any such Liens on the Collateral to another Lien permitted under clauses (3), (9) and (11) of the definition of "Permitted Liens" and may subordinate any Lien on the Collateral that the Collateral Agent determines in its commercially reasonable judgment was intended by operation of law or otherwise to be subordinated to another Lien pursuant to Section 11.01. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 13.10; provided, that anything to the contrary contained in any of the Credit Documents notwithstanding, the Administrative Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in the Administrative Agent's opinion, could reasonably be expected to expose the Administrative Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty. Any such

release or subordination shall be evidenced to the Administrative Agent by an Officer's Certificate certifying that such release or subordination complies with this Agreement.

(d) The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Credit Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, to verify or assure that any particular items of Collateral meet the eligibility criteria applicable in respect thereof, to impose, maintain, increase, reduce, implement, or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 13.10 or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

13.11. Delivery of Information. (a)The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (i) as specifically provided in this Agreement or any other Credit Document and (ii) as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

(b) Notwithstanding the foregoing, by becoming a party to this Agreement, each Lender:

(i) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after it becomes available, a copy of each field examination report respecting any Credit Party or its Subsidiaries (each, a "Report") prepared by or at the request of the Administrative Agent, and the Administrative Agent shall so furnish each Lender with such Reports,

(ii) expressly agrees and acknowledges that the Administrative Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(iii) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Administrative Agent or other party performing any field examination will inspect only specific information regarding the Credit Parties and their

Subsidiaries and will rely significantly upon Holdings', the Borrower's and its Subsidiaries' books and records, as well as on representations of Borrower's personnel,

(iv) agrees to keep all Reports and other material, non-public information regarding the Credit Parties and their Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 14.16, and

(v) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Administrative Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrower, and (ii) to pay and protect, and indemnify, defend and hold the Administrative Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, legal fees and costs) incurred by the Administrative Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(c) In addition to the foregoing, (x) any Lender may from time to time request of the Administrative Agent in writing that the Administrative Agent provide to such Lender a copy of any report or document provided by any Credit Party or its Subsidiaries to the Administrative Agent that has not been contemporaneously provided by such Credit Party or such Subsidiary to such Lender, and, upon receipt of such request, the Administrative Agent promptly shall provide a copy of same to such Lender, (y) to the extent that the Administrative Agent is entitled, under any provision of the Credit Documents, to request additional reports or information from any Credit Party or its Subsidiaries, any Lender may, from time to time, reasonably request the Administrative Agent to exercise such right as specified in such Lender's notice to the Administrative Agent, whereupon the Administrative Agent promptly shall request of the Borrower the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from such Credit Party or such Subsidiary, the Administrative Agent promptly shall provide a copy of same to such Lender, and (z) any time that the Administrative Agent renders to the Borrower a statement regarding the Register with respect to Loan balances, the Administrative Agent shall send a copy of such statement to each Lender.

13.12. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

13.13. Withholding. To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender or Issuing Lender an amount equivalent to any withholding tax applicable to such payment. If the Canada Revenue Agency, the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender for tax relating to a payment to a Lender but no deduction has been made from such payments, such Lender and/or Issuing Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including any penalties or interest and together with any and all expenses incurred, unless such amounts have been indemnified by any Borrower, Guarantor or the relevant Lender or Issuing Lender.

13.14. Notice of Default or Event of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to the Administrative Agent for the account of the Lenders and, except with respect to Events of Default of which the Administrative Agent has actual knowledge, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." The Administrative Agent will promptly notify the Lenders of its receipt of any such notice or of any Event of Default of which the Administrative Agent has actual knowledge; provided that such notice may be effected by posting to Syndraks or such other electronic site established by the Administrative Agent for which the Lenders have been granted access. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and the Administrative Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any or, in the case of the Issuing Lender, to the applicable Underlying Issuer. Subject to Section 13.05, the Administrative Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 12.01; provided, that unless and until the Administrative Agent has received any such request, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

13.15. Restrictions on Actions by Lenders; Acting in Concert. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by the Administrative Agent, take or cause to be taken any enforcement action under any Credit Document, including, the commencement of any legal or equitable proceedings to enforce any Credit Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

13.16. Payments by the Administrative Agent to the Lenders. All payments to be made by the Administrative Agent to the Lenders (or any other Secured Party) shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to the Administrative Agent, or as otherwise agreed in writing.

Without limiting the foregoing, each of the Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents, in such capacities, shall not have or be deemed to have any fiduciary relationship with any Lender or any Credit Party. Each Lender, Agent, Swingline Lender, Issuing Bank, and each Credit Party acknowledges that it has not relied, and will not rely, on the Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents in deciding to enter into this Agreement or in taking or not taking action hereunder. Each of the Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents, in such capacities, shall be entitled to resign at any time by giving notice to the Administrative Agent and the Borrower.

SECTION 14. Miscellaneous.

14.01. Payment of Expenses, etc.

(a) The Borrower hereby agrees to: (i) whether or not the transactions herein contemplated are consummated, pay all reasonable and documented out-of-pocket costs and expenses of the Agents (including the reasonable fees and disbursements of designated counsel and consultants of the Agents) in connection with the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, of the Administrative Agent and its Affiliates in connection with its or their syndication efforts with respect to this Agreement and of the Administrative Agent, the Agents and the Lenders (taken as a whole) in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of consultants and one counsel for the Agents and the Issuing Lenders and each other Lender (taken as a whole) (and one local counsel in each applicable jurisdiction and, in the case of any actual or potential conflict of interest, one additional counsel to each similarly affected group of parties)); and (ii) indemnify the Agents, each Issuing Lender, each Underlying Issuer and each Lender, and their respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors and their respective successors (each, an "Indemnified Person") from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent, any Issuing Lender or any Lender is a party thereto and whether or not such investigation,

litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the use of any Letter of Credit or Reimbursement Undertaking or the proceeds of any Loans hereunder or the consummation of the Transactions or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any Real Property at any time owned, leased, managed, controlled or operated by Holdings, the Borrower or any of its Restricted Subsidiaries (in each case, relating to such ownership, lease, management, control or operation), the generation, storage, transportation, handling or disposal of Hazardous Materials by Holdings, the Borrower or any of its Restricted Subsidiaries at any location, whether or not owned, leased or operated by Holdings, the Borrower or any of its Restricted Subsidiaries, the non-compliance by Holdings, the Borrower or any of its Restricted Subsidiaries with any Environmental Law (including applicable Environmental Permits thereunder), or any Environmental Claim asserted against Holdings, the Borrower or any of its Restricted Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants (including environmental consulting firms) incurred in connection with any such investigation, litigation or other proceeding (but excluding any losses, liabilities, claims, obligations, penalties, judgments, costs, suits, disbursements, damages or expenses to extent incurred, assessed or imposed by reason of (i) the bad faith, gross negligence, willful misconduct or material breach of the Indemnified Person to be indemnified (as determined by a court of competent jurisdiction in a final and non-appealable decision) and (ii) disputes among Indemnified Persons (other than claims arising out of any act or omission of Holdings or any of its Subsidiaries). Notwithstanding the foregoing, this Section 12.01(a) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. To the extent that the undertaking to indemnify, pay or hold harmless any Agent, any Issuing Lender or any Lender set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under Applicable Law. Except to the extent required to be paid on the Closing Date, all amounts due under this paragraph (a) shall be payable by the Borrower within 30 days of receipt by the Borrower of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b) To the full extent permitted by Applicable Law, each of Holdings and the Borrower shall not assert, and hereby waives, any claim against any Indemnified Person, on any theory of liability, for special, indirect, consequential or incidental damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through

telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent the liability of such Indemnified Person results from such Indemnified Person's bad faith, gross negligence, willful misconduct or material breach (as determined by a court of competent jurisdiction in a final and non-appealable decision). The Borrower shall not be liable for any settlement of any legal proceeding effected without its consent (which consent shall not be unreasonably withheld or delayed), but if settled with the Borrower's written consent, or if there is a final judgment for the plaintiff against an Indemnified Person in any such legal proceeding, the Borrower agrees to indemnify and hold harmless each Indemnified Person in the manner set forth above. The Borrower shall not, without the prior written consent of an Indemnified Person (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened legal proceeding against such Indemnified Person in respect of which indemnity could have been sought hereunder by such Indemnified Person unless (a) such settlement includes an unconditional release of such Indemnified Person from all liability or claims that are the subject matter of such legal proceeding and (b) such settlement does not include any statements as to any admission of fault, culpability or failure to act by or on behalf of such Indemnified Person.

14.02. Right of Setoff. In addition to any rights now or hereafter granted under Applicable Law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of Holdings, the Borrower or any of its Restricted Subsidiaries against and on account of the Credit Document Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including all interests in Credit Document Obligations purchased by such Lender pursuant to Section 14.04(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Credit Document Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. To the extent permitted by law, each Participant also shall be entitled to the benefits of this Section 14.02 as though it were a Lender; provided that such Participant agrees to be subject to Section 14.06(b) as though it were a Lender.

14.03. Notices. (a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopier or cable communication) and mailed, telegraphed, telecopied, cabled or delivered: if to any Credit Party, at the address specified below or in the other relevant Credit Documents; if to any Lender, at its address set forth in its Administrative Questionnaire; and if to

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, Holdings and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) If any payment item is received into Agent's Account on a non-Business Day or after 1:30 p.m. (Toronto time) on a Business Day (unless the Administrative Agent, in its sole discretion, elects to credit it on the date received), it shall be deemed to have been received by the Administrative Agent as of the opening of business on the immediately following Business Day.

14.04. Benefit of Agreement; Assignments; Participations. (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, neither Holdings nor the Borrower may assign or transfer any of their rights, obligations or interest hereunder without the prior written consent of the Lenders (and any attempted assignment or transfer without such consent shall be null and void) and, provided further, that, although any Lender may grant participations to Eligible Transferees in its rights hereunder (a "Participant"), such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer or assign all or any portion of its Revolving Loan Commitments hereunder except as provided in Sections 2.13 and 14.04(b)) and the participant shall not constitute a "Lender" hereunder and, provided further, that any agreement or instrument pursuant to which a Lender sells such a participation shall

provide that such Lender shall retain the sole right to enforce this Agreement and any other Credit Document and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Agreement; provided further that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver to the extent such amendment, modification or waiver would (i) extend the final scheduled maturity of any Loan, Note or Letter of Credit or Reimbursement Undertaking (unless such Letter of Credit or Reimbursement Undertaking is not extended beyond the Revolving Loan Maturity Date) in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 14.07(a) shall not constitute a reduction in the rate of interest or Fees payable hereunder), or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Revolving Loan Commitment or a mandatory prepayment of the Loans shall not constitute a change in the terms of such participation, and that an increase in any Revolving Loan Commitment (or the available portion thereof) or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by Holdings or the Borrower of any of their rights and obligations under this Agreement or (iii) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) supporting the Loans and/or Letters of Credit thereunder in which such participant is participating or release all or substantially all of the value of the Guaranty made by the Subsidiary Guarantors (except as expressly provided in the Credit Documents). In the case of any such participation, except as otherwise set forth in Section 14.04(e), the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Revolving Loan Commitments and related outstanding Credit Document Obligations hereunder to (i)(A) its parent company and/or any Affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any Affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an Affiliate of such other Lender for the purposes of this sub- clause (x)(i)(B)), provided, that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender or a Disqualified Lender or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor as such Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a

portion equal to at least $1,000,000 (or such lesser amount as the Administrative Agent and, so long as no Specified Event of Default then exists and is continuing, the Borrower may otherwise agree) in the aggregate for the assigning Lender or assigning Lenders, of such Revolving Loan Commitments and related outstanding Credit Document Obligations hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single assignor or Eligible Transferee (as applicable) (if any)), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, provided that (i) at such time, Schedule 1.01(a) shall be deemed modified to reflect the Revolving Loan Commitments and/or outstanding Loans, as the case may be of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender's indemnifying the Borrower for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrower's expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Revolving Loan Commitments and/or outstanding Loans, as the case may be, (iii) the consent of the Administrative Agent, each Issuing Lender and the Swingline Lender shall be required in connection with any such assignment pursuant to clause (y) above (such consent, in each case, not to be unreasonably withheld, delayed or conditioned), (iv) so long as no Event of Default under Section 12.01(a) or (e) (with respect to the Borrower) then exists, the consent of the Borrower shall be required in connection with any such assignment pursuant to clause (y) above (such consent, in any case, not to be unreasonably withheld, delayed or conditioned); provided that (I) the Borrower may, in its sole discretion, withhold its consent to any assignment to any Person that is not a Disqualified Lender but is known by the Borrower to be an Affiliate of a Disqualified Lender regardless of whether such Person is identifiable as an Affiliate of a Disqualified Lender on the basis of such Affiliate's name and (II) the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof, (v) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 (provided that only one such fee shall be payable in the case of one or more concurrent assignments by or to investment funds managed or advised by the same investment advisor or an affiliated investment advisor), and (vi) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to Section 14.15. To the extent of any assignment pursuant to this Section 14.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Revolving Loan Commitments and outstanding Loans. To the extent that an assignment of all or any portion of a Lender's Revolving Loan Commitments and related outstanding Credit Document Obligations pursuant to Section 2.13 or this Section 14.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such

increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Any attempted assignment in violation of this Section 14.04 shall be null and void. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to the Disqualified Lenders.

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank, any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(d) Any Lender which assigns all of its Revolving Loan Commitments and/or Loans hereunder in accordance with Section 14.04 (b) shall cease to constitute a "Lender" hereunder, except with respect to indemnification provisions under this Agreement (including Sections 2.10, 2.11, 5.04, 13.06, 14.01 and 14.06), which shall survive as to such assigning Lender.

(e) The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the requirements and limitations therein, including the requirements under Section 5.04(f) (it being understood that the documentation required under Section 5.04(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such Participant (A) agrees to be subject to the provisions of Section 2.13 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.10 or 5.04, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Revolving Loans or other obligations under the Credit Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such

participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) [Reserved].

(g) [Reserved].

(h) (i) Any assignment or participation by a Lender without the Borrower's consent (A) to any Disqualified Lender or any Affiliate thereof or (B) to the extent the Borrower's consent is required under this Section 14.04, to any other Person, shall be null and void, and the Borrower shall be entitled to seek specific performance to unwind any such assignment or participation and/or specifically enforce this Section 14.04(h) in addition to injunctive relief (without posting a bond or presenting evidence of irreparable harm) or any other remedies available to the Borrower at law or in equity; it being understood and agreed that Holdings, the Borrower and its subsidiaries will suffer irreparable harm if any Lender breaches any obligation under this Section 14.04 as it relates to any assignment, participation or pledge of any Loan or Revolving Loan Commitment to any Disqualified Lender or any Affiliate thereof or any other Person to whom the Borrower's consent is required but not obtained. Nothing in this Section 14.04(h) shall be deemed to prejudice any right or remedy that Holdings or the Borrower may otherwise have at law or equity or pursuant to Section 14.04(h)(ii) below.

(ii) If any assignment or participation under this Section 14.04 is made to any Affiliate of any Disqualified Lender (other than any Bona Fide Debt Fund that is not itself a Disqualified Lender) without the Borrower's prior written consent (any such person, a "Disqualified Person"), then the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Person and the Administrative Agent, (A) terminate any Revolving Loan Commitment of such Disqualified Person and repay all obligations of each Borrower owing to such Disqualified Person, and/or (B) require such Disqualified Person to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 14.04), all of its interests, rights and obligations under this Agreement to one or more Eligible Transferees and if such person does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption Agreement reflecting such assignment within five Business Days of the date on which the Eligible Transferee executes and delivers such Assignment and Assumption Agreement to such person, then such person shall be deemed to have executed and delivered such Assignment and Assumption Agreement without any action on its part; provided that (I) in the case of clauses (A) and (B), the Borrower shall not be liable to the relevant Disqualified Person under Section 2.10 if any LIBOR Loan owing to such Disqualified Person is repaid or purchased other than on the last day of the Interest Period relating thereto, (II) in the case of clause (B), the relevant assignment shall otherwise comply with this Section 14.04 (except that no registration and processing fee required under this Section 14.04 shall be required with any assignment pursuant to this paragraph. Further, any Disqualified Person identified by the Borrower to the Administrative

Agent (A) shall not be permitted to (x) receive information or reporting provided by any Credit Party, the Administrative Agent or any Lender and/or (y) attend and/or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, (B) (x) shall not for purposes of determining whether the Required Lenders, the Supermajority Lenders or the majority Lenders under any Tranche have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, have a right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action; it being understood that all Revolving Loans held by any Disqualified Person shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders, the Supermajority Lenders, majority Lenders under any Tranche or all Lenders have taken any action and (y) shall be deemed to vote in the same proportion as Lenders that are not Disqualified Persons in any proceeding under any Debtor Relief Law commenced by or against the any Borrower or any other Credit Party and (C) shall not be entitled to receive the benefits of Section 14.01. For the sake of clarity, the provisions in this Section 14.04(h) shall not apply to any Person that is an assignee of any Disqualified Person, if such assignee is not a Disqualified Person.

(iii) Upon the request of any Lender, the Administrative Agent may and the Borrower will make the list of Disqualified Lenders (other than any Disqualified Lender that is a reasonably identifiable Affiliate of another Disqualified Lender on the basis of such Person's name) at the relevant time and such Lender may provide the list to any potential assignee for the purpose of verifying whether such Person is a Disqualified Lender, in each case so long as such Lender and such potential assignee agree to keep the list of Disqualified Lenders confidential in accordance with the terms hereof.

14.05. No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances

or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender to any other or further action in any circumstances without notice or demand.

14.06. Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Credit Document Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Credit Document Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, Unpaid Drawings, Commitment Commission or Letter of Credit Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Credit Document Obligations then owed and due to such Lender bears to the total of such Credit Document Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Credit Document Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 14.06(a) and (b) shall be subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders.

(d) For the avoidance of doubt, the provisions of this Section 14.06 shall not be construed to apply to (A) the assignments and participations described in Section 14.04, (B) any Extension described in Section 2.15 or (C) the incurrence of any Credit Agreement Refinancing Indebtedness.

14.07. (c) For the purposes of the Interest Act (Canada), in any case in which an interest or fee rate is stated in this Agreement to be calculated on the basis of a number of days that is other than the number in a calendar year, the yearly rate to which such interest or fee rate is equivalent is equal to such interest or fee rate multiplied by the actual number of days in the year in which the relevant interest or fee payment accrues and divided by the number of days used as the basis for such calculation. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement and the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields. The Administrative Agent agrees that if requested in writing by the Borrower it shall calculate the nominal and effective per annum rate of interest on any outstanding Loan at any time and provide such information to the Borrower, provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve the Borrower or any of the other Credit Parties of any of its obligations under this Agreement or any other Credit Documents, nor result in any liability to the Administrative Agent or the Lenders. The Borrower hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Credit Documents, that the interest payable under the Credit Documents and the calculation thereof has not been adequately disclosed to the Borrower or any Credit Party, whether pursuant to Section 4 of the Interest Act (Canada) or any other applicable law or legal principle.

(vii) any Replacement Revolving Facility shall have pricing (including interest, fees and premiums) and, subject to preceding clause (vi), optional

prepayment and redemption terms as the Borrower and the lenders providing such Replacement Revolving Facility may agree;

(viii) the covenants and events of default of any Replacement Revolving Facility (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (ii) through (vii)) shall be (x) substantially identical to, or (taken as a whole) no more favorable (as determined by the Borrower in good faith) to the lenders providing such Replacement Revolving Facility than those applicable to the Replaced Revolving Facility (other than covenants or other provisions applicable only to periods after the Latest Maturity Date of such Replaced Revolving Facility (in each case, as of the date of incurrence of the relevant Replacement Revolving Facility), (y) then-current market terms (as determined by the Borrower in good faith) for the applicable type of Indebtedness or (z) reasonably acceptable to the Administrative Agent (it being agreed that covenants and events of default of any Replacement Revolving Facility that are more favorable to the lenders or the agent of such Replacement Revolving Facility than those contained in the Credit Documents and are then conformed (or added) to the Credit Documents pursuant to the applicable Refinancing Amendment shall be deemed satisfactory to the Administrative Agent), and

(ix) the Revolving Loan Commitments in respect of the Replaced Revolving Facility shall be terminated, and all Revolving Loans outstanding thereunder and all fees thereunder and payable in connection therewith shall be paid in full, in each case on the date such Replacement Revolving Facility is implemented.

Each party hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be amended by the Borrower, the Administrative Agent and the lenders providing the relevant Replacement Revolving Facility, as applicable, to the extent (but only to the extent) necessary to reflect the existence and terms of such Replacement Revolving Facility, as applicable, incurred or implemented pursuant thereto (including any amendment necessary to treat the loans and commitments subject thereto as a separate "class" and "Tranche" of Revolving Loans and/or Revolving Loan Commitments hereunder). It is understood that any Lender approached to provide all or a portion of any Replacement Revolving Facility may elect or decline, in its sole discretion, to provide such Replacement Revolving Facility.

(e) This Section 14.12 shall be subject to any contrary provision of Section 2.15 or 2.16. In addition, notwithstanding anything to the contrary contained in this Section 14.12, (x) Security Documents (including any additional Security Documents) and related documents executed by Restricted Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be amended, supplemented and waived with the consent of the Administrative Agent and the Borrower without the need to obtain the consent of any other Person if such

amendment, supplement or waiver is delivered in order (i) to comply with local law or advice of local counsel, (ii) to cure ambiguities, omissions, mistakes or defects or (iii) to cause such Security Document or other document to be consistent with this Agreement and the other Credit Documents and (y) if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an ambiguity, inconsistency, obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents (other than the Security Documents), then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

14.13. Survival. All representations and warranties made by the Borrower and the other Credit Parties in the Credit Documents and in certificates or other instruments delivered in connection with or pursuant to the Credit Documents shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Credit Documents, the making of any Loans and the issuance of any Letters of Credit or Reimbursement Undertakings, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Lender, Issuing Lender or Agent may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as any principal of or accrued interest on any Loan or any fee or other amount payable hereunder is outstanding and unpaid. All indemnities (other than those provided under Section 5.04) set forth herein including in Sections 2.10, 2.11, 13.06 and 14.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Credit Document Obligations.

14.14. Domicile of Loans. Each Lender may transfer and carry its Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 14.14 would, at the time of such transfer, result in increased costs or amounts owed in respect of Indemnified Taxes under Section 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

14.15. Register. The Borrower hereby designates the Administrative Agent to serve as its agent, solely for purposes of this Section 14.15, to maintain a register (the "Register") on which it will record the Revolving Loan Commitments from time to time of each of the Lenders, the Loans made by each of the Lenders (including Extraordinary Advances and Swingline Loans) made by the Administrative Agent, Swingline Lender, or the Lenders to the Borrower or for Borrower's account, the Letters of Credit or Reimbursement Undertakings issued or arranged by Issuing Bank for the Borrowers' account, and all other payment Obligations hereunder or under the other Credit Documents, including, accrued interest, fees and expenses, and each repayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation, shall not affect the

Borrower's obligations in respect of such Loans or Obligations. With respect to any Lender, the transfer of the Revolving Loan Commitments of such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Revolving Loan Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Revolving Loan Commitments and Loans and prior to such recordation all amounts owing to the transferor with respect to such Revolving Loan Commitments and Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Revolving Loan Commitments and Loans shall be recorded by the Administrative Agent on the Register upon and only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 14.04(b). Upon such acceptance and recordation, the assignee specified therein shall be treated as a Lender for all purposes of this Agreement. Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Revolving Loan Commitment and/or a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Revolving Loan Commitment and/or a Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 14.15. The Register shall be available for inspection by any party hereto at any reasonable time and from time to time upon reasonable prior notice; provided that any review of the Register by any Lender shall be limited to its own Revolving Loan Commitments (and related Obligations) and not those of any other Lender. The Administrative Agent shall make available to the Borrower monthly statements regarding the Register, including the principal amount of the Loans, interest accrued hereunder and fees accrued or charged hereunder or under the other Credit Documents, and each such statement, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between the Borrower and the Secured Parties unless, within 30 days after the Administrative Agent first makes such a statement available to the Borrower, the Borrower shall deliver to the Administrative Agent written objection thereto describing the error or errors contained in such statement.

14.16. Confidentiality. The Administrative Agent and Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding the Credit Parties and their Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by the Administrative Agent and the Lenders in a confidential manner, and shall not be disclosed by the Administrative Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys/counsel for and other advisors, accountants, auditors, and consultants to any of the Secured Parties and to employees, directors and officers of the Secured Parties (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of the Secured Parties (including the ABL Hedge Providers); provided, that any such Subsidiary or Affiliate shall have agreed to receive such information

hereunder subject to the terms of this Section 14.16, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided, that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide the Borrower with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to the Borrower pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by the Borrower, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process; provided, that (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide the Borrower with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to the Borrower pursuant to the terms of the subpoena or other legal process and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by the Administrative Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement; provided, that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information either subject to the terms of this Section 14.16 or pursuant to confidentiality requirements substantially similar to those contained in this Section 14.16 (and such Person may disclose such Confidential Information to Persons employed or engaged by them as described in clause (i) above), (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Credit Documents; provided, that prior to any disclosure to any Person (other than any Credit Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than the Borrower, any Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide the Borrower with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Credit Document.

Anything in this Agreement to the contrary notwithstanding, the Administrative Agent may disclose information concerning the terms and conditions of this Agreement and the other Credit Documents to loan syndication and pricing reporting services or in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of the Borrower or the other Credit Parties and the Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of the Administrative Agent.

Each Credit Party agrees that the Administrative Agent may make materials or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") available to the Lenders by posting the communications on IntraLinks, SyndTrak or a substantially similar secure electronic transmission system (the "Platform"). The Platform is provided "as is" and "as available." The Administrative Agent does not warrant the accuracy or completeness of the Borrower Materials, or the adequacy of the Platform and expressly disclaims liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Administrative Agent in connection with the Borrower Materials or the Platform. In no event shall the Administrative Agent or any of its Affiliates, officers, directors, employees, attorneys, and agents have any liability to the Credit Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Credit Party's or Administrative Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct. Each Credit Party further agrees that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Credit Parties or their securities) (each, a "Public Lender"). The Credit Parties shall be deemed to have authorized the Administrative Agent and its Affiliates and the Lenders to treat Borrower Materials marked "PUBLIC" or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Credit Parties or their securities for purposes of federal and state securities laws. All Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor" (or another similar term). The Administrative Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" or that are not at any time filed with the SEC as being suitable only for posting on a portion of the Platform not marked as "Public Investor" (or such other similar term).

14.17. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their respective affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and any Credit Party, its respective stockholders or its respective affiliates, on the other. The Credit Parties acknowledge and agree that: (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, each Credit Party, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its respective stockholders or its respective affiliates

with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of such Credit Party, its respective management, stockholders, creditors or any other Person. Each Credit Party acknowledges and agrees that such Credit Party has consulted its own legal, financial, regulatory and tax advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

14.18. Patriot Act; Due Diligence. Each Lender that is subject to the requirements of the USA PATRIOT ACT (Title III of Pub. Law 107-56 (signed into law October 26, 2001)) (as amended from time to time, the "Patriot Act") hereby notifies the Credit Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies Holdings, the Borrower and the other Credit Parties, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify Holdings, the Borrower and the other Credit Parties in accordance with the Patriot Act. In addition, the Administrative Agent and each Lender shall have the right to periodically conduct due diligence on all Credit Parties, their senior management and key principals and legal and beneficial owners. Each Credit Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by the Administrative Agent shall constitute expenses for the account of the Borrower.

14.19. Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Credit Party, its Subsidiaries or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States, Canada or elsewhere, to enforce or collect upon the Loans or any Credit Document or any other liability or obligation of such Credit Party or any of its Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Credit Party, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under Applicable Law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States, Canada or elsewhere. Without limiting the generality of the foregoing, each Credit Party further agrees that the waivers set forth in this Section 14.19 shall be effective to the fullest extent permitted under the Foreign Sovereign

Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

14.20. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Credit Document Obligations hereunder.

14.21. Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Credit Party or any other obligor under any of the Credit Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Credit Party, unless expressly provided for herein or in any other Credit Document, without the prior written consent of the Administrative Agent. The provisions of this Section 14.21 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Credit Party.

14.22. Judgment Currency. (a) The Credit Parties' obligations hereunder and under the other Credit Documents to make payments in U.S. Dollars (the "Obligation Currency") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent, the Collateral Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent, the Collateral Agent or such Lender under this Agreement or the other Credit Documents. If for the purpose of obtaining or enforcing judgment against any Credit Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "Judgment Currency") an amount due in the Obligation Currency, the conversion shall be made, at the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined, in each case, as of the day on which the judgment is given (such day being hereinafter referred to as the "Judgment Currency Conversion Date").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Borrower covenants and agrees to pay, or cause to be paid, such additional amounts, if

any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate or exchange prevailing on the Judgment Currency Conversion Date.

For purposes of determining any rate of exchange for this Section, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

14.23. OTHER LIENS ON COLLATERAL; TERMS OF ABL INTERCREDITOR AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT; ETC. (a) EACH LENDER UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT LIENS MAY BE CREATED ON THE COLLATERAL PURSUANT TO THE TERM LOAN FACILITY DOCUMENTS AND THE CAPEX FACILITIES DOCUMENTS, WHICH LIENS SHALL BE SUBJECT TO THE TERMS AND CONDITIONS OF THE ABL INTERCREDITOR AGREEMENT AS OF THE CLOSING DATE AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT ENTERED INTO AFTER THE CLOSING DATE, AS APPLICABLE. THE EXPRESS TERMS OF THE ABL INTERCREDITOR AGREEMENT AND EACH ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, SHALL PROVIDE THAT, IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF EITHER THE ABL INTERCREDITOR AGREEMENT OR SUCH ACCEPTABLE INTERCREDITOR AGREEMENT, ON THE ONE HAND, AND ANY OF THE CREDIT DOCUMENTS, ON THE OTHER HAND, THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND SUCH ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, SHALL GOVERN AND CONTROL.

(b) EACH LENDER AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT TO ENTER INTO THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND EACH ACCEPTABLE INTERCREDITOR AGREEMENT ON BEHALF OF THE LENDERS, AND TO TAKE ALL ACTIONS (AND EXECUTE AMENDMENTS THERETO AND ALL OTHER DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY IT IN ACCORDANCE WITH THE TERMS OF THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT.

(c) THE PROVISIONS OF THIS SECTION 14.23 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT, THE FORM OF WHICH IS ATTACHED AS AN EXHIBIT TO THIS AGREEMENT, THE INTER-LENDER AGREEMENT NOR ANY ACCEPTABLE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO EACH OF THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF.

EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF EACH OF THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT OR ANY ACCEPTABLE INTERCREDITOR AGREEMENT.

14.24. Severability. If any provision of this Agreement or the other Credit Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Credit Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

14.25. Reinstatement. If any claim is ever made upon the Administrative Agent or any Lender for repayment or recovery of any amount or amounts received in payment or on account of any of the Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any such payment is rescinded or recovered, directly or indirectly, from the Administrative Agent or any Lender as a preference, fraudulent transfer or otherwise, then and in such event the Borrower agrees that any such judgment, decree, order, rescission or recovery shall be binding upon the Borrower, notwithstanding any revocation hereof or the cancellation of any Note, any Security Document or any other instrument evidencing any liability of the Borrower, and the Borrower shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.26. Integration. This Agreement, together with the other Credit Documents and any separate letter agreements with respect to fees payable to any Agent, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter.

14.27. ABL Hedge Provider. Each ABL Hedge Provider shall be deemed a third party beneficiary hereof and of the provisions of the other Credit Documents for purposes of any reference in a Credit Document to the parties for whom the Administrative Agent or the Collateral Agent is acting. Each Agent hereby agrees to act as agent for such ABL Hedge Providers and, by virtue of entering into an ABL Hedge Letter Agreement, as applicable, the applicable ABL Hedge Provider shall be automatically deemed to have appointed such Agent as its agent and to have accepted the benefits of the Credit Documents; it being understood and agreed that the rights and benefits of each ABL Hedge Provider under the Credit Documents consist exclusively of such ABL Hedge Provider's being a beneficiary of the Liens and security

interests (and guarantees) granted to the Collateral Agent and the right to share in payments and collections out of the Collateral (and such guarantees) as more fully set forth herein and the consent rights expressly set forth in Section 14.12(a). In connection with any such distribution of payments or proceeds of Collateral (or any payment under the Guaranty), each Agent shall be entitled to assume no amounts are due or owing to any ABL Hedge Provider unless such ABL Hedge Provider has provided written notice (setting forth a reasonably detailed calculation) to each Agent as to the amounts that are due and owing to it and such written notice is received by each Agent a reasonable period of time prior to the making of such distribution. No Agent shall have any obligation to calculate the amount due and payable with respect to any Hedging Agreements, but may rely upon the written notice of the amount due and payable from the relevant ABL Hedge Provider. In the absence of an updated notice, each Agent shall be entitled to assume that the amount due and payable to the relevant ABL Hedge Provider is the amount last reported to the Agents by such ABL Hedge Provider as being due and payable (less any distributions made to such ABL Hedge Provider on account thereof). The Credit Parties may obtain transactions under Hedging Agreements from any ABL Hedge Provider, although the Credit Parties are not required to do so. The Credit Parties acknowledge and agree that no ABL Hedge Provider has committed to provide any transactions under Hedging Agreements and that the providing of transactions under Hedging Agreements by any ABL Hedge Provider is in the sole and absolute discretion of such ABL Hedge Provider. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, except as set forth in Section 14.12(a), no ABL Hedge Provider shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as a ABL Hedge Provider, nor shall the consent of any such ABL Hedge Provider be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Credit Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

14.28. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent

undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

SECTION 15. Guarantee.

15.01. The Guarantee. The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of (x) the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of the Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and (y) all other Secured Obligations from time to time owing to the Secured Parties by any Credit Party under any Credit Document or any Lender Hedging Agreement or Treasury Services Agreement entered into with a counterparty that is a Secured Party, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the "Guaranteed Obligations"). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

15.02. Obligations Unconditional. The obligations of the Guarantors under Section 15.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed

Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect (included any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), or any right under the Credit Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected;

(v) the release of any other Guarantor pursuant to Section 15.09; or

(vi) taking of any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of any Guarantor from its liabilities under this Guaranty.

Except as cannot be waived under Applicable Law, the Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. The Guarantors jointly and severally agree that they will indemnify each Secured Party on demand for all reasonable costs and expenses (including reasonable fees of counsel) incurred by such Secured Party in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law, other than any costs or expenses resulting from the bad faith or willful misconduct of such Secured Party.

15.04. Subrogation; Subordination. Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Revolving Loan Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 15.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Credit Party owed to any Restricted Subsidiary that is not a Credit Party permitted pursuant to Section 11.04 shall be subordinated to such Credit Party's Secured Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

15.06. Instrument for the Payment of Money. Each Guarantor hereby acknowledges that the guarantee in this Section 15 constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

15.08. General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate, limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 15.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 15.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Credit Party or any other person, be automatically limited and reduced to the highest amount after giving effect to the rights of contribution established in Section 15.10.

Each Subsidiary Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Subsidiary Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 15.04. The provisions of this Section 15.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Agents and the Lenders, and each Subsidiary Guarantor shall remain liable to the Agents and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

15.11. Qualified ECP Guarantor. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Section 15 in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 15.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this

Section 15.11, as it relates to such other Subsidiary Guarantor, voidable under Applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 15.11 shall remain in full force and effect until all of the Guaranteed Obligations have been paid in full in cash and the commitments of the Lenders hereunder have been terminated. Each Qualified ECP Guarantor intends that this Section 15.11 constitute, and this Section 15.11 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

(a) Notice Procedures. In connection with an Auction, the Auction Party will provide notification to the Auction Agent (for distribution to the Appropriate Lenders) of the Class of Term Loans that will be the subject of the Auction (an "Auction Notice"). Each Auction Notice shall be in a form reasonably acceptable to the Auction Agent and shall (i) specify the maximum aggregate principal amount of the Term Loans subject to the Auction, in a minimum amount of $5,000,000 and whole increments of $1,000,000 in excess thereof (or, in any case, such lesser amount as is otherwise reasonably acceptable to the Auction Agent) (the "Auction Amount"), (ii) specify the discount to par, which may be a range (the "Discount Range") of percentages of the par principal amount of the Term Loans subject to such Auction, that represents the range of purchase prices that the Auction Party would be willing to accept in the Auction, (iii) be extended, at the sole discretion of the Auction Party, to (x) each Lender and/or (y) each Lender with respect to any Term Loans on an individual Class basis and (iv) remain outstanding through the Auction Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Auction Notice and a form of the Return Bid to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the date specified in such Auction Notice (or such later date as the Auction Party may agree to extend with the reasonable consent of the Auction Agent) (the "Auction Response Date").

(b) Reply Procedures. In connection with any Auction, each Lender holding the relevant Term Loans subject to such Auction may, in its sole discretion, participate in such Auction and may provide the Auction Agent with a notice of participation (the "Return Bid") which shall be in a form reasonably acceptable to the Auction Agent, and shall specify (i) a discount to par (that must be expressed as a price at which it is willing to sell all or any portion of such Term Loans) (the "Reply Price"), which

(when expressed as a percentage of the par principal amount of such Term Loans) must be within the Discount Range, and (ii) a principal amount of such Term Loans, which must be in whole increments of $1,000,000 (or, in any case, such lesser amount as is specified in the Auction Notice) (the "Reply Amount"). A Lender may avoid the minimum amount condition specified in clause (ii) of the preceding sentence solely when submitting a Reply Amount equal to the Lender's entire remaining amount of such Term Loans. Lenders may only submit one Return Bid per Auction but each Return Bid may contain up to three bids only one of which may result in a Qualifying Bid (as defined below). In addition to the Return Bid, the participating Lender must execute and deliver, to be held in escrow by the Auction Agent, an Assignment and Assumption Agreement with the U.S. Dollar amount of the Term Loans to be assigned to be left in blank, which amount shall be completed by the Auction Agent in accordance with the final determination of such Lender's Qualifying Bid pursuant to clause (c) below. Any Lender whose Return Bid is not received by the Auction Agent by the Auction Response Date shall be deemed to have declined to participate in the relevant Auction with respect to all of its Term Loans.

(c) Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Agent prior to the applicable Auction Response Date, the Auction Agent, in consultation with the Auction Party, will determine the applicable price (the "Applicable Price") for the Auction, which will be the lowest Reply Price for which the Auction Party can complete the Auction at the Auction Amount; provided that, in the event that the Reply Amounts are insufficient to allow the Auction Party to complete a purchase of the entire Auction Amount (any such Auction, a "Failed Auction"), the Auction Party shall either, at its election, (i) withdraw the Auction or (ii) complete the Auction at an Applicable Price equal to the highest Reply Price sufficient to complete a purchase of the entire Auction Amount. The Auction Party shall purchase the relevant Term Loans (or the respective portions thereof) from each Lender with a Reply Price that is equal to or lower than the Applicable Price ("Qualifying Bids") at the Applicable Price; provided that if the aggregate proceeds required to purchase all Term Loans subject to Qualifying Bids would exceed the Auction Amount for such Auction, the Auction Party shall purchase such Term Loans at the Applicable Price ratably based on the principal amounts of such Qualifying Bids (subject to rounding requirements specified by the Auction Agent in its discretion). If a Lender has submitted a Return Bid containing multiple bids at different Reply Prices, only the bid with the lowest Reply Price that is equal to or less than the Applicable Price will be deemed to be the Qualifying Bid of such Lender (e.g., a Reply Price of $100 with a discount to par of 1.0%, when compared to an Applicable Price of $100 with a 2.0% discount to par, will not be deemed to be a Qualifying Bid, while, however, a Reply Price of $100 with a discount to par of 2.50% would be deemed to be a Qualifying Bid). The Auction Agent shall promptly, and in any case within five Business Days following the Auction Response Date with respect to an Auction, notify (I) the Administrative Agent (if not the Auction Agent) and the Borrower of the respective Lenders' responses to such solicitation, the effective date of the purchase of Term Loans pursuant to such Auction, the Applicable Price, and the aggregate principal amount of the Term Loans and the tranches thereof to be purchased pursuant to such Auction, (II) each participating Lender of the effective date of the purchase of Term Loans pursuant to such Auction, the Applicable Price, and the aggregate principal amount and the tranches of Term Loans to be purchased at the Applicable Price on such date, (III) each participating Lender of the aggregate principal amount and the tranches of the Term Loans of such Lender to be purchased at the Applicable Price on such date and (IV) if applicable, each participating Lender of any rounding and/or proration pursuant to the second preceding sentence. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error.

(d) Additional Procedures.

(i) Once initiated by an Auction Notice, the Auction Party may not withdraw an Auction other than a Failed Auction. Furthermore, in connection with any Auction, upon submission by a Lender

of a Qualifying Bid, such Lender (each, a "Qualifying Lender") will be obligated to sell the entirety or its allocable portion of the Reply Amount, as the case may be, at the Applicable Price.

(ii) To the extent not expressly provided for herein, each purchase of Term Loans pursuant to an Auction shall be consummated pursuant to procedures consistent with the provisions in this definition, established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(iii) In connection with any Auction, the Borrower and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Auction, the payment of customary fees and expenses by the Auction Party in connection therewith as agreed between the Auction Party and the Auction Agent.

(iv) Notwithstanding anything in any Credit Document to the contrary, for purposes of this definition, each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(v) The Borrower and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this definition by itself or through any Affiliate of the Auction Agent and expressly consent to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to the Auction Agent and each Affiliate of the Auction Agent and its respective activities in connection with any purchase of Term Loans provided for in this definition as well as activities of the Auction Agent.

shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law.

1.03. Currency Translation. For purposes of determining compliance as of any date with Section 9, amounts incurred or outstanding in currencies (other than U.S. Dollars) shall be translated into U.S. Dollars at the exchange rates in effect on the first Business Day of the Fiscal Quarter of the Borrower in which such determination occurs or in respect of which such determination is being made, as such exchange rates shall be determined in good faith by the Borrower based on commonly used financial reporting sources; provided, that for purposes of determining the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio, the Consolidated Total Leverage Ratio or the Consolidated Cash Interest Coverage Ratio, amounts incurred or outstanding in currencies (other than U.S. Dollars) shall be translated in accordance with IFRS. No Default or Event of Default shall arise as a result of any limitation or threshold set forth in U.S. Dollars in Section 9, Section 10.01(d) or Section 10.01 (h) being exceeded solely as a result of changes in currency exchange rates from those applicable on the first day of the Fiscal Quarter of the Borrower in which such determination occurs or in respect of which such determination is made (it being understood that such changes shall nonetheless be taken into account in determining the remaining availability (if any) under any such limitation or threshold).

1.04. Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, financial ratios and tests, including the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio, the Consolidated Total Leverage Ratio or the Consolidated Cash Interest Coverage Ratio shall be calculated in the manner prescribed by this Section 1.04; provided that notwithstanding anything to the contrary in Section 1.04(b) or (d), when calculating the Consolidated First Lien Leverage Ratio for purposes of the definition of "Applicable Excess Cash Flow Percentage", the events described in this Section 1.04 that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect.

(b) Notwithstanding anything to the contrary herein, but subject to Sections 1.05, 1.06(b) and (d), for purposes of calculating any financial ratio or test, Specified Transactions (with any incurrence or repayment of any Indebtedness in connection therewith to be subject to Section 1.06(c)) that have been made (i) during the applicable Test Period and (ii) if applicable as described in Section 1.04(a), subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day (or, in case of the determination of Consolidated Total Assets, the last day) of the applicable Test Period. If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.04, then such financial ratio or test (or Consolidated Total Assets) shall be calculated to give pro forma effect thereto in accordance with this Section 1.04.

(c) [Reserved].

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness or issues or redeems Disqualified Stock or Preferred Stock included in the calculations of any financial ratio or test (in each case, other than Indebtedness incurred or repaid under any revolving

credit facility unless such Indebtedness has been permanently repaid and accompanied by a permanent commitment reduction), (i) during the applicable Test Period or (ii) subject to Section 1.04(a) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, to the extent required, as if the same had occurred (x) in the case of any leverage-based ratio, on the last day of the applicable Test Period and (y) in the case of any cash interest coverage ratio, on the first day of the applicable Test Period.

(e) Subject to Section 1.06(e) and (f), the interest on any Indebtedness and dividends or distributions on any Disqualified Stock or Preferred Stock, in each case, assumed to be outstanding pursuant to preceding clause (d) shall be calculated as if such Indebtedness, Disqualified Stock or Preferred Stock had borne interest or accrued dividends or disbursements at (x) the rate applicable thereto, in the case of fixed rate Indebtedness, Disqualified Stock or Preferred Stock or (y) the rates which would have been applicable thereto during the respective period when same was deemed outstanding, in the case of floating rate Indebtedness (although interest expense with respect to any Indebtedness for periods while same was actually outstanding during the respective period shall be calculated using the actual rates applicable thereto while same was actually outstanding); provided that all Indebtedness (whether actually outstanding or deemed outstanding) bearing interest at a floating rate of interest shall be tested on the basis of the rates applicable at the time the determination is made pursuant to said provisions. Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with IFRS. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed with a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in Section 1.04(a). Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower may designate.

1.05. Limited Condition Transactions. Notwithstanding anything to the contrary herein (including in connection with any calculation made on a Pro Forma Basis), if the terms of this Agreement require (i) compliance with any financial ratio or financial test (including any Consolidated First Lien Leverage Ratio test, any Consolidated Total Secured Leverage Ratio test, any Consolidated Total Leverage Ratio test and/or any Consolidated Cash Interest Coverage Ratio test) and/or any cap expressed as a percentage of Consolidated Total Assets, (ii) accuracy of any representation or warranty and/or the absence of a Default or Event of Default (or any type of default or event of default) or (iii) compliance with any basket, as a condition to (A) the consummation of any transaction (including in connection with any acquisition or similar Investment or the assumption or incurrence of Indebtedness) and/or (B) the making of any Restricted Payment (including any Restricted Debt Payment), the determination of whether the relevant condition is satisfied may be made, at the election of the Borrower, (1) in the case of any acquisition or similar Investment or any disposition and any transaction related thereto, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition, Investment or disposition (or, solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a "Rule 2.7 Announcement" of a firm intention to make an offer) or (y) the consummation of such acquisition, Investment or disposition, (2) in the case of any Restricted Payment (other than a Restricted Investment or a Restricted Debt Payment), at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) (x) the declaration of such Restricted Payment or (y) the making of such Restricted Payment and (3) in the case of any Restricted Debt Payment, at the time of (or on the basis of the financial statements for the

most recently ended Test Period at the time of) (x) delivery of notice with respect to such Restricted Debt Payment or (y) the making of such Restricted Debt Payment, in each case, after giving effect to the relevant acquisition or similar Investment, disposition, Restricted Payment and/or Restricted Debt Payment or other transaction on a Pro Forma Basis (including, in each case, giving effect to the relevant transaction, any relevant Indebtedness (including the intended use of proceeds thereof) and, at the election of the Borrower, giving pro forma effect to other prospective "limited conditionality" acquisitions or similar Investments for which definitive agreements have been executed, and no Default or Event of Default shall be deemed to have occurred solely as a result of an adverse change in such financial ratio or test occurring after the time such election is made (but any subsequent improvement in the applicable financial ratio or test may be utilized by the Borrower or any Restricted Subsidiary). For the avoidance of doubt, if the Borrower shall have elected the option set forth in clause (x) of any of the preceding clauses (1), (2) or (3) in respect of any transaction, then the Borrower shall be permitted to consummate such transaction even if any applicable test or condition shall cease to be satisfied subsequent to the Borrower's election of such option. The provisions of this Section 1.05 shall also apply in respect of the incurrence of any Incremental Facility.

1.06. Accounting Terms; IFRS; Other Interpretative Provisions, etc..

(a) All financial statements to be delivered pursuant to this Agreement shall be prepared in accordance with IFRS as in effect from time to time and, except as otherwise expressly provided herein, all terms of an accounting or financial nature that are used in calculating the Consolidated First Lien Leverage Ratio, any Consolidated Total Secured Leverage Ratio, any Consolidated Total Leverage Ratio, any Consolidated Cash Interest Coverage Ratio, Consolidated EBITDA, Consolidated Net Income or Consolidated Total Assets shall be construed and interpreted in accordance with IFRS, as in effect from time to time; provided that (A) if any change to IFRS or in the application thereof (including the conversion to U.S. GAAP as described below) is implemented after the date of delivery of the financial statements described in Section 7.05(a) and/or there is any change in the functional currency reflected in the financial statements or (B) if the Borrower elects or is required to report under U.S. GAAP, the Borrower or the Required Lenders may request to amend the relevant affected provisions hereof (whether or not the request for such amendment is delivered before or after the relevant change or election) to eliminate the effect of such change or election, as the case may be, on the operation of such provisions and (x) the Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (it being understood that no amendment or similar fee shall be payable to the Administrative Agent or any Lender in connection therewith) to preserve the original intent thereof in light of the applicable change or election, as the case may be and (y) the relevant affected provisions shall be interpreted on the basis of IFRS and the currency, in each case, as in effect and applied immediately prior to the applicable change or election, as the case may be, until the request for amendment has been withdrawn by the Borrower or the Required Lenders, as applicable, or this Agreement has been amended as contemplated hereby. Any consent required from the Administrative Agent with respect to the foregoing shall not be unreasonably withheld, conditioned or delayed.

(b) Notwithstanding anything to the contrary contained in paragraph (a) above or in the definition of "Capitalized Lease Obligations", unless the Borrower elects otherwise, all obligations of any Person that are or would have been treated as operating leases for purposes of IFRS in effect as of January 1, 2018 shall continue to be accounted for as operating leases for purposes of all financial definitions, calculations and deliverables under this Agreement or any other Credit Document (whether or not such operating lease obligations were in effect on such date) notwithstanding the fact that such obligations are required (on a prospective or retroactive basis or otherwise) to be treated as capital lease obligations or otherwise accounted for as liabilities in financial statements.

(c) For purposes of determining the permissibility of any action, change, transaction or event that by the terms of the Credit Documents requires a calculation of any financial ratio or financial test (including the Consolidated First Lien Leverage Ratio, the Consolidated Total Secured Leverage Ratio, the Consolidated Total Leverage Ratio, the Consolidated Cash Interest Coverage Ratio, Consolidated EBITDA, Consolidated Net Income or Consolidated Total Assets), subject to Section 1.05, such financial ratio or test shall be calculated at the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or financial test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(d) Notwithstanding anything to the contrary herein, unless the Borrower otherwise notifies the Administrative Agent, with respect to any amount incurred under any ABL Facility, any Additional Revolving Facility or any other permitted revolving facility or any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or financial test (including any Consolidated First Lien Leverage Ratio test, any Consolidated Total Secured Leverage Ratio test, any Consolidated Total Leverage Ratio test and/or any Consolidated Cash Interest Coverage Ratio test) (any such amounts, the "Fixed Amounts") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or financial test (including any Consolidated First Lien Leverage Ratio test, any Consolidated Total Secured Leverage Ratio test, any Consolidated Total Leverage Ratio test and/or any Consolidated Cash Interest Coverage Ratio test) (any such amounts, the "Incurrence-Based Amounts"), it is understood and agreed that (1) the incurrence of the Incurrence-Based Amount shall be calculated first without giving effect to any Fixed Amount but giving full pro forma effect to the use of proceeds of such Fixed Amount and the related transactions and (2) the incurrence of the Fixed Amount shall be calculated thereafter. Unless the Borrower elects otherwise, the Borrower shall be deemed to have used amounts under an Incurrence- Based Amount then available to the Borrower prior to utilization of any amount under a Fixed Amount then available to the Borrower.

(e) The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with IFRS.

(f) The increase in any amount secured by any Lien by virtue of the accrual of interest, the accretion of accreted value, the payment of interest or a dividend in the form of additional Indebtedness, amortization of original issue discount and/or any increase in the amount of Indebtedness outstanding solely as a result of any fluctuation in the exchange rate of any applicable currency will be deemed not to be the granting of a Lien for purposes of Section 9.01.

(g) For purposes of determining compliance with Sections 9.01 and 9.04, if any Indebtedness or Lien is Incurred in reliance on a basket measured by reference to a percentage of Consolidated Total Assets, and any refinancing or replacement thereof would cause the percentage of Consolidated Total Assets to be exceeded if calculated based on the Consolidated Total Assets on the date of such refinancing or replacement, such percentage of Consolidated Total Assets will be deemed not to be exceeded so long as the principal amount of such refinancing or replacement Indebtedness or other obligation does not exceed an amount sufficient to repay the principal amount of such Indebtedness or other obligation being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest, penalties and premiums (including tender, prepayment or repayment premiums) thereon plus underwriting discounts and other customary fees, commissions and expenses (including upfront fees, original issue discount or initial yield payment) incurred in connection with such refinancing or replacement, (y) any

existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 9.04 (which additional amounts shall be deemed incurred under and a utilization of such other provision of Section 9.04 pursuant to which they are permitted to be incurred).

(h) Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.07. Effectuation of Transactions. Each of the representations and warranties contained in this Agreement (and all corresponding definitions) is made after giving effect to the Transactions, unless the context otherwise requires.

1.08. Timing of Payment and Performance. When payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

1.09. Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

1.10. Currency Equivalents Generally.

(a) Notwithstanding anything to the contrary in clause (b) below, for purposes of any determination under Section 8, Section 9 (other than the calculation of compliance with any financial ratio for purposes of taking any action hereunder) or Section 10 with respect to the amount of any Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, disposition, Sale and Leaseback Transaction, affiliate transaction or other transaction, event or circumstance, or any determination under any other provision of this Agreement (any of the foregoing, a "relevant transaction"), in a currency other than Dollars, (i) the Dollar equivalent amount of a relevant transaction in a currency other than Dollars shall be calculated based on the rate of exchange quoted by the Bloomberg Foreign Exchange Rates & World Currencies Page (or any successor page thereto, or in the event such rate does not appear on any Bloomberg Page, by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Borrower) for such foreign currency, as in effect at 11:00 a.m. (London time) on the date of such relevant transaction (which, in the case of any Restricted Payment, Restricted Debt Payment, Investment, disposition or incurrence of Indebtedness, shall be determined as set forth in Section 1.05); provided, that if any Indebtedness is incurred (and, if applicable, associated Lien granted) to refinance or replace other Indebtedness denominated in a currency other than U.S. Dollars, and the relevant refinancing or replacement would cause the applicable U.S. Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing or replacement, such U.S. Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing or replacement Indebtedness (and, if applicable, associated Lien granted) does not exceed an amount sufficient to repay the principal amount of such Indebtedness being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest, penalties and premiums (including tender premiums) thereon plus underwriting discounts and other customary fees, commissions and expenses (including upfront fees, original issue discount or initial yield payment) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 9.04 and (ii) for the avoidance of doubt, no

Default or Event of Default shall be deemed to have occurred solely as a result of a change in the rate of currency exchange occurring after the time of any relevant transaction so long as such relevant transaction was permitted at the time incurred, made, acquired, committed, entered or declared as set forth in clause (i). For purposes of the calculation of compliance with any financial ratio for purposes of taking any action hereunder (including for purposes of calculating compliance with the Incremental Cap) on any relevant date of determination, amounts denominated in currencies other than U.S. Dollars shall be translated into U.S. Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Sections 8.01(a) or (b) (or, prior to the first such delivery, the financial statements referred to in Section 5.12), as applicable, for the relevant Test Period and, at the option of the Borrower, will reflect the currency translation effects, determined in accordance with IFRS, of Hedging Agreements permitted hereunder in respect of currency exchange risks with respect to the applicable currency in effect on the date of determination for the U.S. Dollar equivalent amount of such Indebtedness.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent to appropriately reflect a change in currency of any country and any relevant market convention or practice relating to such change in currency.

1.11. Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Credit Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Loans, Replacement Term Loans, Loans in connection with any Replacement Revolving Facility, Extended Term Loans, Extended Revolving Loans or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Credit Document that such payment be made "in U.S. Dollars", "in immediately available funds", "in cash" or any other similar requirement.

1.12. Divisions. For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

Section 2. Amount and Terms of Credit.

2.01. The Term Loan Commitments. (a) Subject to and upon the terms and conditions set forth herein, each Initial Term Lender severally, and not jointly, agrees to make a term loan or term loans (each, an "Initial Term Loan" and, collectively, the "Initial Term Loans") to the Borrower, which Initial Term Loans shall be incurred pursuant to a single drawing on the Closing Date, in an amount not to exceed such Initial Term Lender's Initial Term Commitment. Each Initial Term Loan (i) shall be denominated in U.S. Dollars, (ii) except as hereinafter provided, shall, at the option of the Borrower, be incurred and maintained as, and/or converted into, Base Rate Loans or LIBOR Loans, provided that, except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type, and (ii) shall be made by each such Lender in that aggregate principal amount which does not exceed the Initial Term Loan Commitment of such Lender on the date of incurrence thereof. Once repaid, the Initial Term Loans incurred hereunder may not be reborrowed.

(b) After the Closing Date, subject to and upon the terms and conditions set forth herein and in any applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment, as applicable, each Lender with an Additional Commitment of a given Class, severally and not jointly, agrees to make Additional Loans of such Class to the Borrower, which Loans shall not exceed for any such Lender at the time of any incurrence thereof the Additional Commitment of such Class of such Lender as set forth in the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment, as applicable.

2.02. Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than five Borrowings of LIBOR Loans in the aggregate for all Term Loans (or such greater number of Borrowings of LIBOR Loans as may be acceptable to the Administrative Agent in its sole discretion).

2.03. Notice of Borrowing. (a) When the Borrower desires to incur the Term Loans hereunder, the Borrower shall give the Administrative Agent written notice thereof (the "Notice of Borrowing") at the Notice Office at least (x) three Business Days' prior to the extent that such Term Loans are to be incurred as LIBOR Loans and (y) at least one Business Day's prior to the extent that such Term Loans are to be incurred as Base Rate Loans (in each case of (x) and (y), or such later date acceptable to the Lenders providing such Term Loans); provided that (in either case) (1) such Notice of Borrowing shall be deemed to have been given on a certain day only if given before 11:00 A.M. (New York City time) on such day and (2) in the case of the initial Notice of Borrowing hereunder with respect to the Initial Term Loans, such Notice of Borrowing may be delivered at least one Business Day prior to the Closing Date. Such Notice of Borrowing, except as otherwise expressly provided in Section 2.10, shall be irrevocable and shall be in writing in the form of Exhibit A-1, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be incurred pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), and (iii) whether the Term Loans being incurred pursuant to such Borrowing are to be initially maintained as Base Rate Loans or, to the extent permitted hereunder, LIBOR Loans and, if LIBOR Loans, the initial Interest Period to be applicable thereto. The Administrative Agent shall promptly give each Appropriate Lender notice of such proposed Borrowing, of such Appropriate Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing. If the Borrower fails to specify a Type of Term Loan in a Notice of Borrowing, then the applicable Term Loans shall be made as Base Rate Loans. If the Borrower requests a Borrowing of LIBOR Loans in a Notice of Borrowing but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) The Administrative Agent may act without liability upon the basis of telephonic notice of such Borrowing or prepayment, as the case may be, believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower, prior to receipt of written confirmation. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of such telephonic notice of such Borrowing or prepayment of Term Loans, as the case may be, absent manifest error.

2.04. Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in the Notice of Borrowing, each Appropriate Lender will make available its pro rata portion (determined in accordance with Section 2.07) of the Borrowing requested to be made on such date. All such requested amounts will be made available in U.S. Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrower at the Payment Office, or to such other account as the Borrower may specify in writing prior to the Closing Date, the aggregate of the amounts so made available by the Appropriate Lenders. Unless the Administrative Agent shall have been notified by any Lender in writing prior to the Closing Date that

such Lender does not intend to make available to the Administrative Agent such Lender's portion of such Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Appropriate Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Appropriate Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Appropriate Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Appropriate Lender, the overnight Federal Funds Rate for the first three days and at the interest rate otherwise applicable to such Term Loans for each day thereafter and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05. Term Notes. (a) The Borrower's obligation to pay the principal of, premium (if any), and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 12.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrower substan-tially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Term Note" and, collectively, the "Term Notes").

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Term Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Term Loans. For the avoidance of doubt, in the event of any conflict between the books and records of any Lender and the Register, the Register shall control.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Term Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Term Notes. No failure of any Lender to request or obtain a Term Note evidencing its Term Loans to the Borrower shall affect or in any manner impair the obligations of the Borrower to pay the Term Loans (and all related Credit Document Obligations) incurred by the Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Term Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in preceding clause (b). At any time when any Lender requests the delivery of a Term Note to evidence any of its Term Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Term Note in the appropriate amount or amounts to evidence such Term Loans.

2.06. Conversions. The Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans made pursuant to one or more Borrowings of one or more Types of Term

Loans into a Borrowing of another Type of Term Loan, provided that, (i) except as otherwise provided in Section 2.10(b), LIBOR Loans may be converted into Base Rate Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBOR Loans shall reduce the outstanding principal amount of such LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount applicable thereto, (ii) unless the Required Lenders otherwise agree, Base Rate Loans may only be converted into LIBOR Loans if no Default or Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBOR Loans than is permitted under Section 2.02. Each such conversion shall be effected by the Borrower by giving the Administrative Agent at the Notice Office prior to 11:00 A.M. (New York City time) at least (x) in the case of conversions of Base Rate Loans into LIBOR Loans, three Business Days' prior notice and (y) in the case of conversions of LIBOR Loans into Base Rate Loans, one Business Day's prior notice (each, a "Notice of Conversion/Continuation"), in each case in the form of Exhibit A-2, appropriately completed to specify the Term Loans to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBOR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans. If the Borrower requests a conversion to LIBOR Loans in any Notice of Conversion/Continuation but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

2.07. Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of their Term Loan Commitments. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder and that each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08. Interest. (a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Loan to a LIBOR Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the relevant Applicable Margin plus the Base Rate as in effect from time to time.

(b) The Borrower agrees to pay interest in respect of the unpaid principal amount of each LIBOR Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBOR Loan to a Base Rate Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the relevant Applicable Margin plus the LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of an Event of Default under Section 10.01(a), all overdue amounts outstanding hereunder shall bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by Applicable Law. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(d) Subject to clause (e) below, accrued (and theretofore unpaid) interest shall be payable in cash (i) in respect of each Base Rate Loan, (x) quarterly in arrears on each Quarterly Payment Date, (y) on the date of any repayment or prepayment in full of all outstanding Base Rate Loans, and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand, and (ii) in respect of each LIBOR Loan, (x) on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three month intervals after the first

day of such Interest Period, and (y) on the date of any repayment or prepayment (on the amount repaid or prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(e) Notwithstanding the foregoing, at the written election of the Borrower to the Administrative Agent (the "PIK Election"), payment of accrued (and theretofore unpaid) interest on each applicable Term Loan comprising any Borrowing may be deferred and, for purposes of the payment thereof and the accrual of compound interest thereon, be treated as having been capitalized and added to the then outstanding principal balance of such Term Loans on the date on which interest shall be payable pursuant to clause (d) above. Notice of the Borrower's election to exercise the PIK Election shall be given not less than 15 days (or such shorter period as the Administrative Agent may agree) prior to the date on which such interest is due to be paid in cash. The Administrative Agent shall give each Lender prompt notice of any such PIK Election affecting any of its Term Loans. If the Borrower exercises the PIK Election with respect to an interest payment date for any Borrowing as set forth herein, it will be deemed to have exercised the PIK Election for each subsequent interest payment date for such Borrowing until interest is actually paid in cash with respect thereto; provided that notice of the Borrower's election to pay interest in cash (after a PIK Election had been made) shall be given not less than 15 days (or such shorter period as the Administrative Agent may agree) prior to the interest payment date on which such interest is to be paid in cash.

(f) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBOR Loans and shall promptly notify the Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.09. Interest Periods. At the time the Borrower gives the Notice of Borrowing or any Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBOR Loan (in the case of the initial Interest Period applicable thereto) or prior to 11:00 A.M. (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBOR Loan (in the case of any subsequent Interest Period), the Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such LIBOR Loan, which Interest Period shall, at the option of the Borrower, be (x) a one, three, six or, if approved by each Appropriate Lender, twelve month period or (y) if agreed by the Administrative Agent in its sole discretion, such other period not to exceed one-month, provided that (in each case):

(i) all LIBOR Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any LIBOR Loan shall commence (i) on the date of Borrowing of such LIBOR Loan (including the date of any conversion thereto from a Base Rate Loan) and end on the first Business Day following the last day of the immediately succeeding calendar quarter, and (ii) each Interest Period occurring thereafter in respect of such LIBOR Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBOR Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the first Business Day of the immediately succeeding calendar month;

(iv) if any Interest Period for a LIBOR Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period may be selected at any time when a Default or an Event of Default is then in existence;

(vi) no Interest Period in respect of any Borrowing of Term Loans shall be selected which extends beyond the scheduled Maturity Date of the Term Facility under which such Term Loan was made; and

(vii) no Interest Period in respect of any Borrowing of Term Loans shall be selected which extends beyond any date upon which a mandatory repayment of the Term Loans will be required to be made under Section 4.02 if the aggregate principal amount of the Term Loans which have Interest Periods which will expire after such date will be in excess of the aggregate principal amount of the Term Loans then outstanding less the aggregate amount of such required repayment.

If by 11:00 A.M. (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBOR Loans, (x) the Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBOR Loans as provided above, the Borrower shall be deemed to have elected to convert such LIBOR Loans into Base Rate Loans effective as of the expiration date of such current Interest Period and (y) the Borrower requests a continuation of LIBOR Loans in any Notice of Conversion/Continuation but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

2.10. Increased Costs, Illegality, etc. (a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the London interbank market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate; or

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loan because of (x) any change since the Closing Date in any Applicable Law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, guideline or request, including: (I) any such change subjecting any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes and (C) Connection Income Taxes payable by such Lender) or (II) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate and/or (y) other circumstances arising since the Closing Date affecting such Lender, the London interbank market or the position of such Lender in such market (including that the LIBO Rate with respect to such LIBOR Loan does not adequately and fairly reflect the cost to such Lender of funding such LIBOR Loan); or

(iii) at any time, that the making or continuance of any LIBOR Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law)

or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the London interbank market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice to the Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBOR Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist, and the Notice of Borrowing or any Notice of Conversion/Continuation given by the Borrower with respect to LIBOR Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrower, (y) in the case of clause (ii) above, the Borrower agrees to pay to such Lender, upon such Lender's written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent manifest error, be final and conclusive and binding on all the parties hereto) and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(ii), the Borrower may, and in the case of a LIBOR Loan affected by the circumstances described in Section 2.10(a)(iii), the Borrower shall, either (x) if the affected LIBOR Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent written notice on the same date that the Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' written notice to the Administrative Agent, require the affected Lender to convert such LIBOR Loan into a Base Rate Loan, provided that, if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) Notwithstanding anything contained herein to the contrary, and without limiting the provisions of Section 2.10(a), in the event that the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto) that there exists, at such time, a broadly accepted market convention for determining a rate of interest for syndicated loans in the United States in lieu of the LIBOR Screen Rate, and the Administrative Agent shall have given notice of such determination to the Borrower and each Lender (it being understood that the Administrative Agent shall have no obligation to make such determination and/or to give such notice), then the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 12.12, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this paragraph (but only to the extent the LIBOR Screen Rate for the applicable Interest Period is not available or published at such time on a current basis), (x) no Loans may be made as, or converted to, LIBOR Loans, and (y) any Notice of Borrowing or any Notice of Conversion/Continuation given by the Borrower with respect to LIBOR Loans shall be deemed to be rescinded by the Borrower.

(d) If any Lender determines that after the Closing Date the introduction of or any change in any Applicable Law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Term Loan Commitments hereunder or its obligations hereunder, then the Borrower agrees to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.10(d) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(d), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts; provided that a Lender shall not demand compensation for any increased costs pursuant to a change if it shall not be the general policy of such Lender to demand such compensation under equivalent provisions in other credit agreements.

(e) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder, issued in connection therewith or in implementation thereof and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).

2.11. Compensation. The Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation), for all losses, expenses and liabilities (including any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBOR Loans but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBOR Loans does not occur on a date specified therefor in the Notice of Borrowing or a Notice of Conversion/Continuation (whether or not withdrawn by the Borrower or deemed withdrawn pursuant to Section 2.10(a)); (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 4.01, Section 4.02 or as a result of an acceleration of the Term Loans pursuant to Section 10) or conversion of any of its LIBOR Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any of its LIBOR Loans is not made on any date specified in a notice of prepayment given by the Borrower; or (iv) as a consequence of (x) any other default by the Borrower to repay LIBOR Loans when required by the terms of this Agreement or any Term Note held by such Lender or (y) any election made pursuant to Section 2.10(b).

2.12. Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of or increased payment under Section 2.10(a)(ii) or (iii), Section 2.10(d) or Section 4.04 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the

object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10 and 4.04. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation.

2.13. Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of any event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(d) or Section 4.04 with respect to any Lender which results in such Lender charging to the Borrower increased costs or indemnified Taxes in excess of those being generally charged by the other Lenders or (z) in the case of a refusal by a Lender to consent to a proposed change, waiver, discharge or termination with respect to this Agreement which has been approved by the Required Lenders as (and to the extent) provided in Section 12.12(b), the Borrower shall have the right, in accordance with Section 12.04(b), if no Default or Event of Default then exists or would exist after giving effect to such replacement, to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of which shall be reasonably acceptable to the Administrative Agent; provided that:

(i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 12.04(b) (and with all fees payable pursuant to said Section 12.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the outstanding Term Loans of the Replaced Lender and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender, and (B) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 3.01 (other than pursuant to Section 3.01(b));

(ii) all obligations of the Borrower then owing to the Replaced Lender (other than those specifically described in clause (a) above in respect of which the assignment purchase price has been, or is concurrently being, paid, but including all amounts, if any, owing under Sections 2.11 and 3.01(b)) shall be paid in full to such Replaced Lender concurrently with such replacement; and

(iii) If any applicable Lender shall be deemed a Non Consenting Lender and is required to assign all or any portion of its Initial Term Loans on or prior to the twelve-month anniversary of the Closing Date in connection with any such waiver, amendment or modification that constitutes a Repricing Event, the Borrower shall pay such Non Consenting Lender the fee required to be paid pursuant to Section 3.01(b) on the principal amount of Initial Term Loans so assigned.

Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and is authorized (which authorization is coupled with an interest) to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 12.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (a) and (b) above, recordation of the assignment on the Register by the Administrative Agent pursuant to Section 12.15 and, if so requested by the Replacement Lender,

delivery to the Replacement Lender of the appropriate Term Note or Term Notes executed by the Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including Sections 2.10, 2.11, 4.04, 11.06, 12.01 and 12.06), which shall survive as to such Replaced Lender.

2.14. Specified Refinancing Debt. (a) The Borrower may, from time to time after the Closing Date, add one or more new term loan facilities to the Term Facility ("Specified Refinancing Tern Loans"; and the commitments in respect of such new term facilities, the "Specified Refinancing Term Commitment") and/or add one or more new Classes of Additional Revolving Commitments ("Specified Refinancing Revolving Commitments" and, together with any Specified Refinancing Term Loans, "Specified Refinancing Debt"), in each case pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower, to (x) with respect to Specified Refinancing Term Loans, refinance all or any portion of any Term Loan Tranches then outstanding under this Agreement or (y) with respect to Specified Refinancing Revolving Commitments, refinance or replace all or any portion of any Additional Revolving Credit Commitment under the applicable Class then existing under this Agreement, as applicable, pursuant to a Refinancing Amendment; provided that:

(i) such Specified Refinancing Debt will rank *pari passu* in right of payment as the other Loans and Commitments hereunder;

(ii) such Specified Refinancing Debt will not be borrowed or guaranteed by any Person that is not a Credit Party;

(iii) such Specified Refinancing Debt will be (x) unsecured or (y) secured by the Collateral on a first lien "equal and ratable" basis with the Liens securing the Credit Document Obligations or on a "junior" basis with the Liens securing the Credit Document Obligations (in each case pursuant to one or more Acceptable Intercreditor Agreements (including pursuant to a joinder to each Acceptable Intercreditor Agreement then extant);

(iv) such Specified Refinancing Debt will have such pricing and optional prepayment terms as may be agreed by the Borrower and the applicable Lenders thereof;

(v) (i) such Specified Refinancing Term Loans will have a maturity date that is not prior to the Maturity Date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Term Loans being refinanced and (ii) such Specified Refinancing Revolving Commitments (and any Loans made thereunder) will have a maturity date that is not prior to the maturity date of Additional Revolving Credit Commitments under the applicable Class being refinanced (and any Loans made thereunder); provided, that the foregoing limitations in this clause (v) shall not apply to any such Specified Refinancing Debt having an aggregate principal amount outstanding, together with the aggregate principal amount of any Credit Agreement Refinancing Indebtedness excluded from clause (i) of the proviso of the definition of "Credit Agreement Refinancing Indebtedness", not exceeding $50,000,000 (as selected by the Borrower);

(vi) no Specified Refinancing Revolving Commitments shall have any scheduled mandatory commitment reductions prior to the maturity of the Additional Revolving Credit Commitments under the applicable Class being refinanced;

(vii) any Specified Refinancing Term Loans that are *pari passu* in right of payment and security shall share ratably in any voluntary and mandatory prepayments of Term Loans pursuant to Section 4 (or otherwise provide for more favorable prepayment treatment for the then outstanding Term Loan Tranches than the Specified Refinancing Term Loans);

(viii) the covenants and events of default of such Specified Refinancing Debt (excluding optional prepayment or redemption terms) shall be either (A) substantially identical to, or (taken as a whole) no more favorable (as determined by the Borrower in good faith) to the lenders thereof than those applicable to the Loans or Commitments being refinanced (other than covenants and events of default (x) applicable only to periods after the then Latest Maturity Date existing at the time of such refinancing or (y) that are more favorable to the lenders or the agent of such refinanced debt than those contained in the Credit Documents and are then conformed (or added) to the Credit Documents (it being understood that no consent of the Administrative Agent or any existing Lender shall be required to add any such more favorable provision to the Credit Documents)) or (B) then-current market terms (as determined by the Borrower in good faith at the time of Incurrence (or the obtaining of a commitment with respect thereto)) for the applicable type of Specified Refinancing Debt;

(ix) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans being so refinanced (and, in the case of any Specified Refinancing Revolving Commitments, to permanently reduce the Additional Revolving Credit Commitments under the applicable Class being refinanced); provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that are agreed among the Borrower and the Lenders thereof and applicable only during periods after the then Latest Maturity Date in effect and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans or Commitments being refinanced, plus additional amounts to the extent otherwise permitted to be incurred under this Agreement, plus any fees, premium, original issue discount and accrued interest associated therewith, and costs and expenses related thereto;

(x) if the Term Loans being refinanced are subordinated in right of security to the Initial Term Loans, then the Specified Refinancing Debt shall be subordinated in right of security to the Initial Term Loans on the same basis or be unsecured; and

(xi) if the Term Loans being refinanced are unsecured, then the Specified Refinancing Debt shall be unsecured.

(b) The Borrower shall make any request for Specified Refinancing Debt pursuant to a written notice to the Administrative Agent specifying in reasonable detail the proposed terms thereof. At the time of sending such notice, the Borrower shall specify the time period within which each applicable Lender is requested to respond (which shall in no event be less than ten Business Days from the date of delivery of such notice or such shorter period as may be agreed by the Administrative Agent in its sole discretion). Each applicable Lender shall notify the Administrative Agent within such time period whether or not it agrees to participate in providing such Specified Refinancing Debt and, if so, whether by an amount equal to, greater than, or less than its ratable portion (based on such Lender's ratable share in respect of the Loans or Commitments to be refinanced) of such Specified Refinancing Debt. Any Lender approached to provide all or a portion of any Specified Refinancing Debt may elect or decline, in its sole discretion, to provide such Specified Refinancing Debt. Any Lender not responding within such time period shall be deemed to have declined to participate in providing such Specified Refinancing Debt. The Administrative Agent shall notify the Borrower and each applicable Lender of the Lenders' responses to

each request made hereunder. To achieve the full amount of a requested issuance of Specified Refinancing Debt, and subject to the approval of the Administrative Agent (which approval shall not be unreasonably withheld, conditioned or delayed), the Borrower may also invite additional Eligible Transferees to become Lenders in respect of such Specified Refinancing Debt pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Borrower and the Administrative Agent.

(c) As a condition precedent to the effectiveness of any Refinancing Amendment, upon its request, the Administrative Agent shall have received a certificate of the Borrower dated the date thereof signed by an Authorized Officer of the Borrower, certifying and attaching the resolutions adopted by the Borrower approving such Specified Refinancing Debt and certifying that the conditions precedent set forth in clause (a) above have been satisfied, and, to the extent reasonably requested by the Administrative Agent, the Administrative Agent shall have received customary legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date under Section 5 or delivered from time to time pursuant to Section 8.12 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent (subject to Required Lenders Negative Consent)) and/or reaffirmation agreements, including any supplements or amendments to the Security Documents providing for such Specified Refinancing Debt to be secured thereby in form and substance reasonably satisfactory to the Administrative Agent (subject to Required Lenders Negative Consent).

(d) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Refinancing Amendment and/or any amendment to any other Credit Documents with the Borrower as may be necessary in order to establish new Term Loan Tranches or Additional Revolving Commitments of Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes, Term Loan Tranches or Additional Revolving Commitments, as the case may be, in each case on terms consistent with and/or to effect the provisions of this Section 2.14 (including, for the avoidance of doubt, any amendments required to establish any letter of credit or swingline facility in connection with the implementation of any Specified Refinancing Revolving Commitments). All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders.

(e) Each class of Specified Refinancing Debt incurred under this Section 2.14 shall be in an aggregate principal amount that is (x) not less than $5,000,000 and (y) an integral multiple of $1,000,000 in excess thereof.

(f) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as a separate "Term Facility" hereunder and treated in a manner consistent with the Term Facility being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the Borrower, the Administrative Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of or consistent with this Section 2.14.

(g) This Section 2.14 shall supersede any provisions in Section 12.06 or 12.12 to the contrary.

2.15. Extensions of Loans.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to all Lenders holding Loans of any Class or Commitments of any Class, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Loans or Commitments of such Class) and on the same terms to each such Lender, the Borrower is hereby permitted from time to time to consummate transactions with any individual Lender who accepts the terms contained in the relevant Extension Offer to extend the Maturity Date of all or a portion of such Lender's Loans and/or Commitments of such Class and otherwise modify the terms of all or a portion of such Loans and/or Commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or Commitments (and related outstandings) and/or modifying the amortization schedule, if any, in respect of such Loans) (each, an "Extension"); it being understood that any Extended Term Loans shall constitute a separate Class of Loans from the Class of Loans from which they were converted and any Extended Revolving Credit Commitments shall constitute a separate Class of Additional Revolving Credit Commitments from the Class of Additional Revolving Credit Commitments from which they were converted, so long as the following terms are satisfied:

(i) except as to (x) interest rates, fees and final maturity (which shall, subject to clause (iii)(y) below, be determined by the Borrower and set forth in the relevant Extension Offer), (y) terms applicable to such Extended Revolving Credit Commitments or Extended Revolving Loans that are more favorable to the lenders or the agent of such Extended Revolving Credit Commitments or Extended Revolving Loans than those contained in the Credit Documents and are then conformed (or added) to the Credit Documents on or prior to the effectiveness of such Extension for the benefit of the Additional Revolving Lenders or, as applicable, the Administrative Agent pursuant to the applicable Extension Amendment and (z) any terms or other provisions applicable only to periods after the Latest Revolving Loan Maturity Date (in each case, as of the date of such Extension), the commitment of any Additional Revolving Lender that agrees to an Extension (an "Extended Revolving Credit Commitment"; and the Loans thereunder, "Extended Revolving Loans"), and the related outstandings, shall be a revolving commitment (or related outstandings, as the case may be) with substantially consistent terms (or terms not less favorable to existing Additional Revolving Lenders) as the Class of Additional Revolving Credit Commitments subject to the relevant Extension Offer (and related outstandings) provided hereunder; provided that to the extent more than one Additional Revolving Facility exists after giving effect to any such Extension, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on any Additional Revolving Facility (and related outstandings), (B) repayments required upon the Maturity Date of any Additional Revolving Facility and (C) repayments made in connection with any permanent repayment and termination of any Additional Revolving Credit Commitments (subject to clause (3) below)) of Extended Revolving Loans after the effective date of such Extended Revolving Credit Commitments shall be made on a pro rata basis with all other Additional Revolving Facilities, (2) all swingline loans and/or letters of credit made or issued, as applicable, under any Extended Revolving Credit Commitment shall be participated on a pro rata basis by all Additional Revolving Lenders of the applicable Class and (3) any permanent repayment of Additional Revolving Loans with respect to, and reduction or termination of Additional Revolving Credit Commitments under, any Additional Revolving Facility after the effective date of such Extended Revolving Credit Commitments shall be made on a pro rata basis or less than pro rata basis with all other Additional Revolving Facilities, except that the Borrower shall be permitted to permanently repay Additional Revolving Loans and terminate Additional Revolving Credit Commitments of any Additional Revolving Facility on a greater than pro rata basis (I) as compared to any other Additional Revolving Facilities with a later Maturity Date than such

Additional Revolving Facility or (II) to the extent refinanced or replaced with a Replacement Revolving Facility or Replacement Debt;

(ii) except as to (x) interest rates, fees, amortization, final maturity date, premiums, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii)(x), (iv) and (v), be determined by the Borrower and set forth in the relevant Extension Offer), (y) terms applicable to such Extended Term Loans that are more favorable to the lenders or the agent of such Extended Term Loans than those contained in the Credit Documents and are then conformed (or added) to the Credit Documents on or prior to the effectiveness of such Extension for the benefit of the Term Lenders or, as applicable, the Administrative Agent pursuant to the applicable Extension Amendment and (z) any terms or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of such Extension), the Term Loans of any Lender extended pursuant to any Extension (any such extended Term Loans, the "Extended Term Loans") shall have substantially consistent terms (or terms not less favorable to existing Lenders) as the tranche of Term Loans subject to the relevant Extension Offer;

(iii) (x) the final maturity date of any Extended Term Loans shall be no earlier than the then applicable Latest Term Loan Maturity Date at the time of extension and (y) no Extended Revolving Credit Commitments or Extended Revolving Loans shall have a final maturity date earlier than (or require commitment reductions prior to) the then applicable Latest Revolving Loan Maturity Date;

(iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of any then-existing Term Loans;

(v) subject to clauses (iii) and (iv) above, any Extended Term Loans may otherwise have an amortization schedule as determined by the Borrower and the Lenders providing such Extended Term Loans;

(vi) any Extended Term Loans may provide for the ability to participate (A) on a pro rata basis or non-pro rata basis in any voluntary prepayment of Term Loans made pursuant to Section 4.01 and (B) on a pro rata or less than pro rata basis (but not on a greater than pro rata basis other than in the case of prepayment with proceeds of Indebtedness refinancing such Extended Term Loans) in any mandatory prepayment of Term Loans required pursuant to Section 4.02(b), (c), (d) or (e);

(vii) if the aggregate principal amount of Loans or commitments, as the case may be, in respect of which Lenders shall have accepted the relevant Extension Offer exceeds the maximum aggregate principal amount of Loans or commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans or commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) held by Lenders that have accepted such Extension Offer;

(viii) unless the Administrative Agent otherwise agrees, each Extension shall be in a minimum amount of $5,000,000;

(ix) any applicable Minimum Extension Condition shall be satisfied or waived by the Borrower; and

(x) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to any Extension consummated by the Borrower pursuant to this Section 2.15, (i) no such Extensions shall constitute a voluntary or mandatory payment or prepayment for the purposes of Section 4 and (ii) the scheduled amortization payments (in so far as such schedule affects payments due to Lenders participating in the relevant Class) set forth in Section 4.02(b) shall be adjusted to give effect to such Extension of the relevant Class and (iii) except as set forth in clause (a) (viii) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Borrower may, at its election, specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and which may be waived by the Borrower in its sole discretion) of Loans or commitments (as applicable) of any or all applicable Classes be tendered. The Administrative Agent and the Lenders hereby consent to the Extensions and the other transactions contemplated by this Section 2.15 (including payment of any interest, fees or premium in respect of any tranche of Extended Term Loans and/or Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement or any other Credit Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.15.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Loans and/or commitments under any Class (or a portion thereof). All Extended Term Loans and Extended Revolving Credit Commitments and all obligations in respect thereof shall constitute Secured Obligations under this Agreement and the other Credit Documents that are secured by the Collateral and guaranteed on a pari passu basis with all other Credit Document Obligations under this Agreement and the other Credit Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Extension Amendment and such other amendments to this Agreement and the other Credit Documents with the Borrower as may be necessary in order to establish new Classes or sub- Classes in respect of Loans or commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.15 (including, for the avoidance of doubt, any amendments required to establish any letter of credit or swingline facility in connection with the implementation of any Extended Revolving Credit Commitments). All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders. As a condition precedent to the effectiveness of any Extension Amendment, upon its request, the Administrative Agent shall have received a certificate of the Borrower dated the date thereof signed by an Authorized Officer of the Borrower, certifying and attaching the resolutions adopted by the Borrower approving such Extension Amendment and certifying that the conditions precedent set forth in clause (a) above have been satisfied, and, to the extent reasonably requested by the Administrative Agent, the Administrative Agent shall have received customary legal opinions consistent with those delivered on the Closing Date under Section 5 or delivered from time to time pursuant to Section 8.12 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent (subject to Required Lenders Negative Consent)) and/or reaffirmation agreements in form and substance reasonably satisfactory to the Administrative Agent (subject to Required Lenders Negative Consent). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. For the avoidance of doubt, no existing Lender will have any obligation to commit to any such Extension.

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including rendering timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.15.

(e) This Section 2.15 shall supersede any provisions in Section 12.06 or 12.12 to the contrary.

2.16. Incremental Credit Extensions.

(a) The Borrower may, at any time, on one or more occasions pursuant to an Incremental Facility Amendment (i) add one or more new Classes of term facilities and/or increase the principal amount of the Term Loans of any existing Class by requesting new term loan commitments to be added to such Loans (any such new Class or increase, an "Incremental Term Facility" and any loans made pursuant to an Incremental Term Facility, "Incremental Term Loans") and/or (ii) add one or more new Classes of revolving commitments and/or increase the aggregate amount of the Revolving Credit Commitments of any existing Class (any such new Class or increase, an "Incremental Revolving Facility" and, together with any Incremental Term Facility, "Incremental Facilities", or either or any thereof, an "Incremental Facility"; and the loans thereunder, "Incremental Revolving Loans" and, together with any Incremental Term Loans, "Incremental Loans") in an aggregate outstanding principal amount not to exceed the Incremental Cap; provided that:

(i) no Incremental Commitment in respect of any Incremental Facility may be in an amount that is less than the Minimum Borrowing Amount (or such lesser amount to which the Administrative Agent may reasonably agree);

(ii) except as separately agreed from time to time between the Borrower and any Lender, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender (it being agreed that the Borrower shall not be obligated to offer the opportunity to any Lender to participate in any Incremental Facility);

(iii) no Incremental Facility or Incremental Loan (nor the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a lender providing all or part of such Incremental Facility or Incremental Loan;

(iv) any such Incremental Revolving Facility shall (A) either (1) be consistent with the existing Term Loan (except as otherwise set forth herein or as is otherwise customary to reflect the revolving nature of such Incremental Revolving Facility) or (2) be subject to the same terms and conditions as any then-existing Additional Revolving Facility (and be deemed added to, and made a part of, such Additional Revolving Facility) (it being understood that, if required to consummate an Incremental Revolving Facility, the Borrower may increase the pricing, interest rate margins, rate floors and undrawn fees on the applicable Additional Revolving Facility being increased for all lenders under such Additional Revolving Facility, but additional upfront or similar fees may be payable to the lenders participating in such Incremental Revolving Facility without any requirement to pay such amounts to any existing Additional Revolving Lenders) or (B) mature no earlier than, and require no scheduled mandatory commitment reduction prior to, the date that is five years from the Closing Date and all other material terms

(other than pricing, maturity, upfront, arrangement, structuring, underwriting, ticking, consent, amendment and other fees, participation in mandatory prepayments or commitment reductions, any financial covenant (springing or otherwise) and immaterial terms, which shall be determined by the Borrower) shall be substantially consistent with any Additional Revolving Facility or shall be reasonably satisfactory to the Administrative Agent (subject to Required Lenders Negative Consent) (it being understood that (x) any terms that are consistent with any then-existing Term Facility are reasonably satisfactory to the Administrative Agent and (y) if any financial maintenance covenant or other more favorable provision is added for the benefit of any Incremental Revolving Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant or other provision is (1) also added for the benefit of any then-existing Additional Revolving Facility or (2) if not added for the benefit of any then-existing Additional Revolving Facility, only applicable after the applicable Latest Revolving Loan Maturity Date);

(v) the Effective Yield (and the components thereof) applicable to any Incremental Facility may be determined by the Borrower and the lender or lenders providing such Incremental Facility; provided that, in the case of any broadly syndicated Dollar-denominated Incremental Term Facility, the Effective Yield applicable thereto may not be more than 0.50% higher than the Effective Yield applicable to the Initial Term Loans unless the Applicable Margin (and/or, as provided in the proviso below, the Base Rate floor or LIBO Rate floor) with respect to the Initial Term Loans is adjusted such that the Effective Yield on the Initial Term Loans is not more than 0.50% per annum less than the Effective Yield with respect to such Incremental Facility (this proviso, the "MFN Provision"); provided further that any increase in Effective Yield applicable to any Initial Term Loan due to the application or imposition of an Base Rate floor or LIBO Rate floor on any Incremental Term Loan may, at the election of the Borrower, be effected through an increase in (or implementation of, as applicable) any Base Rate floor or LIBO Rate floor applicable to such Initial Term Loans or an increase in the interest rate margin applicable to such Incremental Loans; provided further that the MFN Provision shall not apply to Incremental Term Facilities incurred more than twelve months after the Closing Date;

(vi) the final maturity date with respect to any Incremental Term Loans shall be no earlier than the Initial Term Loan Maturity Date at the time of the incurrence thereof; provided, that the foregoing limitation shall not apply to (i) customary bridge loans with a maturity date not longer than one year which, subject to customary conditions, provides for automatic conversion or exchange into Indebtedness that otherwise complies with the requirements of this clause (vi) or (ii) Incremental Term Facilities having an aggregate principal amount outstanding not exceeding $50,000,000 (as selected by the Borrower);

(vii) the Weighted Average Life to Maturity of any Incremental Term Facility shall be no shorter than the remaining Weighted Average Life to Maturity of the Initial Term Loans; provided, that the foregoing limitation shall not apply to (i) customary bridge loans with a maturity date not longer than one year which, subject to customary conditions, provides for automatic conversion or exchange into Indebtedness that otherwise complies with the requirements of this clause (vii) or (ii) Incremental Term Facilities having an aggregate principal amount outstanding not exceeding $50,000,000 (as selected by the Borrower);

(viii) subject to clauses (vi) and (vii) above, any Incremental Term Facility may otherwise have an amortization schedule as determined by the Borrower and the lenders providing such Incremental Term Facility;

(ix) subject to clause (v) above, to the extent applicable, any fees payable in connection with any Incremental Facility shall be determined by the Borrower and the arrangers and/or lenders providing such Incremental Facility;

(x) (A) each Incremental Facility shall rank *pari passu* with the Initial Term Loans in right of payment and security and (B) no Incremental Facility may be (x) guaranteed by any Person which is not a Credit Party or (y) secured by Liens on any assets other than the Collateral;

(xi) any Incremental Term Facility may provide for the ability to participate (A) on a pro rata basis or non-pro rata basis in any voluntary prepayment of Term Loans made pursuant to Section 4.01(a) and (B) on a pro rata or less than pro rata basis (but not on a greater than pro rata basis, other than in the case of prepayment with proceeds of Indebtedness refinancing such Incremental Term Loans) in any mandatory prepayment of Term Loans required pursuant to Section 4.02(b), (c), (d) or (e);

(xii) no Event of Default shall exist immediately prior to or after giving effect to the effectiveness of such Incremental Facility (except in connection with a Permitted Acquisition or other permitted Investment or irrevocable repayment or redemption of Indebtedness, where no Event of Default pursuant to Section 10.01(a) or Section 10.01(e) shall exist at the time as elected by the Borrower pursuant to Section 1.05);

(xiii) except as otherwise required or permitted in clauses (v) through (xi) above, all other terms of any Incremental Term Facility shall be as agreed between the Borrower and the lenders providing such Incremental Term Facility;

(xiv) the proceeds of any Incremental Facility may be used for working capital, Capital Expenditures and other general corporate purposes of the Borrower and its subsidiaries (including Permitted Payments, Restricted Payments, Investments, Permitted Acquisitions, Restricted Debt Payments and any other purpose not prohibited by the terms of the Credit Documents); and

(xv) on the date of the making of any Incremental Term Loans that will be added to any Class of then existing Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.08 or 2.09, such Incremental Term Loans shall be added to (and constitute a part of, be of the same Type as and, at the election of the Borrower, have the same Interest Period as) each Borrowing of outstanding Term Loans of such Class on a pro rata basis (based on the relative sizes of such Borrowings), so that each Term Lender providing such Incremental Term Loans will participate proportionately in each then-outstanding Borrowing of Term Loans of such Class; it being acknowledged that the application of this clause may result in new Incremental Term Loans having Interest Periods (the duration of which may be less than one month) that begin during an Interest Period then applicable to outstanding LIBO Rate Loans of the relevant Class and which end on the last day of such Interest Period.

(b) Incremental Commitments may be provided by any existing Lender or by any other Eligible Transferee (any such other Eligible Transferee being called an "Additional Lender"); provided that the Administrative Agent shall have consented (such consent not to be unreasonably withheld, conditioned or delayed) to the relevant Additional Lender's provision of Incremental Commitments if such consent would be required under Section 12.04(a) for an assignment of Loans to such Additional Lender; provided further, that any Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 12.04(f) and (g), *mutatis mutandis*, to the same extent as if the relevant Incremental Commitments and related Credit Document Obligations had been obtained by such Lender by way of assignment.

(c) Each Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Borrower all such documentation (including the relevant Incremental Facility Amendment) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, each Additional Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As a condition precedent to the effectiveness of any Incremental Facility or the making of any Incremental Loans, (i) upon its reasonable request, the Administrative Agent shall have received customary written opinions of counsel consistent with those delivered on the Closing Date under Section 5 or delivered from time to time pursuant to Section 8.12 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent (subject to Required Lenders Negative Consent)), as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall have received, from each Additional Lender, an Administrative Questionnaire in the form provided to such Additional Lender by the Administrative Agent and such other documents as it shall reasonably require from such Additional Lender, (iii) the Administrative Agent and applicable Additional Lenders shall have received all fees required to be paid in respect of such Incremental Facility or Incremental Loans and (iv) upon its request, the Administrative Agent shall have received a certificate of the Borrower signed by an Authorized Officer thereof:

(A) certifying and attaching a copy of the resolutions adopted by the governing body of the Borrower approving or consenting to such Incremental Facility or Incremental Loans, and

(B) to the extent applicable, certifying that the condition set forth in clause (a)(xii) above has been satisfied.

(e) Upon the implementation of any Incremental Revolving Facility pursuant to this Section 2.16:

(i) if such Incremental Revolving Facility establishes Additional Revolving Credit Commitments of the same Class as any then-existing Class of Additional Revolving Credit Commitments, (A) each Additional Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each relevant Incremental Revolving Facility Lender, and each relevant Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed a portion of such Additional Revolving Lender's participations hereunder in any outstanding letters of credit and swingline loans such that, after giving effect to each deemed assignment and assumption of participations, all of the Additional Revolving Lenders' (including each Incremental Revolving Facility Lender's) (I) participations hereunder in any letters of credit and (II) participations hereunder in any swingline loans shall be held on a pro rata basis on the basis of their respective Additional Revolving Credit Commitments (after giving effect to any increase in the Additional Revolving Credit Commitment pursuant to this Section 2.16) and (B) the existing Additional Revolving Lenders of the applicable Class shall assign Additional Revolving Loans to certain other Additional Revolving Lenders of such Class (including the Additional Revolving Lenders providing the relevant Incremental Revolving Facility), and such other Additional Revolving Lenders (including the Additional Revolving Lenders providing the relevant Incremental Revolving Facility) shall purchase such Additional Revolving Loans, in each case to the extent necessary so that all of the Additional Revolving Lenders of such Class participate in each outstanding borrowing of Additional Revolving Loans pro rata on the basis of their respective

Additional Revolving Credit Commitments of such Class (after giving effect to any increase in the Additional Revolving Credit Commitment pursuant to this Section 2.16); it being understood and agreed that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (i); and

(ii) if such Incremental Revolving Facility establishes Additional Revolving Credit Commitments of a new Class, (A) the borrowing and repayment (except for (I) payments of interest and fees at different rates on any Additional Revolving Facility, (II) repayments required upon the Maturity Date of any Additional Revolving Facility and (III) repayments made in connection with any permanent repayment and termination of any Additional Revolving Credit Commitments (subject to clause (B) below)) of Incremental Revolving Loans after the effective date of such Incremental Revolving Facility Commitments shall be made on a pro rata basis with any then-existing Additional Revolving Facility and (B) any permanent repayment of Additional Revolving Loans with respect to, and reduction or termination of Additional Revolving Credit Commitments under, any Additional Revolving Facility after the effective date of any Incremental Revolving Facility shall be made on a pro rata basis or less than pro rata basis with all other Additional Revolving Facilities, except that the Borrower shall be permitted to permanently repay Additional Revolving Loans and terminate Additional Revolving Credit Commitments of any Additional Revolving Facility on a greater than pro rata basis (I) as compared to any other Additional Revolving Facilities with a later Maturity Date than such Additional Revolving Facility or (Y) to the extent refinanced or replaced with a Replacement Revolving Facility or Replacement Debt.

(f) On the date of effectiveness of any Incremental Revolving Facility, the maximum amount of letters of credit and/or swingline loans, as applicable, permitted hereunder shall increase by (or shall be established in) the amount, if any, agreed upon by the Administrative Agent, the Borrower and the relevant issuing banks and/or the swingline lender, as applicable.

(g) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Amendment and/or any amendment to any other Credit Document with the Borrower as may be necessary in order to establish new or any increase in any Classes or sub-Classes in respect of Loans or commitments pursuant to this Section 2.16 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment or increase, as applicable, of such Classes or sub-Classes, in each case on terms consistent with this Section 2.16 (including, for the avoidance of doubt, any amendments required to establish any letter of credit or swingline facility in connection with the implementation of any Additional Revolving Credit Commitments). All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders.

(h) Notwithstanding anything to the contrary in this Section 2.16 (including Section 2.16(d)) or in any other provision of any Credit Document, if the proceeds of any Incremental Facility are intended to be applied to finance a Permitted Acquisition or other permitted Investment and the lenders providing such Incremental Facility so agree, the availability thereof shall be subject to customary "SunGard" or "certain funds" conditionality (including the making and accuracy of Specified Representations as conformed for such Permitted Acquisition or other permitted Investment).

(i) This Section 2.16 shall supersede any provision in Section 12.06 or Section 12.12 to the contrary.

Section 3. Fees; Reductions of Term Loan Commitment.

3.01. Fees. (a) The Borrower agrees to pay to the Administrative Agent such fees as agreed to in the Fee Letter or such other fees as may be agreed to in writing from time to time by Holdings or any of its Subsidiaries and the Administrative Agent.

(b) In connection with any prepayment of Initial Term Loans pursuant to Section 4.01(a) or 4.02(b) upon any Repricing Event that is consummated in respect of all or any portion of the Initial Term Loans prior to the six-month anniversary of the Closing Date, the Borrower shall pay to the Administrative Agent, for the ratable account of each Lender with Initial Term Loans that are subject to such Repricing Event (including any Lender which is replaced pursuant to Section 2.13 as a result of its refusal to consent to an amendment giving rise to such Repricing Event), a fee in an amount equal to 1.00% of the aggregate principal amount of the Initial Term Loans subject to such prepayment or Repricing Event. Such fees shall be earned, due and payable upon the date of the occurrence of the respective prepayment or Repricing Event.

3.02. Mandatory Reduction of Term Loan Commitments. The Total Term Loan Commitment (and the Term Loan Commitment of each Lender) shall terminate in its entirety on the date of initial occurrence of Term Loans under such Term Loan Tranche (after giving effect to the incurrence of Term Loans on such date).

Section 4. Prepayments; Payments; Taxes.

4.01. Voluntary Prepayments. (a) The Borrower shall have the right to prepay the Term Loans, without premium or penalty (except as provided in Section 3.01(b)), in whole or in part at any time and from time to time on the following terms and conditions: (i) the Borrower shall give the Administrative Agent prior to 12:00 Noon (New York City time) at the Notice Office (x) at least one Business Day's prior written notice of its intent to prepay Base Rate Loans and (y) at least three Business Days' prior written notice of its intent to prepay LIBOR Loans, which notice (in each case) shall specify the amount of such prepayment and the Types of Term Loans to be prepaid and, in the case of LIBOR Loans, the specific Borrowing or Borrowings pursuant to which such LIBOR Loans were made, and which notice the Administrative Agent shall promptly transmit to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 4.01(a) shall be in an aggregate principal amount of at least $1,000,000 (or such lesser amount as is acceptable to the Administrative Agent in any given case), provided that if any partial prepayment of LIBOR Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBOR Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, then such Borrowing may not be continued as a Borrowing of LIBOR Loans (and same shall automatically be converted into a Borrowing of Base Rate Loans) and any election of an Interest Period with respect thereto given by the Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 4.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans; (iv) each prepayment of Term Loans pursuant to this Section 4.01(a) shall reduce the then remaining Scheduled Term Loan Repayments in such manner as directed by the Borrower (and absent such direction, in direct order of maturity); and (v) any prepayment of Initial Term Loans made pursuant to this Section 4.01(a) prior to the second anniversary of the Closing Date shall be accompanied by the payment of the fee described in Section 3.01(b).

(b) In the event of certain refusals by an Appropriate Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 12.12(b), the Borrower may, upon five Business Days' prior written notice to the Administrative Agent at the Notice Office (which

notice the Administrative Agent shall promptly transmit to each of the Lenders), repay all Term Loans of such Lender (including all amounts, if any, owing pursuant to Sections 2.11 and 3.01(b)), together with accrued and unpaid interest, Fees and all other amounts then owing to such Lender in accordance with, and subject to the requirements of, said Section 12.12(b), so long as the consents, if any, required by Section 12.12(b) in connection with the repayment pursuant to this clause (b) shall have been obtained. Each prepayment of Term Loans pursuant to this Section 4.01(b) shall reduce the then remaining Scheduled Term Loan Repayments in such manner as directed by the Borrower (and, absent such direction, in direct order of maturity).

4.02. Mandatory Repayments. (a) (i) In addition to any other mandatory repayments or prepayments pursuant to this Section 4.02, the Borrower hereby unconditionally promises to repay the outstanding principal amount of the Initial Term Loans to the Administrative Agent for the account of each applicable Term Lender (x) on the first Business Day of each April, July, October and January prior to the Initial Term Loan Maturity Date, commencing on the first Business Day of April 2019, (each such date, a "Scheduled Term Loan Repayment Date"), in each case in an amount equal to 0.25% of the original principal amount of the Initial Term Loans as of the Closing Date (each such repayment, as the same may be reduced from time to as provided in Section 4.01(a), 4.01(b) or 4.02(f) and pursuant to purchases or assignments in accordance with Section 12.04(f), or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.16(a), a "Scheduled Term Loan Repayment") and (ii) on the Initial Term Loan Maturity Date, in an amount equal to the remainder of the principal amount of the Initial Term Loans outstanding on such date, together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

(ii) The principal amount of Specified Refinancing Term Loans of each Lender shall be repaid as provided in the Refinancing Amendment, subject to the requirements of Section 2.14 (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in 4.01 and 4.02). To the extent not previously paid, each Specified Refinancing Term Loan shall be due and payable on the Maturity Date applicable to such Specified Refinancing Term Loans.

(iii) The principal amount of Extended Term Loans of each Extending Term Loan Lender shall be repaid as provided in the applicable Extension Amendment as contemplated by Section 2.15, subject to the requirements of Section 2.15 (which installments shall, to the extent applicable, be reduced from time to as provided in Section 4.01(a), 4.01(b) or 4.02(f) and pursuant to purchases or assignments in accordance with Section 12.04(f), or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.16(a)). To the extent not previously paid, each Extended Term Loan shall be due and payable on the Maturity Date applicable to such Extended Term Loans.

(iv) The principal amount of Incremental Term Loans shall be repaid as provided in the applicable Incremental Facility Amendment as contemplated by Section 2.16, subject to the requirements of Section 2.16 (which installments shall, to the extent applicable, be reduced from time to as provided in Section 4.01(a), 4.01(b) or 4.02(f) and pursuant to purchases or assignments in accordance with Section 12.04(f), or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.16(a)). To the extent not previously paid, each Incremental Term Loan shall be due and payable on the Maturity Date applicable to such Incremental Term Loans.

(b) In addition to any other mandatory repayments or prepayments of Term Loans pursuant to this Section 4.02, within five Business Days of each date on or after the Closing Date upon which the Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any Debt

Issuance, the Borrower shall make a prepayment of Subject Loans (subject to the allocation provisions set forth in each Acceptable Intercreditor Agreement then extant) in an amount equal to 100% of the Net Cash Proceeds of the respective Debt Issuance and with such mandatory repayment to be applied in accordance with the requirements of Sections 4.02(f) and (g).

(c) In addition to any other mandatory repayments or prepayments of Term Loans pursuant to this Section 4.02, within five Business Days of each date on or after the Closing Date upon which the Borrower or any of Subsidiary Guarantor receives any cash proceeds from Asset Dispositions made pursuant to Section 9.08 in excess of (i) $5,000,000, in the case of any single transaction or a series of related transactions or (ii) $15,000,000 in the aggregate in any fiscal year (other than cash proceeds from the sale of ABL Priority Collateral to the extent that such cash proceeds are applied in accordance with the terms of the respective ABL Facility), the Borrower shall make a prepayment of Subject Loans (subject to allocation provisions set forth in the ABL Intercreditor Agreement) in an amount equal to 100% of the Net Available Cash therefrom, with such mandatory repayment to be applied in accordance with the requirements of Sections 4.02(f) and (g); provided that such Net Available Cash shall not be required to be so allocated or applied on such date so long as no Event of Default then exists and such Net Available Cash shall be used to purchase assets (other than inventory and working capital) used or to be used in the businesses permitted pursuant to Section 8.22 (x) within 365 days following the date of such Asset Disposition or (y) if the Borrower or a Restricted Subsidiary thereof has contractually committed to use such Net Available Cash before the expiration of the 365-day period referred to in clause (x), within 180 days after the end of such 365-day period, and provided further, that if all or any portion of such Net Available Cash not required to be so allocated or applied as provided above in this Section 4.02(c) are not so reinvested within such 365-day period (as such period may be extended as permitted above) (or, in either case, such earlier date, if any, as the Borrower or the relevant Restricted Subsidiary determines not to reinvest the Net Available Cash from such Asset Disposition as set forth above), such remaining portion shall be allocated or applied on the last day of such period (or such earlier date, as the case may be) as provided above in this Section 4.02(c) without regard to the immediately preceding proviso.

(d) In addition to any other mandatory repayments or prepayments of Term Loans pursuant to this Section 4.02, on each Excess Cash Flow Payment Date, the Borrower shall prepay the Subject Loans in accordance with the requirements of Section 4.02(f) and (g) and in an aggregate principal amount (the "ECF Prepayment Amount") equal to the positive difference (if any) between (X) the Applicable Excess Cash Flow Percentage of the Excess Cash Flow for the related Excess Cash Flow Period (this clause (X), the "Base ECF Prepayment Amount") less the sum of (Y) at the option of the Borrower, to the extent occurring during such Excess Cash Flow Period (or occurring after such Excess Cash Flow Period and prior to such Excess Cash Flow Payment Date), and without duplication (including duplication of any amounts deducted in any prior Excess Cash Flow Period), the following (collectively, the "ECF Deductions"):

(1) the aggregate principal amount of any (I) Term Loans and Additional Revolving Loans prepaid pursuant to Section 4.01(a) and (II) loans under any ABL Facility or any ABL Incremental Debt voluntarily prepaid (or contractually committed to be prepaid, with an increase in the applicable future period to the extent so deducted but not actually prepaid); *plus*

(2) the aggregate principal amount of any Incremental Equivalent Debt, Replacement Debt and/or any other Indebtedness permitted to be incurred pursuant to Section 9.04 in each case to the extent secured by Liens on the Collateral that are *pari passu* with the Liens on the Term Loan Priority Collateral securing the Term Facility, voluntarily prepaid, repurchased, redeemed or otherwise retired (or

contractually committed to be prepaid, repurchased, redeemed or other wise retired); *plus*

(3) the amount of any reduction in the outstanding amount of any Term Loans, Incremental Equivalent Debt, Replacement Debt and/or any other Indebtedness permitted to be incurred pursuant to Section 9.04 to the extent secured by Liens on the Term Loan Priority Collateral that are *pari passu* with the Liens on the Collateral securing the Term Facility, resulting from any purchase or assignment made in accordance with Section 12.04(f) of this Agreement (including in connection with any Dutch Auction) (with respect to Term Loans) and any equivalent provisions with respect to any Incremental Equivalent Debt, Replacement Debt and/or such other Indebtedness, in each case, at the purchase price of such purchase or assignment;

in the case of each of clauses (1)-(3), (I) excluding any such payments, prepayments and expenditures made during such Fiscal Year that reduced the amount required to be prepaid pursuant to this Section 4.02(d) in the prior Fiscal Year, (II) in the case of any prepayment of revolving Indebtedness, to the extent accompanied by a permanent reduction in the relevant commitment, (III) to the extent that such payments, prepayments and expenditures were not financed with the proceeds of other long-term Indebtedness (other than revolving Indebtedness) of the Borrower or its Restricted Subsidiaries and (IV) in each case under clause (3) above, based upon the actual amount of cash paid in connection with any relevant purchase or assignment; provided that (x) no prepayment under this Section 4.02(d) shall be required unless the principal amount of the applicable Subject Loans required to be prepaid exceeds $5,000,000 (and, in such case, only such amount in excess of $5,000,000 shall be required to be prepaid) and (y) to the extent the aggregate ECF Deductions for any Excess Cash Flow Period exceeds the Base ECF Prepayment Amount for such period, the Borrower may carry forward such excess as additional ECF Deductions to any subsequent Excess Cash Flow Period.

(e) In addition to any other mandatory repayments or prepayments of Term Loans pursuant to this Section 4.02, within five Business Days of each date on or after the Closing Date upon which the Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any Casualty Event (other than cash proceeds from a Casualty Event in respect of ABL Priority Collateral to the extent such cash proceeds are applied in accordance with the terms of the respective ABL Facility), the Borrower shall make a prepayment (subject to the allocation provisions in the ABL Intercreditor Agreement) in an amount equal to 100% of the Net Available Cash from such Casualty Event, and with such mandatory repayment to be applied in accordance with the requirements of Sections 4.02(f) and (g); provided, however, that such Net Available Cash shall not be required to be so applied on such date so long as no Event of Default then exists and the Borrower has (x) delivered a certificate to the Administrative Agent on such date stating that such Net Available Cash shall be used to replace or restore any properties or assets in respect of which such Net Available Cash were paid within 365 days following the date of the receipt of such Net Available Cash (which certificate shall set forth the estimates of the Net Available Cash to be so expended) or (y) if the Borrower or a Restricted Subsidiary thereof has entered into a legally binding commitment to use such Net Available Cash to replace or restore any properties or assets in respect of which such Net Available Cash were paid before the expiration of the 365-day period referred to in preceding clause (x), within 60 days after the end of such 365-day period, and provided further, that if all or any portion of such Net Available Cash not required to be so applied pursuant to the preceding proviso are not so used within 365 days after the date of the receipt of such Net Available Cash (as such date may be extended as permitted above) (or, in either case, such earlier date, if any, as the Borrower or the relevant Restricted Subsidiary determines not to reinvest the Net Available Cash relating to such Casualty Event as set forth above), such remaining portion shall be applied on the

last day of such period (or such earlier date, as the case may be) as provided above in this Section 4.02(e) without regard to the immediately preceding proviso.

(f) Subject to Section 4.02(h), the amount of each principal prepayment made as required by Sections 4.02(b), (c), (d) and (e) and allocated pursuant to the ABL Intercreditor Agreement to the repayment of Subject Loans shall (i) be applied to each Class of Subject Loans on a pro rata basis (provided that any prepayment of Subject Loans with the Net Cash Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Refinanced Debt); and (ii) be applied to reduce the then remaining Scheduled Term Loan Repayments in such manner as directed by the Borrower (and, absent such direction, in direct order of maturity); provided that, if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is also required to prepay, repurchase or offer to prepay or repurchase any other Indebtedness (the "Other Applicable Indebtedness") that is secured by the Collateral on a "equal and ratable" basis with Liens securing the Obligations to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with any portion of the ECF Prepayment Amount or the applicable Net Available Cash or Net Cash Proceeds, then the Borrower may apply such portion of such amounts on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the applicable Subject Loans and the relevant Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time) to the prepayment of such Subject Loans and to the prepayment of the relevant Other Applicable Indebtedness, and the amount of prepayment of such Subject Loans that would have otherwise been required pursuant to this Section 4.02 shall be reduced accordingly; it being understood that (1) the portion of such ECF Prepayment Amount Net Available Cash or Net Cash Proceeds, as applicable, allocated to the Other Applicable Indebtedness shall not exceed the portion of such ECF Prepayment Amount, Net Available Cash or Net Cash Proceeds, as applicable, required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such ECF Prepayment Amount, Net Available Cash or Net Cash Proceeds, as applicable, shall be allocated to such Subject Loans in accordance with the terms hereof and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Other Applicable Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the applicable Subject Loans in accordance with the terms hereof.

(g) With respect to each repayment or prepayment of Term Loans required by this Section 4.02, the Borrower may designate the Types of Term Loans which are to be repaid and, in the case of LIBOR Loans, the specific Borrowing or Borrowings of such LIBOR Loans, provided that: (i) repayments of LIBOR Loans pursuant to this Section 4.02 may only be made on the last day of an Interest Period applicable thereto unless all LIBOR Loans with Interest Periods ending on such date of required repayment and all Base Rate Loans have been paid in full; (ii) if any repayment of LIBOR Loans made pursuant to a single Borrowing shall reduce the outstanding LIBOR Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, such Borrowing shall be automatically converted into a Borrowing of Base Rate Loans; and (iii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans (provided that any prepayment of Term Loans with the Net Cash Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Refinanced Debt). In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion (acting at the direction of the Required Lenders).

(h) The Borrower shall give the Administrative Agent at least 3 Business Days prior written notice of such prepayment pursuant to this Section 4.02. Each Lender may elect, by written notice

to the Administrative Agent 1 Business Day prior to any prepayment of Subject Loans required to be made by the Borrower pursuant to Sections 4.02 (b), (c), (d) or (e), to decline all (but not a portion) of its Applicable Percentage of such prepayment (such declined amounts, the "Declined Proceeds"), which Declined Proceeds may be retained by the Borrower and used for any legal purpose permitted (or not prohibited) hereunder, including to increase the Available Amount. If any Lender fails to deliver a notice to the Administrative Agent of its election to decline receipt of its Applicable Percentage of any mandatory prepayment within the time frame specified herein, such failure will be deemed to constitute an acceptance of such Lender's Applicable Percentage of the total amount of such mandatory prepayment of its Subject Loans.

(i) In addition to any other repayments or mandatory prepayments pursuant to this Section 4.02, all then outstanding Term Loans shall be repaid in full on the applicable Maturity Date.

4.03. Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Term Note shall be made to the Administrative Agent for the account of the Lender or Lenders entitled thereto not later than 12:00 Noon (New York City time) on the date when due and shall be made in U.S. Dollars in immediately available funds at the Payment Office, any such amounts received after 12:00 Noon (New York City time) may, in the Administrative Agent's discretion, be deemed received on the next Business Day. Whenever any payment to be made hereunder or under any Term Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

4.04. Taxes.

(a) Payments Free of Taxes. All payments made by the Borrower hereunder and under any Term Note will be made without setoff, counterclaim or other defense. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Credit Parties. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with Applicable Law any Other Taxes, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(c) Indemnification by the Credit Parties. The Credit Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising there from or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 4.04, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent (subject to Required Lenders Negative Consent).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed pursuant to or in connection with FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 4.04(f)(ii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 4.04 (including by the payment of additional amounts pursuant to this Section 4.04), it shall pay to the appropriate Credit Party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such Credit Party, upon the request of such Lender, shall repay to such Lender the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the Lender be required to pay any amount to a Credit Party pursuant to this paragraph (g) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Credit Party or any other Person.

(h) Survival. Each party's obligations under this Section 4.04 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Term Loan Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

Section 5. Conditions Precedent to the Incurrence of the Initial Term Loans on the Closing Date. that the Required Lenders shall be deemed to have consented to such modification, amendment, consent or waiver unless they object thereto in writing within 2 business days of receipt of written notice of such modification, amendment, consent or waiver); it being understood and agreed that (a) any increase in the purchase price from the purchase price set forth in the Acquisition Agreement shall be deemed not to be materially adverse to the interests of the Lenders in their capacities as such so long as such increase is funded by amounts available to be drawn under the ABL Facility or the Backstop Commitment Letter on the Closing Date or such increase is pursuant to any working capital or purchase price (or similar) adjustment provision set forth in the Acquisition Agreement, (b) any change to extend the "Sunset Date" (as defined in the Acquisition Agreement) to a date no later than the date that is 120 days after the date of the Fee Letter shall be deemed not to be materially adverse to the interests of the Lenders in their capacities as such and (c) any change to, or waiver, consent or approval by the Borrower in respect of, the definition of Closing Date Material Adverse Effect shall be deemed materially adverse to the interests of the Lenders in their capacities as such.

Notwithstanding anything to the contrary contained herein or in any other Credit Document, (x) all provisions of this Agreement and the other Credit Documents (including all conditions precedent, representations, warranties, covenants, events of default and other agreements herein and therein) shall be deemed modified to the extent necessary to effect the actions set forth on Schedule 8.18 (and to the permit the taking of such actions within the time periods required in Schedule 8.18 rather than as otherwise provided in the Credit Documents) and (y) to the extent any representation and warranty in any Credit Document would not be true because the actions in Schedule 8.18 were not taken on the Closing Date, the respective representation and warranty shall be required to be true and correct in all material respects at the time the respective action is taken (or was required to be taken) in accordance with Schedule 8.18.

8.19. Sanctions. (a) The Borrower will maintain in effect policies and procedures reasonably designed to ensure compliance by itself, its Subsidiaries and their respective directors, officers, employees and agents with applicable Sanctions.

(b) The Borrower will and will cause each of its Subsidiaries to conduct its business in compliance in all material respects with applicable Anti-Terrorism Laws, and shall not use any funding or proceeds from this Agreement to fund any business directly or indirectly with any Designated Person, or with Persons in countries that are the target of Sanctions (currently Crimea, Iran, Cuba, Syria and North Korea), except to the extent permissible for a Person required to comply with Sanctions, or in any other manner that would result in the violation of any Sanctions applicable to any party hereto;

(c) Notwithstanding any other provision of this Section 8.19, no Canadian Credit Party shall be required to comply with any applicable Anti-Terrorism Laws, or shall be restricted from engaging in any transaction, in each case, to the extent that such compliance or restriction would breach the Foreign Extraterritorial Measures Act (Canada).

8.20. Anti-Corruption Laws; Anti-Money Laundering Laws. The Borrower will maintain in effect policies and procedures reasonably designed to ensure compliance by itself, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws. The Borrower will and will cause each of its Subsidiaries to comply in all material respects with all Anti-Corruption Laws and Anti-Money Laundering Laws, and shall not use any funding or proceeds from this Agreement in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws.

8.21. Designation of Restricted and Unrestricted Subsidiaries. The Borrower may designate (or re-designate) any Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary if that designation would not cause an Event of Default; provided, however, that no Subsidiary may be designated as an Unrestricted Subsidiary if it is a "Restricted Subsidiary" for the purpose of the ABL Credit Agreement. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, then, other than in the case of New PortLP and New PortGP, such designation will be deemed to be an Investment by the Borrower therein made as of the time of the designation in an amount equal to the portion of the Fair Market Value of the net assets of such Subsidiary attributable to the Borrower's equity interest therein as estimated by the Borrower in good faith, and will reduce the amount available for Restricted Payments under Section 9.03 or under one or more clauses of the definition of Permitted Investments, as determined by the Borrower, in an amount equal to such deemed Investment. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Borrower may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Borrower; provided that such designation will be deemed to be an incurrence of Liens and Indebtedness by a Restricted Subsidiary of the Borrower of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Liens and Indebtedness are permitted under Sections 9.01 and 9.04, in each case, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period and (2) no Event of Default would be in existence following such designation. Any such designation by the Borrower shall be evidenced to the Administrative Agent by an Officer's Certificate certifying that such designation complies with the preceding conditions.

Notwithstanding anything to the contrary herein, on the Closing Date, New PortLP and New PortGP shall be the only Subsidiaries of the Borrower that shall be Unrestricted Subsidiaries.

8.22. Business; etc.. The Borrower and its Restricted Subsidiaries will engage (directly or indirectly) only in the businesses which relate to the production or distribution of steel or the manufacturing of steel product (including businesses such as mining) in which the Borrower and its Subsidiaries are engaged or planning to be engaged as of the Closing Date, or businesses reasonably ancillary thereto.

Section 9. Negative Covenants. Holdings (solely with respect to Section 9.11) and each other Credit Party party hereto hereby covenants and agrees that, on and after the Closing Date and until the Termination Date:

9.01. Liens. The Borrower will not, and will not permit any Subsidiary Guarantor to, directly or indirectly, create, Incur or permit to exist any Lien (each, an "Initial Lien") that

secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Borrower or any Subsidiary Guarantor, unless:

(i) In the case of Initial Liens on the Collateral, such Initial Lien is a Permitted Lien; or

(ii) In the case of Initial Liens on any asset or property that is not Collateral, such Initial Lien is a Permitted Lien pursuant to clause (31) thereof and secures Indebtedness permitted to be Incurred under Section 9.04.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

9.02. Merger and Consolidation. (a) The Borrower will not consolidate with, amalgamate or merge with or into or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(1) the resulting, surviving, continuing or transferee Person (the "Successor Company") will be a Person organized and existing under the laws of (x) Canada or any Province of Canada or (y) the United States of America, any State of the United States of America or the District of Columbia at the time of the execution of an assignment and assumption agreement and the Successor Company (if not the Borrower) will expressly assume, by an assignment and assumption agreement, executed and delivered to the Administrative Agent and the Collateral Agent, in form satisfactory to the Administrative Agent and the Collateral Agent (subject to Required Lenders Negative Consent), all the obligations of Borrower under the Credit Documents;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been Incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(3) the Borrower shall have delivered to the Administrative Agent and the Collateral Agent an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indenture (if any) comply with this Agreement and an Opinion of Counsel stating that such assignment and assumption agreement and the Credit Documents after giving effect to any related amendments thereto have been duly authorized, executed and delivered and are legal, valid and binding agreements enforceable against the applicable Successor Company (in each case, in form satisfactory to the Administrative Agent and the Collateral Agent (subject to Required Lenders Negative Consent)), provided that in giving an Opinion of

Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above; and

(4) (x) any security interests granted to the Collateral Agent for the benefit of the Secured Parties in the Collateral pursuant to the Security Documents shall remain in full force and effect and perfected (to at least the same extent as in effect immediately prior to such amalgamation or merger (including no additional limitations that would impact the Collateral Agent's ability to realize upon the Collateral in any material respect)) and all actions required to maintain said perfected status have been or will be promptly taken, in each case as required by Section 8.12 and (y) each Subsidiary Guarantor shall deliver a reaffirmation agreement in respect of its Guaranty and security interests with respect thereto to the Administrative Agent.

For purposes of this Section 9.02, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Borrower, which properties and assets, if held by the Borrower instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Borrower on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Borrower.

The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Borrower under this Agreement and the other Credit Documents but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under this Agreement or the other Credit Documents.

Notwithstanding the preceding clauses (2), (3) and (4) (which do not apply to transactions referred to in this sentence), (x) any Restricted Subsidiary of the Borrower may consolidate or otherwise combine with, merge or amalgamate into or transfer all or part of its properties and assets to the Borrower, (y) any Restricted Subsidiary may consolidate or otherwise combine with, merge, or amalgamate into or transfer all or part of its properties and assets to any other Restricted Subsidiary that is a Guarantor and (z) any Restricted Subsidiary that is not a Guarantor may consolidate or otherwise combine with, merge, or amalgamate into or transfer all or part of its properties and assets to any other Restricted Subsidiary that is not a Guarantor. Notwithstanding the preceding clause (2) (which does not apply to the transactions referred to in this sentence), the Borrower may consolidate or otherwise combine with or merge or amalgamate into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Borrower, reincorporating the Borrower in another jurisdiction, or changing the legal form of the Borrower.

The foregoing provisions (other than the requirements of clause (2) above) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Borrower.

(b) No Subsidiary Guarantor may:

(1) consolidate with or merge or amalgamate with or into any Person, or

(2) sell, convey, transfer or dispose of, all or substantially all its assets, in one transaction or a series of related transactions, to any Person, or

(3) permit any Person to merge or amalgamate with or into the Subsidiary Guarantor, unless:

(A) the other Person is the Borrower or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; provided that if such other Person is the Borrower, either (x) the Borrower shall be the continuing or surviving Person or (y) such transaction shall comply with the requirements set forth in Section 9.02(a); or

(B) either (x) a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Guaranty of the Obligations, this Agreement and the other Credit Documents;

(C) the transaction constitutes a sale or other disposition (including by way of consolidation, merger or amalgamation) of the Subsidiary Guarantor or the sale or disposition of all or substantially all the assets of the Subsidiary Guarantor (in each case other than to the Borrower or a Restricted Subsidiary) otherwise permitted by this Agreement; and

(D) any security interests granted to the Collateral Agent for the benefit of the Secured Parties in the Collateral pursuant to the Security Documents shall remain in full force and effect and perfected (to at least the same extent as in effect immediately prior to such amalgamation or merger) and all actions required to maintain said perfected status have been or will be promptly taken, in each case as required by Section 8.12.

(c) The foregoing provisions shall not apply to:

(1) any Permitted Acquisition;

(2) any Asset Disposition (including dispositions constituting any part of a Permitted Reorganization and/or an IPO Reorganization Transaction) permitted pursuant to Section 9.08; and

(3) (i) the liquidation or dissolution of any Restricted Subsidiary if the Borrower determines in good faith that such liquidation or dissolution is in the best interests of the Borrower, is not materially disadvantageous to the Lenders, and the Borrower or any Restricted Subsidiary receives any assets of the relevant dissolved or liquidated Restricted Subsidiary; (ii) any merger, amalgamation, dissolution, liquidation or consolidation, the purpose of which is to effect (A) any disposition otherwise permitted under Section 9.08 or this Section 9.02 or (B) any Permitted Investment; and (iii) the Borrower or any Restricted Subsidiary may be converted into another form of entity, in each case, so long as such conversion does not adversely affect the value of the Guaranty or the Collateral, taken as a whole.

9.03. Restricted Payments. (a) The Borrower will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution on or in respect of the Borrower's or any Restricted Subsidiary's Capital Stock (including any payment in connection with any merger, amalgamation or consolidation involving the Borrower or any of its Restricted Subsidiaries) except: (x) dividends or distributions payable in Capital Stock of the Borrower (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Borrower; and (y) dividends or distributions payable to the Borrower or a Restricted Subsidiary (and, in the case of any such

Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Borrower or another Restricted Subsidiary on no more than a pro rata basis);

(2) purchase, redeem, retire or otherwise acquire for value any Capital Stock of the Borrower or any Parent Entity of the Borrower held by Persons other than the Borrower or a Restricted Subsidiary of the Borrower;

(3) purchase, repurchase, redeem, prepay, repay, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Junior Financing in excess of $5,000,000 (other than (i) any such purchase, repurchase, redemption, defeasance or other acquisition or retirement in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of such purchase, repurchase, redemption, prepayment, repayment, defeasance or other acquisition or retirement and (ii) any Indebtedness Incurred pursuant to 9.04(b)(3)) (each, a "Restricted Debt Payment"); or

(4) make any Restricted Investment (any such dividend, distribution, purchase, redemption, prepayment, repayment, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in the preceding clauses (1) through (4) are referred to herein as a "Restricted Payment"),

unless, in each case of clauses (1) through (4), at the time the Borrower or such Restricted Subsidiary makes such Restricted Payment:

(i) in the case of any Restricted Payment described in clause (1) or (2) above made in reliance on the Retained Cash Flow Amount, (x) no Event of Default shall have occurred and be continuing (or would result immediately thereafter therefrom) and (y) the Consolidated Cash Interest Coverage Ratio (calculated on a Pro Forma Basis) would be no less than 2.00:1.00 for the most recently ended Calculation Period; and

(ii) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to the Closing Date (and not returned or rescinded) (but excluding all other Restricted Payments permitted by the succeeding clause (b)) would not exceed the portion, if any, of the Available Amount on such date the Borrower elects to apply to this clause (a).

(b) The foregoing provisions set forth in preceding clause (a) will not prohibit any of the following (collectively, "Permitted Payments"):

(1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Agreement or the redemption, repurchase or retirement of Indebtedness if, at the date of any irrevocable redemption notice, such payment would have complied with the provisions of this Agreement;

(2) any purchase, repurchase, redemption, prepayment, repayment, defeasance or other acquisition or retirement of Capital Stock or Junior Financing made by exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the proceeds of the substantially concurrent sale of, Capital Stock of the Borrower (other than Disqualified Stock or Designated Preferred Stock) ("Refunding Capital Stock") or a substantially concurrent contribution to the equity (other than through the issuance of Disqualified Stock or Designated Preferred Stock or through an Excluded Contribution)) of the Borrower; provided, however, that to the extent so applied, the Net Cash Proceeds, or Fair Market

Value of property or assets or of marketable securities, from such sale of Capital Stock or such contribution will be excluded from clause (a) above;

(3) any purchase, repurchase, redemption, prepayment, repayment, defeasance or other acquisition or retirement of Junior Financing made by exchange for, or out of the proceeds of the substantially concurrent sale of, Junior Financing that constitutes Permitted Refinancing Indebtedness permitted to be Incurred pursuant to Section 9.04;

(4) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Preferred Stock of the Borrower or a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Preferred Stock of the Borrower or a Restricted Subsidiary, as the case may be, that, in each case, is permitted to be Incurred pursuant to Section 9.04;

(5) [Reserved];

(6) a Restricted Payment to pay for the repurchase, retirement or other acquisition or retirement for value of Capital Stock (other than Disqualified Stock) of the Borrower or of any Parent Entity held by any future, present or former employee, director or consultant of the Borrower, any of its Subsidiaries or of any Parent Entity (or any Immediate Family Member, permitted transferees, assigns, estates, trusts or heirs of such employee, director or consultant) either pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or upon the termination of such employee, director or consultant's employment or directorship; provided, however, that the aggregate Restricted Payments made under this clause (6) do not exceed (A) $5,000,000 (which amount shall, following a Qualifying IPO, increase to $10,000,000) in any calendar year (with unused amounts in any calendar year being carried over to succeeding calendar years) minus (B) any utilization of the Available RP Capacity Amount in reliance on unused capacity under the immediately preceding clause (A); provided further that such amount in any calendar year may be increased by an amount not to exceed:

(i) the cash proceeds from the sale of Capital Stock (other than Disqualified Stock or Designated Preferred Stock or Excluded Contributions) of the Borrower and, to the extent contributed to the capital of the Borrower (other than through the issuance of Disqualified Stock or Designated Preferred Stock or an Excluded Contribution), Capital Stock of any Parent Entity, in each case to members of management, directors or consultants of the Borrower, any of its Restricted Subsidiaries or any Parent Entity that occurred after the Closing Date; plus

(ii) the cash proceeds of key man life insurance policies received by the Borrower and its Restricted Subsidiaries after the Closing Date; less

(iii) the amount of any Restricted Payments made in previous calendar years pursuant to this clause (6) utilizing the amounts set forth in clause (i) of this clause (6);

and provided further that cancellation of Indebtedness owing to the Borrower or any Restricted Subsidiary from members of management, directors, employees or consultants of the Borrower, or any Parent Entity or Restricted Subsidiaries in connection with a repurchase of Capital Stock of the Borrower or any Parent Entity will not be deemed to constitute a Restricted Payment for purposes of this Section 9.03 or any other provision of this Agreement;

(7) the declaration and payment of dividends on Disqualified Stock or Preferred Stock of a Restricted Subsidiary, Incurred in accordance with the terms of Section 9.04;

(8) purchases, repurchases, redemptions, defeasances or other acquisitions or retirements of Capital Stock deemed to occur upon the exercise of stock options, warrants or other rights in respect thereof if such Capital Stock represents a portion of the exercise price thereof;

(9) dividends, loans, advances or distributions to any Parent Entity or other payments by the Borrower or any Restricted Subsidiary in amounts equal to (without duplication):

(a) the amounts required for any Parent Entity to pay any Parent Entity Expenses or any Related Taxes; or

(b) amounts constituting or to be used for purposes of making payments to the extent specified in clauses (ii), (iii), (v), (xi), (xii) and (xiii) of Section 9.06(b);

(10) following the consummation of the first Qualifying IPO, the declaration and payment by the Borrower of (including payments made by the Borrower in order for any Parent Entity to make) Restricted Payments with respect to any Capital Stock in an amount not to exceed (A) 6.00% per annum of the Market Capitalization of the Borrower (or its direct or indirect Parent Entity, as applicable) and its subsidiaries minus (B) any utilization of the Available RP Capacity Amount in reliance on unused capacity under the immediately preceding clause (A);

(11) payments by the Borrower, or loans, advances, dividends or distributions to any Parent Entity to make payments, to holders of Capital Stock of the Borrower or any Parent Entity in lieu of the issuance of fractional shares of such Capital Stock; provided, however, that any such payment, loan, advance, dividend or distribution shall not be for the purpose of evading any limitation of this covenant or otherwise to facilitate any dividend or other return of capital to the holders of such Capital Stock (as determined in good faith by the Board of Directors);

(12) Restricted Payments that are made with Excluded Contributions;

(13) (A) the declaration and payment of dividends on Designated Preferred Stock of the Borrower issued after the Closing Date; and (B) the declaration and payment of dividends on Refunding Capital Stock that is Preferred Stock; provided, however, that, in the case of clause (A), the amount of all dividends declared or paid pursuant to this clause shall not exceed the Net Cash Proceeds received by the Borrower or the aggregate amount contributed in cash to the equity (other than through the issuance of Disqualified Stock or an Excluded Contribution of the Borrower), from the issuance or sale of such Designated Preferred Stock; provided further, in the case of clauses (A) and (B), that for the most recently ended four fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock or declaration of such dividends on such Refunding Capital Stock, after giving effect to such payment on a pro forma basis the Borrower would be permitted to Incur at least $1.00 of additional Indebtedness pursuant to the test set forth in Section 9.04(a);

(14) dividends or other distributions of Capital Stock of, or Indebtedness owed to the Borrower or a Restricted Subsidiary by, Unrestricted Subsidiaries (unless the Unrestricted Subsidiary's principal asset is cash and Cash Equivalents);

(15) payments as part of, or to enable another Person to make, an "applicable high yield discount obligation" catch-up payment;

(16) dividends, distributions or redemptions in connection with the Transactions and distributions to satisfy dissenters' rights (including in connection with, or as a result of, the exercise of

appraisal rights and the settlement of any claims or actions (whether actual, contingent or potential)), pursuant to or in connection with any acquisition, merger, consolidation, amalgamation or Disposition that complies with Section 9.02 and Section 9.08;

(17) (i) Restricted Payments described in clauses (a)(1) and (a)(2) above in an aggregate amount not to exceed (A) $25,000,000 minus (B) any utilization of the Available RP Capacity Amount in reliance on unused capacity under the immediately preceding clause (i)(A); and (ii) Restricted Debt Payments in an aggregate amount not to exceed (A) $25,000,000 minus (B) any utilization of the Available RDP Capacity Amount in reliance on unused capacity under the immediately preceding clause (ii)(A) plus (C) the Available RP Capacity Amount;

(18) so long as no Event of Default has occurred and is continuing (or would result therefrom), mandatory redemptions of Disqualified Stock issued as a Restricted Payment or as consideration for a Permitted Investment; provided that the amount of such redemptions are no greater than the amount that constituted a Restricted Payment or Permitted Investment; and

(19) additional Restricted Payments (other than Restricted Investments) made by the Borrower or any Restricted Subsidiary; provided that, immediately after giving pro forma effect thereto and any other Specified Transaction, the Consolidated First Lien Leverage Ratio (calculated on a Pro Forma Basis) would be no greater than 1.00:1.00 as of the last day of the most recently ended Calculation Period; provided, further that, in the case of any such Restricted Payments described in clause (a)(1) and (a)(2), no Event of Default has occurred and is continuing (or would result therefrom).

For purposes of determining compliance with this covenant, in the event that a Restricted Payment meets the criteria of more than one of the categories of Permitted Payments described in this clause (b), or is permitted pursuant to clause (a) of this Section 9.03, the Borrower in its sole discretion may divide, classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this covenant and such Restricted Payment or Permitted Payment, as the case may be, shall be treated as having been made pursuant only to the clause or clauses of this Section 9.03 to which such Restricted Payment or Permitted Payment, as the case may be, has been classified or reclassified; provided that, (X) upon delivery of any financial statements pursuant to Section 8.01(a) or (b) following the initial incurrence or making of any such reclassifiable item, if such reclassifiable item could, based on such financial statements, have been incurred or made in reliance on clause (19) of this clause (b) or any "ratio-based" basket or exception, such reclassifiable item shall automatically be reclassified as having been incurred or made under the applicable provisions of clause (19) or such "ratio-based" basket or exception, as applicable (in each case, subject to any other applicable provision of clause (19) or such "ratio-based" basket or exception, as applicable) and (Y) no Restricted Payment nor any Permitted Payment, as the case may be, need be permitted solely by reference to one category or clause of this definition but may instead be permitted in part under any combination thereof or under any other available exception.

The amount of all Restricted Payments (other than cash) shall be the Fair Market Value on the date of such Restricted Payment of the asset (s) or securities proposed to be paid, transferred or issued by the Borrower or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The Fair Market Value of any cash Restricted Payment shall be its face amount, and the Fair Market Value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Board of Directors of the Borrower acting in good faith.

9.04. Indebtedness. (a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness; provided, however, that the Borrower and any of its Restricted Subsidiaries may Incur (i) Incremental Equivalent Debt in an aggregate outstanding principal

amount not to exceed the Incremental Cap as in effect at the time of determination (after giving effect to any reclassification on or prior to such date of determination) and (ii) any Permitted Refinancing Indebtedness in respect of any such Incremental Equivalent Debt Incurred pursuant to clause (i).

(b) The preceding clause (a) of this Section 9.04 will not prohibit the Incurrence of the following Indebtedness:

(1) Indebtedness Incurred pursuant to (i) any ABL Facility (including letters of credit or bankers' acceptances issued or created under any ABL Facility and any ABL Incremental Debt), in a maximum aggregate principal amount at any time outstanding not exceeding the greater of (x) the sum of (A) $312,500,000 and (B) the "Incremental Cap" (as defined in the ABL Credit Agreement as in effect on the Closing Date but regardless of whether then in effect on the relevant date of determination, including after giving effect to Sections 1.06 and 1.07(c) thereof) and (y) the "Borrowing Base" (as defined in the ABL Credit Agreement as in effect on the Closing Date, but without giving effect to any "reserves" and regardless of whether the ABL Facility in effect as of the Closing Date is in effect at such time) calculated on a Pro Forma Basis as of the last day of the month most recently ended prior to the date of establishment of the commitments in respect thereof for which internal month-end financial statements are available to the Borrower, (ii) any extension, refinancing, refunding or replacing of any ABL Facility or any ABL Incremental Debt after the Closing Date so long as (X) the aggregate outstanding principal amount of such Indebtedness does not exceed an amount permitted to be incurred under the preceding clause (i), plus (A) an amount equal to unpaid accrued interest, penalties and premiums (including tender premiums) thereon, (B) the amount of any underwriting discounts and other customary fees, commissions and expenses (including upfront fees, original issue discount or initial yield payments) incurred in connection with the relevant refinancing, (C) an amount equal to any existing commitments unutilized thereunder and (D) any additional amounts permitted to be incurred pursuant to this Section 9.04 (with additional amounts incurred in reliance on this clause (D) constituting a utilization of the relevant basket or exception pursuant to which such additional amount is permitted) and (Y) such Indebtedness, if secured, is secured only by Permitted Liens described in clause (20) of the definition thereof and (iii) "Cash Management Obligations" and "Hedging Obligations" (each as defined in the ABL Credit Agreement (or any equivalent term in any document governing any ABL Facility));

(2) Guarantees by the Borrower or any Restricted Subsidiary of Indebtedness of the Borrower or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is permitted under the terms of this Agreement; provided that any Guarantee by a Non-Guarantor Subsidiary of any Indebtedness under Section 9.04(a) and 9.04(b)(5) (or any Permitted Refinancing Indebtedness in respect thereof) shall only be permitted if such Guarantee meets the requirement of Section 9.04(a);

(3) Indebtedness of the Borrower owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Borrower or any Restricted Subsidiary; provided, however, that: any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the

Borrower or a Restricted Subsidiary; and any sale or other transfer of any such Indebtedness to a Person other than the Borrower or a Restricted Subsidiary, shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Borrower or such Restricted Subsidiary, as the case may be; provided further that (x) no such Indebtedness owed to a Credit Party shall be evidenced by a promissory note unless such promissory note constitutes a negotiable instrument and is pledged to the Collateral Agent in accordance with the terms of the Security Documents, (y) all such Indebtedness of any Credit Party owed to any Restricted Subsidiary that is not a Credit Party shall be unsecured and evidenced by an Intercompany Note and (z) the aggregate principal amount of Indebtedness owing by any Restricted Subsidiary that is a Non-Guarantor Subsidiary to the Borrower or any other Credit Party, when combined with (i) the aggregate amount of all Investments made pursuant to clause (1) of the definition of "Permitted Investment" in any Restricted Subsidiary that is not (or will not become) a Non-Guarantor Subsidiary and (ii) the aggregate amount of all dispositions by a Credit Party to a Restricted Subsidiary that is a Non-Guarantor Subsidiary pursuant to clause (1) of the definition of Asset Dispositions", shall not exceed $10,000,000;

(4) any Indebtedness outstanding on, or pursuant to commitments existing (or anticipated) on, the Closing Date and listed on Schedule 9.04 hereto;

(5) Acquired Indebtedness of any Person that becomes a Restricted Subsidiary or Acquired Indebtedness assumed in connection with an acquisition or other Investment permitted hereunder after the Closing Date; provided that such Indebtedness was not created or incurred in anticipation thereof;

(6) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(7) (a) Indebtedness represented by Capitalized Lease Obligations or Purchase Money Obligations in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause not to exceed the greater of (x) $25,000,000 and (y) 6.0% of Consolidated Total Assets as of the last day of the most recently ended Calculation Period; and (b) Indebtedness represented by Capitalized Lease Obligations or Purchase Money Obligations with respect to the lease, purchase, repair, and improvement to blast furnaces and any related equipment or components in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause not to exceed $50,000,000; provided that, in the case of the immediately preceding clause (b), (i) the Liens securing such Indebtedness do not extend to any assets other than those purchased with the net proceeds of such incurrence, (ii) any assets so acquired shall not be Collateral, (iii) no Event of Default shall have occurred and be continuing or would result therefrom, (iv) such Indebtedness shall have a final maturity date no earlier than the Initial Term Loan Maturity Date and shall not have any scheduled amortization greater than 20% per annum or commitment reductions prior to the Initial Term Loan Maturity Date and (v) on the date of such Incurrence the Consolidated Total Leverage Ratio (calculated on a Pro Forma Basis) would be no greater than 3.50:1.00 as of the last day of the most recently ended Calculation Period;

(xii) any other agreement that does not restrict in any manner (directly or indirectly) Liens created pursuant to the Credit Documents on any Collateral securing the Secured Obligations and does not require the direct or indirect granting of any Lien securing any Indebtedness or other obligation by virtue of the granting of Liens on or pledge of property of any Credit Party to secure the Secured Obligations;

(xiii) any encumbrance or restriction arising pursuant to an agreement or instrument (which, if it relates to any Indebtedness, shall only be permitted if such Indebtedness is permitted to be Incurred pursuant to the provisions of Section 9.04 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole (A) are not materially less favorable to the Lenders than the encumbrances and restrictions contained in the Credit Documents as in effect on the Closing Date or (B) either (x) the Borrower determines at the time of entry into such agreement or instrument that such encumbrances or restrictions will not adversely affect, in any material respect, the Borrower's ability to make principal or interest payments on Term Loans or (y) such encumbrance or restriction applies only during the continuance of a default relating to such agreement or instrument;

Section 11. The Administrative Agent and the Collateral Agent.

11.01. Appointment. The Lenders hereby irrevocably designate and appoint (and by entering into a Term Lender Hedging Agreement, each Term Hedge Provider party thereto shall be deemed to irrevocably designate and appoint) Cortland as Administrative Agent (for purposes of this Section 11 and Section 12, the term "Administrative Agent" also shall include Cortland in its capacity as Collateral Agent pursuant to the Security Documents and the ABL Intercreditor Agreement) to act as specified herein and in the other Credit Documents. Each Lender hereby irrevocably authorizes (and by entering into a Term Lender Hedging Agreement, each Term Hedge Provider party thereto shall be deemed to irrevocably authorize), and each holder of any Term Note by the acceptance of such Term Note shall be deemed irrevocably to authorize, the Administrative Agent to take such action on its behalf under the provisions of this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of the Administrative Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto. In performing its functions and duties hereunder, the Administrative Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings or any of its Subsidiaries. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Credit Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents or of exercising any rights and remedies thereunder) by or through officers, directors, agents, employees, Affiliates or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties and may rely upon (and be fully protected in relying upon) such advice. The Administrative Agent may delegate any and all such rights and powers to, any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by the Administrative Agent, as determined in a final and non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Section 11 shall apply to any such sub-agent of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

11.02. Nature of Duties. (a) The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Credit Documents. Neither the Administrative Agent nor any of its officers, directors, agents, employees or affiliates shall be liable for any action taken or omitted by it or them hereunder or under any other Credit Document or in connection herewith or therewith, unless caused by its or their gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Credit Document a fiduciary relationship in respect of any Lender or the holder of any Term Note; and nothing in this Agreement or in any other Credit Document, expressed or implied, is intended to or shall be so construed

as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Credit Document except as expressly set forth herein or therein.

(b) The Administrative Agent shall not have any duty to (i) take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or Applicable Law; or (ii) disclose, except as expressly set forth herein and in the other Credit Documents, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as the Administrative Agent or any of its Affiliates in any capacity.

11.03. Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender, each Term Hedge Provider and the holder of each Term Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings and its Subsidiaries in connection with the making and the continuance of the Term Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings and its Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Term Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Term Loans or at any time or times thereafter. The Administrative Agent shall not be responsible or liable to any Lender or the holder of any Term Note or any participant for (i) any recitals, statements, information, representations or warranties made herein or in any document, certificate, report, statement or other writing referred to or delivered in connection with this Agreement or any other Credit Document and (ii) the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Security Documents, or for any failure of any Credit Party or any other party to any Credit Document to perform its obligations hereunder. The Administrative Agent shall not (i) be responsible for the financial condition of Holdings or any of its Subsidiaries, (ii) be responsible for or have any duty to ascertain or required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, or the financial condition of Holdings or any of its Subsidiaries or the existence or possible existence of any Default or Event of Default, (iii) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral, (iv) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and (v) be under any obligation to inspect the properties, books or records of any Credit Party or any Affiliate thereof. Each Lender, Term Hedge Provider and the holder of each Term Note acknowledges that none of the Administrative Agent or any of its officers, directors, agents, employees, Affiliates or attorneys has made any representation or warranty to it, and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of any Credit Party and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by the Administrative Agent or any of its officers, directors, agents, employees, Affiliates or attorneys.

11.04. Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure

to act) in connection with this Agreement or any other Credit Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender, any Term Hedge Provider nor the holder of any Term Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders or with Required Lenders Negative Consent.

11.05. Reliance. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Credit Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent.

11.06. Indemnification. To the extent the Administrative Agent (or any affiliate thereof) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse, hold harmless and indemnify the Administrative Agent (and any affiliate thereof) in proportion to their respective "percentage" as used in determining the Required Lenders (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any affiliate thereof) in performing its duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

11.07. The Administrative Agent in its Individual Capacity. With respect to its obligation to make Term Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender," "Required Lenders," "Holders of Term Notes" or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Credit Party or any Affiliate of any Credit Party (or any Person engaged in a similar business with any Credit Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any Affiliate of any Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

11.08. Holders. The Administrative Agent may deem and treat the payee of any Term Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Term Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Term Note or of any Term Note or Term Notes issued in exchange therefor.

11.09. Resignation by the Administrative Agent. (a) The Administrative Agent may resign from the performance of all its respective functions and duties hereunder and/or under the other Credit Documents at any time by giving 15 Business Days' prior written notice to the Lenders and, unless a Default or an Event of Default under Section 10.01(e) then exists, the Borrower. Such resignation shall take effect upon the appointment of a successor Administrative Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation by the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (provided that the Borrower's approval shall not be required if an Event of Default then exists).

(c) If a successor Administrative Agent shall not have been so appointed within such 15 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower's consent shall not be required if an Event of Default then exists), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above by the 20th Business Day after the date such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Upon a resignation of the Administrative Agent pursuant to this Section 11.09, the retiring (or retired) Administrative Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of this Section 11 (and the analogous provisions of the other Credit Documents) shall continue in effect for the benefit of the retiring (or retired) Administrative Agent for all of its actions and inactions while serving as the Administrative Agent and such successor Administrative Agent shall succeed to all the rights, powers, and duties of the retiring Administrative Agent and the term "Administrative Agent" shall mean such successor Administrative Agent.

11.10. Collateral Matters. (a) Each Lender irrevocably authorizes and directs the Collateral Agent to enter into the Security Documents (which, for purposes of this Section 11, also shall include all Control Agreements, Landlord Access Agreements, bailee agreements and similar agreements), the ABL Intercreditor Agreement, the Inter-Lender Agreement and each Acceptable Intercreditor Agreement for the benefit of the Lenders and the other Secured Parties. Each Lender hereby agrees, and each holder of any Term Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement, the Security Documents, ABL Intercreditor Agreement, the Inter-Lender Agreement or any Acceptable Intercreditor Agreement, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents.

(b) Each of the Secured Parties (x) irrevocably appoints and authorizes the Collateral Agent to act as the agent of (and to hold any security interest created by the Security Documents for and on behalf of) such Secured Party for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Credit Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and (y) irrevocably appoints each other Lender as its agent and bailee for the purpose of perfecting Liens (whether pursuant to Section 8-301(a)(2) of the UCC or otherwise), for the benefit of the Secured Parties, in assets in which, in accordance with the UCC or any other Applicable Law, a security interest can be perfected by possession or control. Should any Lender (other than the Collateral Agent) obtain possession or control of any such Collateral, such Lender shall notify the Collateral Agent thereof, and, promptly following the Collateral Agent's request therefor, shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions. In this connection, the Collateral Agent (and any co-agents, sub-agents, receivers and attorneys-in-fact appointed by the Collateral Agent pursuant hereto for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits of all provisions of this Section 11 (including Section 11.06, as though such co-agents, sub-agents, receivers and attorneys-in-fact were the Collateral Agent under the Credit Documents) and Section 12.01 as if set forth in full herein with respect thereto. For the avoidance of doubt, neither the Administrative Agent nor the Collateral Agent shall owe any fiduciary duty, duty of loyalty, duty of care, duty of disclosure or any other obligation whatsoever to any Term Hedge Provider, except as set forth in Section 12.27.

(c) The Lenders hereby irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon the payment and satisfaction of all of the Credit Document Obligations (other than inchoate indemnification obligations) at any time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby, (ii) constituting property being sold or otherwise disposed of (to Persons other than Holdings and its Subsidiaries) upon the sale or other disposition thereof in compliance with Section 9.08, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 12.12), (iv) as otherwise may be expressly provided in the relevant Security Documents or the last sentence of each of Sections 9.01 and 9.08 or in the ABL Intercreditor Agreement or any Acceptable Intercreditor Agreement or (v) in lieu of any release permitted pursuant to this Section 11.10(b), the Collateral Agent may subordinate any such Liens on the Collateral to another Lien permitted under clauses (3), (9) and (11) of the definition of "Permitted Liens" and may subordinate any Lien on the Collateral that the Collateral Agent determines in its commercially reasonable judgment was intended by operation of law or otherwise to be subordinated to another Lien pursuant to Section 9.01. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 11.10. Any such release or subordination shall be evidenced to the Administrative Agent by an Officer's Certificate certifying that such release or subordination complies with this Agreement.

(d) The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Credit Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 11.10 or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the

Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

11.11. Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (i) as specifically provided in this Agreement or any other Credit Document and (ii) as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

11.12. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

11.13. Withholding. To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any withholding tax applicable to such payment. If the Canada Revenue Agency, the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender for any other reason, or the Administrative Agent has paid over to the IRS applicable withholding tax relating to a payment to a Lender but no deduction has been made from such payment, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including any penalties or interest and together with any and all expenses incurred, unless such amounts have been indemnified by any Borrower, Guarantor or the relevant Lender.

Section 12. Miscellaneous.

12.01. Payment of Expenses, etc.

(a) The Borrower hereby agrees to: (i) pay all reasonable and documented out-of- pocket costs and expenses of the Agents (including the reasonable fees and disbursements of designated counsel and consultants of the Agents) in connection with the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, of the Administrative Agent and its Affiliates in connection with its or their syndication efforts with respect to this Agreement and of the Administrative Agent, the Agents and the Lenders (taken as a whole) in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of consultants and one counsel for the Agents and one counsel for the Lenders (taken as a whole)); and (ii) indemnify the Agents and each Lender, and their respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors (each, an "Indemnified Person") from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the proceeds of any Term Loans hereunder or the consummation of the Transactions or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged

presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any Real Property at any time owned, leased, managed, controlled or operated by Holdings, the Borrower or any of its Restricted Subsidiaries (in each case, relating to such ownership, lease, management, control or operation), the generation, storage, transportation, handling or disposal of Hazardous Materials by Holdings, the Borrower or any of its Restricted Subsidiaries at any location, whether or not owned, leased or operated by Holdings, the Borrower or any of its Restricted Subsidiaries, the non-compliance by Holdings, the Borrower or any of its Restricted Subsidiaries with any Environmental Law (including applicable Environmental Permits thereunder), or any Environmental Claim asserted against Holdings, the Borrower or any of its Restricted Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants (including environmental consulting firms) incurred in connection with any such investigation, litigation or other proceeding (but excluding any losses, liabilities, claims, obligations, penalties, judgments, costs, suits, disbursements, damages or expenses to extent incurred, assessed or imposed by reason of (i) the bad faith, gross negligence, willful misconduct of the Indemnified Person to be indemnified or material breach of such Indemnified Person's obligations under the Credit Documents (in each case as determined by a court of competent jurisdiction in a final and non-appealable decision) and (ii) disputes among Indemnified Persons (other than claims arising out of any act or omission of Holdings or any of its Subsidiaries). Notwithstanding the foregoing, this Section 12.01(a) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender set forth may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under Applicable Law. Except to the extent required to be paid on the Closing Date, all amounts due under this paragraph (a) shall be payable by the Borrower within 30 days of receipt by the Borrower of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b) To the full extent permitted by Applicable Law, each of Holdings and the Borrower shall not assert, and hereby waives, any claim against any Indemnified Person, on any theory of liability, for special, indirect, consequential or incidental damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Term Loan or the use of the proceeds thereof. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent the liability of such Indemnified Person results from such Indemnified Person's bad faith, gross negligence, willful misconduct or material breach of the obligations of such Indemnified Person under the Credit Documents (in each case as determined by a court of competent jurisdiction in a final and non-appealable decision). The Borrower shall not be liable for any settlement of any legal proceeding effected without its consent (which consent shall not be unreasonably withheld or delayed), but if settled with the Borrower's written consent, or if there is a final judgment for the plaintiff against an Indemnified Person in any such legal proceeding, the Borrower agrees to indemnify and hold harmless each Indemnified Person in the manner set forth above. The Borrower shall not, without the prior written consent of an Indemnified Person (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened legal proceeding against such Indemnified Person in respect of which indemnity could have been sought hereunder by such Indemnified Person unless (a) such settlement includes an unconditional release of such Indemnified Person from all liability or claims that are the subject matter of such legal proceeding and (b) such settlement does not include any statements as to any admission of fault, culpability or failure to act by or on behalf of such Indemnified Person.

12.02. Right of Setoff. In addition to any rights now or hereafter granted under Applicable Law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of Holdings, the Borrower or any of its Restricted Subsidiaries against and on account of the Credit Document Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including all interests in Credit Document Obligations purchased by such Lender pursuant to Section 12.04(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Credit Document Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. To the extent permitted by law, each Participant also shall be entitled to the benefits of this Section 12.02 as though it were a Lender; provided that such Participant agrees to be subject to Section 12.06(b) as though it were a Lender.

12.03. Notices. (a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopier or cable communication) and mailed, telegraphed, telecopied, cabled or delivered: if to any Credit Party, at the address specified below or in the other relevant Credit Documents; if to any Lender, at its address set forth in its Administrative Questionnaire; and if to the Administrative Agent or the Collateral Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telecopier, except that notices and communications to the Administrative Agent, the Collateral Agent and the Borrower shall not be effective until received by the Administrative Agent, the Collateral Agent or the Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, Holdings and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

12.04. Benefit of Agreement; Assignments; Participations. (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, neither Holdings, nor the Borrower may assign or transfer any of their rights, obligations or interest hereunder without the prior written consent of the Lenders (and any attempted assignment or transfer without such consent shall be null and void) and, provided further, that, although any Lender may grant participations to Eligible Transferees in its rights hereunder (a "Participant"), such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer or assign all or any portion of its Term Loan Commitments hereunder except as provided in Sections 2.13 and 12.04(b)) and the participant shall not constitute a "Lender" hereunder and, provided further, that any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Credit Document and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Agreement; provided further that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver to the extent such amendment, modification or waiver would (i) extend the final scheduled maturity of any Term Loan or Term Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 12.07(a) shall not constitute a reduction in the rate of interest or Fees payable hereunder), or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Term Loan Commitment or a mandatory prepayment of the Term Loans shall not constitute a change in the terms of such participation, and that an increase in any Term Loan Commitment (or the available portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by Holdings or the Borrower of any of their rights and obligations under this Agreement or (iii) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) supporting the Term Loans hereunder in which such participant is participating or release all or substantially all of the value of the Guaranty made by the Subsidiary Guarantors (except as expressly provided in the Credit Documents). In the case of any such participation, except as otherwise set forth in Section 12.04(e), the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Term Loans and related outstanding Credit Document Obligations hereunder to (i)(A) its parent company and/or any Affiliate of such Lender which is at least 50% owned by such Lender or its parent company, (B) to one or more other Lenders or any Affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company or (C) an Approved Fund of any Lender (provided that any such Approved Fund shall be treated as an Affiliate of such other Lender for the purposes of this sub-clause (x)(i)), provided, that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender or a Disqualified Lender or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor as such Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as the Administrative Agent and, so long as no Specified Event of Default then exists and is continuing, the Borrower may otherwise agree) in the aggregate for the assigning Lender or assigning Lenders, of such Term Loans and related outstanding Credit Document Obligations hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any

other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single assignor or Eligible Transferee (as applicable) (if any)), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, provided that (i) at such time, Schedule 1.01(a) shall be deemed modified to reflect the outstanding Term Loans of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Term Notes by the assigning Lender (or, upon such assigning Lender's indemnifying the Borrower for any lost Term Note pursuant to a customary indemnification agreement) new Term Notes will be issued, at the Borrower's expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Term Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised outstanding Term Loans, (iii) the consent of the Administrative Agent shall be required in connection with any such assignment pursuant to clause (y) above (such consent, in any case, not to be unreasonably withheld, delayed or conditioned), (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 (provided that only one such fee shall be payable in the case of one or more concurrent assignments by or to investment funds managed or advised by the same investment advisor or an Affiliated investment advisor) and all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA PATRIOT ACT, (v) the consent of the Borrower (such consent, in any case, not to be unreasonably withheld or delayed) shall be required in connection with any such assignment pursuant to clause (y) above (provided that (I) the Borrower may, in its sole discretion, withhold its consent to any assignment to any Person that is not a Disqualified Lender but is known by the Borrower to be an Affiliate of a Disqualified Lender regardless of whether such Person is identifiable as an Affiliate of a Disqualified Lender on the basis of such Affiliate's name, (II) the Borrower shall be deemed to have consented to any assignment of the Term Facility (other than to a Disqualified Lender or Person identified by the Borrower to be an Affiliate of a Disqualified Lender pursuant to the preceding clause (I)) if the Borrower has not responded to a written request for its consent thereto within ten Business Days after having received written notice thereof and (III) no consent of the Borrower shall be required after the occurrence and during the continuance of a Specified Event of Default) and (vi) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to Section 12.15. To the extent of any assignment pursuant to this Section 12.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned outstanding Term Loans. To the extent that an assignment of all or any portion of a Lender's Term Loans and related outstanding Credit Document Obligations pursuant to Section 2.13 or this Section 12.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Any attempted assignment in violation of this Section 12.04 shall be null and void. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to the Disqualified Lenders.

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Term Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank, any Lender which is a fund may pledge all or any portion of its Term Loans and Term Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(d) Any Lender which assigns all of its Term Loans hereunder in accordance with Section 12.04(b) shall cease to constitute a "Lender" hereunder, except with respect to indemnification provisions under this Agreement (including Sections 2.10, 2.11, 4.04, 11.06, 12.01 and 12.06), which shall survive as to such assigning Lender.

(e) The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10 and 4.04 (subject to the requirements and limitations therein, including the requirements under Section 4.04(f) (it being understood that the documentation required under Section 4.04(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such Participant (A) agrees to be subject to the provisions of Section 2.13 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.10 and 4.04, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Term Loans or other obligations under the Credit Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to an Affiliated Lender on a non-*pro rata* basis (A) through Dutch Auctions open to all applicable Lenders on a *pro rata* basis or (B) through open market purchases, in each case with respect to clauses (A) and (B), without the consent of the Administrative Agent; provided that:

(i) any Term Loans acquired by Holdings, the Borrower or any of their respective Subsidiaries shall be retired and cancelled immediately upon the acquisition thereof; provided that upon any such retirement and cancellation of Indebtedness, the aggregate outstanding principal amount of such Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired and cancelled, and each principal repayment installment with respect to such Term Loans pursuant to Section 4.02(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Term Loans so cancelled;

(ii) each Lender participating in any assignment with an Affiliated Lender shall acknowledge and agree that in connection with such assignment, (A) the Affiliated Lender may have, and later may come into possession of Excluded Information, (B) such Lender has independently and, without reliance on the Affiliated Lender or any of its Subsidiaries, or Holdings, the Borrower or any of their respective Subsidiaries, the Administrative Agent, the Lenders or any other Related Parties, made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information, (C) none of the Affiliated Lenders or any of their Subsidiaries, or Holdings, the Borrower or any

of their respective Subsidiaries shall be required to make any representation that it is not in possession of Excluded Information, (D) none of the Affiliated Lenders or any of their Subsidiaries, or Holdings, the Borrower or their respective Subsidiaries, the Administrative Agent, the Lenders, the Arrangers or any other Related Parties shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Affiliated Lenders and any of their Subsidiaries, and Holdings, the Borrower and their respective Subsidiaries, the Administrative Agent and any other Related Parties, under Applicable Law or otherwise, with respect to the nondisclosure of the Excluded Information and (E) that the Excluded Information may not be available to the Administrative Agent or the other Lenders;

(iii) after giving effect to such assignment and to all other assignments to all Affiliated Lenders, the aggregate principal amount of all Term Loans then held by all Affiliated Lenders shall not exceed 30% of the aggregate principal amount of the Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof) (the "Affiliated Lender Cap"); provided that each of the parties hereto agrees and acknowledges that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this clause (f)(iii) or any purported assignment exceeding such percentage (it being understood and agreed that the cap set forth in this clause (iii) is intended to apply to any Term Loans made available by Affiliated Lenders by means other than formal assignment (e.g., as a result of an acquisition of another Lender by an Affiliated Lender or the provision of additional Term Loans by an Affiliated Lender); provided further that to the extent that any assignment to any Affiliated Lender would result in the aggregate principal amount of all Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap (after giving effect to any substantially simultaneous cancellations thereof), the assignment of the relevant excess amount shall be automatically cancelled;

(iv) in connection with each assignment pursuant to this clause (f)(iv), the Administrative Agent shall have been provided written notice in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender with respect to the identity of such Affiliated Lender and the amount of the Term Loans being assigned thereto;

(v) purchase of Term Loans pursuant to this Section 12.04(f) shall not be funded with proceeds of loans under any ABL Facility;

(vi) no Specified Event of Default then exists or would result therefrom;

(vii) any purchase of Term Loans pursuant to this Section 12.04(f) shall not constitute a voluntary or mandatory payment or prepayment under this Agreement;

(viii) no Investor nor any Affiliated Lender shall be required to represent or warrant that it is not in possession of material non-public information with respect to Holdings, the Borrower and/or any subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 9.04(f) or (g); and

(ix) by its acquisition of Term Loans, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of Required Lenders or any other Lender vote, except that such Affiliated Lender shall have the right to vote (and the Term Loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or all Lenders directly and adversely affected thereby, as the case may be; provided that no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders of the same Class that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a *pro rata* basis hereunder, in each case without the consent of such Affiliated Lender; and

(B) Affiliated Lenders, solely in their capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) or participate in any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender or among Lenders to which the Credit Parties or their representatives are not invited or (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available by the Administrative Agent or any Lender to any Credit Party or its representatives.

Notwithstanding anything in this Agreement or the other Credit Documents to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Laws shall be commenced by or against the Borrower or any other Credit Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably acknowledges and agrees that such Affiliated Lender shall be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders; provided that (a) such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) and (b) the Administrative Agent shall not be entitled to vote on behalf of such Affiliated Lender, in each case, in connection with any matter to the extent any such matter proposes to treat any Obligations held by such Affiliated Lender in a manner that is different than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower. Each Affiliated Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Term Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of (but subject to the limitations set forth in) this paragraph. Notwithstanding the foregoing, no Consenting Creditor shall be deemed to be an "Affiliated Lender" for purposes of the foregoing with respect to the Initial Term Loans.

(g) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans and/or Commitments to any Debt Fund Affiliate, and any Debt Fund Affiliate may, from time to time, purchase Term Loans and/or Commitments (x) on a non-pro rata basis through Dutch Auctions or similar transactions open to all applicable Lenders on a *pro rata* basis or (y) on a non-pro rata basis through open market purchases (which purchases may be effected at any price as agreed between such

Lender and such Debt Fund Affiliate in their respective sole discretion), in each case without the consent of the Administrative Agent and notwithstanding the requirements set forth in subclauses (i) through (vii) of this clause (g); provided that the Loans and unused commitments of all Debt Fund Affiliates shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders have (A) consented to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom or (B) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to any Credit Document; it being understood and agreed that the portion of the Loans and/or Commitments that accounts for more than 49.9% of the relevant Required Lender action shall be deemed to be voted pro rata along with other Lenders that are not Debt Fund Affiliates. Any Term Loans acquired by any Debt Fund Affiliate may (but shall not be required to) be contributed to the Borrower or any of its subsidiaries or parent entities and, in exchange therefor, such Debt Fund Affiliate may receive debt or equity securities of such entity or a direct or indirect parent entity or subsidiary thereof that are otherwise permitted to be issued by such entity at such time (it being understood that any Term Loans so contributed shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled immediately upon contribution thereof); provided that upon any such cancellation, the aggregate outstanding principal amount of the applicable Class of Term Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of such Class of Term Loans so contributed and cancelled, and each principal repayment installment with respect to such Class of Term Loans pursuant to Section 4.02(a) shall be reduced pro rata by the full par value of the aggregate principal amount of such Class of Term Loans so contributed and cancelled.

(h) (i) If any assignment or participation is made by a Lender without the Borrower's consent (A) to any Disqualified Lender or any Affiliate thereof or (B) to the extent the Borrower's consent is required under this Section 12.04, to any other Person, (any such person, a "Disqualified Person"), then the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Person and the Administrative Agent, (A) terminate any Revolving Loan Commitment of such Disqualified Person and repay all obligations of each Borrower owing to such Disqualified Person, and/or (B) require such Disqualified Person to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 12.04), all of its interests, rights and obligations under this Agreement to one or more Eligible Transferees and if such person does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption Agreement reflecting such assignment within five Business Days of the date on which the Eligible Transferee executes and delivers such Assignment and Assumption Agreement to such person, then such person shall be deemed to have executed and delivered such Assignment and Assumption Agreement without any action on its part; provided that (I) in the case of clauses (A) and (B), the Borrower shall not be liable to the relevant Disqualified Person under Section 2.10 if any LIBOR Loan owing to such Disqualified Person is repaid or purchased other than on the last day of the Interest Period relating thereto, (II) in the case of clause (B), the relevant assignment shall otherwise comply with this Section 12.04 (except that no registration and processing fee required under this Section 12.04 shall be required with any assignment pursuant to this paragraph). Further, any Disqualified Person identified by the Borrower to the Administrative Agent (A) shall not be permitted to (x) receive information or reporting provided by any Credit Party, the Administrative Agent or any Lender and/or (y) attend and/or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, (B) (x) shall not for purposes of determining whether the Required Lenders or the majority Lenders under any Tranche have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, have a right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action; it being understood that all Loans

held by any Disqualified Person shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders, majority Lenders under any Tranche or all Lenders have taken any action and (y) shall be deemed to vote in the same proportion as Lenders that are not Disqualified Persons in any proceeding under any Debtor Relief Law commenced by or against the any Borrower or any other Credit Party and (C) shall not be entitled to receive the benefits of Section 12.01. For the sake of clarity, the provisions in this Section 12.04(h) shall not apply to any Person that is an assignee of any Disqualified Person, if such assignee is not a Disqualified Person.

(ii) Upon the request of any Lender, the Administrative Agent may and the Borrower will make the list of Disqualified Lenders (other than any Disqualified Lender that is a reasonably identifiable Affiliate of another Disqualified Lender solely on the basis of such Person's name) at the relevant time and such Lender may provide the list to any potential assignee for the purpose of verifying whether such Person is a Disqualified Lender, in each case so long as such Lender and such potential assignee agree to keep the list of Disqualified Lenders confidential in accordance with the terms hereof.

12.05. No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

12.06. Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Credit Document Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Credit Document Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Term Loans, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Credit Document Obligation then owed and due to such Lender bears to the total of such Credit Document Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Credit Document Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 12.06(a) and (b) shall be subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders.

(d) For the avoidance of doubt, the provisions of this Section 12.06 shall not be construed to apply to (A) the assignments and participations (including by means of a Dutch Auction open to all applicable Lenders on a *pro rata* basis and open market debt repurchases) described in Section 12.04, (B) the incurrence of any Specified Refinancing Debt in accordance with Section 2.14, (C) any Extension described in Section 2.15 or (D) the incurrence of any Credit Agreement Refinancing Indebtedness.

12.07. Calculations; Computations. (a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with IFRS consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Borrower to the Lenders).

(b) All computations of interest and other Fees hereunder shall be made on the basis of a year of 360 days (except for interest calculated by reference to the Prime Lending Rate, which shall be based on a year of 365 or 366 days, as applicable) for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, Commitment Commission or Fees are payable.

(c) For the purposes of the Interest Act (Canada), in any case in which an interest or fee rate is stated in this Agreement to be calculated on the basis of a number of days that is other than the number in a calendar year, the yearly rate to which such interest or fee rate is equivalent is equal to such interest or fee rate multiplied by the actual number of days in the year in which the relevant interest or fee payment accrues and divided by the number of days used as the basis for such calculation. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement and the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields. The Administrative Agent agrees that if requested in writing by the Borrower it shall calculate the nominal and effective per annum rate of interest on any outstanding Loan at any time and provide such information to the Borrower, provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve the Borrower or any of the other Credit Parties of any of its obligations under this Agreement or any other Credit Documents, nor result in any liability to the Administrative Agent or the Lenders. The Borrower hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Credit Documents, that the interest payable under the Credit Documents and the calculation thereof has not been adequately disclosed to the Borrower or any Credit Party, whether pursuant to Section 4 of the Interest Act (Canada) or any other applicable law or legal principle.

12.09. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent. Delivery by facsimile or other electronic transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

12.10. [Reserved].

12.11. Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

12.12. Amendment or Waiver; etc. (a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions), and Subsidiaries of the Borrower may be released from, the relevant Guaranty and the relevant Security Documents in accordance with the provisions hereof and thereof (without the consent of the other Credit Parties party thereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall, without the consent of each Lender (other than, except with respect to following clause (i), a Defaulting Lender) (with Credit Document Obligations being directly affected in the case of following clauses (1)(z) and (vi) or whose Credit Document Obligations are being extended in the case of following clause (i)(x) or (i)(y)), (i)(x) extend the final scheduled maturity of any Loan or Term Note, (y) reduce the amount of, or extend the date of, any Scheduled Term Loan Repayment (in each case of (x) and (y), other than any extension for administrative convenience agreed by the Administrative Agent or by reason of any waiver of, or consent or departure from, any Default or Event of Default or any mandatory prepayment; it being understood that no amendment or modification to the financial definitions in this Agreement (including any ratio) used in the calculation of any mandatory prepayment (including any component definition thereof) shall constitute such an extension or reduction), or (z) reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with the waiver of applicability of any post-default increase in interest rates), or reduce (or forgive) the principal amount thereof (it being understood that no amendment or modification to (X) the financial definitions in this Agreement or to Section 12.07(a) shall constitute a reduction in the rate of interest or Fees for the purposes of this clause (i) and (Y) the MFN Provision shall constitute a reduction or forgiveness of any principal amount due hereunder), (ii) release all or substantially all of the Collateral under all the Security Documents (except as expressly provided in the Credit Documents) or release all or substantially all of the value of the Guaranty made by the Subsidiary Guarantors (except as expressly provided in the Credit Documents), (iii) amend, modify or waive any provision of this Section 12.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Term Loans on the Closing Date), (iv) reduce the "majority" voting threshold

specified in the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Term Loans are included on the Closing Date), (v) consent to the assignment or transfer by Holdings or the Borrower of any of their rights and obligations under this Agreement, (vi) amend, waive or modify any provision of Section 10.02 or (vii) amend, modify or waive any provision of Section 12.06, except in connection with an amendment that provides for a prepayment of Term Loans by the Borrower (offered ratably to all Lenders) at a discount to par on terms and conditions approved by the Administrative Agent and the Required Lenders; provided further, that no such change, waiver, discharge or termination shall (1) increase the Term Loan Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Term Loan Commitment or a mandatory repayment of Term Loans shall not constitute an increase of the Term Loan Commitment of any Lender, and that an increase in the available portion of any Term Loan Commitment of any Lender shall not constitute an increase of the Term Loan Commitment of such Lender), (2) without the consent of the Administrative Agent, amend, modify or waive any provision of Section 11 or any other provision as same relates to the rights or obligations of the Administrative Agent, (3) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent or (4) amend, modify or waive this Agreement (including, without limitation, Section 10.02) or any other Credit Document so as to alter the ratable treatment of Obligations arising under the Credit Documents and Obligations arising under Term Lender Hedging Agreements or the definition of "Hedging Agreement", "Term Lender Hedging Agreement", "Term Hedge Provider", "Secured Parties", "Obligations", "Secured Obligations" (as such terms (or terms with similar meanings) are defined in this Agreement or any applicable Credit Document), in each case in a manner adverse to any Term Hedge Provider without the written consent of any such Term Hedge Provider.

(b) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement as contemplated by clauses (i) through (vii), inclusive, of the first proviso to Section 12.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace only the Term Loans of the respective non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) repay all outstanding Term Loans of such Lender, in accordance with Sections 3.02 and/or 4.01(b), provided that, unless the Term Loans which are repaid pursuant to preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of the outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B), the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided further, that the Borrower shall not have the right to replace a Lender or repay its Term Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 12.12(a).

(c) Notwithstanding the foregoing, (x) any provision of this Agreement may be amended by an agreement in writing entered into by the Borrower, the Required Lenders and the Administrative Agent if at the time such amendment becomes effective, each Lender not consenting thereto receives payment (including pursuant to an assignment to a replacement Lender in accordance with Section 12.04) in full of the principal of and interest accrued on each Term Loan made by it and all other amounts owing to it or accrued for its account under this Agreement and (y) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative

Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(d) In addition, notwithstanding the foregoing, this Agreement may be amended or amended and restated with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans or to permit the refinancing of all outstanding Term Loans (the "Refinanced Term Loans"), with a replacement Term Loan tranche (the "Replacement Term Loans"), respectively, hereunder; provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of, plus accrued interest, fees, expenses and premiums with respect to, such Refinanced Term Loans, (ii) the Effective Yield with respect to such Replacement Term Loans shall not be higher than Effective Yield with respect to such Refinanced Term Loans, (iii) the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term Loans, at the time of such refinancing (except to the extent of amortization or for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans prior to such incurrence), and (iv) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or (taken as a whole) less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date then in effect immediately prior to such refinancing.

(e) This Section 12.12 shall be subject to any contrary provision of Section 2.14, or 2.15. In addition, notwithstanding anything to the contrary contained in this Section 12.12, (x) Security Documents (including any additional Security Documents) and related documents executed by Restricted Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be amended, supplemented and waived with the consent of the Administrative Agent and the Borrower without the need to obtain the consent of any other Person if such amendment, supplement or waiver is delivered in order (i) to comply with local law or advice of local counsel, (ii) to cure ambiguities, omissions, mistakes or defects or (iii) to cause such Security Document or other document to be consistent with this Agreement and the other Credit Documents and (y) if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an ambiguity, inconsistency, obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents (other than the Security Documents), then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents; provided that, in each case with respect to the foregoing clauses (x) and (y), the Administrative Agent will not be required to enter into any such amendment, supplement or waiver unless it has received an Officer's Certificate to the effect that such amendment, supplement or waiver will not result in a breach of any provision in this Section 12.12(e).

12.13. Survival. All representations and warranties made by the Borrower and the other Credit Parties in the Credit Documents and in certificates or other instruments delivered in connection with or pursuant to the Credit Documents shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Credit Documents and the making of any Term Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Lender or Agent may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as any principal of or accrued interest on any Term Loan or any fee or other amount

payable hereunder is outstanding and unpaid. All indemnities (other than those provided under Section 4.04) set forth herein including in Sections 2.10, 2.11, 11.06 and 12.01 shall survive the execution, delivery and termination of this Agreement and the Term Notes and the making and repayment of the Credit Document Obligations.

12.14. Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 12.14 would, at the time of such transfer, result in increased costs or amounts owed in respect of Indemnified Taxes under Section 2.10, 2.11 or 4.04 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer)

12.15. Register. The Borrower hereby designates the Administrative Agent to serve as its non-fiduciary agent, solely for purposes of this Section 12.15, to maintain a register (the "Register") at one of its offices in the United States on which it will record the names and addresses of the Lenders, the Initial Term Commitments and Additional Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans. With respect to any Lender, the transfer of the rights to the principal of, and interest on, any Loan shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Loans and prior to such recordation all amounts owing to the transferor with respect to such Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Loans shall be recorded by the Administrative Agent on the Register upon and only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 12.04. Upon such acceptance and recordation, the assignee specified therein shall be treated as a Lender for all purposes of this Agreement. Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Term Note (if any) evidencing such Term Loan, and thereupon one or more new Term Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 12.15. The Register shall be available for inspection by any party hereto at any reasonable time and from time to time upon reasonable prior written notice; provided that any review of the Register by any Lender shall be limited to its own Loans (and related Obligations) and not those of any other Lender.

12.16. Confidentiality. (a) Subject to the provisions of clause (b) of this Section 12.16, each Lender agrees that it will use its reasonable efforts not to disclose without the prior consent of Holdings (other than to its employees, auditors, advisors, consultants or counsel, or to another Lender if such Lender or such Lender's holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 12.16 to the same extent as such Lender and the persons to whom such disclosure is made shall be informed of the confidential nature of such information and shall be instructed to keep such information confidential in accordance with the provisions hereof) any confidential information with respect to Holdings or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any

such confidential information (i) as has become generally available to the public other than by virtue of a breach of this Section 12.16(a) by the respective Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 12.16, (vii) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Term Notes or any interest therein by such Lender, provided that such prospective transferee agrees to be bound by the confidentiality provisions contained in this Section 12.16, (viii) to the extent such information is received by the Administrative Agent or a Lender from a third party that is not known by the Administrative Agent or such Lender to be subject to confidentiality arrangements with any of Holdings, the Borrower or any of their Subsidiaries or any of their respective Affiliates (including the Investors), (ix) solely to the extent that such information is independently developed by the Administrative Agent or such Lender without any confidential information provided by (or on behalf of) any Credit Party and (x) to enforce their respective rights under the other Credit Documents.

(b) Each of Holdings and the Borrower hereby acknowledges and agrees that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any confidential information related to Holdings or any of its Subsidiaries (including any non-public customer information regarding the creditworthiness of Holdings and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 12.16 to the same extent as such Lender.

12.17. No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their respective affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and any Credit Party, its respective stockholders or its respective affiliates, on the other. The Credit Parties acknowledge and agree that: (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, each Credit Party, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its respective stockholders or its respective affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of such Credit Party, its respective management, stockholders, creditors or any other Person. Each Credit Party acknowledges and agrees that such Credit Party has consulted its own legal, financial, regulatory and tax advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

12.18. Patriot Act. Each Lender subject to the USA PATRIOT ACT (Title III of Pub. Law 107-56 (signed into law October 26, 2001)) (as amended from time to time, the "Patriot Act") hereby notifies Holdings and the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies Holdings, the Borrower and the other Credit Parties and other information that will allow such Lender to identify Holdings, the Borrower and the other Credit Parties in accordance with the Patriot Act. This notice is given in accordance with the requirements of the Patriot Act and is effective as to the Lenders and the Administrative Agent.

12.19. Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Credit Party, its Subsidiaries or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States, Canada or elsewhere, to enforce or collect upon the Term Loans or any Credit Document or any other liability or obligation of such Credit Party or any of its Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Credit Party, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under Applicable Law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States, Canada or elsewhere. Without limiting the generality of the foregoing, each Credit Party further agrees that the waivers set forth in this Section 12.19 shall be effective to the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

12.20. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Term Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Credit Document Obligations hereunder.

12.21. Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Credit Party or any other obligor under any of the Credit Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Credit Party, unless expressly provided for herein or in any other Credit Document, without the prior written consent of the Administrative Agent. The provisions of this Section 12.21 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Credit Party.

12.22. Judgment Currency. (a) The Credit Parties' obligations hereunder and under the other Credit Documents to make payments in U.S. Dollars (the "Obligation Currency") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or

recovery results in the effective receipt by the Administrative Agent, the Collateral Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent, the Collateral Agent or such Lender under this Agreement or the other Credit Documents. If for the purpose of obtaining or enforcing judgment against any Credit Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "Judgment Currency") an amount due in the Obligation Currency, the conversion shall be made, at the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined, in each case, as of the day on which the judgment is given (such day being hereinafter referred to as the "Judgment Currency Conversion Date").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Borrower covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate or exchange prevailing on the Judgment Currency Conversion Date.

For purposes of determining any rate of exchange for this Section, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

12.23. OTHER LIENS ON COLLATERAL; TERMS OF ABL INTERCREDITOR AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT; ETC.. (a) EACH LENDER UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT LIENS MAY BE CREATED ON THE COLLATERAL PURSUANT TO THE ABL FACILITY DOCUMENTS AND THE CAPEX FACILITIES DOCUMENTS, WHICH LIENS SHALL BE SUBJECT TO THE TERMS AND CONDITIONS OF THE ABL INTERCREDITOR AGREEMENT AS OF THE CLOSING DATE AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT ENTERED INTO AFTER THE CLOSING DATE, AS APPLICABLE. THE EXPRESS TERMS OF THE ABL INTERCREDITOR AGREEMENT AND EACH ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, SHALL PROVIDE THAT, IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF EITHER THE ABL INTERCREDITOR AGREEMENT OR SUCH ACCEPTABLE INTERCREDITOR AGREEMENT, ON THE ONE HAND, AND ANY OF THE CREDIT DOCUMENTS, ON THE OTHER HAND, THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND SUCH ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, SHALL GOVERN AND CONTROL.

(b) EACH LENDER AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT TO ENTER INTO THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND EACH ACCEPTABLE INTERCREDITOR AGREEMENT ON BEHALF OF THE LENDERS, AND TO TAKE ALL ACTIONS (AND EXECUTE AMENDMENTS THERETO AND ALL OTHER DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY IT IN ACCORDANCE WITH THE TERMS OF THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT.

(c) THE PROVISIONS OF THIS SECTION 12.23 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT, THE FORM OF WHICH IS ATTACHED AS AN EXHIBIT TO THIS AGREEMENT, THE INTER-

LENDER AGREEMENT NOR ANY ACCEPTABLE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO EACH OF THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF EACH OF THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT AND ANY ACCEPTABLE INTERCREDITOR AGREEMENT, RESPECTIVELY, AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE ABL INTERCREDITOR AGREEMENT, THE INTER-LENDER AGREEMENT OR ANY ACCEPTABLE INTERCREDITOR AGREEMENT.

12.24. Severability. If any provision of this Agreement or the other Credit Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Credit Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12.25. Reinstatement. If any claim is ever made upon the Administrative Agent or any Lender for repayment or recovery of any amount or amounts received in payment or on account of any of the Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any such payment is rescinded or recovered, directly or indirectly, from the Administrative Agent or any Lender as a preference, fraudulent transfer or otherwise, then and in such event the Borrower agrees that any such judgment, decree, order, rescission or recovery shall be binding upon the Borrower, notwithstanding any revocation hereof or the cancellation of any Term Note, any Security Document or any other instrument evidencing any liability of the Borrower, and the Borrower shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

12.26. Integration. This Agreement, together with the other Credit Documents and any separate letter agreements with respect to fees payable to any Agent, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter.

12.27. Term Hedge Providers. Each Term Hedge Provider shall be deemed a third party beneficiary hereof and of the provisions of the other Credit Documents for purposes of any reference in a Credit Document to the parties for whom the Administrative Agent or the Collateral Agent is acting. Each Agent hereby agrees to act as agent for such Term Hedge Providers and, by virtue of entering into a Term Lender Hedging Agreement, as applicable, the applicable Term Hedge Provider shall be automatically deemed to have appointed such Agent as its agent and to have accepted the benefits of the Credit Documents; it being understood and agreed that the rights and benefits of each Term Hedge Provider under the Credit Documents consist exclusively of such Term Hedge Provider's being a beneficiary of the Liens and security interests (and guarantees) granted to the Collateral Agent and the right to share in payments and collections out of the Collateral (and such guarantees) as more fully set forth herein and the consent rights expressly set forth in Section 12.12(a). In connection with any such distribution of payments or proceeds of Collateral (or any payment under the Guaranty), each Agent shall be entitled to assume no amounts are due or owing to any Term Hedge Provider unless such Term Hedge

Provider has provided written notice (setting forth a reasonably detailed calculation) to each Agent as to the amounts that are due and owing to it and such written notice is received by each Agent a reasonable period of time prior to the making of such distribution. No Agent shall have any obligation to calculate the amount due and payable with respect to any Hedging Agreements, but may rely upon the written notice of the amount due and payable from the relevant Term Hedge Provider. In the absence of an updated notice, each Agent shall be entitled to assume that the amount due and payable to the relevant Term Hedge Provider is the amount last reported to the Agents by such Term Hedge Provider as being due and payable (less any distributions made to such Term Hedge Provider on account thereof). The Credit Parties may obtain transactions under Hedging Agreements from any Term Hedge Provider, although the Credit Parties are not required to do so. The Credit Parties acknowledge and agree that no Term Hedge Provider has committed to provide any transactions under Hedging Agreements and that the providing of transactions under Hedging Agreements by any Term Hedge Provider is in the sole and absolute discretion of such Term Hedge Provider. Notwithstanding anything to the contrary in this Agreement or any other Credit Document, except as set forth in Section 12.12(a), no Term Hedge Provider shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as a Term Hedge Provider, nor shall the consent of any such Term Hedge Provider be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Credit Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

12.28. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 13. Guarantee.

13.01. The Guarantee. The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of the Title 11 of the United States Code

after any bankruptcy or insolvency petition under Title 11 of the United States Code) on the Term Loans made by the Lenders to, and the Term Notes held by each Lender of, the Borrower, and all other Secured Obligations from time to time owing to the Secured Parties by any Credit Party under any Credit Document or any Term Lender Hedging Agreement entered into with a counterparty that is a Secured Party, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the "Guaranteed Obligations"). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

13.02. Obligations Unconditional. The obligations of the Guarantors under Section 13.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Term Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Term Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect (included any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), or any right under the Credit Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected;

(v) the release of any other Guarantor pursuant to Section 13.09; or

(vi) taking of any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of any Guarantor from its liabilities under this Guaranty.

Except as cannot be waived under Applicable Law, the Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any

requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Term Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against the Borrower or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

13.03. Reinstatement. The obligations of the Guarantors under this Section 13 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or another Credit Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise. The Guarantors jointly and severally agree that they will indemnify each Secured Party on demand for all reasonable costs and expenses (including reasonable fees of counsel) incurred by such Secured Party in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law, other than any costs or expenses resulting from the bad faith or willful misconduct of such Secured Party.

13.04. Subrogation; Subordination. Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Term Loan Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 13.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Credit Party owed to any Restricted Subsidiary that is not a Credit Party permitted pursuant to Section 9.04 shall be subordinated to such Credit Party's Secured Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

13.05. Remedies. Subject to the terms of the ABL Intercreditor Agreement, the Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Term Notes, if any, may be declared to be forthwith due and payable as provided in Section 10.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 10.01) for purposes of Section 13.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and

payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 13.01.

13.06. Instrument for the Payment of Money. Each Guarantor hereby acknowledges that the guarantee in this Section 13 constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

13.07. Continuing Guarantee. The guarantee in this Section 13 is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

13.08. General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate, limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 13.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 13.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Credit Party or any other person, be automatically limited and reduced to the highest amount after giving effect to the rights of contribution established in Section 13.10.

13.09. Release of Guarantors. If, in compliance with the terms and provisions of the Credit Documents, the Equity Interests or property of any Subsidiary Guarantor are sold or otherwise transferred (a "Transferred Guarantor") to a person or persons, none of which is Holdings, the Borrower or a Subsidiary, resulting in such Subsidiary Guarantor becoming an Excluded Subsidiary, such Transferred Guarantor shall, upon the consummation of such sale or transfer, be released from its obligations under this Agreement (including under Section 12.01 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Security Document and, in the case of a sale of all or substantially all of the Equity Interests of the Transferred Guarantor, the pledge of such Equity Interests to the Collateral Agent pursuant to the Security Agreements shall be released, and the Collateral Agent shall, at the Borrower's sole cost and expense, take such actions as are necessary to effect each release described in this Section 13.09 in accordance with the relevant provisions of the Security Documents; provided that such Guarantor is also released from its obligations under the ABL Facility Documents and the CapEx Facilities on the same terms.

13.10. Right of Contribution. Each Subsidiary Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Subsidiary Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 13.04. The provisions of this Section 13.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Agents and the Lenders, and each Subsidiary Guarantor shall remain liable to the Agents and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

13.11. Qualified ECP Guarantor. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Section 13 in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 13.11 for the maximum amount of such liability that can

be hereby incurred without rendering its obligations under this Section 13.11, as it relates to such other Subsidiary Guarantor, voidable under Applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 13.11 shall remain in full force and effect until all of the Guaranteed Obligations have been paid in full in cash and the commitments of the Lenders hereunder have been terminated. Each Qualified ECP Guarantor intends that this Section 13.11 constitute, and this Section 13.11 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

13.12. Payments. All payments made by the Guarantors pursuant to this Section 13 shall be made in U.S. Dollars and will be made without setoff, counterclaim or other defense and shall be subject to the provisions of Sections 4.03 and 4.04.

13.13. Confirmation. Each Guarantor hereby consents to the Acquisition and agrees that its Guaranty continues to be valid and enforceable against it in accordance with its terms and continues to guarantee its Guaranteed Obligations after giving effect to the Acquisition.

The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

(b) The Borrower acknowledges and confirms that:

(i) clause (a) above satisfies the requirements of Section 4 of the Interest Act (Canada) to the extent it applies to the expression or statement of any interest payable under any Loan Document; and

(ii) each Credit Party is able to calculate the yearly rate or percentage of interest payable under any Loan Document based upon the methodology set out in clause (a) above.

(c) The Borrower and the General Partner each agree not to, and to cause each other Credit Party not to, plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Loan Documents, that the interest payable thereunder and the calculation thereof has not been adequately disclosed to any Credit Party, whether pursuant to Section 4 of the Interest Act (Canada) or any other applicable Law or legal principle.

(6) *Criminal Interest.* If any provision of this Agreement would oblige a Credit Party to make any payment of interest or other amount payable to an Investor in an amount or calculated at a rate which would be prohibited by applicable Law or would result in a receipt by such Investor of "interest" at a "criminal rate" (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Law or so result in a receipt by such Investor of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows: (i) first, by reducing the amount or rate of interest required to be paid to such Investor under Section 2.4; and (ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to such Investor which would constitute interest for purposes of section 347 of the *Criminal Code* (Canada).

(7) *Commitment Fee*. The Borrower shall pay to the Investors, rateably in accordance with their Applicable Percentages, a commitment fee for the period commencing on December 1, 2018 to and including the Advance Date, computed at the rate equal to the LIBO Rate for a three month Interest Period plus 6.5% per annum, on an amount equal to U.S.$173,000,000. Such commitment fee shall be payable in arrears on the Advance Date, shall be computed daily on the basis of the year of 360 days, and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). Notwithstanding the foregoing, this Section 2.4(7) shall not apply and such commitment fee shall not be payable if (a) the conditions precedent in Article 5 are satisfied (or waived in accordance with Section 11.2) on or before November 30, 2018 or (b) the conditions precedent in Article 5 are not satisfied (or waived in accordance with Section 11.2) and the advance of the Term Loan does not occur.

(8) *Other Fees*. The Borrower shall pay to the Administrative Agent and the Collateral Agent for their own account, in U.S. Dollars, fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(9) *Currency.* All amount of principal, interest, premiums and fees under this Agreement and the other Loan Documents shall be payable in U.S. Dollars.

2.5 Repayment of Term Loan.

(a) The Borrower hereby unconditionally promises to pay to the Investors on each date below the following amounts on account of the outstanding principal amount of the Term Loan held by the Investors, to be applied

rateably by the Investors in accordance with their respective Applicable Percentages:

Date	Amount
Each of the first eight (8) Interest Payment Dates after the Advance Date.	$2,500,000 less the amount of interest paid on such Interest Payment Date.
Each of the ninth (9th) through and including the twelfth (12th) Interest Payment Dates after the Advance Date.	$2,875,000 less the amount of interest paid on such Interest Payment Date.
Each Interest Payment Date occurring after the twelfth (12th) Interest Payment Date after the Advance Date.	$3,250,000 less the amount of interest paid on such Interest Payment Date

(b) The Borrower hereby unconditionally promises to pay to each Investor the outstanding principal amount of the Term Loan held by such Investor, together with all accrued and unpaid interest thereon, and any other amounts outstanding hereunder, on the Maturity Date.

2.6 Evidence of Debt.

(1) *Accounts of Indebtedness.* The Administrative Agent shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the Investors resulting from the Term Loan, including the amounts of principal and interest payable and paid to the Investors from time to time hereunder.

(2) *Accounts Conclusive.* The entries made in the accounts maintained pursuant to Section 2.6(1) shall be conclusive evidence (absent manifest error) of the existence and amounts of the obligations recorded therein; provided that the failure of the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Term Loan in accordance with the terms of this Agreement.

(3) *Promissory Notes.* Any Investor may request that the Term Loan made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Investor a promissory note payable to the order of such Investor (or, if requested by such Investor, to such Investor and its registered assigns) and in a form approved by such Investor (with a copy thereof to the Administrative Agent). Thereafter, the Term Loan evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 11.4) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

2.7 Prepayments.

(1) *Mandatory Term Loan Prepayments*.

(a) In the event of an Asset Disposition by the Borrower or the General Partner, the Borrower shall, within five Business Days of such Asset Disposition, prepay an aggregate principal amount of the Term Loan equal to the amount of Net Proceeds received by the Borrower or the General Partner, as the case may be; provided that this prepayment requirement shall not apply (i) to that portion of such Net Proceeds which, when aggregated with the Net Proceeds from any other Asset Disposition made by the Borrower and the General Partner in the same Fiscal Year in respect of which payment has not been made pursuant to this Section 2.7(1)(a), is less than $250,000, or (ii) to that portion of such Net Proceeds (other than insurance proceeds) used or committed by the Borrower or the General Partner to purchase replacement assets or other equipment necessary for the Borrower's or the General Partner's business within 365 days of such Asset Disposition if prior to such Asset Disposition, the Borrower has notified the Administrative Agent of its intention to apply the Net Proceeds in such manner.

(b) An amount equal to 100% of the Net Proceeds from the issuance of any Equity Interests by the Borrower or the General Partner or of any capital contributions by any Person in the Borrower or the General Partner, shall, forthwith upon receipt thereof by the Borrower or the General Partner, be applied to a prepayment of an aggregate principal amount of the Term Loan.

(c) An amount equal to any property insurance maintained by the Borrower or the General Partner received by the Borrower or the General Partner in an amount in excess of $250,000 on account of each separate loss, damage or injury shall, forthwith upon receipt thereof by the Borrower or the General Partner, be applied to a prepayment of an aggregate principal amount of the Term Loan, except to the extent such proceeds shall have been expended or committed by the Borrower or the General Partner for the repair or replacement of the affected property within 365 days of receipt of such proceeds and the Borrower shall have furnished to the Administrative Agent and the Investors reasonably satisfactory evidence of such expenditure or commitment to such expenditure.

(d) An amount equal to 100% of the Net Proceeds of any Extraordinary Receipt shall, within three (3) Business Days of receipt thereof by the Borrower or the General Partner, be applied as a prepayment of an aggregate principal amount of the Term Loan if the aggregate amount of the Net Proceeds of such Extraordinary Receipt, together with the aggregate amount of the Net Proceeds of all Extraordinary Receipts received by the Borrower and the General Partner within in a Fiscal Year, shall exceed $250,000.

(e) Prepayments of the Term Loan pursuant to this Section 2.7(1) shall be applied to the permanent prepayment of the Term Loan, and shall be applied rateably among the Investors according to their Applicable Percentage. In the case of any prepayment pursuant to any of Sections 2.7(1)(a), (b), (c) or (d), the Borrower shall provide to the Administrative Agent written notice of such prepayment no later than 1:00 p.m. (Toronto time) at least one (1)

Business Day prior to the date such prepayment is to be made. If any such notice is given, the amount specified in such notice shall be due and payable on the date required by this Section 2.7(1), together with any amounts payable pursuant to this Section 2.7, Section 2.11 or otherwise pursuant to this Agreement, and together with accrued interest to such date on the amount so prepaid.

(f) If any mandatory prepayment to be made under this Section 2.7(1):

(i) falls on a day that is not the last day of an Interest Period;

(ii) would result in the Borrower being obliged to make a break funding payment pursuant to Section 2.11; and

(iii) no Default or Event of Default has occurred and is continuing,

such payment shall, if requested by the Borrower, upon receipt by the Administrative Agent be deposited into a cash collateral account maintained by the Administrative Agent and shall be applied by the Administrative Agent toward the permanent repayment of the Term Loan on the earlier of (1) the last day of the current Interest Period in effect and (2) the occurrence of a Default or an Event of Default.

(2) *Voluntary Prepayments.* The Borrower may, at its option, at any time and from time to time, prepay the Term Loan, in whole or in part, without premium or penalty, upon giving three Business Days' prior written notice to the Administrative Agent. Such notice shall specify the date and amount of prepayment. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with any amounts payable pursuant to this Section 2.7, Section 2.11 or otherwise pursuant to this Agreement, and together with accrued interest to such date on the amount prepaid. Each voluntary prepayment shall be in a minimum principal amount of $5,000,000 and in an integral multiple of $1,000,000, and shall be applied rateably among the Investors according to their Applicable Percentage.

(3) *Order of Application of Prepayments*. All prepayments of the Term Loan hereunder (whether mandatory or voluntary) shall be applied (a) firstly, in payment of any unpaid accrued interest and fees hereunder, (b) secondly, against the principal payments required to be made pursuant to Section 2.5(a), in direct order of maturity, and (c) thirdly, against the payments required to be made on the Maturity Date pursuant to Section 2.5(b).

(4) *Notice by Borrower*. Each notice provided by the Borrower hereunder in respect of any prepayment hereunder shall be irrevocable and shall specify the prepayment date and the principal amount of the Term Loan to be prepaid.

(5) *No Reborrowing.* For greater certainty, the amount of any prepayment or repayment of the principal amount of Term Loan shall permanently reduce the principal amount of the Term Loan and may not be reborrowed.

2.8 Mandatory Change of Control Offer.

(1) If a Change of Control occurs, each Investor shall have the right to require the Borrower to repay all (but not less than all) of the Term Loan then outstanding of such

Investor pursuant to a Change of Control offer made by the Borrower pursuant to clause (2) below (a "**Change of Control Offer**") on the terms set forth herein. In the Change of Control Offer, the Borrower will offer a Change of Control payment in cash equal to 100% of the aggregate principal amount of the Term Loan repaid, plus accrued and unpaid interest and fees to, but not including, the date of payment (the "**Change of Control Payment**").

(2) Within five Business Days following the occurrence of any Change of Control, the Borrower will give notice to the Administrative Agent and the Investors describing the transaction or transactions, or event, that constitute the Change of Control and stating (i) that the Change of Control Offer is being made pursuant to this Section 2.8 and that any Investor that elects to have all of its Term Loan repaid will be accepted for payment; (ii) the repayment date, which shall be no earlier than 15 days after the giving of such notice and not later than 30 days following the giving of such notice (the "**Change of Control Payment Date**"); (iii) that any Investor's Term Loan that such Investor does not elect to be repaid will remain outstanding and continue to accrue interest; and (iv) that, unless the Borrower defaults in the payment of the Change of Control Payment, any Investor's Term Loan that is accepted for payment by such Investor shall cease to accrue interest after the Change of Control Payment Date.

(3) Each Investor shall provide the Administrative Agent with its written response to any Change of Control Offer no later than 5 Business Day prior to the proposed Change of Control Payment Date as to whether such Investor has elected to accept or refuse such Change of Control Offer. Any Investor that has not provided its response to the Administrative Agent prior to such date shall be deemed to have accepted such Change of Control Offer for the full amount of its portion of the Term Loan. Upon receipt of any such notice the Administrative Agent will provide a copy thereof to the Borrower.

(4) On the Change of Control Payment Date, the Borrower shall deposit with the Administrative Agent an amount equal to the Change of Control Payment of all Investors that have accepted or been deemed to have accepted such Change of Control Offer and the Administrative Agent shall promptly pay such amounts to the applicable Investors.

2.9 Alternate Rate of Interest.

If prior to the commencement of any Interest Period the Administrative Agent determines (which determination shall be conclusive absent manifest error) that:

(a) adequate and reasonable means do not exist for ascertaining the "LIBO Rate" for such Interest Period; or

(b) the LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to Investors (constituting not less than the Required Investors) of making or maintaining the Term Loan for such Interest Period,

then the Administrative Agent shall give written notice thereof to the Borrower and each Investor as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Investors that the circumstances giving rise to such notice no longer exist, the Term Loan shall bear interests at the U.S. Base Rate (plus 4.00% per annum) in effect, calculated daily and payable in arrears on the last Business Day of each calendar month**.** Notwithstanding the foregoing, if at any time the Administrative Agent, in consultation with the Required Investors, determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.9(a) have arisen and such circumstances are unlikely to

be temporary or (ii) the circumstances set forth in Section 2.9(a) have not arisen but the supervisor for the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent (in consultation with the Required Investors) and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Until an alternate rate of interest shall be determined in accordance with this Section 2.9, the Term Loan shall bear interest at a rate equal to the U.S. Base Rate plus 4.00% per annum.

2.10 Increased Costs; Illegality.

(1) *Compensation for Increased Costs.* If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, an Investor; or

(b) impose on an Investor any other condition affecting this Agreement (including the imposition on an Investor of, or any change to, any Tax or other charge with respect to the Term Loan or its obligation to make the Term Loan, except any Tax covered by Section 2.12 and any Excluded Tax imposed on such Investor),

and the result of any of the foregoing is to increase the cost to such Investor of making or maintaining the Term Loan (or of maintaining its obligation to make the Term Loan) or to reduce the amount of any sum received or receivable by such Investor hereunder (whether of principal, interest or otherwise), then the Borrower shall pay to such Investor such additional amount or amounts as will compensate such Investor for such additional costs incurred or reduction suffered.

(2) *Compensation for Reduced Rate of Return.* If an Investor determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Investor's capital or on the capital or liquidity of such Investor's holding company, if any, as a consequence of this Agreement or the Term Loan made by, such Investor, to a level below that which such Investor or such Investor's holding company could have achieved but for such Change in Law (taking into consideration the Investor's policies and the policies of the Investor's holding company with respect to capital adequacy or liquidity and the Investor's desired return on capital), then from time to time the Borrower shall pay to such Investor such additional amount or amounts as will compensate such Investor or the Investor's holding company for any such reduction suffered. Notwithstanding anything herein to the contrary, (a) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, and Basel Committee on Banking Supervision (or any successor or similar authority) or by United States, Canadian or foreign regulatory authorities, in each case pursuant to Basel III, and (b) the *Dodd-Frank Wall Street Reform and Consumer Protection Act* (United States) and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a Change in Law for purposes of this Section regardless of the date enacted, adopted, issued or implemented.

(3) *Certificate.* A certificate of the applicable Investor setting forth the amount or amounts necessary to compensate such Investor as specified in Sections 2.10(1) or (2), together with a brief description of the Change of Law, shall be delivered to the Borrower by the Investor, and shall be conclusive absent manifest error. In preparing any such certificate, such Investor shall be entitled to use averages and to make reasonable estimates, and shall not be required to "match contracts" or to isolate particular transactions. The Borrower shall pay such Investor the amount shown as due on any such certificate within 10 days after receipt thereof.

(4) *Illegality.* If an Investor determines that it is unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Investor or its applicable lending office to make or maintain the Term Loan (or to maintain its obligation to make the Term Loan), or to determine or charge interest rates based upon any particular rate, then, on notice thereof by such Investor to the Borrower, any obligation of such Investor with respect to the activity that is unlawful shall be suspended until such Investor notifies the Borrower that the circumstances giving rise to such determination no longer exist. For the avoidance of doubt, such suspension shall occur notwithstanding that the activity in question was unlawful on the Closing Date. Upon receipt of such notice, the Borrower shall, upon demand from the Investor, prepay the Term Loan, if required in order to avoid the activity that is unlawful. Upon any such prepayment, the Borrower shall also pay accrued interest on the amount so prepaid. The applicable Investor shall designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of the Investor, otherwise be materially disadvantageous to the Investor.

(5) *Delay in Requests*. Failure or delay on the part of any Investor to demand compensation pursuant to this Section shall not constitute a waiver of such Investor's right to demand such compensation, except that the Borrower shall not be required to compensate an Investor pursuant to this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Investor notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Investor's intention to claim compensation therefor, unless the Change in Law giving rise to such increased costs or reductions is retroactive, in which case the six-month period referred to above shall be extended to include the period of retroactive effect thereof.

2.11 Break Funding Payments.

In the event of (a) the failure by the Borrower to borrow, continue or prepay the Term Loan on the date specified in any notice delivered by the Borrower pursuant hereto, or (b) any payment, prepayment or repayment of principal on the Loan being made other than on the last day of an Interest Period (including as a result of an Event of Default), then, in any such event, the Borrower shall compensate each Investor for the loss, cost and expense attributable to such event. Such loss, cost or expense to an Investor shall be deemed to be an amount determined by such Investor to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of the Term Loan had such event not occurred, at the LIBO Rate that would have been applicable to the Term Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, or continue, for the period that would have been the Interest Period for the Term Loan), over (ii) the amount of interest which would accrue on such principal amount for such period and the interest rate which such Investor would bid were it to bid**,** at the commencement of such period, for U.S. Dollar deposits of a comparable amount and period from other banks in the euro dollar market. A certificate of the applicable Investor setting forth any amount or amounts that such Investor is entitled to receive pursuant to this Section 2.11 shall be delivered to the Borrower by

such Investor and shall be conclusive absent manifest error. The Borrower shall pay such Investor the amount shown as due on any such certificate within 10 days after receipt thereof.

2.12 Taxes.

(1) *Gross-up for Taxes.* Any and all payments by or on account of any obligation of the Borrower or any other Credit Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes except as may be required by applicable Law; provided that if the Borrower or such other Credit Party shall be required by applicable Law to deduct or withhold any Taxes from such payments, then (a) the sum payable shall be increased as necessary so that, after making all required deductions or withholdings with respect to Indemnified Taxes (including deductions or withholdings applicable to additional sums payable under this Section 2.12), an Investor and the Administrative Agent receives an amount equal to the sum it would have received had no such deduction or withholding been made, (b) the Borrower or such other Credit Party shall make such deduction or withholding, and (c) the Borrower or such other Credit Party shall pay to the relevant Governmental Authority in accordance with applicable Law the full amount deducted or withheld.

(2) *Stamp and Other Taxes.* In addition to the payments by the Borrower and the other Credit Parties required by Section 2.12(1), the Borrower and each other Credit Party shall pay any and all present or future stamp or documentary Taxes or any other excise or property Taxes, charges or similar levies arising from any payment made hereunder or from the execution, delivery or enforcement of, or otherwise with respect to, this Agreement or any other Loan Document (collectively "**Other Taxes**") to the relevant Governmental Authority in accordance with applicable Law.

(3) *Indemnity for Taxes.* The Borrower and each other Credit Party shall indemnify each Investor and the Administrative Agent (and, in the case of an Investor or Administrative Agent that is a partnership or other "flow-through" entity for tax purposes, each member or equity owner thereof), within 30 days after written demand therefor (accompanied by documented particulars thereof), for the full amount of any Indemnified Taxes (including Other Taxes) paid by the Investor, Administrative Agent or any member or equity owner of such Investor or Administrative Agent, on or with respect to any payment by or on account of any obligation of the Borrower or any other Credit Party hereunder or under any other Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.12) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes (including Other Taxes) were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by the applicable Investor, Administrative Agent or any member or equity owner of such Investor or Administrative Agent shall be conclusive absent manifest error.

(4) *Evidence of Tax Payments.* As soon as practicable after any payment of Indemnified Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the applicable Investor the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the applicable Investor.

(5) *Other*. (i) Any Investor that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to

the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower, such properly completed and executed documentation reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Investor, if reasonably requested by the Borrower, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower as will enable the Borrower to determine whether or not such Investor is subject to backup, withholding or information reporting requirements; (ii) if reasonably requested by the Borrower, each Investor resident in, or organized under, the Laws of a jurisdiction outside Canada (any such Investor being hereinafter referred to as a "**Non-Canadian Investor**") that is entitled to receive any amounts pursuant to any Loan Document from a Credit Party and that is either exempt from or eligible for a reduced rate of Canadian withholding tax under an applicable tax treaty shall submit to the Borrower and the Administrative Agent on or before the first date that any payments are made to such Non-Canadian Investor under the Loan Documents by the Credit Party, two properly completed and executed original Canada Revenue Agency (the "**CRA**") Forms NR301, NR302 or NR303, as applicable, or other applicable form, certificate or document prescribed by the CRA certifying as to such Non-Canadian Investor's entitlement to such exemption or reduced rate (a "**Certificate of Exemption**") except that such Investor shall not be required to submit any such form, certificate or document where such payments are exempt from Canadian withholding tax pursuant to the Tax Act and not by operation of an applicable tax treaty. Where a Non-Canadian Investor has previously delivered a Certificate of Exemption, such Non-Canadian Investor further agrees to deliver a true and accurate replacement Certificate of Exemption to the Borrower and the Administrative Agent before or promptly upon the earlier of (a) the occurrence of any events requiring a change in the most recent certificate previously delivered pursuant to Section 2.12(5)(ii), and (b) such time indicated in the most recent certificate previously delivered pursuant to Section 2.12(5)(ii) which was signed and dated or such time provided under CRA administrative policy for a replacement certificate to be delivered; (iii) if a payment made to an Investor under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Investor were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Investor shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower as may be necessary for a Credit Party and the Administrative Agent to comply with their obligations under FATCA and to determine that such Credit Party has complied with such Credit Party's obligations under FATCA and to determine the amount to deduct and withhold from such payment. Notwithstanding anything to the contrary in this Section 2.12(5), execution and submission of such documentation shall not be required if such Investor is not legally able to do so.

Each Investor agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(6) *Tax Refunds*. If the Administrative Agent or an Investor determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Credit Party or with respect to which such Credit Party has paid additional amounts pursuant to this Section 2.12, it shall pay over an amount equal to such refund to such Credit Party (but only to the extent of indemnity

payments made, or additional amounts paid, by such Credit Party under this Section 2.12 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Investor (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or Investor and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund net of any applicable Taxes); provided that such Credit Party, upon the request of the Administrative Agent or such Investor, agrees to repay as soon as reasonably practicable the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Investor in the event the Administrative Agent or such Investor is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Administrative Agent or any Investor be required to pay any amount to any Credit Party pursuant to this paragraph (6) the payment of which would place the Administrative Agent or such Investor in a less favourable net after-Tax position than the Administrative Agent or such Investor would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.12(6) shall not be construed to require the Administrative Agent or any Investor to make available its Tax Returns (or any other information relating to its Taxes which it deems confidential) to the Credit Parties or any other Person, to arrange its affairs in any particular manner or to claim any applicable refund.

2.13 Payments Generally.

(1) *Borrower Payments.* Unless otherwise expressly provided in this Agreement, the Borrower, the General Partner or Steelco, as applicable, shall make any payment required to be made by it to the Administrative Agent by depositing the amount of the payment in the relevant currency to the Administrative Agent's Account not later than 12:00 p.m. (Eastern time) on the date the payment is due. Any amounts received after such time on any date shall be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. The Administrative Agent shall distribute payments to each applicable Investor promptly upon receipt in like funds as received by the Administrative Agent. If the distribution is not made on that date, the Administrative Agent shall pay interest on the amount for each day, from the date the amount is received by the Administrative Agent until the date of distribution, at the prevailing interbank rate for late payments. All such payments shall be made by the Administrative Agent to an Investor to its Investor's Account. If any payment hereunder shall be due by the Borrower, the General Partner or Steelco, as applicable, on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension, provided that, in the case of any payment with respect to the Term Loan at maturity, the date for payment shall be advanced to the next preceding Business Day if the next succeeding Business Day is in a subsequent calendar month.

(2) *Allocation of Insufficient Funds.* If at any time insufficient funds are received by the Administrative Agent and available to the Investors to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (a) first, towards payment of interest and fees then due hereunder, and (b) second, towards payment of principal then due hereunder, in each case, rateably among the Investors according to its Applicable Percentage.

(3) *Allocation of Funds in Event of Default.* If an Event of Default shall have occurred and be continuing, and the maturity of the Term Loan shall have been accelerated pursuant to Section 9.1 or otherwise, all payments or proceeds received by the Collateral Agent, the Administrative Agent and/or the Investors hereunder or under any other Loan Document in respect of any of the Secured Liabilities including, but not limited to all proceeds received by the Collateral Agent, the Administrative Agent and/or the Investors in respect of any sale, any collection from, or other realization upon all or any part of the Collateral, shall be applied as follows:

(a) first, to the payment of all fees, expenses and indemnity obligations of Steelco, the Borrower or the General Partner to the Administrative Agent and the Collateral Agent under this Agreement and the other Loan Documents;

(b) second, to the payment of all reasonable and documented costs and expenses of such sale, collection or other realization, including reasonable and documented compensation to the Collateral Agent, the Administrative Agent and the Investors and their agents and outside counsel, and all other reasonable and documented expenses, liabilities and advances made or incurred by the Collateral Agent, the Administrative Agent and/or the Investors in connection therewith, and to the payment of all reasonable and documented costs and expenses paid or incurred by the Collateral Agent, the Administrative Agent and/or the Investors in connection with the exercise of any right or remedy hereunder or under any other Loan Document, all in accordance with the terms hereof or thereof;

(c) third, to the extent of any excess of such payments or proceeds, to the payment of any accrued interest, fee or commission due but unpaid under this Agreement rateably among the Investors according to their Applicable Percentage;

(d) fourth, to the extent of any excess of such payments or proceeds, to the payment of the principal amount of the Term Loan rateably among the Investors according to their Applicable Percentage;

(e) fifth, to the extent of any excess of such payments or proceeds, to the payment of any other amount due but unpaid under the Loan Documents; and

(f) sixth, to the extent of any excess of such payments or proceeds, to the payment to or upon the order of the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

2.14 Currency Indemnity.

ARTICLE 10
ADMINISTRATIVE AGENT/COLLATERAL AGENT

10.1 Appointment and Authority.

Each Investor hereby irrevocably appoints the Administrative Agent to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are expressly delegated to the Administrative Agent by the terms hereof or thereof. The Administrative Agent and each Investor hereby irrevocably appoints the Collateral Agent to act on its behalf as the Collateral Agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are expressly delegated to the Collateral Agent by the terms hereof or thereof. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent and the Investors, and none of Steelco, the General Partner or the Borrower shall have rights as a third party beneficiary of any of such provisions.

10.2 Rights as an Investor.

The Person serving as the Administrative Agent or Collateral Agent, as applicable, hereunder shall have the same rights and powers in its capacity as an Investor as any other Investor and may exercise the same as though it were not the Administrative Agent or Collateral Agent, as applicable. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Steelco, the General Partner, the Borrower or any Affiliate of any of the foregoing as if such Person were not the Administrative Agent or Collateral Agent, as applicable, and without any duty to account to the Investors.

10.3 Exculpatory Provisions.

(1) The Administrative Agent or Collateral Agent, as applicable, shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent and Collateral Agent, as applicable:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or Collateral Agent, as applicable, is required to exercise as directed in writing by the Required Investors (or such other number or percentage of the Investors as shall be expressly provided for in the Loan Documents), but the Administrative Agent and Collateral Agent, as applicable, shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or Collateral Agent, as applicable, to liability or financial risk or that is contrary to any Loan Document or applicable Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to

disclose, any information relating to Steelco, the General Partner, the Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or Collateral Agent, as applicable, or any of its Affiliates in any capacity.

(2) The Administrative Agent and Collateral Agent, as applicable, shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Investors (or such other number or percentage of the Investors as is necessary, or as the Administrative Agent or Collateral Agent, as applicable, believes in good faith is necessary, under the provisions of the Loan Documents) or (ii) in the absence of its own gross negligence or wilful misconduct. The Administrative Agent and Collateral Agent, as applicable, shall be deemed not to have knowledge of any Default or Event of Default unless and until notice describing the Default or Event of Default is given to the Administrative Agent or Collateral Agent, as applicable, by the Borrower.

(3) Except as otherwise expressly specified in this Agreement, the Administrative Agent and Collateral Agent, as applicable, shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any order, direction, instruction, certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition specified in this Agreement.

10.4 Reliance by Administrative Agent/Collateral Agent.

The Administrative Agent and the Collateral Agent, as applicable, shall be entitled to rely upon, and shall not incur any liability for relying upon, any order, direction, instruction, notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent and Collateral Agent, as applicable, also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a borrowing that by its terms must be fulfilled to the satisfaction of an Investor, the Administrative Agent and Collateral Agent, as applicable, may presume that such condition is satisfactory to such Investor unless the Administrative Agent or Collateral Agent, as applicable, shall have received written notice to the contrary from such Investor prior to the making of such borrowing. The Administrative Agent and the Collateral Agent, as applicable, may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

10.5 Indemnification of Administrative Agent and Collateral Agent.

Each Investor agrees to indemnify the Administrative Agent and the Collateral Agent and hold each of them harmless (to the extent not reimbursed by Steelco or the Borrower), rateably according to its Applicable Percentage (and not jointly or jointly and severally) from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel, which may be incurred by or asserted against the

Administrative Agent or Collateral Agent, as applicable, in any way relating to or arising out of the Loan Documents or the transactions therein contemplated. However, no Investor shall be liable for any portion of such losses, claims, damages, liabilities and related expenses resulting from the Administrative Agent's or Collateral Agent's, as applicable, gross negligence or wilful misconduct as determined by a court of competent jurisdiction in a final non-appealable ruling.

10.6 Delegation of Duties.

The Administrative Agent or Collateral Agent, as applicable, may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent or Collateral Agent, as applicable, from among the Investors and their respective Affiliates. The Administrative Agent or Collateral Agent, as applicable, and any sub-agents may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The provisions of this Article and other provisions of this Agreement for the benefit of the Administrative Agent and the Collateral Agent, as applicable, shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and the Collateral Agent, and shall apply to their respective activities in connection with the activities as Administrative Agent or Collateral Agent, as applicable.

10.7 Replacement of Administrative Agent and Collateral Agent.

(1) The Administrative Agent or Collateral Agent, as applicable, may at any time give notice of its resignation to the Investors and the Borrower. Upon receipt of any such notice of resignation, the Required Investors shall have the right to appoint a successor Administrative Agent or Collateral Agent, as applicable. The Administrative Agent or Collateral Agent, as applicable, may also be removed at any time by the Required Investors upon 30 days' notice to the Administrative Agent or Collateral Agent, as applicable, and the Borrower as long as the Required Investors appoint and obtain the acceptance of a successor within such 30 days.

(2) If no such successor shall have been so appointed by the Required Investors and shall have accepted such appointment within 30 days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents, and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent or Collateral Agent, as applicable, shall instead be made by or to each Investor directly, until such time as the Required Investors appoint a successor Administrative Agent or Collateral Agent, as applicable, as provided for above in the preceding paragraph.

(3) Upon a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the former Administrative Agent or Collateral Agent, as applicable, and the former Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided in the preceding paragraph). The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the termination of the service of the former Administrative Agent or Collateral Agent, as applicable, the provisions of this Article

shall continue in effect for the benefit of such former Administrative Agent or Collateral Agent, as applicable, and their respective sub-agents and Related Parties in respect of any actions taken or omitted to be taken by any of them while the former Administrative Agent or Collateral Agent, as applicable, was acting as Administrative Agent or Collateral Agent, as applicable.

10.8 Non-Reliance on Administrative Agent and Collateral Agent.

Each Investor acknowledges that it has, independently and without reliance upon the Administrative Agent or Collateral Agent, as applicable, or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Investor also acknowledges that it will, independently and without reliance upon the Administrative Agent or Collateral Agent, as applicable, or any of its representatives and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

10.9 Collateral and Filings.

Notwithstanding anything contained herein to the contrary and for the avoidance of doubt, nothing in this Agreement or any other Loan Document shall require the Collateral Agent or the Administrative Agent to file financing statements or continuation statements (except for the safe custody of any Collateral in its possession), or be responsible for maintaining the security interests purported to be created as described herein, and such responsibility shall be solely that of the Borrower. Neither the Collateral Agent nor the Administrative Agent makes any representations and shall not be responsible for the existence, genuineness, validity or value of any Collateral or for the legality, effectiveness or sufficiency of any Security Documents, or for the creation, perfection, priority, sufficiency, protection or enforceability of any Lien.

10.10 Collective Action of the Investors.

Each Investor hereby acknowledges that to the extent permitted by applicable Law, any Security Document and the remedies provided under the Loan Documents to the Investors are for the benefit of the Investors collectively and acting together and not severally and further acknowledges that its rights hereunder and under any collateral security are to be exercised not severally, but by the Administrative Agent or the Collateral Agent, as applicable, upon the decision of the Required Investors (or such other number or percentage of the Investors as shall be expressly provided for in the Loan Documents). Accordingly, notwithstanding any of the provisions contained herein or in any collateral security, each of the Investors hereby covenants and agrees that it shall not be entitled to take any action hereunder or thereunder including, without limitation, any declaration of default hereunder or thereunder but that any such action shall be taken only by the Administrative Agent or the Collateral Agent, as applicable, with the prior written agreement of the Required Investors (or such other number or percentage of the Investors as shall be expressly provided for in the Loan Documents). Each Investor hereby further covenants and agrees that upon any such written agreement being given, it shall cooperate fully with the Administrative Agent and the Collateral Agent to the extent requested by the Administrative Agent and the Collateral Agent.

10.11 Limited Duties and Liabilities.

In no event and under no circumstances shall the Collateral Agent or the Administrative Agent be required or deemed to be the operator of any facility, plant, property or other Collateral of the Borrower, the General Partner or Steelco. In the event that the Collateral Agent or the Administrative Agent is required to acquire title to an asset for any reason, or take any operational or managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Collateral Agent's or the Administrative Agent's sole discretion may cause the Collateral Agent or the Administrative Agent to incur potential liability under any Environmental Law or any other applicable Laws, each of the Collateral Agent and the Administrative Agent reserves the right, instead of taking such action, to either resign or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Collateral Agent nor the Administrative Agent shall be liable to the Borrower, the General Partner, Steelco, the Investors, any Participant, or any other Person for any Environmental Liability or any other losses, claims, cost recovery actions, demands, damages, expenses, and liabilities of any kind arising under, in connection with or related to any Environmental Law, or under any applicable Law, rule or regulation, by reason of the Collateral Agent's or the Administrative Agent's actions and conduct as authorized, empowered and directed hereunder or relating to the presence, release, or threatened release of any Hazardous Materials.

10.12 No Risk of Funds.

Neither the Administrative Agent nor the Collateral Agent shall be required to expend or risk any of its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties hereunder or under any other Loan Document. The Administrative Agent and the Collateral Agent may refuse to perform any duty or exercise any right or power unless it receives indemnity and/or security satisfactory to it against the costs, expenses and liabilities which might be incurred by it in performing such duty or exercising such right or power.

10.13 USA Patriot Act.

Each of the Borrower, the General Partner and Steelco acknowledges that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to Federal regulations that became effective on October 1, 2003 (Section 326 of the USA PATRIOT Act) all financial institutions are required to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. Each of the Borrower, the General Partner and Steelco agrees that it will provide to the Administrative Agent and Collateral Agent such information as they may request, from time to time, in order for the Administrative Agent and Collateral Agent to satisfy the requirements of the USA PATRIOT Act, including but not limited to the name, address, tax identification number and other information that will allow it to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

10.14 Force Majeure.

Neither the Administrative Agent nor the Collateral Agent shall incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond their control of (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest,

local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

11.2 Waivers; Amendments.

(1) *Waiver*. No failure or delay by the Administrative Agent, the Collateral Agent or any Investor in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of Administrative Agent, the Collateral Agent and the Investors hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by Steelco, the General Partner or the Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 11.2(2), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of the Term Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent or any Investor may have had notice or knowledge of such Default at the time.

(2) *Amendments.* Neither this Agreement nor any other Loan Document (or any provision hereof or thereof) may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by Steelco, the General Partner, the Borrower, the Administrative Agent, the Collateral Agent and the Required Investors, provided that only written acceptances, amendments, waivers or consents signed by all the Investors shall (i) reduce the principal or amount of, or interest on, directly or indirectly, the Term Loan or any fees; (ii) postpone any date fixed for any payment of principal of, or interest on, the Term Loan or any fees; (iii) change the percentage of the Term Loan or the number or percentage of Investors required for the Investors, or any of them, or the Administrative Agent to take any action; (iv) permit any termination of the Sublease, the Steelco Guarantee or any other guarantees required hereunder or the Security or release any of such guarantees or any substantial portion of the Assets subject to the Security; (v) change the definition of Required Investors; or (vi) amend this Section. An amendment, modification or waiver affecting the Fee Letter may be made only by the parties to it.

11.3 Expenses; Indemnity; Damage Waiver.

(1) *Expenses*. Steelco, the General Partner and the Borrower shall pay (a) all reasonable out-of-pocket expenses (fully evidenced by invoices, receipts or other similar documentation as appropriate), incurred by the Administrative Agent and the Collateral Agent, including the reasonable fees, charges and disbursements of one firm of legal counsel on behalf of the Administrative Agent and the Collateral Agent, together with one firm of local counsel in each applicable jurisdiction, and all applicable Taxes, in connection with the preparation of this Agreement and the other Loan Documents, (b) all reasonable out-of-pocket expenses (fully evidenced by invoices, receipts or other similar documentation as appropriate) incurred by the Administrative Agent, the Collateral Agent or the Investors, including the reasonable fees, charges and disbursements of one firm of legal counsel on behalf of the Administrative Agent and the Collateral Agent and one firm of legal counsel on behalf of the Investors, together with one firm of local counsel in each applicable jurisdiction, and applicable Taxes, in connection with any amendments, modifications or waivers of the provisions hereof or of any of the other Loan Documents, (whether or not the transactions contemplated hereby or thereby shall be consummated), and (c) all reasonable out-of-pocket expenses (fully evidenced by invoices, receipts or other similar documentation as appropriate) incurred by the Administrative Agent, the Collateral Agent or any Investor, including the fees, charges and disbursements of any of one firm of legal counsel on behalf

of the Administrative Agent and the Collateral Agent and one firm of legal counsel on behalf of the Investors, together with one firm of local counsel in each applicable jurisdiction, and all applicable Taxes, in connection with the administration of this Agreement and the assessment, enforcement or protection of their rights in connection with this Agreement or in connection with the Term Loan, including all such reasonable out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Term Loan. For greater certainty and notwithstanding anything to the contrary in this Agreement, none of Steelco, the General Partner or the Borrower shall be required to pay or reimburse the out-of-pocket expenses (including legal fees) incurred by the Investors prior to the Advance Date, including in connection with the negotiation and preparation of the Term Loan, this Agreement and the other Loan Documents; however, nothing in this Agreement precludes the Investors from requiring payment or reimbursement of any of such expenses pursuant to the POI Credit Agreement.

(2) *Indemnity*. Steelco, the General Partner and the Borrower shall indemnify the Administrative Agent (or any sub-agent thereof), the Collateral Agent (or any sub-agent thereof) and each Investor, as well as each Related Party and each assignee of any of foregoing Persons (each such Person and each such assignee being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, cost recovery actions, damages, expenses and liabilities of whatsoever nature or kind and all reasonable out-of-pocket expenses (including due diligence expenses, travel expenses and reasonable fees, charges and disbursements of counsel, but excluding expenses addressed by clause 11.3(1) above and any costs incurred by the Investors in connection with the negotiation and preparation of the Term Loan, this Agreement or the other Loan Documents) and all applicable Taxes (other than Excluded Taxes) to which any Indemnitee may become subject arising out of or in connection with (a) in respect of the Administrative Agent (or any sub-agent thereof) and the Collateral Agent (or any sub-agent thereof) and each of their Related Parties only, the preparation, execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder, and the consummation of the Transactions or any other transactions thereunder, (b) the Term Loan or any actual or proposed use of the proceeds therefrom, (c) any actual or alleged presence or release of Hazardous Materials on or from any property owned, leased or operated by the Borrower or the General Partner, or any Environmental Liability related in any way to the Borrower or the General Partner, (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto, (e) any other aspect of this Agreement, the other Loan Documents and the Core Material Contracts, or (f) the enforcement of any Indemnitee's rights hereunder and any related assessment, investigation, defence, preparation of defence, litigation and enquiries, in each case regardless of whether or not the Transactions are consummated; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence (it being acknowledged that ordinary negligence does not necessarily constitute gross negligence) or wilful misconduct of such Indemnitee.

(3) *No Special, Punitive, etc. Damages.* None of Steelco, the General Partner or the Borrower shall assert, and hereby waives to the fullest extent permitted by applicable Law, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages or lost profits (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document, or any agreement or

instrument contemplated thereby, the Transactions, the Term Loan or the use of the proceeds thereof irrespective of whether such Indemnitee has been advised of the likelihood of such loss or damage and regardless of the form of such action.

(4) *Inspections for Administration.* Any inspection of any property of Steelco, the General Partner or the Borrower made by or through Administrative Agent, the Collateral Agent or any Investor shall be for purposes of administration of the Credit only, and none of Steelco, the General Partner or the Borrower shall be entitled to rely upon the same (whether or not such inspections are at the expense of the Borrower) and neither the Administrative Agent nor the Collateral Agent shall be deemed to have any knowledge of any fact or circumstance as a result of such inspection.

(5) *No Representation.* By accepting or approving anything required to be observed, performed, fulfilled or given to the Administrative Agent, the Collateral Agent or any Investor pursuant to the Loan Documents, the Administrative Agent, the Collateral Agent and the Investors shall not be deemed to have warranted or represented the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision or condition thereof, and such acceptance or approval thereof shall not constitute a warranty or representation to anyone with respect thereto by the Administrative Agent, the Collateral Agent or any Investor.

(6) *Relationship Between Parties.* The relationship between Steelco, the General Partner and the Borrower and the Administrative Agent, the Collateral Agent and any Investor is, and shall at all times remain, solely that of borrower and investor. The Administrative Agent, the Collateral Agent and each Investor shall not under any circumstances be construed to be a partner or joint venturer of Steelco, the General Partner or the Borrower or their Affiliates. Neither the Administrative Agent, the Collateral Agent nor any Investor shall under any circumstances be deemed to be in a relationship of confidence or trust or a fiduciary relationship with Steelco, the General Partner or the Borrower or their Affiliates, or to owe any fiduciary duty to Steelco, the General Partner or the Borrower or their Affiliates. The Administrative Agent, the Collateral Agent and the Investors shall not undertake or assume any responsibility or duty to Steelco, the General Partner or the Borrower or their Affiliates to select, review, inspect, supervise, pass judgment upon or inform Steelco, the General Partner or the Borrower or their Affiliates of any matter in connection with their property or the operations of Steelco, the General Partner or the Borrower or their Affiliates. Steelco, the General Partner and the Borrower and their Affiliates shall rely entirely upon their own judgment with respect to such matters, and any review, inspection, supervision, exercise of judgment or supply of information undertaken or assumed by the Administrative Agent, the Collateral Agent or any Investor in connection with such matters shall be solely for the protection of the Administrative Agent, the Collateral Agent and the Investors, and neither Steelco nor the Borrower nor any other Person shall be entitled to rely thereon.

(7) *Limitation of Liability.* Neither the Administrative Agent, the Collateral Agent nor any Investor shall be responsible or liable to any Person for any loss, damage, liability or claim of any kind relating to injury or death to Persons or damage to property caused by the actions, inaction or negligence of Steelco, the General Partner or the Borrower or their Affiliates, and Steelco, the General Partner and the Borrower hereby indemnifies and holds the Administrative Agent, the Collateral Agent and each Investor harmless on the terms set out in Section 11.3(2) from any such loss, damage, liability or claim.

(8) *Agreement Between Parties.* The parties agree that this Agreement is made for the purpose of defining and setting forth certain obligations, rights and duties of Steelco,

the General Partner, the Borrower, the Administrative Agent, the Collateral Agent and the Investors in connection with the Term Loan, and is made for the sole benefit of Steelco, the General Partner, the Borrower, the Administrative Agent, the Collateral Agent and the Investors (and their respective successors and permitted assigns). Except as provided in Section 11.3(2) or otherwise provided hereunder, no other Person shall have any rights of any nature hereunder or by reason hereof.

(9) *Payment of Expenses and Indemnity.* All amounts due under this Section 11.3 shall be payable not later than five Business Days after written demand therefor accompanied by documented particulars thereof.

11.4 Successors and Assigns.

(1) *Successors and Assigns*. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that none of Steelco, the General Partner or the Borrower shall assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent, the Collateral Agent and the Required Investors (and any attempted assignment or transfer by Steelco, the General Partner or the Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Administrative Agent, the Collateral Agent and each Investor) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(2) *Assignment by Investor*. An Investor may assign to one or more assignees all or any part of its rights and obligations under this Agreement and the other Loan Documents. None of Steelco's, the General Partner's or the Borrower's consent shall be required with respect to any assignment of all or any part of any Investor's rights and obligations under this Agreement and the other Loan Documents provided that (i) such assignees shall not be entitled to receive any greater payments under Sections 2.10 and 2.12 than the assigning Investor would have been entitled to receive with respect to such assignment unless the assignment is made with the Borrower's consent, acting reasonably, and (ii) no such assignment shall be made to an industry participant or competitor of either Steelco or the Borrower as set out on the list provided to the Administrative Agent and the Investors on the Closing Date, as updated from time to time by the Borrower with the consent of GIP Primus, L.P. (or if GIP Primus, L.P. shall no longer be an Investor, with the consent of the Required Investors) acting reasonably, or any Person known by the assigning Investor to be an Affiliate or Person acting in concert with any Person so listed. Any such assignment shall be made pursuant to an Assignment and Acceptance in the form of Exhibit B and the assigning Investor shall provide the Administrative Agent with a copy thereof forthwith upon execution thereof by the parties thereto. From and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and shall share in all of the rights and obligations of an Investor under this Agreement, and upon assignment of the full amount its share of the Term Loan, any assigning Investor shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 2.12 and 11.3. Each assignee shall provide the Administrative Agent with an Administrative Questionnaire, tax information and all other information, including supporting documentation and other evidence, as may be reasonably requested by the Administrative Agent in order to comply with any applicable AML Legislation, whether now or hereafter in existence, requested by the Administrative Agent together with an assignment fee of $2,500.

(3) *Participations.* An Investor may, without notice to the Borrower or the consent of the Borrower, sell participations to one or more Persons, other than Persons to whom assignment would be restricted under Section 11.4(2) (a "**Participant**") in all or a portion of the Investor's rights and obligations under this Agreement and the other Loan Documents (including all or a portion of the Term Loan; provided that (a) the Investor's obligations under this Agreement shall remain unchanged, (b) such Investor shall remain solely responsible to the other parties hereto for the performance of such obligations, and (c) Steelco, the General Partner and the Borrower shall continue to deal solely and directly with such Investor in connection with the Investor's rights and obligations under this Agreement. Any agreement or instrument pursuant to which such Investor sells such a participation shall provide that (e) such Investor shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Investor shall not, without the consent of the Participant, agree to material amendments, modifications or waivers for which the approval of all the Investors is required under Section 11.2(2), and (f) the Participant shall agree to maintain the confidentiality of Information (as defined in Section 11.15) on terms and conditions substantively similar to those contained in Section 11.15. Subject to Section 11.4(4), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11, 2.12 and 11.3 to the same extent as if it were an Investor and had acquired its interest by assignment pursuant to Section 11.4(2).

(4) *Rights of Participant.* A Participant shall not be entitled to receive any greater payment under Sections 2.10, 2.11, 2.12 and 11.3 than such Investor would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(5) *Investor Pledge of Security.* An Investor may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of the Investor, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and Section 11.4 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release such Investor from any of its obligations hereunder or substitute any such pledgee or assignee for such Investor as a party hereto.

(6) *Borrower's Obligations.* Any assignment or grant of a participation pursuant to this Agreement shall constitute neither a repayment by the Borrower to the assigning or granting Investor of the Term Loan, nor a new advance of the Term Loan to the Borrower by the Investor or by the assignee or Participant, as the case may be. The parties acknowledge that the Borrower's obligations hereunder with respect to the Term Loan shall continue and shall not constitute new obligations as a result of such assignment or participation.

11.5 Anti-Money Laundering Legislation.

Steelco, the General Partner and the Borrower acknowledges that, pursuant to AML Legislation, the Administrative Agent, the Collateral Agent or any Investor may be required to obtain, verify and record information regarding Steelco, the General Partner and the Borrower, their directors, authorized signing officers, direct or indirect shareholders or other Persons in control of Steelco, the General Partner or the Borrower, and the transactions contemplated hereby. Steelco, the General Partner and the Borrower shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by the Administrative Agent, the Collateral Agent or any Investor, or any prospective

assignee or participant of the Administrative Agent, the Collateral Agent or any Investor, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

11.6 Survival.

All covenants, agreements, representations and warranties made by Steelco, the General Partner and/or the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of the Term Loan, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Collateral Agent or any Investor may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on the Term Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid. All indemnities contained herein shall survive and remain in full force and effect, regardless of the consummation of the Transactions, the repayment of the Term Loan, the expiration or the termination of this Agreement or any provision hereof or the resignation or removal of the Administrative Agent or the Collateral Agent.

11.7 Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which taken together shall be deemed to constitute one and the same instrument. Counterparts may be executed either in original or faxed or other electronic form and the parties adopt any signatures received by a receiving fax machine or via e-mail as original signatures of the parties; provided, however, that any party providing its signature in such manner shall promptly forward to the other parties an original of the signed copy of this Agreement which was so faxed or e-mailed.

11.8 Entire Agreement.

This Agreement (together with the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent, the Collateral Agent or any Investor), constitutes the entire agreement between the parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written. There are no conditions, warranties, representations or other agreements between the parties in connection with the subject matter of this Agreement (whether oral or written, express or implied, statutory or otherwise) except as specifically set out in this Agreement or in such other applicable agreements.

11.9 Severability.

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and shall be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

11.10 Right of Set Off.

If an Event of Default shall have occurred and be continuing, the Administrative Agent, the Collateral Agent and each Investor is hereby authorized at any time and from time to time, to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by the Administrative Agent, the Collateral Agent or any Investor to or for the credit or the account of any Credit Party against any of and all of the obligations of the Credit Parties now or hereafter existing under the Loan Documents held by the Administrative Agent, the Collateral Agent or any Investor, irrespective of whether or not the Administrative Agent, the Collateral Agent or any Investor shall have made any demand under any Loan Document and although such obligations may be unmatured and regardless of the currency of the deposit. The rights of the Administrative Agent, the Collateral Agent or any Investor under this Section are in addition to other rights and remedies (including other rights of set off) which the Administrative Agent, the Collateral Agent or any Investor may have.

11.11 Governing Law.

This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable in that Province and shall be treated, in all respects, as an Ontario contract.

11.12 Attornment.

Each party hereto agrees (i) that any action or proceeding relating to this Agreement may (but need not) be brought in any court of competent jurisdiction in the Province of Ontario, and for that purpose now irrevocably and unconditionally attorns and submits to the jurisdiction of such Ontario court; (ii) that it irrevocably waives any right to, and shall not, oppose any such Ontario action or proceeding on any jurisdictional basis, including forum non conveniens; and (iii) not to oppose the enforcement against it in any other jurisdiction of any judgment or order duly obtained from an Ontario court as contemplated by this Section.

11.13 Service of Process.

Each party hereto irrevocably consents to service of process in the manner provided for notices in this Agreement. Nothing in this Agreement shall affect the right of any party to this Agreement to serve process in any other manner permitted by Law. Without prejudice to any other mode of service, the Borrower, the General Partner and Steelco each consent to the service of process relating to any such proceedings by prepaid mailing or by personal delivery of a copy of the process at the address identified in Section 11.1 or by facsimile or prepaid mailing by air mail, certified or registered mail, or by personal delivery, of a copy of the process at the address as provided for pursuant to Section 11.1.

11.14 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (a) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED,

EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (b) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.15 Confidentiality.

The Administrative Agent, the Collateral Agent and each Investor shall maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to directors, officers, employees, agents and advisors, including accountants, legal counsel and other advisors of such Person (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and either be under a fiduciary, legal or contractual obligation to keep such Information confidential or otherwise have agreed to keep such Information confidential), (b) to the extent required by regulatory authority or other Governmental Authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under any Loan Document or any suit, action or proceeding relating to any Loan Document or the enforcement of rights thereunder, (f) subject to a non-disclosure agreement containing provisions substantially the same as the agreement entered into by the Investors, to (i) any actual or prospective assignee of or Participant in any of its rights or obligations under this Agreement, or (ii) any actual or prospective counterparty (or its advisors) to any Hedge Arrangement relating to the Borrower or the General Partner and their respective obligations, in each such case with the consent of the Borrower to the extent such consent is required for the participation or assignment pursuant to Section 11.4, (g) to their auditors in connection with any audit, (i) with the consent of the Borrower, or (h) to the extent such Information (i) has become publicly available other than as a result of a breach of this Section or (ii) becomes available to the Investors on a non-confidential basis from a source other than the Borrower or the General Partner; provided that such source is not known by the Investors to be (A) bound by a confidentiality agreement with the Borrower or the General Partner or (B) otherwise prohibited from disclosing information to the Investors by a contractual, legal or fiduciary obligation. In addition, the Administrative Agent, the Collateral Agent and the Investors may disclose the existence of this Agreement and relevant information about this Agreement, including the terms of this Agreement, to (i) rating agencies and credit bureaus and (ii) current or prospective investors in any fund managed by an Affiliate of any Investor. All Information provided by a Credit Party pursuant to the Loan Documents will be assumed to be confidential unless otherwise identified in writing by such Credit Party. For the purposes of this Section, "**Information**" means all information received from any Credit Party relating to any Credit Party or any of their subsidiaries or Affiliates, or their respective business, other than any such information that is available to the Investors on a non-confidential basis prior to disclosure by such Credit.

11.16 Application under the CCAA

Each of the Borrower and the General Partner acknowledges that its business and financial relationships with the Investors are unique from its relationship with any other of its creditors. The Borrower shall not file any plan of arrangement under the Companies' Creditors Arrangement Act (the "**CCAA Plan**") which provides for, or would permit, directly or indirectly, the Investors to be classified in the same class with any other creditor of the Borrower or the General Partner for purposes of such CCAA Plan.

11.17 No Strict Construction.

The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favouring or disfavouring any party by virtue of the authorship of any provisions of this Agreement.

11.18 Paramountcy.

In the event of any inconsistency between the provisions of this Agreement and the provisions of any other Loan Document, the provisions of this Agreement shall prevail.

11.19 Limitation of Liability.

NO CLAIM MAY BE MADE BY THE BORROWER, THE GENERAL PARTNER, STEELCO OR ANY OTHER PERSON AGAINST THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY INVESTOR OR THE AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS OF THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY INVESTOR FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES OR LOST PROFITS IN RESPECT OF ANY CLAIM FOR BREACH OF CONTRACT OR ANY OTHER THEORY OF LIABILITY ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY ACT, OMISSION OR EVENT OCCURRING IN CONNECTION THEREWITH, AND EACH OF THE BORROWER, THE GENERAL PARTNER AND STEELCO HEREBY WAIVES, RELEASES AND AGREES NOT TO SUE UPON ANY CLAIM FOR SUCH DAMAGES, WHETHER OR NOT ACCRUED AND WHETHER OR NOT KNOWN OR SUSPECTED TO EXIST IN ITS FAVOUR.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

terminate the Minister's obligation to reimburse claims under this Agreement and the Parties will negotiate a new repayment schedule.

8.5. **Increase in Term Loan and/or ABL Facility**

(a) the Project, its operation, conduct or any other aspect thereof;

(b) the performance or non-performance of this Agreement, or the breach or failure to comply with any term, condition, representation or warranty of this Agreement by the Recipient or the Guarantors, its officers, employees and agents;

(c) the design, construction, operation, maintenance and repair of any part of the Project; or

(d) any omission or other wilful or negligent act or delay of the Recipient or a third party and their respective employees, officers, or agents, except to the extent to which such claims and demands, losses, costs, damages, actions, suits, or other proceedings relate to the negligent act or omission of an officer, official, employee, or agent of Her Majesty, in the performance of his or her duties.

11.2. The Minister shall have no liability under this Agreement, except for payments of the Contribution, in accordance with and subject to the provisions of this Agreement. Without limiting the generality of the foregoing, the Minister shall not be liable for any direct, indirect, special or consequential damages, or damages for loss of revenues or profits of the Recipient.

(h) all or any material part of the Assets of the Recipient or any Guarantor are executed, sequestered or distrained upon and such execution, sequestration or distraint (i) relates to claims in the aggregate in excess of $50,000,000 (or the equivalent amount in other currencies), and (ii) the Recipient or any Guarantor do not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof (by reason of pending appeal or otherwise), or cause the same to be fully bonded, or deposit with the Minister cash collateral or other security reasonably satisfactory to the Minister in the amount of the claim, within sixty (60)days from the date of entry thereof;

CREDIT FACILITY

2.1 Availability

(b) The Credit Facility will be a non-revolving facility such that repayments of Advances under the Credit Facility will permanently reduce the Facility Amount.

2.2 Facility Limits

2.3 Mandatory Repayment

The Borrower shall repay (subject to Section 8.1 – *Events of Default*) the Amounts Outstanding (together with all Interest which has accrued on Advances made thereunder) under the Credit Facility in accordance with an amortization table which will be prepared by the Lender and delivered to the Borrower on or prior to the sixth (6^{th}) anniversary of the Closing Date and on each subsequent anniversary of the Closing Date. Each such amortization table will cover the twelve month period commencing on the anniversary on which it is delivered and will provide for equal monthly blended payments of principal and Interest payable on the final Business Day of each month during such period in such amount as, if such payments were continued through to the Maturity Date and the rate of Interest during the period covered by the amortization table were to remain constant through to the Maturity Date, would result in all Amounts Outstanding and all accrued Interest having been repaid in full by the Maturity Date. Each amortization table as prepared by the Lender will, absent manifest error, be conclusive and binding upon the Borrower. For the avoidance of doubt, the Borrower will pay all Amounts Outstanding, all Interest accrued thereon and all other amounts due and owing under or by virtue of this Credit Agreement on or prior to the Maturity Date.

2.4 [Intentionally deleted.]

2.5 Mandatory Prepayment – Cumulative Job Targets

(a) If the First Cumulative Job Target is not satisfied on the last day of any Fiscal Year occurring during the First Measurement Period, the Borrower shall repay a portion of the Amounts Outstanding determined in accordance with the following formula:

(b) If the Second Cumulative Job Target is not satisfied on the last day of any Fiscal Year occurring during the Second Measurement Period, the Borrower shall repay to the Lender a portion of the Amounts Outstanding determined in accordance with the following formula:

- "Y" is the number that results from the Second Cumulative Job Target calculation made on such date of determination in accordance with the formula referred to in the definition of "Second Cumulative Job Target"; and
- "Z" is the total Amount Outstanding as of the date of determination;

provided, that, if on the last day of any Fiscal Year occurring during the Second Measurement Period, the 3 year rolling annual average of Jobs as determined in accordance with the formula in the definition of Second Cumulative Job Target is less than 2,300 and equal to or greater than 2,200, the Borrower shall not be obligated to repay such amount unless and until, on the last day of the immediately succeeding Fiscal Year, the 3 year rolling average of Jobs is less than 2,300; provided further, that, if on the last day of the last full Fiscal Year in the Second Measurement Period, the 3 year rolling annual average of Jobs as determined in accordance with the formula in the definition of Second Cumulative Job Target is less than 2,300 and equal to or greater than 2,200, the Borrower shall not be obligated to repay such amount.

(c) For greater certainty, the aggregate amount payable by the Borrower pursuant to this Section 2.5 shall not exceed the aggregate Amount Outstanding.

(e) The Borrower shall repay the amounts calculated in accordance with Sections 2.5(a) or(b), if any, within 90 days after the end of the Fiscal Year to which such payment relates. Any attempt, in the Lender's reasonably held opinion, by the Borrower to manipulate or artificially inflate the number of Jobs by artificial transactions or schemes shall be an Event of Default under this Credit Agreement.

2.6 Optional Prepayments

The Borrower may, subject to the provisions of this Credit Agreement, prepay without penalty or bonus Amounts Outstanding under the Credit Facility upon no less than three Business Days' notice to the Lender by a notice stating the proposed date and aggregate principal amount of the prepayment or reduction. If funds are received for the Funded Projects from sources other than, or in amounts greater than, those set out in the corresponding Funded Project Budgets: (i) the Borrower shall promptly give notice thereof to the Lender and (ii) the Lender may, in its sole discretion and whether it has received such notice or not, reduce the Facility Amount by the amount of such funds, or demand the repayment of a portion of the Amount Outstanding in an amount equal to such additional funds, whereupon the amount demanded by the Lender shall immediately become due and payable.

2.8 Appropriations

The Borrower acknowledges that the Lender has received the necessary appropriation from the Ontario Legislature pursuant to the *Financial Administration Act* (Ontario) only for the making of Advances in the aggregate amount of CDN $30,000,000.00, and that until a further appropriation is received the Borrower may not submit Borrowing Notices which would cause the aggregate Amounts Outstanding to exceed CDN $30,000,000.00. If pursuant to the *Financial Administration Act* (Ontario) the Lender does not receive the necessary appropriation(s) from the Ontario Legislature to make Advances in an aggregate amount totalling the Facility Amount the Lender will have the right upon notice to the Borrower to reduce the Facility Amount to the aggregate amount for which appropriations have been received.

2.9 Interest on Amounts Prepaid Pursuant to Sections 2.5 and 2.7.

(b) No provision of this Credit Agreement shall have the effect of requiring the Borrower to pay interest (as such term is defined in section 347 of the *Criminal Code* (Canada)) at a rate in excess of 60% per annum, taking into account all other amounts which must be taken into account for the purpose thereof and, to such extent, the Borrower's obligation to pay interest hereunder shall be so limited.

schedule, duly executed by the Borrower, for approval within 15 days after having received the notice from the Lender of any deficiencies or issues that need to be addressed.

(t) Job Targets. Meet or exceed the First Cumulative Job Target in each Fiscal Year during the First Measurement Period and meet or exceed the Second Cumulative Job Target in each Fiscal Year during the Second Measurement Period; provided, however, that the Lender agrees that a failure to comply with the foregoing covenant shall constitute an Event of Default only if the Borrower fails to comply with the repayment obligation triggered by such failure pursuant to Section 2.5.

(u) Investment Target. Make such investments in Projects pursuant to the Algoma Capital Investment Plan as will result in investments in Projects totalling CDN $600,000,000.00 having been made over the period from November 14, 2014 to March 31, 2023.

(v) Pensions. Comply, in all material respects, with the Borrower's pension funding obligations under Applicable Law**,** including without limitation, any contributions required under any pension funding agreements between the Borrower and the Financial Services Commission of Ontario.

7.2 Negative Covenants

So long as any amount owing hereunder remains unpaid or the Lender has any obligation under this Credit Agreement, and unless consent is given in accordance with Section 9.1, the Borrower shall not do any of the following or permit any Subsidiary of the Borrower to do any of the following:

(a) Amalgamations. Amalgamate into or with any other Person, or permit any other Person to amalgamate into or with it, without the prior written consent from the Lender, except that, if at the time thereof and immediately after giving effect thereto no Event of Default shall have occurred: (i) any Obligor may amalgamate with any other Obligor, (ii) any Subsidiary may amalgamate with any other Subsidiary; and (iii) the Borrower may amalgamate with any other Person if, in the opinion of the Lender, acting reasonably, the successor entity resulting from the amalgamation is capable of performing the obligations of the Borrower under this Agreement, the other Loan Documents and the Permitted Prior Secured Indebtedness, and provided that, in each case, any transaction pursuant to this section 7.2(a) shall not be permitted unless the conditions set out in Section 9.02 (Mergers and Consolidations) of the Term Loan Credit Agreement are satisfied.

(b) Liens. Create, incur, assume or suffer to exist on the Assets of the Borrower or any Subsidiary any Liens securing any indebtedness ranking prior to the Liens granted pursuant to the Security Documents other than Liens securing Permitted Prior Secured Indebtedness.

(c) Change in Business. Engage in any material business or activity other than the Business or incur any material liabilities unrelated to the Business, in each case that would reasonably be expected to have a Material Adverse Effect.

(d) Restrictive Agreements. Enter into any agreement prohibiting the granting of security as contemplated by Section 5.1, or the repayment of Amounts Outstanding in accordance with the terms hereof other than as set out in any documentation approved by the Lender pursuant to Section 4.1.

(e) Procurement. Acquire supplies, equipment or services for the Funded Projects for an amount greater than five hundred thousand dollars ($500,000.00) unless a competitive process is used, including a written request for at least three proposals, written evaluation of bids received and a written agreement with the successful contractor.

(f) Funded Project Changes. Make any material changes to any Funded Project unless the consent of the Lender to such change is first obtained and the Borrower abides by the terms and conditions imposed by the Lender in connection with such consent.

(g) Additional Security and Guarantees. Provide to the holder of any Permitted Prior Secured Indebtedness any security for, or a guarantee of any Person of, any Permitted Prior Secured Indebtedness, unless such security or guarantee has already been granted or is simultaneously granted to the Lender to secure or guarantee the Borrower's indebtedness, liabilities and obligations under the Loan Documents.

7.3 Covenants Incorporated by Reference and Change of Control

Subject to the terms of this Section 7.3, the covenants made by the Borrower to and in favour of the Term Lenders in Sections 8.08 (End of Fiscal Years), 9.02 (Merger and Consolidation), 9.03 (Restricted Payments), 9.04 (Indebtedness), 9.05 (Restrictions on Distributions from Restricted subsidiaries), 9.06 (Transactions with Affiliate), 9.08 (Limitation on Sales of Assets and Subsidiary Stock) and 9.11 (Limitation on Activities) of the Term Loan Credit Agreement or the credit agreement dated after the date hereof governing any Permitted Refinancing Term Loans (the "**Incorporated Covenants**") are hereby incorporated by reference into this Credit Agreement, *mutatis mutandis*, and are made by the Borrower to and in favour of the Lender (and for such purpose any references in an Incorporated Covenant to the "Collateral Agent" or the "Administrative Agent" or the "Lenders" shall be deemed to include the Lender and any references therein to the "Security Documents" or "Credit Documents" shall be deemed to include the Loan Documents). The event of default in Section 10.01(i)(Change of Control) of the Term Loan Credit Agreement or the credit agreement dated after the date hereof governing any Permitted Refinancing Term Loans (a "**Change of Control**") is hereby incorporated by reference into this Credit Agreement, *mutatis mutandis*. Any act, omission, event or circumstance which would constitute a breach of an Incorporated Covenant, or a Change of Control, but which is waived, modified or extended by the Term Lenders (or the Term Agent on behalf of the Term Lenders pursuant to the express terms of the Term Loans) shall be deemed to be waived, modified or extended to the same extent by the Lender hereunder, and any amendment by the Term Lenders and the Borrower of an Incorporated Covenant will bind the Lender, provided that:

(a) the ABL Lenders (or the ABL Agent on their behalf) have waived the breach of or modified or extended, or have amended in the same manner as the Term

Lenders, the covenant contained in the ABL Credit Agreement which is comparable to the Incorporated Covenant subject to such waiver, amendment, modification or extension, or have waived or modified the Change of Control, as applicable;

(b) the Borrower notifies the Lender promptly upon becoming aware of such an act, omission, event or circumstance or of a potential amendment and upon it seeking a waiver, modification or extension and promptly responds to all inquiries made by the Lender and keeps the Lender fully informed with respect to such matters;

(c) the Borrower promptly (and in any event within one (1) Business Day) provides the Lender with a copy of any waiver, amendment, modification or extension granted or agreed to by the Term Lenders and the ABL Lenders (or the Term Agent or the ABL Agent, as applicable, on their behalf) in respect of any Incorporated Covenant or Change of Control, including all conditions imposed by the Term Lenders or the ABL Lenders (or the Term Agent or the ABL Agent, as applicable, on their behalf) in connection therewith;

(d) if any payment, consideration or further security or assurance is made, paid or granted by the Borrower to the Term Lenders (or the Term Agent on their behalf) or any other holder of Permitted Prior Secured Indebtedness (or duly authorized agent or representative thereof) in consideration for a waiver, extension, modification or amendment as aforesaid, the same payment, consideration, further security or assurance will also be made, paid or granted to the Lender;

(e) within thirty (30) days of being notified of a waiver by the Term Lenders of a breach of an Incorporated Covenant or the occurrence of a Change of Control or of an amendment of an Incorporated Covenant as aforesaid, the Lender may, if it determines (acting reasonably) that such waiver or amendment would cause a Material Adverse Effect, so notify the Borrower and the Term Lenders and in such notice may terminate the Lender's obligation to make further Advances under the Credit Facility; and

(f) within thirty (30) days of the Lender becoming aware that the lender under the Canada Facility has exercised any right it has thereunder to terminate its obligation to reimburse claims under the Canada Facility as a result of a waiver by the Term Lenders of a breach of an Incorporated Covenant or the occurrence of a Change of Control or of an amendment of an Incorporated Covenant as aforesaid, so notify the Borrower and the Term Lenders and in such notice may terminate the Lender's obligation to make further Advances under the Credit Facility.

7.4 Increase in Term Loan and/or ABL Facility

If the amount of the Term Loan or the ABL Facility is to be increased beyond the aggregate amount specified in this Credit Agreement's definition of "Term Loan" or "ABL Facility" respectively, then:

(a) the Borrower will promptly notify the Lender of such increase and promptly respond to all inquiries made by the Lender and keep the Lender fully informed with respect to such matter;

(b) the Borrower will immediately provide the Lender with a copy of all documentation effecting the increase; and

(c) within thirty (30) days of being notified of the increase, the Lender may, if it determines (acting reasonably) that the increase would cause a Material Adverse Effect so notify the Borrower and in such notice may terminate the Lender's obligation to make further Advances under the Credit Facility.

ARTICLE 8
EVENTS OF DEFAULT AND REMEDIES

8.1 Events of Default

Each of the following events shall be an "**Event of Default**":

(a) the Borrower shall fail to pay any principal amount of the Amounts Outstanding under the Credit Facility when such amount becomes due and payable, and such failure shall remain unremedied for three Business Days;

(b) the Borrower shall fail to pay any Interest or any other amount when the same becomes due and payable hereunder or under any of the Loan Documents and such failure shall remain unremedied for three Business Days;

(c) any representation or warranty or certification made or deemed to be made by the Borrower or any Obligor in this Credit Agreement or any other Loan Document to which it is a party shall prove to have been incorrect in any material respect when made or deemed to be made and such incorrect representation or warranty or certification continues unremedied for a period of thirty (30) days after the earlier of the date on which Borrower becomes aware thereof or receives written notice thereof by the Lender;

(d) the Borrower or any Obligor shall fail to perform or observe in any material respect any of the terms, covenants or agreements contained in this Credit Agreement or in any other Loan Document (other than (i) the terms, covenants and agreements relating to the payment of Interest and Amounts Outstanding and (ii) Section 7.3 and Section 7.1(e) to the extent it relates to Section 7.3), on its part to be performed, observed, or otherwise applicable to it and shall fail to remedy such failure within thirty (30) days of being notified of same by the Lender;

(e) the Borrower or any Obligor shall fail to perform or observe any of the covenants set out in Section 7.2 of this Credit Agreement;

(f) the Borrower or any Obligor shall fail to perform or observe any of the Incorporated Covenants pursuant to the terms of Section 7.3 of this Credit Agreement (subject to any cure rights provided for in the Term Loan Credit

Agreement or any future credit agreement governing any Permitted Refinancing Term Loans);

(g) any (i) failure by the Borrower or any Obligor to pay indebtedness exceeding $50,000,000 (or the equivalent amount in other currencies) or any Permitted Prior Secured Indebtedness or indebtedness under the Canada Facility at the stated maturity thereof or as a result of which, the creditor may declare the principal thereof to be due and payable prior to the stated maturity thereof, or any event shall occur and shall continue after the applicable grace period (if any) specified in any agreement or instrument relating to any such debt of the Borrower or any Obligor to any Person, the effect of which is to permit the holder of such debt to declare the principal amount thereof to be due and payable prior to its stated maturity, in each case, to the extent such failure or event has not been cured by the Borrower or Obligor or waived by the affected creditor; or (ii) failure by the Borrower or any Obligor to perform or observe any covenant or agreement to be performed or observed by it contained in any other agreement or in any instrument evidencing any of its indebtedness exceeding $50,000,000 or any Permitted Prior Secured Indebtedness or any indebtedness under the Canada Facility, to the extent such failure has not been cured by the Borrower or Obligor or waived by the affected creditor; provided that, in the case of clause (ii) above, any failure by the Borrower or any Obligor to perform or observe any covenant or agreement to be performed or observed by it contained in any such agreement or instrument (other than a payment default) will not constitute an Event Of Default unless the agent and/or the lenders thereunder have demanded repayment of, or otherwise accelerated, any of the indebtedness or other obligations thereunder (or terminated commitments thereunder);

(h) all or any material part of the Assets of the Borrower or any Obligor are executed, sequestered or distrained upon and such execution, sequestration or distraint (i) relates to claims in the aggregate in excess of $50,000,000 (or the equivalent amount in other currencies), and (ii) the Borrower or any Obligor does not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof (by reason of pending appeal or otherwise), or cause the same to be fully bonded, or deposit with the Lender cash collateral or other security reasonably satisfactory to the Lender in the amount of the claim, within 60 days from the date of entry thereof;

(i) final judgment for the payment of money in the aggregate in excess of $50,000,000 (or the equivalent amount in other currencies) in excess of applicable insurance shall be rendered by a court of competent jurisdiction against the Borrower or any Obligor and the Borrower or such Obligor does not discharge same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof (by reason of a pending appeal or otherwise), or deposit with the Lender cash collateral or other security reasonably satisfactory to the Lender in the amount of the judgement, within 45 days from the date of entry thereof;

(j) the Borrower or any Obligor shall: (i) apply for or consent to the appointment of, or the taking of possession by, an interim receiver, a receiver, custodian,

administrator, trustee, liquidator or other similar official for itself or for all or any material part of its assets; (ii) generally not pay its debts as such debts become due or admit in writing its inability to pay its debts generally, or declare any general moratorium on its indebtedness; (iii) institute any proceeding seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, dissolution, winding-up, reorganization, restructuring, arrangement, adjustment, protection, relief or composition of it or its debts under any statute, rule or regulation relating to bankruptcy, insolvency, reorganization, relief or protection of debtors including without limitation a general assignment for the benefit of creditors or a proposal under the *Bankruptcy and Insolvency Act* (Canada), the *Companies' Creditors Arrangement Act* (Canada) or the *Winding-up and Restructuring Act* (Canada) or a similar law of any applicable jurisdiction; or (iv) take any corporate action to authorize any of the actions described in the foregoing;

(k) any proceeding against the Borrower or any Obligor has been commenced to: (i) adjudicate it a bankrupt or insolvent; (ii) result in the liquidation, dissolution, winding-up, reorganization, restructuring, arrangement, adjustment, protection or relief or composition of it or its debts under any statute, rule or regulation relating to bankruptcy, insolvency, reorganization, relief or protection of debtors; or (iii) result in the appointment of an interim receiver, receiver, custodian, administrator, trustee, liquidator or other similar official for it or for all or any material part of its assets and, in each case, such proceeding remains undismissed or unstayed for a period of 60 days or any of the actions sought in such proceeding shall occur;

(l) any Loan Document shall become unenforceable other than by reason of the direct act or omission of the Lender, unless such a deficiency is corrected within a 15 day period following written notification from the Lender in regard to the deficiency or a 30 day period following such notification if (i) the Borrower delivers an officers certificate within such initial 15 day period stating that the Borrower is taking steps in good faith to remedy the deficiency and (ii) the deficiency does not have a Material Adverse Effect on the Security Documents;

(m) the Borrower shall abandon any Funded Project prior to its completion; or

(n) there shall occur a Business Asset Sale in the context of which the obligations of the Borrower and the Guarantors under the Loan Documents are not assumed (pursuant to documentation satisfactory to the Lender acting reasonably) by a buyer and other parties who are in the Lender's reasonable opinion capable of performing such obligations.

8.2 Acceleration and Termination of Rights

If any Event of Default occurs and is continuing, then:

(a) in the case of an Event of Default described in Sections 8.1(j) or 8.1(k), all of the Lender's obligations to make further Advances under the Credit Facility will, without further notice, act or formality, be automatically terminated and all Amounts Outstanding and all Interest accrued thereon and all other amounts

payable under this Credit Agreement in respect of the Credit facility will be immediately due and payable without presentation, demand, protest or further notice of any kind (except as required by law), all of which are hereby expressly waived by the Borrower; and

(b) in the case of any other Event of Default, the Lender may, by written notice to the Borrower (i) terminate the Lender's obligations to make further Advances under the Credit Facility; and (ii) (at the same time or at any time after such termination) declare all Amounts Outstanding and all Interest accrued thereon and all other amounts payable under this Credit Agreement in respect of the Credit Facility to be immediately due and payable, without presentment, demand, protest or further notice of any kind (except as required by law), all of which are hereby expressly waived by the Borrower.

In that event, the Security Documents shall become immediately enforceable and the Lender may, in its sole discretion, exercise any right or recourse and/or proceed by any action, suit remedy or proceeding against the Borrower authorized or permitted by law for the recovery of all the indebtedness, obligations or liabilities of the Borrower to the Lender, and proceed to exercise any and all rights hereunder and under the Security Documents, and no such remedy for the enforcement of the rights of the Lender shall be exclusive of, or dependent on, any other remedy, but anyone or more of such remedies may from time to time be exercised independently or in combination.

8.3 Remedies Cumulative

For greater certainty, it is expressly understood and agreed that the rights and remedies of the Lender under this Credit Agreement or under any other Loan Documents are cumulative and are in addition to, and not in substitution for, any rights or remedies provided by law or by equity; and any single or partial exercise by any of the Lender of any right or remedy for a default or breach of any term, covenant, condition or agreement contained in this Credit Agreement or other Loan Document shall not be deemed to be a waiver of or to alter, affect or prejudice any other right or remedy or other rights or remedies to which such Lender may be lawfully entitled for such default or breach.

8.4 Saving

The Lender shall have no obligation to the Borrower or other Person to realize any collateral or enforce the security or any part thereof or to allow any of the Collateral to be sold, dealt with or otherwise disposed of. The Lender shall not be responsible or liable to the Borrower or any other Person for any loss or damage upon the realization or enforcement of, the failure to realize or enforce the Collateral or any part thereof or the failure to allow any of the Collateral to be sold, dealt with or otherwise disposed of or for any act or omission on their respective parts or on the part of any director, officer, agent, servant or adviser in connection with any of the foregoing, except that the Lender may be responsible or liable for any loss or damage arising from the wilful misconduct or gross negligence of the Lender.

8.5 Perform Obligations

If an Event of Default has occurred and is continuing, and if the Borrower has failed to perform any of its covenants or agreements in the Loan Documents, the Lender may, but shall be under

no obligation to, perform any such covenants or agreements in any manner deemed fit by the Lender without thereby waiving any rights to enforce the Loan Documents. The reasonable expenses (including any legal costs) incurred by the Lender in respect of the foregoing shall be an obligation of the Borrower and shall be secured by the security granted herein.

8.6 Third Parties

No Person dealing with the Lender or any agent of the Lender shall be concerned to inquire whether the security under the Security Documents has become enforceable, or whether the powers which the Lender is or purporting to exercise have been exercisable, or whether any obligations remain outstanding upon the security thereof, or as to the necessity or expediency of the stipulations and conditions subject to which any sale shall be made, or otherwise as to the propriety or regularity of any sale or other disposition or any other dealing with the collateral charged by such security or any part thereof.

8.7 Set-Off or Compensation

In addition to, and not in limitation of, any rights now or hereafter granted under applicable law, if repayment is accelerated pursuant to Section 8.2, the Lender may, at any time without notice to the Borrower or any other Person, set-off and compensate and apply any and all deposits, general or special, time or demand, provisional or final, matured or unmatured, and any other indebtedness at any time owing by the Province or the Lender to the Borrower, against and on account of the obligations of the Borrower hereunder, notwithstanding that any of them are contingent or unmatured. Without limiting the foregoing and without limiting the application of Section 43 of the *Financial Administration Act* (Ontario) if the Borrower fails to pay any amount owing under this Credit Agreement, the Province may deduct any unpaid amount from any money payable to the Borrower by the Province.

8.8 Application of Payments

Notwithstanding any other provisions of this Credit Agreement, after the occurrence and during the continuance of an Event of Default, all payments made by the Borrower under this Credit Agreement, or from the proceeds or realization of any security, or otherwise collected or received by the Lender on account or amounts outstanding with respect to any of the obligations, owed to the Lender hereunder shall be paid over or delivered to make the following payments (as the same become due at maturity, be acceleration or otherwise):

(a) First, to the payment of all reasonable out-of-pocket costs and expenses (including, without limitation, reasonable legal fees) of the Lender in connection with enforcing the rights of the Lender under the Loan Documents;

(b) Second, to the payment of all obligations consisting of default Interest;

(c) Third, to the payment of all obligations consisting of Interest payable to the Lender hereunder;

(d) Fourth, to the payment of the Amounts Outstanding; and

(e) Fifth, to all other obligations and thereafter the surplus, if any, to the Borrower or whomever else may be lawfully entitled to receive such surplus.

ARTICLE 9
MISCELLANEOUS

9.1 Amendment

No amendment or waiver of any provision of any of the Loan Documents, and no consent to any departure by the Borrower or any other Person from such provisions, shall be effective unless in writing and approved by the Lender. Any amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

9.2 Waiver

(a) No failure on the part of the Lender to exercise, and no delay in exercising, any right under any of the Loan Documents shall operate as a waiver of such right; and no single or partial exercise of any right under any of the Loan Documents shall preclude any other or further exercise of such right or the exercise of any other right.

(b) Except as otherwise expressly provided in this Credit Agreement, the covenants, representations and warranties shall not merge on and shall survive the initial Advance and, notwithstanding such initial Advance or any investigation made by or on behalf of any party, shall continue in full force and effect. The closing of this transaction shall not prejudice any right of one party against any other party in respect of anything done or omitted under this Credit Agreement or in respect of any right to damages or other remedies.

9.3 Indemnities

(a) The Borrower shall indemnify Her Majesty the Queen in right of Ontario, Her ministers, agents, appointees, and employees, (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all Losses and Claims, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower arising out of, in connection with, or as a result of (i) the execution or delivery of this Credit Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance or non-performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation or non-consummation of the transactions contemplated hereby or thereby, (ii) any Advance or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by the Borrower, or any Environmental Liability related in any way to the Borrower, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that

such Losses or Claims (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or wilful misconduct of such Indemnitee or (y) result from a Claim brought by the Borrower against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower has obtained a final and non-appealable judgment in its favour on such Claim as determined by a court of competent jurisdiction nor shall it be available in respect of matters specifically addressed in Sections 9.3(b) and 9.4.

(b) The Borrower shall pay to the Lender on demand any amounts required to compensate the Lender for any Loss suffered or incurred by it as a result of the failure of the Borrower to make a payment or a mandatory repayment in the manner and at the time specified in this Credit Agreement.

(c) A certificate as to the amount of any Loss submitted in good faith by the Lender to the Borrower shall be prima facie evidence of such Loss, absent manifest error.

(d) The provisions of this Section 9.3 shall survive the termination of this Credit Agreement and the repayment of all Amounts Outstanding. The Borrower acknowledges that neither its obligation to indemnify nor any actual indemnification by it of the Lender, or any other Indemnitee in respect of such Person's losses for the legal fees and expenses shall in any way affect the confidentiality or privilege relating to any information communicated by such Person to its counsel.

(e) This Section 9.3 shall not apply with respect to Taxes other than any Taxes that represent Losses or Claims arising from any non-Tax Claim.

9.4 Costs and Expenses

The Borrower shall pay all reasonable out-of-pocket expenses incurred by the Lender including the reasonable fees, charges and disbursements of counsel for the Lender, in connection with (a) the Lender's due diligence in connection with this Credit Agreement, the negotiation, execution, registration and perfection of the Loan Documents and the review and/or negotiation and execution of the documentation described in Section 4.1 and 4.2; and (b) the enforcement or protection of its rights in connection with this Credit Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Advances made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Advances. The Borrower will pay the expenses referred to in clause (a) above on the earlier of demand by the Lender and the making of the first Advance under the Credit Facility. The Borrower will pay the expenses referred to in clause (b) above on demand by the Lender.

9.5 Interest on Accounts

Except as may be expressly provided otherwise in this Credit Agreement, all amounts owed by the Borrower to the Lender, which are not paid when due (whether at stated maturity, on demand, by acceleration or otherwise) shall (to the extent permitted by Applicable Law) bear Interest (both before and after default and judgment), from the date on which such amount is due

until such amount is paid in full, payable on demand, at a rate per annum equal at all times to the rate specified in Section 3.3.

9.6 Severability

If any provision of this Credit Agreement or portion thereof or the application thereof to any Person or circumstance shall to any extent be invalid or unenforceable: (a) the remainder of this Credit Agreement or the application of such provision or portion thereof to any other Person or circumstance shall not be affected thereby; and (b) the parties will negotiate in good faith to amend this Credit Agreement to implement the intentions set forth in this Credit Agreement. Each provision of this Credit Agreement shall be valid and enforceable to the fullest extent permitted by law.

9.7 Language

The parties hereto confirm that it is their wish that this Credit Agreement, as well as any other documents relating to this Credit Agreement, including Notices, Schedules, Exhibits and authorizations, have been and shall be drawn up in the English language only. Les parties aux présentes confirment leur volonté que cette convention, de même que tous les documents, y compris tous avis, annexes et autorisations s'y rattachant, soient rédigés en anglais seulement.

9.10 Counterparts

Notwithstanding the date of execution or transmission of any counterpart, each counterpart shall be deemed to have the effective date first written above.

Any payment by a Participant to the Lender in connection with a sale of a participation shall not be or be deemed to be a repayment by the Borrower or a new Advance.

9.12 Confidentiality and Non-Disclosure

The Borrower acknowledges that the Lender is subject to the *Freedom of Information and Protection of Privacy Act* and is accountable to the Executive Council of the Ontario Government, its committees, the Legislative Assembly and the general public of Ontario and the contents of this Credit Agreement and any commitments or agreements arising therefrom and any related documents may form part of the public record.

9.7 **Evaluation**. The Recipient shall, at its own expense, participate in the preparation of case studies reporting on the outcomes of the Project, to be completed by the Minister or the Minister's agents, in order to assist in the Minister's preparation of an overall evaluation of the value and effectiveness of SIF.

(g) it shall comply with all laws and regulations applicable to it; and

10.3 **Renewal of Representations**. It is a condition precedent to any disbursement under this Agreement that the representations, warranties and covenants contained in this Agreement are true at the time of payment and that the Recipient is not in default of

compliance with any terms of this Agreement.

11. Intellectual Property

11.1 **Background Intellectual Property**. The Recipient must own the Background Intellectual Property or hold sufficient Background Intellectual Property Rights to permit the Project to be carried out and the Project Intellectual Property to be exploited by the Recipient.

11.2 **Project Intellectual Property**. Ownership and exploitation of the Project Intellectual Property to which the Minister has contributed, and the ownership of Project Intellectual Property Rights therefore, shall remain in Canada for the Term of this Agreement unless otherwise agreed to by the Minister.

11.5 **Crown Ownership of Intellectual Property**. The Crown will not have an ownership interest in the Project Intellectual Property nor will the Crown acquire new rights in Background Intellectual Property by virtue solely of having provided the Contribution. Rights attributed to the Crown in any other way including under the *Public Servants Inventions Act* are not in any way affected by this Agreement.

12. Environmental and Other Requirements

12.1 The Recipient represents that the Project is not a "designated project" and is not being carried out on "federal lands" as such terms are defined in the *Canadian Environmental Assessment Act, 2012* ("CEAA").

12.2 The Recipient shall, in respect of the Project, comply with all federal, provincial, territorial, municipal and other applicable laws, including but not limited to, statutes, regulations, by-laws, rules, orders, ordinances and decrees governing the Recipient or the Project, or both, relating to environmental protection and the successful implementation of and adherence to any mitigation measures, monitoring or follow-up program that may be prescribed by the Minister or other federal, provincial, territorial, municipal tribunals or bodies, and certifies to the Minister that it has done so to date.

12.3 The Recipient will provide the Minister with reasonable access to any Project site for the purpose of ensuring that the terms and conditions of any environmental approval

are met, and that any mitigation, monitoring or follow-up measure required has been carried out.

12.4 If as a result of changes to the Project or otherwise, an assessment is required in accordance with CEAA for the Project, the Minister and the Recipient agree that the Minister's obligations under this Agreement will be suspended from the moment that the Minister informs the Recipient, until (i) a decision statement has been issued to the Recipient or, if applicable, the Minister has decided that the Project is not likely to cause significant adverse environmental effects or the Governor in Council has decided that the significant adverse environmental effects are justified in the circumstances, and (ii) if required, an amendment to this Agreement has been signed, setting out any conditions included in the decision statement.

12.5 **Aboriginal consultation**. The Recipient acknowledges that the Minister's obligation to pay the Contribution is conditional upon Her Majesty satisfying any obligation that Her Majesty may have to consult with or to accommodate any Aboriginal groups, which may be affected by the terms of this Agreement.

12.6 **Official Languages**. The Recipient agrees that any public acknowledgement of the Minister's public support for the Project will be expressed in both official languages.

13. Indemnification and Limitation of Liability

13.1 **Indemnification**. Except for any claims arising from the gross negligence of, or willful misconduct by, the Minister's employees, officers, agents or servants, the Recipient agrees, at all times, to indemnify and save harmless, the Minister and any of his officers, servants, employees or agents from all and against all claims and demands, actions, suits or other proceedings (and all losses, costs and damages relating thereto) by whomsoever made, brought or prosecuted (all of the foregoing collectively, the "Claims"), where such Claims are asserted or arise from the Minister being a Party to this Agreement and exercising his rights and performing his obligations under this Agreement, to the extent such Claims result from:

(a) the Project, its operation, conduct or any other aspect thereof;

(b) the performance or non-performance of this Agreement, or the breach or failure to comply with any term, condition, representation or warranty of this Agreement by the Recipient, its Affiliated Persons, its officers, employees and agents, or by a third party or its officers, employees, or agents;

(c) the design, construction, operation, maintenance and repair of any part of the Project; or,

(d) any omission or other wilful or negligent act or delay of the Recipient, its Affiliated Person or a third party and their respective employees, officers, or agents.

13.2 **Limitation of Liability**. Notwithstanding anything to the contrary contained herein, the Minister shall not be liable for any direct, indirect, special or consequential damages of the Recipient nor for the loss of revenues or profits arising from, based upon, occasioned by or attributable to the execution of this Agreement, regardless of whether such a liability arises in tort (including negligence), contract, fundamental breach or breach of a fundamental term, misrepresentation, breach of warranty, breach of fiduciary duty, indemnification or otherwise.

13.3 Her Majesty, her agents, employees and servants will not be held liable in the event the Recipient enters into a loan, a capital or operating lease or other long-term obligation in relation to the Project for which the Contribution is provided.

14. Default and Remedies

14.1 **Event of Default**. The Minister may declare that an Event of Default has occurred if:

(a) the Recipient has failed or neglected to pay Her Majesty any amount due in accordance with this Agreement;

(b) the Project is not completed in accordance with Schedule 1 - *Statement of Work* to the Minister's satisfaction by the Project Completion Date or the Project is abandoned in whole or in part;

(c) the Recipient has not, in the opinion of the Minister, met or satisfied a term, covenant or condition of this Agreement;

(d) the Recipient becomes bankrupt or insolvent, goes into receivership, or takes the benefit of any statute, from time to time in force, relating to bankrupt or insolvent debtors;

(e) an order is made or the Recipient has passed a resolution for the winding up or dissolution of the Recipient, or the Recipient is dissolved or wound up;

(f) the Recipient has, in the opinion of the Minister, ceased to carry on business or has sold all or substantially all of its assets or enters into a letter of intent or binding obligation to sell all or substantially all of its assets;

(g) the Recipient has not met or satisfied a term or condition under any other contribution agreement or agreement of any kind with Her Majesty;

(h) the Recipient fails to fulfill any of the contractual obligations set out in this Agreement;

(i) a representation, covenant, warranty or statement contained herein or in any document, report or certificate delivered to the Minister hereunder or in connection therewith is false or misleading at the time it was made; and

(j) the Recipient fails to comply with the obligations regarding audit and evaluation, as set out in Section 9.

14.2 **Notice and Rectification Period**. Except in the case of an Event of Default under paragraphs (d), (e) and (t) of Subsection 14.1 above, the Minister will not declare that an Event of Default has occurred unless the Minister has given written notice to the Recipient of the occurrence which, in the Minister's opinion, constitutes an Event of Default and the Recipient fails, within thirty (30) days of receipt of the notice, either to correct the condition or event or demonstrate, to the satisfaction of the Minister that it has taken such steps as are necessary to correct the condition, failing which the Minister may declare that an Event of Default has occurred.

14.3 **Remedies on Default**. If the Minister declares that an Event of Default has occurred, the Minister may immediately exercise one or more of the following remedies, in addition to any remedy available at law:

(a) suspend or terminate any obligation by the Minister to contribute or continue to contribute to the Eligible Costs including any obligation to pay any amount owing prior to the date of such suspension;

(b) require the Recipient to repay to the Minister all or part of the Contribution paid by the Minister, together with interest from the day of demand at the Interest Rate;

(c) require the Recipient to pay the Minister the total Contribution disbursed, less any amount already repaid to the Minister together with interest from the day of demand at the Interest Rate;

(d) terminate the Agreement; and

(e) post a notice on a Government of Canada website disclosing that the Recipient has committed an Event of Default under the provisions of this Agreement and describing generally the remedies, if any, that the Minister has accordingly exercised.

14.4 The Recipient acknowledges the policy objectives served by the Minister's agreement to make the Contribution, that the Contribution comes from the public monies, and that the amount of damages sustained by Her Majesty in an Event of Default is difficult to ascertain and therefore, that it is fair and reasonable that the Minister be

entitled to exercise any or all of the remedies provided for in this Agreement and to do so in the manner provided for in this Agreement, if an Event of Default occurs.

15. Miscellaneous

15.1 **Compliance with *Lobbying Act***. The Recipient warrants and represents:

(a) that it has filed all *Lobbying Act* returns required to be filed in respect of persons employed by the Recipient who communicate and/or arrange meetings with Public Office Holders as part of their employment duties, and that it will continue to do so;

(b) that it has not contracted with any person to communicate and/or arrange meetings with Public Office Holders for remuneration that is or would be contingent in any way upon the success of such person arranging meetings with Public Office Holders, or upon the approval of the Recipient's application for SIF funding, or upon the amount of SIF funding paid or payable to the Recipient under this Agreement;

(c) that it will not contract with any person to communicate and/or arrange meetings with Public Office Holders for remuneration that is or would be contingent upon the success of such person arranging meetings with Public Office Holders, or upon the amount of SIF funding paid or payable to the Recipient under this Agreement;

No person who is a member of the Senate will, directly or indirectly, be a party to or be concerned in this Agreement.

15.3 **Compliance with Post-Employment Provisions**. The Recipient confirms that no current or former public servant or public office holder to whom the *Values and Ethics Code for the Public Service,* the *Values and Ethics Code for the Public Sector,* the *Policy on Conflict of Interest and Post-Employment* or the *Conflict of Interest Act* apply, will derive a direct benefit from this Agreement unless the provision or receipt of such benefits is in compliance with such legislation and codes.

15.4 The Recipient acknowledges that the representations and warranties in this section are fundamental terms of this Agreement. In the event of breach of these, the Minister may exercise the remedies set out in Subsection 14.3.

16. Confidentiality.

16.1 **Consent Required**. Subject to Schedule 2 - Communications Obligations, the *Access to Information Act,* the *Privacy Act* and the *Library and Archives Act of Canada,* each Party shall keep confidential and shall not without the consent of the other Party disclose the contents of the Agreement and the documents pertaining thereto, whether provided before or after the Agreement was entered into, or of the transactions contemplated herein.

16.2 **International Dispute**. Notwithstanding Subsection 16.1 of this Agreement, the Recipient waives any confidentiality rights to the extent such rights would impede Her Majesty from fulfilling her notification obligations to a world trade panel for the purposes of the conduct of a dispute, in which Her Majesty is a party or a third party intervener. The Minister is authorized to disclose the contents of this Agreement and any documents pertaining thereto, whether predating or subsequent to this Agreement, or of the transactions contemplated herein, where in the opinion of the Minister, such disclosure is necessary to the defence of Her Majesty's interests in the course of a trade remedy investigation conducted by a foreign investigative authority, and is protected from public dissemination by the foreign investigative authority. The Minister shall notify the Recipient of such disclosure.

16.3 **Financing, Licensing and Subcontracting**. Notwithstanding Subsection 16.1 of this Agreement, the Minister hereby consents to the Recipient disclosing this Agreement, and any portion or summary thereof, for any of the following purposes:

(a) securing additional financing;

(b) licensing for commercial exploitation; or

(c) confirming to agents, contractors and subcontractors of the Recipient that all agents, contractors and subcontractors must agree to provide the Minister and the Auditor-General with access to their records and premises, provided that any person to whom this Agreement or any portion or summary thereof is disclosed shall execute a non-disclosure agreement prior to such disclosure.

16.4 **Repayments**. Notwithstanding Subsection 16.1 of this Agreement, the Minister may disclose any information relating to the amount of each repayment made by the Recipient whether due or paid.

17. General

17.1 **Debt due to Canada**. Any amount owed to Her Majesty under this Agreement shall constitute a debt due to Her Majesty and shall be recoverable as such. Unless otherwise specified herein, the Recipient agrees to make payment of any such debt forthwith on demand.

17.2 **Interest**. Debts due to Her Majesty will accrue interest in accordance with the *Interest and Administrative Charges Regulations,* in effect on the due date, compounded monthly on overdue balances payable, from the date on which the payment is due, until payment in full is received by Her Majesty. Any such amount is a debt due to Her Majesty and is recoverable as such.

17.3 **Set-off Rights of Minister**. Without limiting the scope of the set-off rights provided for under the *Financial Administration Act,* it is understood that the Minister may set off against the Contribution any amounts owed by the Recipient to the Minister under legislation or contribution agreements and the Recipient shall declare to the Minister all amounts outstanding in that regard when making a claim under this Agreement.

17.4 **No Assignment of Agreement**. No Party shall assign the Agreement or any part thereof without the prior written consent of the Minister. Any attempt by a Party to assign this Agreement or any part thereof, without the express written consent of the Minister, is void.

17.5 **Annual Appropriation**. Any payment by the Minister under this Agreement is subject to there being an appropriation for the Government Fiscal Year in which the payment is to be made; and to cancellation or reduction in the event that departmental funding levels are changed by Parliament If the Minister is prevented from disbursing the full amount of the Contribution due to a lack or reduction of appropriation or departmental funding levels, the Minister and the Recipient agree to review the effects of such a shortfall in the Contribution on the implementation of this Agreement.

17.6 **Successors and Assigns**. This Agreement is binding upon the Recipient, its successors and permitted assigns.

17.7 **Event of Force Majeure**. The Recipient will not be in default by reason only of any failure in the performance of the Project in accordance with Schedule 1- *Statement of Work* if such failure arises without the fault or negligence of the Recipient and is caused by any event of Force Majeure.

17.8 **Applicable Law**. This Agreement will be interpreted in accordance with the laws of the province of Ontario and federal laws of Canada applicable therein. The word “law” used herein has the same meaning as in the *Interpretation Act,* as amended.

17.9 **Dispute Resolution**. If a dispute arises concerning the application or

interpretation of this Agreement, the Parties will attempt to resolve the matter through good faith negotiation, and may, if necessary and the Parties consent in writing, resolve the matter through mediation or arbitration by a mutually acceptable mediator or by arbitration in accordance with the Commercial Arbitration Code set out in the schedule to the *Commercial Arbitration Act (Canada),* as amended, and all regulations made pursuant to that Act.

17.10 **No Amendment**. No amendment to this Agreement shall be effective unless it is made in writing and signed by the Parties hereto.

17.11 **Contribution Agreement Only**. This Agreement is a contribution agreement only, not a contract for services or a contract of service or employment, and nothing in this Agreement, the Parties relationship or actions is intended to create, or be construed as creating, a partnership, employment or agency relationship between them. The Recipient is not in any way authorized to make a promise, agreement or contract and to incur any liability on behalf of Her Majesty or to represent itself as an agent, employee or partner of Her Majesty, including in any agreement with a third party, nor shall the Recipient make a promise, agreement or contract and incur any liability on behalf of Her Majesty, and the Recipient shall be solely responsible for any and all payments and deductions required by the applicable laws.

17.12 **No Waiver**. The rights and remedies of the Minister under this Agreement shall be cumulative and not exclusive of any right or remedy that he or she would otherwise have. The fact that the Minister refrains from exercising a remedy he or she is entitled to exercise under this Agreement will not constitute a waiver of such right and any partial exercise of a right will not prevent the Minister in any way from later exercising any other right or remedy under this Agreement or other applicable law.

17.13 **Consent of the Minister**. Whenever this Agreement provides for the Minister to render a decision or for the Recipient to obtain the consent or agreement of the Minister, such decision shall be reasonable on the facts and circumstance and such consent or agreement will not be unreasonably withheld but the Minister may make the issuance of such consent or agreement subject to reasonable conditions.

17.14 **No conflict of interest**. The Recipient and its Affiliated Persons, consultants and any of their respective advisors, partners, directors, officers, shareholders, employees, agents and volunteers shall not engage in any activity where such activity creates a real, apparent or potential conflict of interest in the sole opinion of the Minister, with the carrying out of the Project. For greater certainty, and without limiting the generality of the foregoing, a conflict of interest includes a situation where anyone associated with the Recipient owns or has an interest in an organization that is carrying out work related to the Project.

17.15 **Disclose potential conflict of interest**. The Recipient shall disclose to the Minister without delay any actual or potential situation that may be reasonably interpreted as either a conflict of interest or a potential conflict of interest.

17.1 6 **Severability**. Any provision of this Agreement which is prohibited by law or otherwise deemed ineffective will be ineffective only to the extent of such prohibition or ineffectiveness and will be severable without invalidating or otherwise affecting the remaining provisions of the Agreement.

17.17 **Signature in Counterparts**. This Agreement may be signed in counterparts and such counterparts may be delivered by acceptable electronic transmission, including portable document format (PDF), each of which when executed and delivered is deemed to be an original, and when taken together, will constitute one and the same Agreement.

17.18 **Currency**. Unless otherwise indicated, all dollar amounts referred to in this Agreement are to the currency of Canada.

17.19 **Tax**. The Recipient acknowledges that financial assistance from government programs may have tax implications for its organization and that advice should be obtained from a qualified tax professional.

The Minister or the Recipient may send any written notice by any pre-paid method, including regular or registered mail, courier or email. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other rights and remedies available to each Junior Priority Collateral Agent and/or the Junior Priority Secured Parties, each of the Term Loan Collateral Agent, on behalf of the Term Loan Secured Parties and the ABL Facility Collateral Agent, on behalf of the ABL Facility Secured Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens on the Collateral granted in contravention of this Section 2(c)(iii) shall be subject to Section 3.3 and Section 4.4, shall be held by the applicable Collateral Agent for the benefit of all the Secured Parties and shall be applied in accordance with Section 7.

(iv) ABL Facility Obligations. So long as the Discharge of ABL Facility Obligations has not occurred, except as contemplated by Section 3.5(c) and Section 4.6(e), the parties hereto agree that neither the Company nor any other Grantor shall grant or permit any additional Liens on any asset or property of any Grantor to secure any Term Loan Obligations or any Junior Priority Obligations unless it has granted or contemporaneously grants a similarly perfected Lien on such asset or property to secure the ABL Facility Obligations, which Lien shall be subject to the provisions of this Agreement. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other rights and remedies available to the ABL Facility Collateral Agent and/or the ABL Facility Secured Parties, each of the Term Loan Collateral Agent, on behalf of the Term Loan Secured Parties and each Junior Priority Collateral Agent, on behalf of Junior Priority Secured Parties, agree that any amounts received by or distributed to any of them pursuant to or as a result of Liens on the Collateral granted in contravention of this Section 2(c)(iv) shall be subject to Section 3.3 and Section 4.4, shall be held by the applicable Collateral Agent for the benefit of all the Secured Parties and shall be applied in accordance with Section 7.

(d) Effectiveness of Lien Priorities. Each of the parties hereto acknowledges that the Lien priorities provided for in this Agreement shall not be affected or impaired in any manner whatsoever, including on account of: (i) the invalidity, irregularity or unenforceability of all or any part of the ABL Facility Documents, the Term Loan Documents or the Junior Priority Documents; (ii) any amendment, change or modification of any ABL Facility Documents, the Term Loan Documents or the Junior Priority Documents not in contravention of the terms of this Agreement; or (iii) any impairment, modification, change, exchange, release or subordination of or limitation on, any liability of, or stay of actions or lien enforcement proceedings against any Grantor under any of the ABL Facility Documents, the Term Loan Documents or the Junior Priority Documents, any property of any Grantor, or any Grantor's estate in bankruptcy resulting from any bankruptcy, arrangement, readjustment, composition, liquidation, rehabilitation, similar proceeding or otherwise involving or affecting any Secured Party.

(e) Similar Liens and Agreements. The parties hereto agree that it is their intention that the Collateral securing each of the ABL Facility Obligations, the Term Loan Obligations and the Junior Priority Obligations be the same (and perfected to the same extent); provided that any Collateral Agent can decide on behalf of its respective Secured Parties to not take Collateral (or perfect such Collateral) on behalf of itself and such Secured Parties, but that will not affect the Collateral (or perfection thereof) of any other Secured Party. In furtherance of the foregoing and of Section 8.7, each Collateral Agent and each Secured Party agrees, subject to the other provisions of this Agreement, that:

(i) upon request by any Directing Collateral Agent, to cooperate in good faith from time to time in order to determine the specific items included in the Collateral securing the ABL Facility Obligations, the Term Loan Obligations or the Junior Priority Obligations, as the case may be, and the steps taken to perfect the Liens thereon and the identity of the respective parties obligated under the ABL Facility Documents, the Term Loan Documents or the Junior Priority Documents, as the case may be; and

(ii) that the Term Loan Security Documents, the Junior Priority Security Documents and the ABL Facility Security Documents creating Liens on the Collateral shall be in all material respects the same forms of documents other than with respect to the priority of the Liens created thereunder in such Collateral and the ABL Facility Obligations constituting an asset based facility (it being understood that the Term Loan Security Documents, Junior Priority Security Documents and ABL Facility Security Documents (in each case, as in effect on the date hereof) satisfy this provision as of the date hereof).

3.2 Exercise of Remedies – After Discharge of Term Loan Obligations.

(a) After the Discharge of Term Loan Obligations has occurred and so long as the Discharge of ABL Facility Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor:

(i) neither any Junior Priority Collateral Agent nor any of the Junior Priority Secured Parties (x) will exercise or seek to exercise any rights or remedies (including set-off) with respect to any Term Loan Priority Collateral (including the exercise of any right under any lockbox agreement, account control agreement, landlord waiver or bailee's letter or similar agreement or arrangement in respect of Term Loan Priority Collateral to which any Junior Priority Collateral Agent or any Junior Priority Secured Party is a party) or institute or commence, or join with any Person (other than the ABL Facility Collateral Agent and the ABL Facility Secured Parties) in commencing any action or proceeding with respect to such rights or remedies (including any action of foreclosure, enforcement, collection or execution); provided that the Directing Junior Priority Collateral Agent may exercise any or all such rights in accordance with the Junior Priority Documents after a period of 365 days has elapsed since the date of delivery of a notice in writing to the Directing ABL Facility Collateral Agent (which notice may be combined with the notice to the Directing Term Loan Collateral Agent given pursuant to Section 3.1(a)(i)) with respect to any of the following (and requesting that enforcement action be taken with respect to the Term Loan Priority Collateral) and so long as the respective payment default shall not have been cured or waived (or the respective acceleration rescinded): (I) a payment default exists with respect to any of the Junior Priority Obligations following the final maturity of such Junior Priority Obligations or (II) after the acceleration by the applicable Junior Priority Secured Parties of the maturity of the then outstanding Junior Priority Obligations under any of the Federal Capex Facility Documents, the Ontario Capex Facility Documents or any class of Additional Junior Priority Obligations Agreement (the "Junior Priority Term ABL Collateral Standstill Period"); provided, further, however, notwithstanding anything herein to the contrary, none of the Directing Junior Priority Collateral Agent or any Junior Priority Secured Party will exercise any rights or remedies with respect to any Term Loan Priority Collateral if, notwithstanding the expiration of the Junior Priority Term ABL Collateral Standstill Period, the ABL Facility Collateral Agent or ABL Facility Secured Parties shall have commenced and be diligently pursuing in good faith the exercise of any of their rights or remedies with respect to all or a material portion of the Term Loan Priority Collateral (prompt notice of such exercise to be given by the respective enforcing Directing Collateral Agent to the other Directing Collateral Agents), (y) will contest, protest or object to (or join any party objecting to) any foreclosure proceeding or action brought by the Directing ABL Facility

Collateral Agent or any ABL Facility Secured Party with respect to, or any other exercise by the Directing ABL Facility Collateral Agent or any ABL Facility Secured Party of any rights and remedies relating to, the Term Loan Priority Collateral under the ABL Facility Documents or otherwise, and (z) will object to (or join any party objecting to) the forbearance by the Directing ABL Facility Collateral Agent or the ABL Facility Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Term Loan Priority Collateral, in each case so long as the respective interests of the Junior Priority Secured Parties attach to the Proceeds thereof subject to the relative priorities described in Section 2(a); provided, however, that nothing in this Section 3.2 shall be construed to authorize any Junior Priority Collateral Agent or any Junior Priority Secured Party to sell any Term Loan Priority Collateral free of the Lien of the ABL Facility Collateral Agent or any ABL Facility Secured Party; and provided further, that the Junior Priority Term ABL Collateral Standstill Period shall be tolled for any period that the ABL Facility Collateral Agent or any of the ABL Facility Secured Parties are stayed from exercising remedies with respect to the Term Loan Priority Collateral; and

(ii) the Directing ABL Facility Collateral Agent and the ABL Facility Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including set-off and credit bid rights) and make determinations regarding the disposition of, or restrictions with respect to, the Term Loan Priority Collateral without any consultation with or the consent of any Junior Priority Collateral Agent or any Junior Priority Secured Party; provided that:

(A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, any Junior Priority Collateral Agent and any Junior Priority Secured Party may file a claim or statement of interest with respect to the Junior Priority Obligations;

(B) any Junior Priority Collateral Agent and any Junior Priority Secured Party may take any action (not adverse to the priority status of the Liens on the Term Loan Priority Collateral securing the ABL Facility Obligations, or the rights of the ABL Facility Collateral Agent or the ABL Facility Secured Parties to exercise remedies in respect thereof) in accordance with the Junior Priority Documents and the terms of this Agreement in order to create, prove, perfect, preserve or protect (but not enforce) its Liens on the Term Loan Priority Collateral;

(C) the Junior Priority Secured Parties shall be entitled to file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Priority Secured Parties, including any claims secured by or Liens on the Term Loan Priority Collateral, if any, in each case in accordance with the terms of this Agreement;

(D) the Junior Priority Secured Parties shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either the Debtor Relief Laws or applicable non-bankruptcy law, in each case in accordance with the terms of this Agreement (to the extent not prohibited by any other provision of this Agreement);

(E) the Junior Priority Secured Parties shall be entitled to vote on any plan of reorganization and file any proof of claim in an Insolvency or Liquidation Proceeding or otherwise and other filings and make any arguments and motions that are, in each case, in accordance with the terms of this Agreement (with respect to the Term Loan Priority Collateral); and

(F) the Directing Junior Priority Collateral Agent or any Junior Priority Secured Party may exercise any of its rights or remedies with respect to the Term Loan Priority Collateral in accordance with the Junior Priority Documents after the termination of the Junior Priority Term ABL Collateral Standstill Period to the extent permitted by clause (i)(x) above.

In exercising rights and remedies with respect to the Term Loan Priority Collateral following the Discharge of Term Loan Obligations, the Directing ABL Facility Collateral Agent and the ABL Facility Secured Parties may enforce the provisions of the ABL Facility Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion, including the rights of an agent appointed by them to sell or otherwise dispose of Term Loan Priority Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC of any applicable jurisdiction and of a secured creditor under any other applicable law.

(b) After the Discharge of Term Loan Obligations has occurred and so long as the Discharge of ABL Facility Obligations has not occurred, each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that it will not take or receive any Term Loan Priority Collateral or any Proceeds of Term Loan Priority Collateral in connection with the exercise of any right or remedy (including set-off) with respect to any Term Loan Priority Collateral, except as expressly provided in the proviso in clause (ii) of Section 3.2(a) (subject to the payment over requirement of Section 3.3). Without limiting the generality of the foregoing, unless and until the Discharge of ABL Facility Obligations has occurred, except as expressly provided in the proviso in clause (ii) of Section 3.2(a)(but subject to the payment over requirements in Section 3.3), the sole right of any Junior Priority Collateral Agent and the Junior Priority Secured Parties with respect to the Term Loan Priority Collateral is to hold a Lien on the Term Loan Priority Collateral pursuant to the Junior Priority Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of ABL Facility Obligations has occurred in accordance with the terms hereof, the ABL Facility Documents and applicable law.

(c) Subject to the proviso in clause (ii) of Section 3.2(a):

(i) each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, agrees that each Junior Priority Collateral Agent and the Junior Priority Secured Parties will not take any action that would hinder, delay, limit or prohibit any exercise of remedies under the ABL Facility Documents with respect to the Term Loan Priority Collateral, including any collection, sale, lease, exchange, transfer or other disposition of the Term Loan Priority Collateral, whether by foreclosure or otherwise, or that would limit, invalidate, avoid or set aside any Lien or ABL Facility Security Document with respect to the Term Loan Priority Collateral or subordinate the priority of the ABL Facility Obligations to the Junior Priority Obligations with respect to the Term Loan Priority Collateral or grant the Liens with respect to the Term Loan Priority Collateral securing the Junior Priority Obligations equal ranking to the Liens with respect to the Term Loan Priority Collateral securing the ABL Facility Obligations, and

(ii) each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, hereby waives any and all rights it or the Junior Priority Secured Parties may have as a junior Lien creditor with respect to the Term Loan Priority Collateral or otherwise to object to the manner in which the ABL Facility Collateral Agent or the ABL Facility Secured Parties seek to enforce or collect the ABL Facility Obligations or the Liens granted in any of the Term Loan Priority Collateral, in any such case except to the extent such enforcement or collection is in violation of the terms of this Agreement, regardless of whether any action or failure to act by or on behalf of the other ABL Facility Collateral Agent or ABL Facility Secured Parties is adverse to the interest of the Junior Priority Secured Parties.

(d) Each Junior Priority Collateral Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Junior Priority Document (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of the ABL Facility Collateral Agent or the ABL Facility Secured Parties with respect to the Term Loan Priority Collateral as set forth in this Agreement and the ABL Facility Documents.

3.3 Payments Over.

(a) Prior to Discharge of Term Loan Obligations. So long as the Discharge of Term Loan Obligations has not occurred, any Term Loan Priority Collateral, Cash Proceeds thereof or non-Cash Proceeds constituting Term Loan Priority Collateral (or any distribution in respect of the Term Loan Priority Collateral, whether or not expressly characterized as such) received by (i) any Junior Priority Collateral Agent or any Junior Priority Secured Parties, (ii) the ABL Facility Collateral Agent or any ABL Facility Secured Parties or (iii) a Term Loan Collateral Agent or other Term Loan Secured Party (other than the Directing Term Loan Collateral Agent), in each case, in connection with the exercise of any right or remedy (including set-off) relating to the Term Loan Priority Collateral (including following the expiration of the ABL Facility Standstill Period or the Junior Priority Term Collateral Standstill Period) shall be segregated and held in trust and forthwith paid over to the Directing Term Loan Collateral Agent, for the benefit of the Term Loan Secured Parties, for application in accordance with Section 7, in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. The Directing Term Loan Collateral Agent is hereby authorized to make any such

endorsements as agent for the Directing ABL Facility Collateral Agent, any such ABL Facility Secured Parties, the Directing Junior Priority Collateral Agent, any such Junior Priority Secured Parties and any Term Loan Collateral Agent or any such Term Loan Secured Parties. This authorization is coupled with an interest and is irrevocable until the Discharge of Term Loan Obligations. To the extent that Secured Parties are placed in the same class of secured creditors in any plan pursuant to applicable Debtor Relief Laws, any recovery by any of them as part of the class of unsecured creditors on account of unsecured deficiency claims traceable to the Term Loan Priority Collateral is subject to payment over under the payment over and turnover provisions in favor of the Directing Term Loan Collateral Agent until the discharge of the Term Loan Obligations has occurred.

(b) After Discharge of Term Loan Obligations. After the Discharge of Term Loan Obligations has occurred and so long as the Discharge of ABL Facility Obligations has not occurred, any Term Loan Priority Collateral, Cash Proceeds thereof or non-Cash Proceeds constituting Term Loan Priority Collateral (or any distribution in respect of the Term Loan Priority Collateral, whether or not expressly characterized as such) received by (i) any Junior Priority Collateral Agent or any Junior Priority Secured Parties or (ii) the ABL Facility Collateral Agent or other ABL Facility Secured Party (other than the Directing ABL Facility Collateral Agent), in each case, in connection with the exercise of any right or remedy (including set-off) relating to the Term Loan Priority Collateral (including following the expiration of the Junior Priority Term ABL Facility Collateral Standstill Period) shall be segregated and held in trust and forthwith paid over to the Directing ABL Facility Collateral Agent, for the benefit of the ABL Facility Secured Parties, for application in accordance with Section 7, in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. The Directing ABL Facility Collateral Agent is hereby authorized to make any such endorsements as agent for the Directing Junior Priority Collateral Agent, any such Junior Priority Secured Parties, the ABL Facility Collateral Agent and the other ABL Facility Secured Parties. This authorization is coupled with an interest and is irrevocable until the Discharge of ABL Facility Obligations. To the extent that the ABL Secured Parties and the Junior Secured Parties are placed in the same class of secured creditors in any plan pursuant to applicable Debtor Relief Laws, any recovery by any of them as part of the class as unsecured creditors on account of unsecured deficiency claims traceable to the Term Loan Priority Collateral is subject to payment over under the payment over and turnover provisions until the Discharge of the ABL Facility Obligations has occurred.

3.4 Other Agreements.

(a) Releases – Term Loan Obligations.

(i) If, in connection with:

(A) the exercise of any Directing Term Loan Collateral Agent's remedies in respect of the Term Loan Priority Collateral provided for in Section 3.1(a) (with the Proceeds thereof being applied to the Term Loan Obligations), including any sale, lease, exchange, transfer or other disposition of any such Term Loan Priority Collateral; or

(B) any sale, lease, exchange, transfer or other disposition (to a Person other than Holdings, the Company or any other Grantor) of any Term Loan Priority Collateral permitted under the terms of the Term Loan Documents, the Junior Priority Documents and the ABL Facility Documents (provided that any such sale, lease, exchange, transfer or other disposition that is not made in connection with an Insolvency or Liquidation Proceeding and which constitutes a transfer of all or substantially all assets of the Company and its Subsidiaries shall have been consented to by each of the Directing ABL Facility Collateral Agent, the Directing Term Loan Collateral Agent and the Directing Junior Priority Collateral Agent),

the Directing Term Loan Collateral Agent, for itself or on behalf of any of the other Term Loan Secured Parties, releases any of its Liens on any part of the Term Loan Priority Collateral, then the Liens, if any, of (x) the ABL Facility Collateral Agent, for itself and on behalf of the ABL Facility Secured Parties, and (y) each Junior Priority Collateral Agent for itself and on behalf of the Junior Priority Secured Parties, on such Term Loan Priority Collateral (but not in each case the Proceeds thereof (unless applied to the Term Loan Obligations), which shall be subject to the priorities set forth in this Agreement) shall be automatically, unconditionally and simultaneously released and the Directing Term Loan Collateral Agent is irrevocably authorized to execute and deliver or enter into any release of such Liens or claims that may, in the discretion of the Directing Term Loan Collateral Agent, be considered necessary or reasonably desirable in connection with such releases; and (x) the Directing Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, and (y) the Directing ABL Facility Collateral Agent, for itself or on behalf of the other ABL Facility Secured Parties, promptly shall execute and deliver to the Directing Term Loan Collateral Agent or such Grantor (at the expense of such Grantor) such termination statements, releases and other documents as the Directing Term Loan Collateral Agent or such Grantor may request to effectively confirm such release. Similarly, if the Equity Interests of any Person are foreclosed upon or otherwise disposed of (to a Person other than Holdings, the Company or any other Grantor) in connection with the exercise of remedies in respect of the Term Loan Priority Collateral by the Directing Term Loan Collateral Agent and in connection therewith the Directing Term Loan Collateral Agent releases the Term Loan Liens on the property or assets of such Person or releases such Person from its guarantee of Term Loan Obligations, then the Junior Priority Liens and the ABL Facility Liens on such property or assets of such Person (but not such Person's guarantee of Junior Priority Obligations and the ABL Facility Obligations) shall be automatically released to the same extent; provided, however, that, any proceeds shall be allocated pursuant to Section 7.6.

(ii) Until the Discharge of Term Loan Obligations occurs, each of (x) the ABL Facility Collateral Agent, for itself and on behalf of the other ABL Facility Secured Parties and (y) each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, hereby irrevocably constitutes and appoints the Directing Term Loan Collateral Agent and any officer or agent of the Directing Term Loan Collateral Agent, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in the place and stead of the ABL Facility Collateral Agent, each Junior Priority Collateral Agent or such Secured Party, as the case may be, or in the Directing Term Loan Collateral Agent's own name, from time to time in the Directing Term Loan Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 3.4(a) with respect to Term Loan Priority Collateral, to take any and all appropriate action and to execute any and all documents and

instruments which may be necessary to accomplish the purposes of this Section 3.4(a) with respect to Term Loan Priority Collateral, including any endorsements or other instruments of transfer or release.

(iii) Until the Discharge of Term Loan Obligations occurs, to the extent that the Term Loan Secured Parties (A) have released any Lien on Term Loan Priority Collateral and any such Lien is later reinstated or (B) obtain any new Lien on assets constituting Term Loan Priority Collateral from Grantors, then the Junior Priority Secured Parties and the ABL Facility Secured Parties shall be granted similarly perfected Liens on any such Term Loan Priority Collateral, which Liens shall be subject to this Agreement.

(iv) If, prior to the Discharge of Term Loan Obligations, a subordination of each Term Loan Collateral Agent's Lien on any Term Loan Priority Collateral is permitted (or in good faith believed by the Directing Term Loan Collateral Agent to be permitted) under the then existing Debt Agreements to another Lien permitted under the then existing Debt Agreements (a "Term Loan Collateral Priority Lien"), then (x) the Directing Term Loan Collateral Agent is authorized to execute and deliver a subordination agreement with respect thereto in form and substance satisfactory to it, and (y) each of each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, and the ABL Facility Collateral Agent, for itself and on behalf of the other ABL Facility Secured Parties, shall promptly execute and deliver to the Directing Term Loan Collateral Agent a substantially identical subordination agreement subordinating the Liens of each Junior Priority Collateral Agent, for the benefit of (and on behalf of) the Junior Priority Secured Parties and the ABL Facility Collateral Agent for the benefit of (and on behalf of) the ABL Facility Secured Parties, respectively, to such Term Loan Collateral Priority Lien.

(b) Releases – ABL Facility Obligations.

(i) After the Discharge of Term Loan Obligations has occurred and so long as the Discharge of ABL Facility Obligations has not occurred, if, in connection with:

(A) the exercise of any Directing ABL Facility Collateral Agent's remedies in respect of the Term Loan Priority Collateral provided for in Section 3.2(a) (with the Proceeds thereof being applied to the ABL Facility Obligations), including any sale, lease, exchange, transfer or other disposition of any such Term Loan Priority Collateral; or

(B) any sale, lease, exchange, transfer or other disposition (to a Person other than Holdings, the Company or any other Grantor) of any Term Loan Priority Collateral permitted under the terms of the Junior Priority Documents and the ABL Facility Documents (provided that any such sale, lease, exchange, transfer or other disposition that is not made in connection with an Insolvency or Liquidation Proceeding and which constitutes a transfer of all or substantially all assets of the Company and its Subsidiaries shall have been consented to by each of the Directing ABL Facility Collateral Agent and the Directing Junior Priority Collateral Agent),

the Directing ABL Facility Collateral Agent, for itself or on behalf of any of the other ABL Facility Secured Parties, releases any of its Liens on any part of the Term Loan Priority Collateral then (x) the Liens, if any, of any Junior Priority Collateral Agent, for itself and for the benefit of the Junior Priority Secured Parties, on such Term Loan Priority Collateral (but not in each case the Proceeds thereof (unless applied to the ABL Facility Obligations), which shall be subject to the priorities set forth in this Agreement), shall be automatically, unconditionally and simultaneously released and (y) the Directing ABL Facility Collateral Agent is irrevocably authorized to execute and deliver or enter into any release of such Liens or claims that may, be necessary in connection with such releases; and each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, promptly shall prepare, execute and deliver (at the expense of such Grantor) to the Directing ABL Facility Collateral Agent such termination statements, releases and other documents as the Directing ABL Facility Collateral Agent or such Grantor may request to effectively confirm such release. Similarly, if the Equity Interests of any Person are foreclosed upon or otherwise disposed of (to a Person other than Holdings, the Company or any other Grantor) and in connection therewith the Directing ABL Facility Collateral Agent releases the ABL Facility Liens on the property or assets of such Person or releases such Person from its guarantee of ABL Facility Obligations, then the Junior Priority Liens on such property or assets of such Person (but not such Person's guarantee of Junior Priority Obligations) shall be automatically released to the same extent.

(ii) Until the Discharge of ABL Facility Obligations occurs, each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, hereby irrevocably constitutes and appoints the Directing ABL Facility Collateral Agent and any officer or agent of the Directing ABL Facility Collateral Agent, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in the place and stead of each Junior Priority Collateral Agent or such Junior Priority Secured Party or in the Directing ABL Facility Collateral Agent's own name, from time to time in the Directing ABL Facility Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 3.4(b) with respect to Term Loan Priority Collateral, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 3.4(b) with respect to Term Loan Priority Collateral, including any endorsements or other instruments of transfer or release.

(iii) Until the Discharge of ABL Facility Obligations occurs, to the extent that the ABL Facility Secured Parties (A) have released any Lien on Term Loan Priority Collateral and any such Lien is later reinstated or (B) obtain any new Liens on assets constituting Term Loan Priority Collateral from Grantors, then the Junior Priority Secured Parties shall be granted a similarly perfected Lien on any such Term Loan Priority Collateral, which Liens shall be subject to this Agreement.

(iv) If, prior to the Discharge of ABL Facility Obligations, a subordination of the ABL Facility Collateral Agent's Lien on any Term Loan Priority Collateral is permitted (or in good faith believed by the Directing ABL Facility Collateral Agent to be permitted) under the then existing Debt Agreements to another Lien permitted under the then existing Debt Agreements (a "ABL Facility Collateral Priority Lien"), then (x) the Directing ABL Facility Collateral Agent is authorized to execute and deliver a subordination agreement with respect thereto in form and substance satisfactory to it, and (y) each Junior Priority Collateral Agent, on behalf of itself and

the other Junior Priority Secured Parties, shall promptly execute and deliver to the Directing ABL Facility Collateral Agent a substantially identical subordination agreement subordinating the Liens of such Junior Priority Collateral Agent for the benefit of (and on behalf of) the Junior Priority Secured Parties to such ABL Facility Collateral Priority Lien.

(c) Insurance – Prior to Discharge of Term Loan Obligations. Unless and until the Discharge of Term Loan Obligations has occurred, the Directing Term Loan Collateral Agent shall have the sole and exclusive right, subject to the rights of the Grantors under the Term Loan Documents, to adjust settlement for any Insurance policy covering the Term Loan Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) in respect of the Term Loan Priority Collateral; provided that, if any Insurance claim includes both ABL Facility Priority Collateral and Term Loan Priority Collateral, the insurer will not settle such claim separately with respect to ABL Facility Priority Collateral and Term Loan Priority Collateral, and if the Directing ABL Facility Collateral Agent and Directing Term Loan Collateral Agent are unable after negotiating in good faith to agree on the settlement for such claim, either Directing Collateral Agent may apply to a court of competent jurisdiction to make a determination as to the settlement of such claim, and the court's determination shall be binding upon the parties. If (i) any Junior Priority Collateral Agent or any Junior Priority Secured Party or (ii) the ABL Facility Collateral Agent or any ABL Facility Secured Party shall, at any time, receive any Proceeds of any such Insurance policy or any such award or payment in contravention of this Section 3.4(c), it shall pay such Proceeds over to the Directing Term Loan Collateral Agent in accordance with the terms of Section 3.3(a).

(d) Insurance – After Discharge of Term Loan Obligations. After the Discharge of Term Loan Obligations has occurred, and unless and until the Discharge of ABL Facility Obligations has occurred, the Directing ABL Facility Collateral Agent shall have the sole and exclusive right, subject to the rights of the Grantors under the ABL Facility Documents, to adjust settlement for any Insurance policy covering the Term Loan Priority Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) in respect of the Term Loan Priority Collateral. If any Junior Priority Collateral Agent or any Junior Priority Secured Party shall, at any time, receive any Proceeds of any such Insurance policy or any such award or payment in contravention of this Section 3.4(d), it shall pay such Proceeds over to the Directing ABL Facility Collateral Agent in accordance with the terms of Section 4.4(a).

(e) Amendments to, and Refinancing of, Term Loan Documents.

(i) The Term Loan Documents may be amended, restated, amended and restated, supplemented, increased or otherwise modified in accordance with their terms and the Term Loan Obligations may (subject to compliance with Section 8.19) be Refinanced with replacement Term Loan Obligations, in each case, without notice to, or the consent of, the ABL Facility Collateral Agent, the other ABL Facility Secured Parties, each Junior Priority Collateral Agent or the other Junior Priority Secured Parties, all without affecting the Lien subordination or other provisions of this Agreement; provided, however, that any such amendment, restatement, amendment and restatement, supplement, modification or Refinancing of the Term Loan

Documents shall not, without the consent of the Directing ABL Facility Collateral Agent and the Directing Junior Priority Collateral Agent, as applicable:

(A) contravene the provisions of this Agreement; or

(B) (x) change to an earlier date, any date upon which regularly scheduled amortization or redemption payments of principal or interest (including the scheduled final maturity date) on the Term Loan Obligations are due under the Term Loan Credit Agreement or a Refinancing thereof or any other Term Loan Document or a Refinancing thereof or increase the amount of any such scheduled amortization or redemption in excess of that applicable to the loans under the Term Loan Documents (as in effect on the date hereof) (provided that nothing herein shall prohibit any optional prepayments under the Term Loan Credit Agreement or other Term Loan Documents to the extent otherwise permitted by the terms of the other Debt Agreements) or (y) shorten the scheduled final maturity date of any principal amount of Term Loan Obligations under the Term Loan Credit Agreement or a Refinancing thereof or any other Term Loan Document or a Refinancing thereof, in each case under clauses (x) or (y);

provided that, subject to the provisions of this Section 3.4(e) (including, for the avoidance of doubt, clauses (A) - (B) above), (x) the Term Loan Documents may be amended, restated, amended and restated, supplemented, increased or otherwise modified and/or Refinanced from time to time in accordance with their terms in order to effect the making or provision of any "Credit Agreement Refinancing Indebtedness" (as defined in the Term Loan Credit Agreement) in each case without notice to, or the consent of, the ABL Facility Collateral Agent, any ABL Facility Secured Party, any Junior Priority Collateral Agent or any Junior Priority Secured Party, (y) Term Loan Hedging Obligations may be incurred from time to time and (z) Additional Term Loan Obligations may be incurred from time to time as permitted by Section 8.19.

Subject to the provisions of the ABL Facility Documents and the Junior Priority Documents, the Term Loan Documents may be Refinanced with Term Loan Obligations to the extent the terms and conditions of such Refinancing Indebtedness meet the requirements of this Section 3.4(e) and the holders of such Refinancing Indebtedness comply with Section 8.19.

(ii) The Term Loan Collateral Agent shall endeavor to give prompt notice of any amendment, waiver or consent of a Term Loan Document the ABL Facility Collateral Agent and each Junior Priority Collateral Agent after the effective date of such amendment, waiver or consent; provided that the failure of the Term Loan Collateral Agent to give any such notice shall not affect the priority of Term Loan Collateral Agent's Liens as provided herein or the validity or effectiveness of any such notice as against the Grantors or any of their Subsidiaries.

(iii) [Reserved].

(iv) [Reserved.

(v) In the event the Term Loan Collateral Agents or the Term Loan Secured Parties and the relevant Grantor enter into any amendment, waiver or consent in respect of any of the Term Loan Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Term Loan Security Document or

changing in any manner the rights of such Term Loan Collateral Agents, such Term Loan Secured Parties, the Company or any other Grantor thereunder, in each case with respect to or relating to the Term Loan Priority Collateral, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable ABL Facility Security Document and the Comparable Junior Priority Security Document without the consent of the ABL Facility Collateral Agent, the ABL Facility Secured Parties, each Junior Priority Collateral Agent or the Junior Priority Secured Parties and without any action by the ABL Facility Collateral Agent, each Junior Priority Collateral Agent, the Company or any other Grantor, provided, that (A) no such amendment, waiver or consent shall have the effect of (x) removing assets that constitute Term Loan Priority Collateral subject to the Lien of the ABL Facility Security Documents or the Junior Priority Security Documents, except to the extent that a release of such Lien is permitted or required by Section 3.4(a) (and provided that there is a corresponding release of such Lien securing the Term Loan Obligations), (y) imposing duties on the ABL Facility Collateral Agent or any Junior Priority Collateral Agent without their respective consent or (z) permitting other liens on the Term Loan Priority Collateral not permitted under the terms of the ABL Facility Documents, the Junior Priority Documents or Section 3.5 and (B) notice by the Term Loan Collateral Agent of such amendment, waiver or consent shall have been given to the ABL Facility Collateral Agent and each Junior Priority Collateral Agent within ten (10) Business Days after the effective date of such amendment, waiver or consent.

(vi) Following the Discharge of ABL Facility Obligations, in the event the Term Loan Collateral Agent or the Term Loan Secured Parties and the relevant Grantor enter into any amendment, waiver or consent in respect of any of the Term Loan Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Term Loan Security Document or changing in any manner the rights of the Term Loan Collateral Agent, such Term Loan Secured Parties, the Company or any other Grantor thereunder, in each case with respect to or relating to the ABL Facility Priority Collateral, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable Junior Priority Security Documents without the consent of the Junior Priority Collateral Agents or the Junior Priority Secured Parties and without any action by the Junior Priority Collateral Agents, the Company or any other Grantor, provided, that (A) no such amendment, waiver or consent shall have the effect of (x) removing assets that constitute ABL Facility Priority Collateral subject to the Lien of the Junior Priority Security Documents, except to the extent that a release of such Lien is permitted or required by Section 3.4(a) (and provided that there is a corresponding release of such Lien securing the Term Loan Obligations), (y) imposing duties on any Junior Priority Collateral Agent without their respective consent or (z) permitting other liens on the Term Loan Priority Collateral not permitted under the terms of the Junior Priority Documents or Section 3.5 and (B) notice by the Term Loan Collateral Agent of such amendment, waiver or consent shall have been given to each Junior Priority Collateral Agent within ten (10) Business Days after the effective date of such amendment, waiver or consent.

Priority Obligations may (subject to compliance with Section 8.19) be Refinanced with replacement Junior Priority Obligations, in each case, without notice to, or the consent of, the Term Loan Collateral Agent, the other Term Loan Secured Parties, the ABL Facility Collateral Agent or the other ABL Facility Secured Parties, all without affecting the Lien subordination or other provisions of this Agreement; provided, however, that any such amendment, restatement, amendment and restatement, supplement, modification or Refinancing of the Junior Priority Documents shall not, without the consent of the Directing Term Loan Collateral Agent and the Directing ABL Facility Collateral Agent, as applicable:

(A) contravene the provisions of this Agreement; or

(B) (x) change to an earlier date, any date upon which regularly scheduled amortization or redemption payments of principal or interest (including the scheduled final maturity date) on the Junior Priority Obligations are due under the Junior Priority Documents or a Refinancing thereof or any other Junior Priority Document or a Refinancing thereof or increase the amount of any such scheduled amortization or redemption in excess of that applicable to the loans or notes under the Junior Priority Documents (as in effect on the date hereof) (provided that nothing herein shall prohibit any optional prepayments under the Junior Priority Documents to the extent otherwise permitted by the terms of the other Debt Agreements) or (y) shorten the scheduled final maturity date of any principal amount of Junior Priority Obligations or a Refinancing thereof or any other Junior Priority Document or a Refinancing thereof, in each case under clauses (x) or (y);

provided that, subject to the provisions of this Section 3.4(f), Additional Junior Priority Obligations may be incurred from time to time as permitted by Section 8.19.

(ii) Each Junior Priority Collateral Agent shall endeavor to give prompt notice of any amendment, waiver or consent of a Junior Priority Document to the Term Loan Collateral Agent, and the ABL Facility Collateral Agent after the effective date of such amendment, waiver or consent; provided that the failure of any Junior Priority Collateral Agent to give any such notice shall not affect the priority of any Junior Priority Collateral Agent's Liens as provided herein or the validity or effectiveness of any such notice as against the Grantors or any of their Subsidiaries.

(g) Rights As Unsecured Creditors.

(i) Except as otherwise set forth in this Agreement and without limiting the benefits afforded to the other Secured Parties hereunder, the ABL Facility Collateral Agent and the ABL Facility Secured Parties may exercise rights and remedies as unsecured creditors against the Company or any other Grantor in accordance with the terms of the ABL Facility Documents to which it is a party and applicable law. Except as otherwise set forth in this Agreement, nothing

in this Agreement shall prohibit the receipt by the ABL Facility Collateral Agent or any ABL Facility Secured Parties of the required payments of interest, principal, premiums, fees and other amounts in respect of the ABL Facility Obligations so long as such receipt is not the direct or indirect result of the exercise by the ABL Facility Collateral Agent or any ABL Facility Secured Parties of rights or remedies as a secured creditor (including set-off) in respect of the Term Loan Priority Collateral in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien on Term Loan Priority Collateral held by any of them. In the event the ABL Facility Collateral Agent or any other ABL Facility Secured Party becomes a judgment Lien creditor in respect of Term Loan Priority Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment Lien shall be subordinated to the Liens securing Term Loan Obligations on the same basis as the other Liens on the Term Loan Priority Collateral securing the ABL Facility Obligations are so subordinated to Liens securing such Term Loan Obligations under this Agreement.

(ii) Except as otherwise set forth in this Agreement and without limiting the benefits afforded to the other Secured Parties hereunder, each Junior Priority Collateral Agent and the Junior Priority Secured Parties may exercise rights and remedies as unsecured creditors against the Company or any other Grantor in accordance with the terms of the Junior Priority Documents to which it is a party and applicable law. Except as otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by any Junior Priority Collateral Agent or any Junior Priority Secured Parties of the required payments of interest, principal, premiums, fees and other amounts in respect of the Junior Priority Obligations so long as such receipt is not the direct or indirect result of the exercise by such Junior Priority Collateral Agent or any Junior Priority Secured Parties of rights or remedies as a secured creditor (including set-off) in respect of the Term Loan Priority Collateral in contravention of this Agreement or enforcement in contravention of this Agreement of any Lien held by any of them. In the event any Junior Priority Collateral Agent or any other Junior Priority Secured Party becomes a judgment Lien creditor in respect of Term Loan Priority Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment Lien shall be subordinated to (x) the Liens securing Term Loan Obligations and (y) the Liens securing the ABL Facility Obligations, in each case, on the same basis as the other Liens on the Term Loan Priority Collateral securing the Junior Priority Obligations are so subordinated to Liens securing such Term Loan Obligations and ABL Facility Obligations, respectively, under this Agreement.

(iii) Except as otherwise set forth in this Agreement (including under Sections 3.1(a) and 3.2(a)), nothing in this Agreement (x) impairs or otherwise adversely affects any rights or remedies the Term Loan Collateral Agents or the other Term Loan Secured Parties may have with respect to the Term Loan Priority Collateral, (y) from and after the Discharge of Term Loan Obligations, impairs or otherwise adversely affects any rights or remedies the ABL Facility Collateral Agent or the other ABL Facility Secured Parties may have with respect to the Term Loan Priority Collateral or (z) from and after the Discharge of Term Loan Obligations and Discharge of ABL Facility Obligations, impairs or otherwise adversely affects any rights or remedies any Junior Priority Collateral Agent or the other Junior Priority Secured Parties may have with respect to the Term Loan Priority Collateral.

(h) Bailee for Perfection – Term Loan Collateral Agent.

(i) The Directing Term Loan Collateral Agent agrees to hold or control that part of the Term Loan Priority Collateral that is in its possession or control (or in the possession or control of its agents or bailees) to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC or other applicable law (such Term Loan Priority Collateral being the "Pledged Term Loan Priority Collateral") as collateral agent for the Term Loan Secured Parties which it represents as Collateral Agent and as bailee for and, with respect to any Term Loan Priority Collateral that cannot be perfected in such manner, as agent for, the Term Loan Collateral Agent that is not the Directing Term Loan Collateral Agent (on behalf of itself and the other Term Loan Secured Parties which it represents), any Junior Priority Collateral Agent (on behalf of itself and the other Junior Priority Secured Parties) and ABL Facility Collateral Agent (on behalf of itself and the other ABL Facility Secured Parties) and any assignee thereof solely for the purpose of perfecting the security interest granted under the Term Loan Documents, the Junior Priority Documents and the ABL Facility Documents, respectively, subject to the terms and conditions of this Section 3.4(h).

(ii) Subject to the terms of this Agreement, until the Discharge of Term Loan Obligations has occurred, the Directing Term Loan Collateral Agent shall be entitled to deal with the Pledged Term Loan Priority Collateral in accordance with the terms of the Term Loan Documents as if the Liens of (x) each Junior Priority Collateral Agent under the Junior Priority Security Documents and (y) the ABL Facility Collateral Agent under the ABL Facility Security Documents did not exist. The rights of each Junior Priority Collateral Agent and the ABL Facility Collateral Agent in the Term Loan Priority Collateral shall at all times be subject to the terms of this Agreement and to each Term Loan Collateral Agent's rights under the Term Loan Documents.

(iii) The Directing Term Loan Collateral Agent shall have no obligation whatsoever to any Term Loan Secured Party, any Junior Priority Collateral Agent, any Junior Priority Secured Party, the ABL Facility Collateral Agent or any ABL Facility Secured Party to ensure that the Pledged Term Loan Priority Collateral is genuine or owned by any of the Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 3.4(h). The duties or responsibilities of each Term Loan Collateral Agent under this Section 3.4(h) shall be limited solely to holding the Pledged Term Loan Priority Collateral as bailee or agent in accordance with this Section 3.4(h).

(iv) The Directing Term Loan Collateral Agent acting pursuant to this Section 3.4(h) shall not have by reason of the Term Loan Security Documents, the Junior Priority Security Documents, the ABL Facility Security Documents, this Agreement or any other document a fiduciary relationship in respect of any Term Loan Secured Party, any Junior Priority Collateral Agent, any Junior Priority Secured Party, the ABL Facility Collateral Agent or any ABL Facility Secured Party.

(v) Upon the Discharge of Term Loan Obligations, the Directing Term Loan Collateral Agent shall deliver or cause to be delivered the remaining Pledged Term Loan Priority Collateral (if any) in its possession or in the possession of its agents or bailees, together with any necessary endorsements, (A) first, to the Directing ABL Facility Collateral Agent to the extent a

Discharge of ABL Facility Obligations has not occurred, (B) second, if a Discharge of ABL Facility Obligations has occurred, to the Directing Junior Priority Collateral Agent to the extent a Discharge of Junior Priority Obligations has not occurred and (C) third, to the applicable Grantor to the extent no Term Loan Obligations, Junior Priority Obligations or ABL Facility Obligations remain outstanding (in each case, so as to allow such Person to obtain control of such Pledged Term Loan Priority Collateral) and will cooperate with the Directing Junior Priority Collateral Agent, the Directing ABL Facility Collateral Agent or such Grantor, as the case may be, in assigning (without recourse to or warranty by the Directing Term Loan Collateral Agent or any other Term Loan Secured Party or agent or bailee thereof) control over any other Pledged Term Loan Priority Collateral under its control. The Directing Term Loan Collateral Agent further agrees to take all other action reasonably requested by such Person (at the sole cost and expense of the Grantors or such Person) in connection with such Person obtaining a perfected security interest in the Pledged Term Loan Priority Collateral or as a court of competent jurisdiction may otherwise direct.

(vi) Notwithstanding anything to the contrary herein:

(A) if, for any reason, the Discharge of ABL Facility Obligations has not occurred upon the Discharge of Term Loan Obligations, all rights of each Term Loan Collateral Agent hereunder (1) with respect to the delivery and control of any part of the Term Loan Priority Collateral, and (2) to direct, instruct, vote upon or otherwise influence the maintenance or disposition of such Term Loan Priority Collateral, shall immediately, and (to the extent permitted by law) without further action on the part of the ABL Facility Collateral Agent or any Term Loan Collateral Agent, pass to the Directing ABL Facility Collateral Agent, who shall thereafter hold such rights for the benefit of the ABL Facility Secured Parties. Each of the Directing Term Loan Collateral Agent and the Grantors agrees that it will, if a Discharge of ABL Facility Obligations has not occurred upon the Discharge of Term Loan Obligations, take any other action required by any law or reasonably requested by the Directing ABL Facility Collateral Agent (subject to any limitations set forth in the ABL Facility Documents), in connection with the Directing ABL Facility Collateral Agent's establishment and perfection of a security interest in the Term Loan Priority Collateral; and

(B) if, for any reason, the Discharge of Junior Priority Obligations has not occurred upon the Discharge of Term Loan Obligations and the Discharge of ABL Facility Obligations, all rights of each Term Loan Collateral Agent hereunder, and all rights of the ABL Facility Collateral Agent hereunder (1) with respect to the delivery and control of any part of the Term Loan Priority Collateral, and (2) to direct, instruct, vote upon or otherwise influence the maintenance or disposition of such Term Loan Priority Collateral, shall immediately, and (to the extent permitted by law) without further action on the part of the ABL Facility Collateral Agent, any Term Loan Collateral Agent or any Junior Priority Collateral Agent, pass to the Directing Junior Priority Collateral Agent, who shall thereafter hold such rights for the benefit of the Junior Priority Secured Parties. Each of the Directing Term Loan Collateral Agent, the Directing ABL Facility Collateral Agent and the Grantors agrees that it will (at the sole expense of the Grantors), if a Discharge of Junior Priority Obligations has not occurred upon the Discharge of Term Loan Obligations and the Discharge of ABL Facility Obligations, take any other action

required by any law or reasonably requested by the Directing Junior Priority Collateral Agent (subject to any limitations set forth in the Junior Priority Documents), in connection with the Directing Junior Priority Collateral Agent's establishment and perfection of a security interest in the Term Loan Priority Collateral.

(vii) Notwithstanding anything to the contrary contained herein, if for any reason, prior to the Discharge of Term Loan Obligations, any Secured Party (other than the Directing Term Loan Collateral Agent), acquires possession of any Pledged Term Loan Priority Collateral, such Secured Party shall hold same as bailee and/or agent to the same extent as is provided in preceding clause (i) of this Section 3.4(h) with respect to Pledged Term Loan Priority Collateral, provided that as soon as is practicable such Secured Party shall deliver or cause to be delivered such Pledged Term Loan Priority Collateral to the Directing Term Loan Collateral Agent in a manner otherwise consistent with the requirements of preceding clause (v).

(i) Bailee for Perfection – ABL Facility Collateral Agent.

(i) After the Discharge of Term Loan Obligations has occurred, and to the extent that the Directing ABL Facility Collateral Agent is (or its agents or bailees are) in possession or control of any Pledged Term Loan Priority Collateral, the Directing ABL Facility Collateral Agent agrees to hold or control that part of the Term Loan Priority Collateral as collateral agent for the ABL Facility Secured Parties and as bailee for and, with respect to any Term Loan Priority Collateral that cannot be perfected in such manner, as agent for, each Junior Priority Collateral Agent (on behalf of itself and the other Junior Priority Secured Parties) and any assignee thereof solely for the purpose of perfecting the security interest granted under the Junior Priority Documents and the ABL Facility Documents, respectively, subject to the terms and conditions of this Section 3.4(i).

(ii) Subject to the terms of this Agreement, after the Discharge of Term Loan Obligations has occurred and until the Discharge of ABL Facility Obligations has occurred, the Directing ABL Facility Collateral Agent shall be entitled to deal with the Pledged Term Loan Priority Collateral in accordance with the terms of the ABL Facility Documents as if the Liens of each Junior Priority Collateral Agent under the Junior Priority Security Documents did not exist. The rights of each Junior Priority Collateral Agent in the Term Loan Priority Collateral shall at all times be subject to the terms of this Agreement and to the ABL Facility Collateral Agent's rights under the ABL Facility Documents.

(iii) The Directing ABL Facility Collateral Agent shall have no obligation whatsoever to any Junior Priority Collateral Agent, any Junior Priority Secured Party or any ABL Facility Secured Party to ensure that the Pledged Term Loan Priority Collateral is genuine or owned by any of the Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 3.4(i). The duties or responsibilities of the Directing ABL Facility Collateral Agent under this Section 3.4(i) shall be limited solely to holding the Pledged Term Loan Priority Collateral as bailee or agent in accordance with this Section 3.4(i).

(iv) The Directing ABL Facility Collateral Agent acting pursuant to this Section 3.4(i) shall not have by reason of the Term Loan Security Documents, the Junior Priority Security Documents, the ABL Facility Documents, this Agreement or any other document a fiduciary

relationship in respect of any ABL Facility Secured Party, any Term Loan Collateral Agent, any Term Loan Secured Party, any Junior Priority Collateral Agent or any Junior Priority Secured Party.

(v) Following the Discharge of Term Loan Obligations and upon the Discharge of ABL Facility Obligations, the Directing ABL Facility Collateral Agent shall deliver or cause to be delivered the remaining Pledged Term Loan Priority Collateral (if any) in its possession or in the possession of its agents or bailees, together with any necessary endorsements, (A) first, to the Directing Junior Priority Collateral Agent to the extent a Discharge of Junior Priority Obligations has not occurred and (B) second, to the applicable Grantor to the extent no Term Loan Obligations, Junior Priority Obligations or ABL Facility Obligations remain outstanding (in each case, so as to allow such Person to obtain control of such Pledged Term Loan Priority Collateral) and will cooperate with the Directing Junior Priority Collateral Agent or such Grantor, as the case may be, in assigning (without recourse to or warranty by the Directing ABL Facility Collateral Agent or any other ABL Facility Secured Party or agent or bailee thereof) control over any other Pledged Term Loan Priority Collateral under its control. The ABL Facility Collateral Agent further agrees to take all other action reasonably requested by such Person (at the sole cost and expense of the Grantors or such Person) in connection with such Person obtaining a perfected security interest in the Pledged Term Loan Priority Collateral or as a court of competent jurisdiction may otherwise direct.

(vi) Notwithstanding anything to the contrary herein, if, for any reason, the Discharge of Junior Priority Obligations has not occurred upon the Discharge of Term Loan Obligations and the Discharge of ABL Facility Obligations, all rights of the ABL Facility Collateral Agent hereunder (1) with respect to the delivery and control of any part of the Term Loan Priority Collateral, and (2) to direct, instruct, vote upon or otherwise influence the maintenance or disposition of such Term Loan Priority Collateral, shall immediately, and (to the extent permitted by law) without further action on the part of the ABL Facility Collateral Agent or any Junior Priority Collateral Agent, pass to the Directing Junior Priority Collateral Agent, who shall thereafter hold such rights for the benefit of the Junior Priority Secured Parties. Each of the Directing ABL Facility Collateral Agent, the Directing Term Loan Collateral Agent and the Grantors agrees that it will (at the sole expense of the Grantors), if any Junior Priority Obligations remain outstanding upon the Discharge of Term Loan Obligations and the Discharge of ABL Facility Obligations, take any other action required by any law or reasonably requested by the Directing Junior Priority Collateral Agent (subject to any limitations set forth in the Junior Priority Documents), in connection with the Directing Junior Priority Collateral Agent's establishment and perfection of a security interest in the Term Loan Priority Collateral.

(vii) Notwithstanding anything to the contrary contained herein, if for any reason, after the Discharge of Term Loan Obligations has occurred and until the Discharge of ABL Facility Obligations has occurred, any Secured Party (other than the Directing ABL Facility Collateral Agent), acquires possession of any Pledged Term Loan Priority Collateral, such Secured Party shall hold same as bailee and/or agent to the same extent as is provided in preceding clause (i) with respect to Pledged Term Loan Priority Collateral, provided that as soon as is practicable such Secured Party shall deliver or cause to be delivered such Pledged Term Loan Priority Collateral to the Directing ABL Facility Collateral Agent in a manner otherwise consistent with the requirements of preceding clause (v).

(j) When Discharge of the Term Loan Obligations Deemed to Not Have Occurred. Notwithstanding anything to the contrary herein, if substantially concurrently with or immediately after the Discharge of Term Loan Obligations, the Company enters into any Permitted Refinancing of any Term Loan Obligations pursuant to a new Term Loan Credit Agreement or Additional Term Loan Obligations Agreement in accordance with Section 8.19, then such Discharge of Term Loan Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Permitted Refinancing shall automatically be treated as Term Loan Obligations (together with the Term Loan Secured Hedging Agreements on the basis provided in the definition of "Term Loan Documents" contained herein) for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, the term "Term Loan Credit Agreement" or "Additional Term Loan Obligations Agreement," as appropriate, shall be deemed appropriately modified to refer to such Permitted Refinancing and the Term Loan Collateral Agent under such Term Loan Documents and the new secured parties under such Term Loan Documents shall automatically be treated as Term Loan Secured Parties for all purposes of this Agreement.

(k) [Reserved].

(l) When Discharge of Junior Priority Obligations Deemed to Not Have Occurred. Notwithstanding anything to the contrary herein, if substantially concurrently with or immediately after the Discharge of Junior Priority Obligations, the Company enters into any Permitted Refinancing of any Junior Priority Obligations pursuant to a new Junior Priority Document or Additional Junior Priority Obligations Agreement in accordance with Section 8.19, then such Discharge of Junior Priority Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Permitted Refinancing shall automatically be treated as Junior Priority Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, the term "Junior Priority Document" or "Additional Junior Priority Obligations Agreement," as appropriate, shall be deemed appropriately modified to refer to such Permitted Refinancing and each Junior Priority Collateral Agent under such Junior Priority Documents (who shall be the Directing Junior Priority Collateral Agent for all purposes hereof if the Permitted Refinancing is pursuant to a replacement Junior Priority Document) and the new secured parties under such Junior Priority Documents shall automatically be treated as Junior Priority Secured Parties for all purposes of this Agreement.

3.5 Insolvency or Liquidation Proceedings.

(a) Finance and Sale Issues.

(i) Until the Discharge of Term Loan Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Directing Term Loan Collateral Agent shall desire to permit the use of cash collateral (as such term (or any equivalent term) is defined in Section 363(a) of the Bankruptcy Code or, to the extent applicable, any other Debtor Relief Law) constituting Term Loan Priority Collateral or to permit the Company or any other Grantor to obtain financing, whether from any Term Loan Secured Parties or any other entity under Section 364 of the Bankruptcy Code or any similar Debtor Relief Law

that is secured by a Lien that is (I) senior or *pari passu* with the Liens on the Term Loan Priority Collateral securing the Term Loan Obligations, and (II) junior to the Liens on the ABL Facility Priority Collateral securing the ABL Facility Obligations (each, a "Term Loan Collateral DIP Financing"), then each of each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, and the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, agrees that it will not oppose or raise any objection to or contest (or join with or support any third party opposing, objecting or contesting) such use of cash collateral constituting Term Loan Priority Collateral or to the fact that the providers of such Term Loan Collateral DIP Financing may be granted Liens on the Collateral and will not request adequate protection or any other relief in connection therewith (except as expressly agreed by the Directing Term Loan Collateral Agent or to the extent permitted by Section 3.5(c)) and each Junior Priority Collateral Agent and the ABL Facility Collateral Agent will each subordinate its Liens in the Term Loan Priority Collateral to the Liens securing such Term Loan Collateral DIP Financing (and all interest and other obligations relating thereto), all adequate protection Liens thereon granted to the Term Loan Secured Parties, and any "carve-out" for professional or trustee fees therefrom or court ordered charges over the Priority Term Loan Collateral that have been agreed to by the Directing Term Loan Collateral Agent; provided that (A) the aggregate principal amount of the Term Loan Collateral DIP Financing plus the aggregate outstanding principal amount of Term Loan Obligations constituting loans or notes under the Term Loan Documents plus the amount secured by any court ordered charges that have been agreed to by the Directing Term Loan Collateral Agent shall not exceed in the case of the Term Loan Obligations the maximum amount of Term Loan Obligations permitted to be incurred (including pursuant to Section 2.16 thereof, and assuming that all conditions and requirements to the incurrence of Term Loan Obligations thereunder are satisfied at all times) or outstanding under the Term Loan Credit Agreement (as in effect on the date hereof) on the date of commencement of such Insolvency or Liquidation Proceeding and (B)(w) each of each Junior Priority Collateral Agent, the other Junior Priority Secured Parties, the ABL Facility Collateral Agent and the other ABL Facility Secured Parties retain a Lien on the Collateral to secure the Junior Priority Obligations and the ABL Facility Obligations, as the case may be, and, with respect to the Liens of the ABL Facility Secured Parties on ABL Facility Priority Collateral only, with the same priority as existed prior to the commencement of the Insolvency or Liquidation Proceeding, (x) to the extent that each Term Loan Collateral Agent is granted adequate protection in the form of a Lien, each Junior Priority Collateral Agent and the ABL Facility Collateral Agent are permitted to seek a Lien (and each Term Loan Collateral Agent or any other Term Loan Secured Party will not object to seeking any such Lien) on Collateral arising after the commencement of the Insolvency or Liquidation Proceeding (so long as, with respect to Term Loan Priority Collateral, such Lien is junior to the Liens securing or providing adequate protection (as applicable) for such Term Loan Collateral DIP Financing and the Term Loan Obligations), (y) the foregoing provisions of this Section 3.5(a) shall not prevent any Junior Priority Collateral Agent, the other Junior Priority Secured Parties, the ABL Facility Collateral Agent and the ABL Facility Secured Parties from objecting to any provision in any Term Loan Collateral DIP Financing relating to any provision or content of a plan of reorganization or other plan of similar effect under any Debtor Relief Laws and (z) the terms of such Term Loan Collateral DIP Financing or use of cash collateral do not require any Grantor to seek any approval for any plan of reorganization or other plan of similar effect under any Debtor Relief Laws. Each of each Junior Priority Collateral Agent, on behalf of the Junior Priority Secured Parties, and the ABL Facility Collateral Agent,

on behalf of the ABL Facility Secured Parties, agrees that it will not raise any objection or oppose (or join with or support any third party objecting or opposing) a sale or other disposition of any Term Loan Priority Collateral free and clear of its Liens (subject to attachment of Proceeds with respect to the Second Priority Lien (on the Term Loan Priority Collateral in favor of the ABL Facility Collateral Agent and the Third Priority Lien on the Term Loan Priority Collateral in favor of each Junior Priority Collateral Agent, respectively, in the same order and manner as otherwise set forth herein), or other claims under Section 363 of the Bankruptcy Code except for any objection or opposition that could be asserted by any Junior Priority Secured Party or ABL Facility Secured Party, as the case may be, as an unsecured creditor in any such Insolvency or Liquidation Proceeding, if the Term Loan Secured Parties have consented to such sale or disposition of such assets; provided that the each Junior Priority Collateral Agent, the other Junior Priority Secured Parties, the ABL Facility Collateral Agent and the other ABL Facility Secured Parties shall be entitled to seek and exercise credit bid rights in respect of any such sale or disposition; provided further, that such credit bid may only be made to the extent it includes a cash purchase price component payable at the closing of the sale in an amount that would be sufficient on the date of the closing of the sale to pay or satisfy in full all Term Loan Obligations (and, in the case of a credit bid by any Junior Priority Secured Party, to also pay or satisfy in full all ABL Facility Obligations).

(ii) Following the Discharge of Term Loan Obligations and until the Discharge of ABL Facility Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Directing ABL Facility Collateral Agent shall desire to permit the use of cash collateral (as such term (or any equivalent term) is defined in Section 363(a) of the Bankruptcy Code or, to the extent applicable, any other Debtor Relief Law) constituting Term Loan Priority Collateral or to permit the Company or any other Grantor to obtain financing, whether from any ABL Facility Secured Parties or any other entity under Section 364 of the Bankruptcy Code or any similar Debtor Relief Law that is secured by a Lien that is (I) senior or pari passu with the Liens on the Term Loan Priority Collateral securing the ABL Facility Obligations, and (II) senior or pari passu with the Liens on the ABL Facility Priority Collateral securing the ABL Facility Obligations (each, a "ABL Facility Term Loan Priority Collateral DIP Financing"), then each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that it will not oppose or raise any objection to or contest (or join with or support any third party opposing, objecting or contesting) such use of cash collateral constituting Term Loan Priority Collateral or to the fact that the providers of such ABL Facility Term Loan Priority Collateral DIP Financing may be granted Liens on the Collateral and will not request adequate protection or any other relief in connection therewith (except as expressly agreed by the Directing ABL Facility Collateral Agent or to the extent permitted by Section 3.5(c)) and each Junior Priority Collateral Agent will subordinate its Liens in the Term Loan Priority Collateral to the Liens securing such ABL Facility Term Loan Priority Collateral DIP Financing (and all interest and other obligations relating thereto), all adequate protection Liens thereon granted to the First Secured Parties, and any "carve-out" Liens and court ordered charges that have been agreed to by the Directing ABL Facility Collateral Agent; provided that (A) the aggregate principal amount of the ABL Facility Term Loan Priority Collateral DIP Financing plus the aggregate outstanding principal amount of ABL Facility Obligations constituting loans under the ABL Facility Documents shall not exceed the maximum amount of ABL Facility Obligations permitted to be incurred (including pursuant to Section 2.14 thereof, and assuming that all conditions and requirements to the incurrence of ABL Facility

Obligations thereunder are satisfied at all times) or outstanding under the ABL Facility Credit Agreement (as in effect on the date hereof) on the date of commencement of such Insolvency or Liquidation Proceeding plus the amount secured by court ordered charges that have been agreed to by the Directing ABL Facility Collateral Agent and (B)(w) each of each Junior Priority Collateral Agent and the other Junior Priority Secured Parties retain a Lien on the Collateral to secure the Junior Priority Obligations and, with respect to the Liens of the ABL Facility Secured Parties on ABL Facility Priority Collateral only, with the same priority as existed prior to the commencement of the Insolvency or Liquidation Proceeding, (x) to the extent that the ABL Facility Collateral Agent is granted adequate protection in the form of a Lien, each Junior Priority Collateral Agent is permitted to seek a Lien (and the ABL Facility Collateral Agent or any other ABL Facility Secured Party will not object to seeking any such Lien) on Collateral arising after the commencement of the Insolvency or Liquidation Proceeding (so long as, with respect to Term Loan Priority Collateral, such Lien is junior to the Liens securing or providing adequate protection (as applicable) for such ABL Facility Term Loan Priority Collateral DIP Financing and the ABL Facility Obligations), (y) the foregoing provisions of this Section 3.5(a) shall not prevent any Junior Priority Collateral Agent and the other Junior Priority Secured Parties from objecting to any provision in any DIP Financing relating to any provision or content of a plan of reorganization or other plan of similar effect under any Debtor Relief Laws and (z) the terms of such ABL Facility Term Loan Priority Collateral DIP Financing or use of cash collateral do not require any Grantor to seek any approval for any plan of reorganization or other plan of similar effect under any Debtor Relief Laws. Each of each Junior Priority Collateral Agent, on behalf of the Junior Priority Secured Parties, agrees that it will not raise any objection or oppose (or join with or support any third party objecting or opposing) a sale or other disposition of any Term Loan Priority Collateral free and clear of its Liens (subject to attachment of Proceeds with respect to the Third Priority Lien on the Term Loan Priority Collateral in favor of any Junior Priority Collateral Agent, respectively, in the same order and manner as otherwise set forth herein), or other claims under Section 363 of the Bankruptcy Code, except for any objection or opposition that could be asserted by any Junior Priority Secured Party as an unsecured creditor in any such Insolvency or Liquidation Proceeding, if the ABL Facility Secured Parties have consented to such sale or disposition of such assets; provided that any Junior Priority Collateral Agent and the other Junior Priority Secured Parties shall be entitled to seek and exercise credit bid rights in respect of any such sale or disposition; provided further, that such credit bid may only be made to the extent it includes a cash purchase price component payable at the closing of the sale in an amount that would be sufficient on the date of the closing of the sale to pay or satisfy in full all ABL Facility Obligations.

(b) Relief from the Automatic Stay.

(i) Until the Discharge of Term Loan Obligations has occurred, each of each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, and the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, agrees that none of them shall seek (or support any other person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Term Loan Priority Collateral without the prior written consent of the Directing Term Loan Collateral Agent.

(ii) Until the Discharge of ABL Facility Obligations has occurred, each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that none of them shall seek (or support any other person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Term Loan Priority Collateral without the prior written consent of the Directing ABL Facility Collateral Agent.

(c) Adequate Protection.

(i) Each of each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties and the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, agrees that none of them shall contest (or support any other Person contesting) (A) any request by any Term Loan Collateral Agent or the other Term Loan Secured Parties for adequate protection (or, to the extent applicable, equivalent protection under Debtor Relief Laws) with respect to any Term Loan Priority Collateral, (B) so long as the request for adequate protection is in the form of an additional or replacement Lien on the ABL Facility Priority Collateral that is junior to the Liens on the ABL Facility Priority Collateral securing or providing adequate protection for the ABL Facility Obligations, any request by any Term Loan Collateral Agent or the other Term Loan Secured Parties for adequate protection (or, to the extent applicable, equivalent protection under Debtor Relief Laws) with respect to any ABL Facility Priority Collateral, or (C) any objection by any Term Loan Collateral Agent or the other Term Loan Secured Parties to any motion, relief, action or proceeding based on any Term Loan Collateral Agent or the other Term Loan Secured Parties claiming a lack of adequate protection (or similar protection under any Debtor Relief Law) with respect to the Term Loan Priority Collateral. Notwithstanding the foregoing provisions in this Section 3.5(c)(i), in any Insolvency or Liquidation Proceeding, (A) if the Term Loan Secured Parties (or any subset thereof) are granted adequate protection in the form of additional or replacement collateral in the nature of assets constituting Term Loan Priority Collateral in connection with any Term Loan Collateral DIP Financing or use of cash collateral constituting Term Loan Priority Collateral, then each of each Junior Priority Collateral Agent, on behalf of itself or any of the other Junior Priority Secured Parties, and the ABL Facility Collateral Agent, on behalf of itself or any of the other ABL Facility Secured Parties, as the case may be, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral, which Lien will be subordinated to the Liens securing and providing adequate protection for the Term Loan Obligations and such Term Loan Collateral DIP Financing (and all obligations relating thereto) on the same basis as the other Liens on Term Loan Priority Collateral securing the Junior Priority Obligations or ABL Facility Obligations, as the case may be, are so subordinated to the Term Loan Obligations under this Agreement, and (B) in the event any Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties and the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, as the case may be, seeks or requests adequate protection in respect of Term Loan Priority Collateral securing Junior Priority Obligations or ABL Facility Obligations, as the case may be, and such adequate protection is granted in the form of additional or replacement collateral in the nature of assets constituting Term Loan Priority Collateral, then each of each Junior Priority Collateral Agent, on behalf of itself or any of the other Junior Priority Secured Parties and the ABL Facility Collateral Agent, on behalf of itself or any of the other ABL Facility Secured Parties, agrees that each Term Loan Collateral Agent shall also be granted a senior Lien on such additional or replacement collateral as security

and adequate protection for the Term Loan Obligations and for any such Term Loan Collateral DIP Financing and that any Lien on such additional or replacement collateral securing and providing adequate protection for the Junior Priority Obligations or the ABL Facility Obligations, as the case may be, shall be subordinated to the Liens on such collateral securing the Term Loan Obligations and any such Term Loan Collateral DIP Financing (and all obligations relating thereto) and to any other Liens on such collateral granted to the Term Loan Secured Parties as adequate protection on the same basis as the other Liens on Term Loan Priority Collateral securing the Junior Priority Obligations or ABL Facility Obligations, as the case may be, are so subordinated to such Term Loan Obligations under this Agreement.

(ii) Each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that none of them shall contest (or support any other Person contesting) (A) any request by the ABL Facility Collateral Agent or the ABL Facility Secured Parties for adequate protection or similar protection under any Debtor Relief Law with respect to any Term Loan Priority Collateral, (B) any request by the ABL Facility Collateral Agent or the ABL Facility Secured Parties for adequate protection (or similar protection under any Debtor Relief Law) with respect to any ABL Facility Priority Collateral, or (C) any objection by the ABL Facility Collateral Agent or the ABL Facility Secured Parties to any motion, relief, action or proceeding based on the ABL Facility Collateral Agent or the ABL Facility Secured Parties claiming a lack of adequate protection (or similar protection under any Debtor Relief Law) with respect to the Term Loan Priority Collateral. Term Loan Documents in favor of the approval of any plan of arrangement or reorganization in respect of Holdings or the Company (and shall be deemed to have voted to reject any plan of reorganization) unless (x) such plan provides for the Discharge of the ABL Facility Obligations on the first date of implementation of such plan or (y) the Term Loan Facility Agent and the Term Loan Collateral Agent are provided with written notice from the ABL Facility Administrative Agent or the ABL Facility Secured Parties that the plan is or will be accepted by ABL Facility Secured Parties holding at least 66 2/3% of the ABL Facility Obligations;

(b) No Warranties or Liability.

(i) Each of the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, and each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, acknowledges and agrees that the Term Loan Collateral Agents and the Term Loan Secured Parties have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Term Loan Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. (ii) subject to clause (i)(x) above, the Directing ABL Facility Collateral Agent and the ABL Facility Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including set-off and applicable credit bid rights) and make determinations regarding the disposition of, or restrictions with respect to, the ABL Facility Priority Collateral without any consultation with or the consent of any Term Loan Collateral Agent, any Term Loan Secured Party, any Junior Priority Collateral Agent or any Junior Priority Secured Party; provided that:

(B) any of the Term Loan Collateral Agent, any Term Loan Secured Party, any Junior Priority Collateral Agent and any Junior Priority Secured Party may take any action (not adverse to the priority status of the Liens on the ABL Facility Priority Collateral securing the ABL Facility Obligations, or the rights of the ABL Facility Collateral Agent or the ABL Facility Secured Parties to exercise remedies in respect thereof) in accordance with the Term Loan Documents or the Junior Priority Documents, as applicable, and the terms of this Agreement in order to create, prove, perfect, preserve or protect (but not enforce) its Lien on the ABL Facility Priority Collateral;

(i) each of the Term Loan Collateral Agent, for itself and on behalf of the other Term Loan Secured Parties and each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, agrees that it will not take any action that would hinder, delay, limit or prohibit any exercise of remedies under the ABL Facility Documents with respect to the ABL Facility Priority Collateral, including any collection, sale, lease, exchange, transfer or other disposition of the ABL Facility Priority Collateral, whether by foreclosure or otherwise, or that would limit, invalidate, avoid or set aside any Lien or ABL Facility Security Document, in each case, with respect to the ABL Facility Priority Collateral or subordinate the priority of the ABL Facility Obligations to the Term Loan Obligations or the Junior Priority Obligations, as the case may be, with respect to the ABL Facility Priority Collateral or grant the Liens with respect to the ABL Facility Priority Collateral securing the Term Loan Obligations or the

Junior Priority Obligations, as the case may be, equal ranking to the Liens with respect to the ABL Facility Priority Collateral securing the ABL Facility Obligations, and

(ii) each of the Term Loan Collateral Agent, for itself and on behalf of the other Term Loan Secured Parties and each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, hereby waives any and all rights it or the Term Loan Secured Parties or the Junior Priority Secured Parties, as the case may be, may have as a junior Lien creditor with respect to the ABL Facility Priority Collateral or otherwise to object to the manner in which the ABL Facility Collateral Agent or the ABL Facility Secured Parties seek to enforce or collect the ABL Facility Obligations or the Liens granted in any of the ABL Facility Priority Collateral in any such case except to the extent such enforcement or collection is in violation of the terms of this Agreement, regardless of whether any action or failure to act by or on behalf of the ABL Facility Collateral Agent or ABL Facility Secured Parties is adverse to the interest of the Term Loan Secured Parties or the Junior Priority Secured Parties, as the case may be.

(d) Each of the Term Loan Collateral Agents for themselves and on behalf of their respective Term Loan Secured Parties and each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties hereby acknowledges and agrees that no covenant, agreement or restriction contained in its respective Term Loan Document or Junior Priority Document, as applicable (other than this Agreement), shall be deemed to restrict in any way the rights and remedies of the ABL Facility Collateral Agent or the ABL Facility Secured Parties with respect to the ABL Facility Priority Collateral as set forth in this Agreement and the ABL Facility Documents.

(ii) the Directing Term Loan Collateral Agent and the Term Loan Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including set-off and applicable credit bid rights) and make determinations regarding the disposition of, or restrictions with respect to, the ABL Facility Priority Collateral without any consultation with or the consent of any Junior Priority Collateral Agent or any Junior Priority Secured Party; provided that:

(A) in any Insolvency or Liquidation Proceeding commenced by or against Holdings, the Company or any other Grantor, any Junior Priority Collateral Agent or any Junior Priority Secured Party may file a claim or statement of interest with respect to the Junior Priority Obligations, as applicable;

(B) any Junior Priority Collateral Agent and any Junior Priority Secured Party may take any action (not adverse to the priority status of the Liens on the ABL Facility Priority Collateral securing the Term Loan Obligations, or

the rights of the Term Loan Collateral Agent or the Term Loan Secured Parties to exercise remedies in respect thereof) in accordance with the Junior Priority Documents and the terms of this Agreement in order to create, prove, perfect, preserve or protect (but not enforce) its Lien on the ABL Facility Priority Collateral;

(C) each of the Junior Priority Secured Parties shall be entitled to file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Priority Secured Parties, including any claims secured by or Liens on the ABL Facility Priority Collateral, if any, in each case in accordance with the terms of this Agreement;

(D) the Junior Priority Secured Parties shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either the Debtor Relief Laws or applicable non-bankruptcy law, in each case in accordance with the terms of this Agreement and to the extent not prohibited by any other provision of this Agreement;

(E) the Junior Priority Secured Parties shall be entitled to vote on any plan of reorganization and file any proof of claim in an Insolvency or Liquidation Proceeding or otherwise and other filings and make any arguments and motions that are, in each case, in accordance with the terms of this Agreement, with respect to the ABL Facility Priority Collateral; and

(F) the Directing Junior Priority Collateral Agent or any Junior Priority Secured Party may exercise any of its rights or remedies with respect to the ABL Facility Priority Collateral in accordance with the Junior Priority Documents after the termination of the Junior Priority ABL Term Facility Collateral Standstill Period to the extent permitted by clause (i)(x) above.

(b) After the Discharge of ABL Facility Obligations has occurred and so long as the Discharge of Term Loan Obligations has not occurred, each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that it will not take or receive any ABL Facility Priority Collateral or any Proceeds of ABL Facility Priority Collateral in

connection with the exercise of any right or remedy (including set-off) with respect to any ABL Facility Priority Collateral unless and until the Discharge of Term Loan Obligations has occurred, except as expressly provided in the first proviso in clause (i)(x) of Section 4.2(a) or in the proviso in clause (ii) of Section 4.2(a) (but subject to the payment over requirements in Section 4.4). (B) any sale, lease, exchange, transfer or other disposition (to a Person other than Holdings, the Company or any other Grantor) of any ABL Facility Priority Collateral permitted under the terms of the ABL Facility Documents, Term Loan Documents and Junior Priority Documents (provided that any such sale, lease, exchange, transfer or other disposition that is not made in connection with an Insolvency or Liquidation Proceeding and which constitutes a transfer of all or substantially all assets of the Company and its Subsidiaries shall have been consented to by each of the Directing ABL Facility Collateral Agent, the Directing Term Loan Collateral Agent and the Directing Junior Priority Collateral Agent),

the Directing ABL Facility Collateral Agent, for itself or on behalf of any of the other ABL Facility Secured Parties, releases any of its Liens on any part of the ABL Facility Priority Collateral, then the Liens, if any, of (x) the Term Loan Collateral Agent, for itself and on behalf of the other Term Loan Secured Parties and (y) each Junior Priority Collateral Agent, for itself and on behalf of the Junior Priority Secured Parties, on such ABL Facility Priority Collateral (but not in each case the Proceeds thereof (unless applied to the ABL Facility Obligations), which shall be subject to the priorities set forth in this Agreement) shall be automatically, unconditionally and simultaneously released and the Directing ABL Facility Collateral Agent is irrevocably authorized to execute and deliver or enter into any release of such Liens or claims that may, in the discretion of the Directing ABL Facility Collateral Agent, be considered necessary or reasonably desirable in connection with such releases; and the Term Loan Collateral Agent, for itself and on behalf of any such Term Loan Secured Parties and the Directing Junior Priority Collateral Agent, for itself and on behalf of any such Junior Priority Secured Parties, promptly shall execute and deliver to the Directing ABL Facility Collateral Agent or such Grantor such termination statements, releases and other documents as the Directing ABL Facility Collateral Agent or such Grantor (at the expense of such Grantor) may request to effectively confirm such release.

(iii) Until the Discharge of ABL Facility Obligations occurs, to the extent that the ABL Facility Secured Parties (A) have released any Lien on ABL Facility Priority Collateral and any such Lien is later reinstated or (B) obtain any new Liens on assets constituting ABL Facility Priority Collateral from Grantors, then the Term Loan Secured Parties and the Junior Priority Secured Parties shall be granted a similarly perfected Lien on any such ABL Facility Priority Collateral, which Liens shall be subject to this Agreement.

(iv) If, prior to the Discharge of ABL Facility Obligations, a subordination of the ABL Facility Collateral Agent's Lien on any ABL Facility Priority Collateral is permitted (or in good faith believed by the Directing ABL Facility Collateral Agent to be permitted) under the then existing Debt Agreements to another Lien permitted under the then existing Debt Agreements (for purposes of this clause (iv), a "ABL Facility Priority Collateral Lien"), then (x) the Directing ABL Facility Collateral Agent is authorized to execute and deliver a subordination agreement with respect thereto in form and substance satisfactory to it, and (y) each of the Term Loan Collateral Agent, for itself and on behalf of the other Term Loan Secured Parties and each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, shall each promptly execute and deliver to the Directing ABL Facility Collateral Agent a substantially identical subordination agreement subordinating the Liens of such Term Loan Collateral Agent for the benefit of (and on behalf of) the Term Loan Secured Parties, and each Junior Priority Collateral Agent for the benefit of (and on behalf of) the Junior Priority Secured Parties, respectively, to such ABL Facility Priority Collateral Lien.

the Directing Term Loan Collateral Agent, for itself or on behalf of any of the other Term Loan Secured Parties, releases any of its Liens on any part of the ABL Facility Priority Collateral, then the Liens, if any, of each Junior Priority Collateral Agent, for itself and on behalf of the Junior Priority Secured Parties, on such ABL Facility Priority Collateral (but not in each case the Proceeds thereof (unless applied to the Term Loan Obligations), which shall be subject to the priorities set forth in this Agreement) shall be automatically, unconditionally and simultaneously released and the Directing Term Loan Collateral Agent is irrevocably authorized to execute and deliver or enter into any release of such Liens or claims that may, in the discretion of the Directing Term Loan Collateral Agent, be considered necessary or reasonably desirable in connection with such releases; and the Directing Junior Priority Collateral Agent, for itself and on behalf of any such Junior Priority Secured Parties, promptly shall execute and deliver to the Directing Term Loan Collateral Agent or such Grantor such termination statements, releases and other documents as the Directing Term Loan Collateral Agent or such Grantor (at the expense of such Grantor) may request to effectively confirm such release.

(ii) Following the Discharge of the ABL Facility Obligations and until the Discharge of Term Loan Obligations occurs, each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, hereby irrevocably constitutes and appoints the Directing Term Loan Collateral Agent and any officer or agent of the Directing Term Loan Collateral Agent, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in the place and stead of such Junior Priority Collateral Agent or such Secured Party, as the case may be, or in the Directing Term Loan Collateral Agent's own name, from time to time in the Directing Term Loan Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 4.5(b) with respect to ABL Facility Priority Collateral, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 4.5(b) with respect to ABL Facility Priority Collateral, including any endorsements or other instruments of transfer or release.

(iii) Following the Discharge of the ABL Facility Obligations and until the Discharge of Term Loan Obligations occurs, to the extent that the Term Loan Secured Parties (A) have released any Lien on ABL Facility Priority Collateral and any such Lien is later reinstated or (B) obtain any new Liens on assets constituting ABL Facility Priority Collateral from Grantors, then the Junior Priority Secured Parties shall be granted a similarly perfected Lien on any such ABL Facility Priority Collateral, which Liens shall be subject to this Agreement.

(iv) If, following the Discharge of the ABL Facility Obligations and prior to the Discharge of Term Loan Obligations, a subordination of the Term Loan Collateral Agent's Lien on any ABL Facility Priority Collateral is permitted (or in good faith believed by the Directing Term Loan Collateral Agent to be permitted) under the then existing Debt Agreements to another Lien permitted under the then existing Debt Agreements (for purposes of this clause (iv), a

"Term Loan/ABL Facility Priority Collateral Lien"), then (x) the Directing Term Loan Collateral Agent is authorized to execute and deliver a subordination agreement with respect thereto in form and substance satisfactory to it, and (y) each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, shall each promptly execute and deliver to the Directing Term Loan Collateral Agent a substantially identical subordination agreement subordinating the Liens of each Junior Priority Collateral Agent for the benefit of (and on behalf of) the Junior Priority Secured Parties, respectively, to such Term Loan/ABL Facility Priority Collateral Lien.

If any Term Loan Collateral Agent, any Term Loan Secured Party, any Junior Priority Collateral Agent or any Junior Priority Secured Party shall, at any time, receive any Proceeds of any such Insurance policy or any such award or payment in contravention of this Section 4.5 (d), it shall pay such Proceeds over to the Directing ABL Facility Collateral Agent in accordance with the terms of Section 4.4(a).

If any Junior Priority Collateral Agent or any Junior Priority Secured Party shall, at any time, receive any Proceeds of any such Insurance policy or any such award or payment in contravention of this

Section 4.5(e), it shall pay such Proceeds over to the Term Loan Collateral Agent in accordance with the terms of Section 4.4(b).

Subject to the provisions of the Term Loan Documents and the Junior Priority Documents, the ABL Facility Documents may be Refinanced with ABL Facility Obligations to the extent the terms and conditions of such Refinancing Indebtedness meet the requirements of this Section 4.5(g) and the holders of such Refinancing Indebtedness comply with Section 8.19.

(ii) In the event the ABL Facility Collateral Agent or the ABL Facility Secured Parties and the relevant Grantor enter into any amendment, waiver or consent in respect of any of the ABL Facility Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any ABL Facility Security Document or changing in any manner the rights of the ABL Facility Collateral Agent, such ABL Facility Secured Parties, the Company or any other Grantor thereunder, in each case with respect to or relating to the ABL Facility Priority Collateral, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable Term Loan Security Document and the Comparable Junior Priority Security Document without the consent of any Term Loan Collateral Agent, the Term Loan Secured Parties, the Junior Priority Collateral Agents or the Junior Priority Secured Parties and without any action by any Term Loan Collateral Agent, the Junior Priority Collateral Agents, the Company or any other Grantor, provided, that (A) no such amendment, waiver or consent shall have the effect of (I) removing assets that constitute ABL Facility Priority Collateral subject to the Lien of the Term Loan Security Documents or the Junior Priority Security Documents, except to the extent that a release

of such Lien is permitted or required by Section 4.5(a) and provided that there is a corresponding release of such Lien securing the ABL Facility Obligations, (II) imposing duties on any Term Loan Collateral Agent or any Junior Priority Collateral Agent without their respective consent or (III) permitting other liens on the ABL Facility Priority Collateral not permitted under the terms of the Term Loan Documents, the Junior Priority Documents or Section 4.6 and (B) notice by the ABL Facility Collateral Agent of such amendment, waiver or consent shall have been given to each Term Loan Collateral Agent and each Junior Priority Collateral Agent within ten (10) Business Days after the effective date of such amendment, waiver or consent.

(iii) Following the Discharge of Term Loan Obligations, in the event the ABL Facility Collateral Agent or the ABL Facility Secured Parties and the relevant Grantor enter into any amendment, waiver or consent in respect of any of the ABL Facility Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any ABL Facility Security Document or changing in any manner the rights of the ABL Facility Collateral Agent, such ABL Facility Secured Parties, the Company or any other Grantor thereunder, in each case with respect to or relating to the Term Loan Priority Collateral, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Junior Priority Security Document without the consent of any Junior Priority Collateral Agent or the Junior Priority Secured Parties and without any action by any Junior Priority Collateral Agent, the Company or any other Grantor, provided, that (A) no such amendment, waiver or consent shall have the effect of (I) removing assets that constitute Term Loan Priority Collateral subject to the Lien of the Junior Priority Security Documents, except to the extent that a release of such Lien is permitted or required by Section 4.5(a) and provided that there is a corresponding release of such Lien securing the ABL Facility Obligations, (II) imposing duties on any Junior Priority Collateral Agent without its consent or (III) permitting other liens on the Term Loan Priority Collateral not permitted under the terms of the Junior Priority Documents or Section 4.6 and (B) notice by the ABL Facility Collateral Agent of such amendment, waiver or consent shall have been given to each Junior Priority Collateral Agent within ten (10) Business Days after the effective date of such amendment, waiver or consent.

(iv) The ABL Facility Collateral Agent shall endeavor to give prompt notice of any amendment, waiver or consent of an ABL Facility Document to each Term Loan Collateral Agent and each Junior Priority Collateral Agent after the effective date of such amendment, waiver or consent; provided that the failure of the ABL Facility Collateral Agent to give any such notice shall not affect the priority of the ABL Facility Collateral Agent's Liens as provided herein or the validity or effectiveness of any such amendment as against the Grantors or any of their Subsidiaries.

In the event the Term Loan Collateral Agent or any other Term Loan Secured Party becomes a judgment Lien creditor in respect of ABL Facility Priority Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment Lien shall be subordinated to the Liens securing ABL Facility Obligations on the same basis as the other Liens on the ABL Facility Priority Collateral securing the Term Loan Obligations are so subordinated to such Liens securing ABL Facility Obligations under this Agreement.

In the event any Junior Priority Collateral Agent or any other Junior Priority Secured Party becomes a judgment Lien creditor in respect of ABL Facility Priority Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment Lien shall be subordinated to (x) the Liens securing ABL Facility Obligations and (y) the Liens securing the Term Loan Obligations, in each case, on the same basis as the other Liens on the ABL Facility Priority Collateral securing the Junior Priority Obligations are so subordinated to such ABL Facility Obligations and such Term Loan Obligations, respectively, under this Agreement.

(iv) Except as otherwise set forth in this Agreement, nothing in this Agreement (w) impairs or otherwise adversely affects any rights or remedies the ABL Facility Collateral Agent or the other ABL Facility Secured Parties may have with respect to the ABL Facility Priority Collateral (x) from and after the Discharge of ABL Facility Obligations, impairs or otherwise adversely affects Term Loan Secured Parties may have with respect to the ABL Facility Priority Collateral or (y) from and after the Discharge of ABL Facility Obligations and the Discharge of Term Loan Obligations, impairs or otherwise adversely affects any rights or remedies any Junior Priority Collateral Agent or the other Junior Priority Secured Parties may have with respect to the ABL Facility Priority Collateral.

Notwithstanding anything to the contrary herein, if substantially concurrently with or immediately after the Discharge of ABL Facility Obligations, the Company enters into any Permitted Refinancing of any ABL Facility Obligations pursuant to a new ABL Facility Credit Agreement in accordance with Section 8.19, then such Discharge of ABL Facility Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement, and the obligations under the new ABL Facility Credit Agreement shall automatically be treated as ABL Facility Obligations (together with the ABL Facility Cash Management Obligations and ABL Facility Hedging Obligations thereunder each on the basis provided in the definition of "ABL Facility Obligations" contained herein) for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, the term "ABL Facility Credit Agreement" shall be deemed appropriately modified to refer to such new ABL Facility Credit Agreement and the ABL Facility Collateral Agent under such new ABL Facility Credit Agreement shall be the Directing ABL Facility Collateral Agent for all purposes hereof (who shall be the Directing ABL Facility Collateral Agent for all purposes hereof if the Permitted Refinancing is pursuant to a replacement of the ABL Facility Credit Agreement) and the new secured parties under such ABL Facility Documents (together with the ABL Facility Cash Management Creditors and ABL Facility Hedging Creditors thereunder) shall automatically be treated as ABL Facility Secured Parties for all purposes of this Agreement.

4.6 Insolvency or Liquidation Proceedings.

(a) Finance and Sale Issues – ABL Facility Obligations. Until the Discharge of ABL Facility Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Directing ABL Facility Collateral Agent shall desire to permit the use of cash collateral (as such term (or any equivalent term) is defined in Section 363(a) of the Bankruptcy Code or, to the extent applicable, any other Debtor Relief Law) constituting ABL Facility Priority Collateral or to permit the Company or any other Grantor to obtain a financing, whether from any ABL Facility Secured Parties or any other entity under Section 364 of the Bankruptcy Code or any similar Debtor Relief Law, that is secured by a Lien that is (I) senior or *pari passu* with the Liens on the ABL Facility Priority Collateral securing the ABL Facility Obligations and (II) junior to the Liens on the Term Loan Priority Collateral securing the Term Loan Obligations (each, a "ABL Facility DIP Financing"), then each Term Loan Collateral Agent, on behalf of itself and the other Term Loan Secured Parties, and each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that it will not oppose or raise any objection to or contest (or join with or support any third party opposing, objecting or contesting) such use of cash collateral constituting ABL Facility Priority Collateral or such ABL Facility DIP Financing and will not request adequate protection or any other relief in connection therewith (except, as expressly agreed by the Directing ABL Facility Collateral Agent or to the extent permitted by Section 4.6(e)) and the Term Loan Collateral Agent and each Junior Priority Collateral Agent will each subordinate its Liens in the ABL Facility Priority Collateral to the Liens securing such ABL Facility DIP Financing (and all interest and other obligations relating thereto), all adequate protection Liens thereon granted to the ABL Facility Secured Parties, and any "carve out" for professional or trustees fees therefrom and court ordered charges that have been agreed to by the Directing ABL Facility Collateral Agent; provided that (A) the aggregate principal amount of the ABL Facility DIP Financing plus the aggregate outstanding principal amount of ABL Facility Obligations constituting loans under the ABL Facility Documents plus the aggregate face amount of any letters of credit plus the amount secured by such court ordered charges issued and not reimbursed under the ABL Facility Documents shall not exceed the maximum amount of ABL Facility Obligations permitted to be incurred (including pursuant to Section 2.14 thereof, and assuming that all conditions and requirements to the incurrence of ABL Facility Obligations thereunder are satisfied at all times) or outstanding under the ABL Facility Credit Agreement (as in effect on the date hereof) on the date of commencement of such Insolvency or Liquidation Proceeding as estimated by the ABL Facility Administrative Agent and (B)(w) each of the Term Loan Collateral Agents, the other Term Loan Secured Parties, each Junior Priority Collateral Agent and the other Junior Priority Secured Parties retain a Lien on the Collateral to secure the Term Loan Obligations and Junior Priority Obligations, respectively, and, with respect to the Term Loan Priority Collateral only, with the same priority as existed prior to the commencement of the Insolvency or Liquidation Proceeding, (x) to the extent that the ABL Facility Collateral Agent is granted adequate protection in the form of a Lien, the Term Loan Collateral Agents and each Junior Priority Collateral Agent are each permitted to seek a Lien (and the ABL Facility Collateral Agent or any ABL Facility Secured Party will not object to the seeking of any such Lien) on Collateral arising after the commencement of the Insolvency or Liquidation Proceeding (so long as, with respect to ABL Facility Priority Collateral, such Lien is junior to the Liens securing or providing adequate protection (as applicable) for such ABL Facility DIP Financing and the ABL Facility Obligations), (y) the foregoing provisions of this Section 4.6(a) shall not

prevent the Term Loan Collateral Agents, the Term Loan Secured Parties, each Junior Priority Collateral Agent and the Junior Priority Secured Parties from objecting to any provision in any ABL Facility DIP Financing relating to any provision or content of a plan of reorganization or other plan of similar effect under any Debtor Relief Laws that are inconsistent with this Agreement and (z) the terms of such ABL Facility DIP Financing do not require any Grantor to seek approval for any plan of reorganization that is inconsistent with this Agreement. The Term Loan Collateral Agents, on behalf of the Term Loan Secured Parties, and each Junior Priority Collateral Agent, on behalf of the Junior Priority Secured Parties, each agrees that it will not raise any objection or oppose a sale or other disposition of any ABL Facility Priority Collateral free and clear of its Liens (subject to attachment of Proceeds with respect to the Second Priority Lien on the ABL Facility Priority Collateral in favor of the Term Loan Collateral Agent and the Third Priority Lien on the ABL Facility Priority Collateral in favor of each Junior Priority Collateral Agent in the same order and manner as otherwise set forth herein) or other claims under Section 363 of the Bankruptcy Code, except for any objection or opposition that could be asserted by any Term Loan Secured Party or any Junior Priority Secured Party as an unsecured creditor in any such Insolvency or Liquidation Proceeding or other proceeding for approval by a court if the ABL Secured Parties have consented to such sale or disposition of such assets; provided that any of the Term Loan Collateral Agents, the other Term Loan Secured Parties, each Junior Priority Collateral Agent and the other Junior Priority Secured Parties shall be entitled to seek and exercise credit bid rights in respect of any such sale or disposition; provided further, that such credit bid may only be made to the extent it includes a cash purchase price component payable at the closing of the sale in an amount that would be sufficient on the date of the closing of the sale to pay or satisfy in full all ABL Facility Obligations (and, in the case of a credit bid by any Junior Priority Secured Party, to also pay or satisfy in full all Term Loan Obligations). Each of the Directing Term Loan Collateral Agent, on behalf of itself and each other Term Loan Secured Party and the Directing Junior Priority Collateral Agent, on behalf of itself and each other Junior Priority Secured Party, agrees that it will not provide or seek (or support any other Person that is not an ABL Facility Secured Party seeking) to provide ABL Facility DIP Financing to the Company or any other Grantor so long as the Directing ABL Facility Collateral Agent or any other ABL Facility Secured Party shall desire to provide such ABL Facility DIP Financing; provided, however, in the event that no ABL Facility Secured Party desires to provide an ABL Facility DIP Financing, the Directing ABL Facility Collateral Agent, on behalf of itself and each other ABL Facility Secured Party, reserves the right to object to the provision of any ABL Facility DIP Financing by any Term Loan Secured Party or any Junior Priority Secured Party.

(b) Finance and Sale Issues – Term Loan Obligations. After the Discharge of ABL Facility Obligations has occurred and until the Discharge of Term Loan Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Directing Term Loan Collateral Agent shall desire to permit the use of cash collateral (as such term (or any equivalent term) is defined in Section 363(a) of the Bankruptcy Code or, to the extent applicable, any other Debtor Relief Law) constituting ABL Facility Priority Collateral or to permit the Company or any other Grantor to obtain a financing, whether from any Term Loan Secured Parties or any other entity under Section 364 of the Bankruptcy Code or any similar Debtor Relief Law, that is secured by a Lien that is senior or *pari passu* with the Liens on the ABL Facility Priority Collateral securing the Term Loan Obligations (a "Term Loan ABL Facility Priority Collateral DIP Financing"), then each Junior Priority Collateral

Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that it will not oppose or raise any objection to or contest (or join with or support any third party opposing, objecting or contesting) such use of cash collateral constituting ABL Facility Priority Collateral or such Term Loan ABL Facility Priority Collateral DIP Financing and will not request adequate protection or any other relief in connection therewith (except, as expressly agreed by the Directing Term Loan Collateral Agent or to the extent permitted by Section 4.6(e)) and each Junior Priority Collateral Agent will each subordinate its Liens in the ABL Facility Priority Collateral to the Liens securing such Term Loan ABL Facility Priority Collateral DIP Financing (and all interest and other obligations relating thereto), all adequate protection Liens thereon granted to the Term Loan Secured Parties, and any "carve out" therefrom for professional or trustee fees agreed to by the Directing Term Loan Collateral Agent; provided that (A) the aggregate principal amount of the Term Loan ABL Facility Priority DIP Financing plus the aggregate outstanding principal amount of Term Loan Obligations constituting loans under the Term Loan Documents shall not exceed the maximum amount of Term Loan Obligations permitted to be outstanding under the Term Loan Credit Agreement (as in effect on the date hereof) on the date of commencement of such Insolvency or Liquidation Proceeding and (B)(w) each Junior Priority Collateral Agent and the other Junior Priority Secured Parties retain a Lien on the Collateral to secure the Junior Priority Obligations, respectively, and, with respect to the Term Loan Priority Collateral only, with the same priority as existed prior to the commencement of the Insolvency or Liquidation Proceeding, (x) to the extent that the Term Loan Collateral Agent is granted adequate protection in the form of a Lien and each Junior Priority Collateral Agent are each permitted to seek a Lien (and the Term Loan Collateral Agent or any Term Loan Secured Party will not object to the seeking of any such Lien) on Collateral arising after the commencement of the Insolvency or Liquidation Proceeding (so long as, with respect to ABL Facility Priority Collateral, such Lien is junior to the Liens securing or providing adequate protection (as applicable) for such Term Loan ABL Facility Priority Collateral DIP Financing and the Term Loan Obligations), (y) the foregoing provisions of this Section 4.6(b) shall not prevent any Junior Priority Collateral Agent and the Junior Priority Secured Parties from objecting to any provision in any Term Loan ABL Facility Priority Collateral DIP Financing relating to any provision or content of a plan of reorganization or other plan of similar effect under any Debtor Relief Laws that are inconsistent with this Agreement and (z) the terms of such Term Loan ABL Facility Priority Collateral DIP Financing do not require any Grantor to seek approval for any plan of reorganization that is inconsistent with this Agreement. Each Junior Priority Collateral Agent, on behalf of the Junior Priority Secured Parties, agrees that it will not raise any objection or oppose a sale or other disposition of any ABL Facility Priority Collateral free and clear of its Liens (subject to attachment of Proceeds with respect to the Third Priority Lien on the ABL Facility Priority Collateral in favor of any Junior Priority Collateral Agent in the same order and manner as otherwise set forth herein) or other claims under Section 363 of the Bankruptcy Code, except for any objection or opposition that could be asserted by any Junior Priority Secured Party as an unsecured creditor in any such Insolvency or Liquidation Proceeding or other proceeding for approval by a court, if the Term Loan Secured Parties have consented to such sale or disposition of such assets; provided that any of each Junior Priority Collateral Agent and the other Junior Priority Secured Parties shall be entitled to seek and exercise credit bid rights in respect of any such sale or disposition; provided further, that such credit bid may only be made to the extent it includes a cash purchase price component payable at the closing of the sale in an amount that would be sufficient on the date of the closing of the sale

to pay or satisfy in full all Term Loan Obligations. The Directing Junior Priority Collateral Agent, on behalf of itself and each other Junior Priority Secured Party, agrees that it will not provide or seek (or support any other Person that is not a Term Loan Secured Party seeking) to provide Term Loan ABL Facility Priority Collateral DIP Financing to the Company or any other Grantor so long as the Directing Term Loan Collateral Agent or any other Term Loan Secured Party shall desire to provide such Term Loan ABL Facility Priority Collateral DIP Financing; provided, however, in the event that no Term Loan Secured Party desires to provide a Term Loan ABL Facility Priority Collateral DIP Financing, the Directing Term Loan Collateral Agent, on behalf of itself and each other Term Loan Secured Party, reserves the right to object to the provision of any Term Loan ABL Facility Priority Collateral DIP Financing by any Junior Priority Secured Party.

(c) [Reserved].

(d) Relief from the Automatic Stay.

(i) Until the Discharge of ABL Facility Obligations has occurred, the Term Loan Collateral Agent, on behalf of itself and the other Term Loan Secured Parties, and each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that none of them shall seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the ABL Facility Priority Collateral, without the prior written consent of the Directing ABL Facility Collateral Agent.

(ii) After the Discharge of ABL Facility Obligations has occurred and until the Discharge of Term Loan Obligations has occurred, each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that none of them shall seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the ABL Facility Priority Collateral, without the prior written consent of the Directing Term Loan Collateral Agent.

(e) Adequate Protection.

(i) Each of the Term Loan Collateral Agent, on behalf of itself and the other Term Loan Secured Parties and each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that none of them shall contest (or support any other Person contesting) (A) any request by the ABL Facility Collateral Agent or the ABL Facility Secured Parties for adequate protection (or similar protection under any Debtor Relief Law) with respect to any ABL Facility Priority Collateral, (B) so long as the request for adequate protection (or similar protection under any Debtor Relief Law) is in the form of an additional or replacement Lien on the Term Loan Priority Collateral that is junior to the Liens on the Term Loan Priority Collateral securing or providing adequate protection (or similar protection under any Debtor Relief Law) for the Term Loan Obligations, any request by the ABL Facility Collateral Agent or the ABL Facility Secured Parties for adequate protection with respect to any Term Loan Priority Collateral or (C) any objection by the ABL Facility Collateral Agent or the ABL Facility Secured Parties to any motion, relief, action or proceeding based on the ABL Facility Collateral Agent or the ABL Facility Secured Parties claiming a lack of adequate

protection (or similar protection under any Debtor Relief Law) with respect to the ABL Facility Priority Collateral. Notwithstanding the foregoing provisions in this Section 4.6(e)(i), in any Insolvency or Liquidation Proceeding, (A) if the ABL Facility Secured Parties (or any subset thereof) are granted adequate protection in the form of additional or replacement collateral in the nature of assets constituting ABL Facility Priority Collateral in connection with any ABL Facility DIP Financing or use of cash collateral constituting ABL Facility Priority Collateral, then each of the Term Loan Collateral Agent, on behalf of itself and the other Term Loan Secured Parties and any Junior Priority Collateral Agent, on behalf of itself or any of the other Junior Priority Secured Parties, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral, which Lien will be subordinated to the Liens securing or providing adequate protection (as applicable for the ABL Facility Obligations and such ABL Facility DIP Financing (and all obligations relating thereto) on the same basis as the other Liens on ABL Facility Priority Collateral securing the Term Loan Obligations or Junior Priority Obligations, as the case may be, are so subordinated to the Liens securing ABL Facility Obligations under this Agreement, and (B) in the event the Term Loan Collateral Agent, on behalf of itself and the other Term Loan Secured Parties or each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, seeks or requests adequate protection in respect of ABL Facility Priority Collateral securing Term Loan Obligations or Junior Priority Obligations and such adequate protection is granted in the form of additional or replacement collateral in the nature of assets constituting ABL Facility Priority Collateral, then each of the Term Loan Collateral Agent, on behalf of itself and the other Term Loan Secured Parties and each Junior Priority Collateral Agent, on behalf of itself or any of the other Junior Priority Secured Parties, agrees that the ABL Facility Collateral Agent shall also be granted a senior Lien on such additional or replacement collateral as security and adequate protection for the ABL Facility Obligations and for any such ABL Facility DIP Financing and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Term Loan Obligations or Junior Priority Obligations, as the case may be, shall be subordinated to the Liens on such collateral securing the ABL Facility Obligations and any such ABL Facility DIP Financing (and all obligations relating thereto) and to any other Liens on such collateral granted to the ABL Facility Secured Parties as adequate protection on the same basis as the other Liens on ABL Facility Priority Collateral securing the Term Loan Obligations and Junior Priority Obligations are so subordinated to such Liens securing ABL Facility Obligations under this Agreement.

(ii) Each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, agrees that none of them shall contest (or support any other Person contesting) (A) any request by the Term Loan Collateral Agent or the Term Loan Secured Parties for adequate protection (or similar protection under any Debtor Relief Law) with respect to any ABL Facility Priority Collateral or (B) any objection by the Term Loan Collateral Agent or the Term Loan Secured Parties to any motion, relief, action or proceeding based on the Term Loan Collateral Agent or the Term Loan Secured Parties claiming a lack of adequate protection (or similar protection under any Debtor Relief Law) with respect to the ABL Facility Priority Collateral. Notwithstanding the foregoing provisions in this Section 4.6(e)(ii), in any Insolvency or Liquidation Proceeding, (A) if the Term Loan Secured Parties (or any subset thereof) are granted adequate protection in the form of additional or replacement collateral in the nature of assets constituting ABL Facility Priority Collateral in connection with any ABL Facility DIP Financing, Term Loan ABL Facility Priority Collateral DIP Financing or use of cash collateral

constituting ABL Facility Priority Collateral, then any Junior Priority Collateral Agent, on behalf of itself or any of the other Junior Priority Secured Parties, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral, which Lien will be subordinated to the Liens securing and providing adequate protection for the Term Loan Obligations and such ABL Facility DIP Financing or Term Loan ABL Facility Priority Collateral DIP Financing (and all obligations relating thereto) on the same basis as the other Liens on ABL Facility Priority Collateral securing or providing adequate protection for the Junior Priority Obligations are so subordinated to the Liens securing Term Loan Obligations under this Agreement, and (B) in the event any Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, seeks or requests adequate protection in respect of ABL Facility Priority Collateral securing or Junior Priority Obligations and such adequate protection is granted in the form of additional or replacement collateral in the nature of assets constituting ABL Facility Priority Collateral, then each Junior Priority Collateral Agent, on behalf of itself or any of the other Junior Priority Secured Parties, agrees that the Term Loan Collateral Agent shall also be granted a senior Lien on such additional or replacement collateral as security or adequate protection for the Term Loan Obligations and for any such ABL Facility DIP Financing or Term Loan ABL Facility Priority Collateral DIP Financing and that any Lien on such additional or replacement collateral securing or replacement the Junior Priority Obligations shall be subordinated to the Liens on such collateral securing or providing adequate protection for the Term Loan Obligations and any such ABL Facility DIP Financing or Term Loan ABL Facility Priority Collateral DIP Financing (and all obligations relating thereto) and to any other Liens on such collateral granted to the Term Loan Secured Parties as adequate protection on the same basis as the other Liens on ABL Facility Priority Collateral securing the Junior Priority Obligations are so subordinated to such Liens securing Term Loan Obligations under this Agreement.

(f) No Waiver. Subject to the proviso in clause (ii) of Section 4.1(a), nothing contained herein shall prohibit or in any way limit the ABL Facility Collateral Agent or any ABL Facility Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Term Loan Collateral Agent, any of the Term Loan Secured Parties, any Junior Priority Collateral Agent or any of the Junior Priority Secured Parties in respect of the ABL Facility Priority Collateral, including the seeking by any Term Loan Collateral Agent, any Term Loan Secured Parties, any Junior Priority Collateral Agent or any Junior Priority Secured Party of adequate protection in respect thereof or the asserting by any Term Loan Collateral Agent, any Term Loan Secured Parties, any Junior Priority Collateral Agent or any Junior Priority Secured Parties of any of its rights and remedies under the Term Loan Documents or Junior Priority Documents, as the case may be, or otherwise in respect thereof.

(g) Waiver. Each of the Term Loan Collateral Agents, for themselves and on behalf of the other Term Loan Secured Parties, and each Junior Priority Collateral Agent, for itself and on behalf of the other Junior Priority Secured Parties, waives, to the extent applicable, any claim it may hereafter have against any ABL Facility Secured Party arising out of the election of any ABL Facility Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code, and/or out of any cash collateral or financing arrangement or out of any grant of a security interest in each case in connection with the ABL Facility Priority Collateral in any Insolvency or Liquidation Proceeding.

4.7 Reliance; Waivers; Etc.

(a) Reliance. Other than any reliance on the terms of this Agreement, the Term Loan Collateral Agents, on behalf of themselves and the other Term Loan Secured Parties under their Term Loan Documents, and the Junior Priority Secured Parties under its Junior Priority Documents each acknowledges that it and the Secured Parties under the Term Loan Documents and Junior Priority Documents, respectively, have, independently and without reliance on the ABL Facility Collateral Agent or any ABL Facility Secured Parties, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Term Loan Documents and the Junior Priority Documents, respectively, and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Term Loan Credit Agreement, Junior Priority Document or this Agreement.

(b) No Warranties or Liability. Each of the Term Loan Collateral Agents, on behalf of themselves and the other Term Loan Secured Parties, and each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, acknowledges and agrees that the ABL Facility Collateral Agent and the ABL Facility Secured Parties have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the ABL Facility Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. The ABL Facility Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under their respective ABL Facility Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. The ABL Facility Collateral Agent and the ABL Facility Secured Parties shall have no duty to the Term Loan Collateral Agents, any of the Term Loan Secured Parties, any Junior Priority Collateral Agent or the Junior Priority Secured Parties to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Company or any other Grantor (including the ABL Facility Documents, the Term Loan Documents and the Junior Priority Documents), regardless of any knowledge thereof which they may have or be charged with.

Section 5. General.

5.1 Legends. The Grantors agree that each Debt Agreement and each Security Document shall include the following language (with any necessary modifications to give effect to applicable definitions) (or language to similar effect approved by the Directing Collateral Agents):

"Notwithstanding anything herein to the contrary, the liens and security interests granted to the [ABL Facility Collateral Agent] [Term Loan Collateral Agent] [Ontario Capex Facility Lender] [Federal Capex Facility Provider] pursuant to this Agreement in any Collateral and the exercise of any right or remedy by the [ABL Facility Collateral Agent] [Term Loan Collateral Agent] [Ontario Capex Facility Lender] [Federal Capex Facility Provider] with respect to any Collateral hereunder are subject to the provisions of the Intercreditor Agreement, dated as of November 30, 2018 (as amended, restated, supplemented or otherwise modified

In addition, the Grantors agree that each mortgage or deed of trust in favor of any Secured Parties covering any Collateral shall also contain such other language as any Collateral Agent may reasonably request to reflect the subordination of such mortgage to the mortgage in favor of such Collateral Agent on behalf of the applicable Secured Parties covering such Collateral.

5.2 Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of any two or more of the Term Loan Obligations, the Junior Priority Obligations and the ABL Facility Obligations, then, to the extent the debt obligations distributed on account of such Term Loan Obligations, such Junior Priority Obligations or such ABL Facility Obligations (as applicable) are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

5.3 Post-Petition Interest.

(a) None of the ABL Facility Collateral Agent, any ABL Facility Secured Party, any Junior Priority Collateral Agent or any Junior Priority Secured Party shall oppose or seek to challenge any claim by the Term Loan Collateral Agent or any Term Loan Secured Party for allowance in any Insolvency or Liquidation Proceeding of Term Loan Obligations consisting of post-petition interest, fees or expenses to the extent of the value of the Term Loan Secured Party's Lien on the Term Loan Priority Collateral (without regard to the existence of the junior Liens of the ABL Facility Collateral Agent on behalf of the ABL Facility Secured Parties or each Junior Priority Collateral Agent, on behalf of the Junior Priority Secured Parties, as the case may be, on the Term Loan Priority Collateral) or the ABL Facility Priority Collateral (after taking into account the senior Lien of the ABL Facility Collateral Agent on behalf of the ABL Facility

Secured Parties on the ABL Facility Priority Collateral, but without regard to the existence of the junior Lien of the Junior Priority Collateral Agents, on behalf of the Junior Priority Secured Parties on the ABL Facility Priority Collateral).

(b) None of any Term Loan Collateral Agent, any Term Loan Secured Party, any Junior Priority Collateral Agent or any Junior Priority Secured Party shall oppose or seek to challenge any claim by the ABL Facility Collateral Agent or any ABL Facility Secured Party for allowance in any Insolvency or Liquidation Proceeding of ABL Facility Obligations consisting of post-petition interest, fees or expenses to the extent of the value of the Lien of the ABL Facility Collateral Agent on behalf of the ABL Facility Secured Parties on the Term Loan Priority Collateral (after taking into account the senior Liens of the Term Loan Collateral Agent, on behalf of the Term Loan Secured Parties, but without regard to the existence of the junior liens of any Junior Priority Collateral Agent, on behalf of the Junior Priority Security Parties, on the Term Loan Priority Collateral) or the ABL Facility Priority Collateral (without regard to the existence of the junior Liens of the Term Loan Collateral Agent, on behalf of the Term Loan Secured Parties, or any Junior Priority Collateral Agent, on behalf of the Junior Priority Secured Parties, on the ABL Facility Priority Collateral).

(c) None of the ABL Facility Collateral Agent, any ABL Facility Secured Party, the Term Loan Collateral Agents or any Term Loan Secured Party shall oppose or seek to challenge any claim by any Junior Priority Collateral Agent or any Junior Priority Secured Party for allowance in any Insolvency or Liquidation Proceeding of Junior Priority Obligations consisting of post-petition interest, fees, or expenses to the extent of the value of the Junior Priority Secured Party's Lien on the Term Loan Priority Collateral (after taking into account the senior Lien of the Term Loan Collateral Agents on behalf of the Term Loan Secured Parties and the ABL Facility Collateral Agent on behalf of the ABL Facility Secured Parties, as the case may be, on the Term Loan Priority Collateral) or the ABL Facility Priority Collateral (after taking into account the senior Liens of the ABL Facility Collateral Agent on behalf of the ABL Facility Secured Parties and the Term Loan Collateral Agents on behalf of the Term Loan Secured Parties, as the case may be, on the ABL Facility Priority Collateral).

5.4 Obligations Unconditional. All rights, interests, agreements and obligations of the Term Loan Collateral Agents and the Term Loan Secured Parties, any Junior Priority Collateral Agent and the Junior Priority Secured Parties and the ABL Facility Collateral Agent and the ABL Facility Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

(i) any lack of validity or enforceability of any Term Loan Document, any Junior Priority Document or any ABL Facility Document;

(ii) except as otherwise set forth in the Agreement, any change permitted hereunder in the time, manner or place of payment of, or in any other terms of, all or any of the Term Loan Obligations, Junior Priority Obligations or ABL Facility Obligations, or any amendment, restatement, waiver or other modification or refinancing permitted hereunder, whether by course of conduct or otherwise of the terms of any Term Loan Document, Junior Priority Document or any ABL Facility Document;

Section 6. Cooperation With Respect To ABL Facility Priority Collateral.

6.1 Consent to License to Use Intellectual Property. Each of the Term Loan Collateral Agents and each Junior Priority Collateral Agent (and any purchaser, assignee or transferee of assets as provided in Section 6.3) (a) consents (without any representation, warranty or obligation whatsoever) to the grant by any Grantor to the ABL Facility Collateral Agent of a non-exclusive royalty-free license to use, subject to any limitations and restrictions in any relevant Security Document for a period not to exceed 180 days (commencing with the earlier of the initiation of any enforcement of Liens by any of the Term Loan Collateral Agents (provided, in each case, that the ABL Facility Collateral Agent has received notice thereof) or the ABL Facility Collateral Agent) any Intellectual Property of such Grantor that is subject to a Lien held by a Term Loan Collateral Agent or any Junior Priority Collateral Agent, respectively (or any Intellectual Property acquired by such purchaser, assignee or transferee from any Grantor, as the case may be) and (b) grants, in its capacity as a secured party (or as a purchaser, assignee or transferee, as the case may be), to the ABL Facility Collateral Agent a non-exclusive royalty-free license to use for a period not to exceed 180 days (commencing with the initiation of any enforcement of Liens by any of any Term Loan Collateral Agents or any Junior Priority Collateral Agent (provided, that the ABL Facility Collateral Agent has received notice thereof)) any Intellectual Property that is subject to a Lien held by any Term Loan Collateral Agent or any Junior Priority Collateral Agent (or subject to such purchase, assignment or transfer, as the case may be), in each case in connection with the enforcement of any Lien held by the ABL Facility Collateral Agent upon any Inventory or other ABL Facility Priority Collateral of any Grantor and to the extent the use of such Intellectual Property is necessary or appropriate, in the good faith opinion of the ABL Facility Collateral Agent, to process, ship, collect, produce, store, complete, supply, lease, sell or otherwise dispose of any such Inventory or other ABL Facility Priority Collateral in any lawful manner; provided, however, that nothing contained in this Agreement shall restrict the rights of any Term Loan Collateral Agent from selling, assigning or otherwise transferring any Intellectual Property prior to the expiration of such 180-day period if the purchaser, assignee or transferee thereof agrees in writing (for the benefit of the ABL Facility Collateral Agent and the ABL Facility Secured Parties) to be bound by the provisions of this

Section 6.1. The 180 day license periods shall be tolled during the pendency of any Insolvency or Liquidation Proceeding of any Grantor pursuant to which the ABL Facility Collateral Agent is effectively stayed from enforcing its rights and remedies with respect to the ABL Facility Priority Collateral.

amendments, restatements, amendment and restatements, supplements or other modifications to this Agreement to correct any ambiguity, omission, mistake, defect or inconsistency contained herein without the consent of any other Person. Each waiver of the terms of this Agreement, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time.

(b) It is understood that each Directing Collateral Agent, without the consent of any Secured Party other than the other Directing Collateral Agents, may in its discretion determine that a supplemental agreement (which may take the form of an amendment and restatement of this Agreement) is necessary or appropriate (i) to facilitate having any Additional Lien Obligations become Term Loan Obligations or Junior Priority Obligations, as the case may be, under this Agreement, (ii) to give effect to any amendments contemplated by Section 3.4(j), Section 3.4(k), Section 3.4(l) and Section 3.4 (m) in connection with a Permitted Refinancing of Term Loan Obligations, Junior Priority Obligations or ABL Facility Obligations, as applicable and (iii) to establish that the Liens on any Collateral securing such Additional Lien Obligations shall have the same priority (or junior priority) as the Liens on any Collateral securing the Term Loan Obligations and Junior Priority Obligations, as applicable, existing immediately prior to the incurrence of the Additional Lien Obligations, which supplemental agreement shall, in the case of preceding clauses (i) and (iii) specify whether such Additional Lien Obligations constitute Term Loan Obligations or Junior Priority Obligations. Each of the Directing ABL Facility Collateral Agent, the Directing Term Loan Collateral Agent and the Directing Junior Priority Collateral Agent shall execute and deliver a supplemental agreement described in this Section 8.3(b) at the other's request (or upon the request of the Company) and without the consent of any other Term Loan Secured Party, Junior Priority Secured Party or ABL Facility Secured Party, and such supplemental agreement may contain additional intercreditor terms applicable solely to the holders of such Additional Lien Obligations vis-à-vis the holders of the relevant obligations hereunder but otherwise without any material modification of this Agreement affecting the rights of the other Secured Parties.

8.4 Information Concerning Financial Condition of the Company and its Subsidiaries. The Term Loan Collateral Agents, the Term Loan Secured Parties, the Junior Priority Secured Parties, the ABL Facility Collateral Agent and the ABL Facility Secured Parties, shall each be responsible for keeping themselves informed of (a) the financial condition of Holdings, the Company and its Subsidiaries and all endorsers and/or Grantors of the Term Loan Obligations, the Junior Priority Obligations and the ABL Facility Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the ABL Facility Obligations, the Term Loan Obligations or the Junior Priority Obligations. No Collateral Agent or its respective Secured Parties shall have any duty to advise the other Collateral Agents or their respective Secured Parties of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Term Loan Collateral Agent or any of the Term Loan Secured Parties, or any of the Junior Priority Secured Parties or the ABL Facility Collateral Agent or any of the ABL Facility Secured Parties, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party hereto, it or they shall be under no obligation (w) to make, and such informing party shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (x) to provide any additional information or to

provide any such information on any subsequent occasion, (y) to undertake any investigation or (z) to disclose any information which, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

8.5 Submission to Jurisdiction; Waivers.

(a) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR NEW YORK STATE COURT SITTING IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK (OR ANY APPELLATE COURT THEREFROM) OVER ANY SUIT, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING SHALL (EXCEPT AS PERMITTED BELOW) BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, FEDERAL COURT. (c) TO THE EXTENT PERMITTED BY LAW, EACH PARTY TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY REGISTERED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL) DIRECTED TO IT AT ITS ADDRESS FOR NOTICES AS PROVIDED FOR IN SECTION 8.6. EACH PARTY TO THIS AGREEMENT HEREBY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY ABL FACILITY DOCUMENT, TERM LOAN DOCUMENT OR JUNIOR PRIORITY DOCUMENT THAT SERVICE OF PROCESS WAS INVALID AND INEFFECTIVE. NOTHING IN THIS AGREEMENT OR ANY ABL FACILITY DOCUMENT, TERM LOAN DOCUMENT OR JUNIOR PRIORITY DOCUMENT

All notices to the ABL Facility Secured Parties, the Term Loan Secured Parties and the Junior Priority Secured Parties under this Agreement shall also be sent to the Directing ABL Facility Collateral Agent, the Directing Term Loan Collateral Agent and the Directing Junior Priority Collateral Agent, respectively. Unless otherwise specifically provided herein, any notice hereunder shall be in writing and may be personally served, telexed or sent by facsimile, email or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of facsimile or telex or email, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed. For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

8.7 Further Assurances. Each of the Term Loan Collateral Agents, on behalf of themselves and the other Term Loan Secured Parties, each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, and the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, and each Grantor, agrees that each of them shall take such further action and shall execute (without recourse or warranty) and deliver such additional documents and instruments (in recordable form, if requested) as the Directing Term Loan Collateral Agent, the Directing Junior Priority Collateral Agent or the Directing ABL Facility Collateral Agent may prepare and reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

8.8 APPLICABLE LAW. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT, WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

8.9 Binding on Successors and Assigns. This Agreement shall be binding upon the parties hereto, the Term Loan Secured Parties, the Junior Priority Secured Parties, the ABL Facility Secured Parties and their respective successors and assigns.

8.10 Specific Performance. Each of the Term Loan Collateral Agent, each Junior Priority Collateral Agent and the ABL Facility Collateral Agent may demand specific performance of this Agreement. Each of the Term Loan Collateral Agent, on behalf of themselves and the other Term Loan Secured Parties, each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, and the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by any

Term Loan Collateral Agent, any Junior Priority Collateral Agent or the ABL Facility Collateral Agent, as the case may be.

8.11 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

8.12 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement or any document or instrument delivered in connection herewith by telecopy or by email as a ".pdf" or ".tif" attachment shall be effective as delivery of a manually executed counterpart of this Agreement or such other document or instrument, as applicable.

8.13 Authorization; No Conflict. Each of the parties hereto represents and warrants to all other parties hereto that the execution, delivery and performance by or on behalf of such party to this Agreement has been duly authorized by all necessary action, corporate or otherwise, does not violate any provision of law, governmental regulation, or any agreement or instrument by which such party is bound, and requires no governmental or other consent that has not been obtained and is not in full force and effect.

8.14 No Third Party Beneficiaries. This Agreement and the rights and benefits hereof shall inure to the benefit of the Term Loan Secured Parties, the Junior Priority Secured Parties and the ABL Facility Secured Parties and each of their respective successors and assigns. No other Person shall have or be entitled to assert rights or benefits hereunder other than the Grantors under Section 3.4(a), Section 3.4(b), Section 4.5(a), Section 4.5(b), Section 4.5(c) (in each case, solely with respect to the releases referred to therein), Section 8.3, this Section 8.14 and any other provision hereof pursuant to which rights are explicitly provided to the Grantors.

8.15 Provisions Solely to Define Relative Rights.

(a) The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights and remedies of the Term Loan Secured Parties, the Junior Priority Secured Parties and the ABL Facility Secured Parties. Except as expressly provided in Section 8.14, none of the Grantors or any creditor thereof shall have any rights hereunder. Nothing in this Agreement is intended to or shall impair the obligations of the Grantors, which are absolute and unconditional, to pay the Term Loan Obligations, the Junior Priority Obligations and the ABL Facility Obligations as and when the same shall become due and payable in accordance with their respective terms.

(b) Nothing in this Agreement shall relieve the Company or any other Grantor from the performance of any term, covenant, condition or agreement on the Company's or such Grantor's part to be performed or observed under or in respect of any of the Collateral pledged by it or from any liability to any Person under or in respect of any of such Collateral or impose any obligation on any Collateral Agent to perform or observe any such term, covenant, condition or agreement on the Company's or such other Grantor's part to be so performed or observed or

impose any liability on any Collateral Agent for any act or omission on the part of the Company or such other Grantor relative thereto or for any breach of any representation or warranty on the part of the Company or such other Grantor contained in this Agreement or any ABL Facility Document, Term Loan Document or Junior Priority Document, or in respect of the Collateral pledged by it. The obligations of the Company and each other Grantor contained in this paragraph shall survive the termination of this Agreement and the discharge of the Company's or such other Grantor's other obligations hereunder.

(c) Each of the Collateral Agents acknowledges and agrees that it has not made any representation or warranty with respect to the execution, validity, legality, completeness, collectability or enforceability of any other ABL Facility Document, Term Loan Document or Junior Priority Document. Except as otherwise provided in this Agreement, each of the ABL Facility Collateral Agent, the ABL Facility Administrative Agent, the Term Loan Collateral Agent, the Term Loan Administrative Agent, and each Junior Priority Collateral Agent will be entitled to manage and supervise their respective extensions of credit to the Company or any of its Subsidiaries in accordance with applicable law and their usual practices, modified from time to time as they deem appropriate.

8.16 Additional Grantors. The Company will cause each Person that becomes a Grantor to become a party to this Agreement, for all purposes of this Agreement, by causing such Person to execute and deliver to the parties hereto an Intercreditor Agreement Joinder, whereupon such Person will be bound by the terms hereof to the same extent as if it had executed and delivered this Agreement as of the date hereof. The Company shall promptly provide each Collateral Agent with a copy of each Intercreditor Agreement Joinder executed and delivered pursuant to this Section 8.16.

8.17 Avoidance Issues. If any ABL Facility Secured Party, Term Loan Secured Party or Junior Priority Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of the Company or any other Grantor any amount (a "Recovery"), then such ABL Facility Secured Party, Term Loan Secured Party or Junior Priority Secured Party, as applicable, shall be entitled to a reinstatement of ABL Facility Obligations, Term Loan Obligations or Junior Priority Obligations, as applicable, with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement.

8.18 Subrogation.

(a) With respect to the value of any payments or distributions in cash, property or other assets that (i) the ABL Facility Secured Parties or the ABL Facility Collateral Agent pay over to the Directing Term Loan Collateral Agent or any of the other Term Loan Secured Parties under the terms of this Agreement with respect to any Term Loan Priority Collateral, the ABL Facility Secured Parties and the ABL Facility Collateral Agent shall be subrogated to the rights of the Directing Term Loan Collateral Agent and such other Term Loan Secured Parties and (ii) the Junior Priority Secured Parties or any Junior Priority Collateral Agent pay over to the Directing Term Loan Collateral Agent or any of the other Term Loan Secured Parties under the

terms of this Agreement with respect to any Term Loan Priority Collateral, the Junior Priority Secured Parties and each Junior Priority Collateral Agent shall be subrogated to the rights of the Directing Term Loan Collateral Agent and such other Term Loan Secured Parties and the Directing ABL Facility Collateral Agent and the other ABL Facility Secured Parties; provided that, each of the ABL Facility Collateral Agent, on behalf of itself and the other ABL Facility Secured Parties, and each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Term Loan Obligations (and in the case of preceding clause (ii), the Discharge of ABL Facility Obligations) has occurred. The Company and each other Grantor acknowledges and agrees that, the value of any payments or distributions in cash, property or other assets received by the ABL Facility Collateral Agent, the other ABL Facility Secured Parties, each Junior Priority Collateral Agent or the other Junior Priority Secured Parties and paid over to the Directing Term Loan Collateral Agent or the other Term Loan Secured Parties pursuant to, and applied in accordance with, this Agreement, shall not relieve or reduce any of the ABL Facility Obligations or Term Loan Obligations owed by the Company or any other Grantor under the ABL Facility Documents or Term Loan Documents for purposes of such subrogation rights.

(b) With respect to the value of any payments or distributions in cash, property or other assets that (i) the Term Loan Secured Parties or the Term Loan Collateral Agent pay over to the ABL Facility Collateral Agent or any of the other ABL Facility Secured Parties under the terms of this Agreement with respect to the ABL Facility Priority Collateral, the Term Loan Secured Parties and the Term Loan Collateral Agent shall be subrogated to the rights of the ABL Facility Collateral Agent and the other ABL Facility Secured Parties and (ii) the Junior Priority Secured Parties or any Junior Priority Collateral Agent pay over to the ABL Facility Collateral Agent, any of the other ABL Facility Secured Parties, any of the Term Loan Collateral Agents or any of the other Term Loan Secured Parties under the terms of this Agreement with respect to the ABL Facility Priority Collateral, the Junior Priority Secured Parties and each Junior Priority Collateral Agent shall be subrogated to the rights of the ABL Facility Collateral Agent, any of the other ABL Facility Secured Parties, each Term Loan Collateral Agent and any of the other Term Loan Secured Parties; provided that, each Junior Priority Collateral Agent, on behalf of itself and the other Junior Priority Secured Parties, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of ABL Facility Obligations (and in the case of preceding clause (ii), the Discharge of Term Loan Obligations) has occurred. The Company and each other Grantor acknowledges and agrees that, the value of any payments or distributions in cash, property or other assets received by any Junior Priority Collateral Agent or any other Junior Priority Secured Parties and paid over to the ABL Facility Collateral Agent, the other ABL Facility Secured Parties, the applicable Term Loan Collateral Agent or the other applicable Term Loan Secured Parties pursuant to, and applied in accordance with, this Agreement, shall not relieve or reduce any of the ABL Facility Obligations or Term Loan Obligations owed by the Company or any other Grantor under the ABL Facility Documents or Term Loan Documents for purposes of such subrogation rights.

8.19 Refinancing and Additional Lien Obligations.

(a) Subject to compliance with following clause (c), upon any Refinancing in full of the ABL Facility Credit Agreement, the Term Loan Credit Agreement, the Ontario Capex

Facility or the Federal Capex Facility as then in effect, the Grantors will be permitted to designate the respective agreement which refinances the ABL Facility Credit Agreement, the Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility, as the case may be, as the replacement ABL Facility Credit Agreement, Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility, as the case may be, and the obligations thereunder as ABL Facility Obligations, Term Loan Obligations and Junior Priority Obligations, as the case may be, in which case such designated agreement shall thereafter constitute the ABL Facility Credit Agreement, the Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility, as the case may be, for purposes hereof; provided that the parties to each predecessor ABL Facility Credit Agreement, Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility, as the case may be, shall continue to be bound by (and entitled to the benefits of) the provisions hereof (including, without limitation, Section 8.17 hereof) as applied to such agreements, the related agreements and all obligations thereunder prior to the Refinancing thereof.

(b) Subject to compliance with following clause (c), the Grantors shall also be permitted from time to time to designate as an additional holder of Term Loan Obligations and/or Junior Priority Obligations hereunder each Person who is, or who becomes or who is to become, the holder of any Additional Term Loan Obligations or Additional Junior Priority Obligations as the case may be.

(c) Upon the issuance or incurrence of any such Refinancing of the ABL Facility Credit Agreement, Term Loan Credit Agreement, Ontario Capex Facility or Federal Capex Facility (as contemplated by preceding clause (a)) or any such Additional Lien Obligations (as contemplated by preceding clause (b)):

(i) the Company shall deliver to each Collateral Agent an officer's certificate stating that the applicable Grantors (x) in the case of preceding clause (a), intend to enter or have entered into a Refinancing in full of the ABL Facility Credit Agreement, the Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility, as the case may be, that the Refinancing of such agreement shall thereafter (upon such Refinancing in full) constitute the ABL Facility Credit Agreement, the Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility, as the case may be, and the obligations thereunder ABL Facility Obligations, Term Loan Obligations and Junior Priority Obligations, as the case may be, and certifying that the issuance or incurrence of such Refinancing is permitted by the ABL Facility Credit Agreement, the Term Loan Credit Agreement, the Ontario Capex Facility, the Federal Capex Facility and each then extant Additional Lien Obligations Agreement (exclusive of any such agreement which is then being Refinanced in full), or (y) in the case of preceding clause (b), intend to enter or have entered into an Additional Term Loan Obligations Agreement or Additional Junior Priority Obligations Agreement, as the case may be, and certifying that the issuance or incurrence of such Additional Lien Obligations and the Liens securing such Additional Lien Obligations are permitted by the ABL Facility Credit Agreement, the Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility and each then extant Additional Term Loan Obligations Agreement and Additional Junior Priority Obligations Agreement, as applicable. Any Additional Lien Obligations Agent, each Term Loan Collateral Agent, each Junior Priority Collateral

Agent and the ABL Facility Collateral Agent shall be entitled to rely conclusively on the determination of the Company that such issuance and/or incurrence does not violate the provisions of the Term Loan Documents, the Junior Priority Documents, the ABL Facility Documents or any Additional Lien Obligations Agreement that is set forth in such officer's certificate delivered to each Term Loan Collateral Agent, each Junior Priority Collateral Agent and the ABL Facility Collateral Agent; provided, however, that such determination will not affect whether or not each applicable Grantor has complied with its undertakings in the Term Loan Documents, the Junior Priority Documents, the ABL Facility Documents or the Additional Lien Obligations Agreements;

(ii) (x) in the case of preceding clause (a), the Company shall provide written notice to each then existing ABL Facility Collateral Agent, Term Loan Collateral Agent and Junior Priority Collateral Agent of the new ABL Facility Credit Agreement, Term Loan Credit Agreement, the Ontario Capex Facility or the Federal Capex Facility, as the case may be, together with copies thereof, and identifying the new Collateral Agent thereunder (such new collateral agent, the "New ABL Facility Collateral Agent," "New Term Loan Collateral Agent," "New Federal Capex Facility Provider" or "New Ontario Capex Facility Lender," as the case may be), and providing its notice information for purposes hereof, and such New ABL Facility Collateral Agent, New Term Loan Collateral Agent, New Federal Capex Facility Provider or New Ontario Capex Facility Lender, as the case may be, shall execute and deliver to each Directing Collateral Agent an Intercreditor Agreement Joinder, or (y) in the case of preceding clause (b), the Additional Lien Obligations Agent for such Additional Lien Obligations shall execute and deliver to the Collateral Agents an Intercreditor Agreement Joinder, in each case, acknowledging that such holders shall be bound by the terms hereof to the extent applicable to Term Loan Secured Parties, the Junior Priority Secured Parties or the ABL Facility Secured Parties, as applicable;

(d) In each case above, each Collateral Agent shall (at the sole expense of the Grantors) promptly enter into such documents and agreements (including amendments, restatements, amendments and restatements, supplements or other modifications to this Agreement) prepared by the requesting party as the Company, any Collateral Agent (but no other Secured Party) or any Additional Lien Obligations Agent may reasonably request in order to provide to it the rights, remedies and powers and authorities contemplated hereby, in each case consistent in all respects with the terms of this Agreement.

(e) In the case of a designation of a new Term Loan Credit Agreement pursuant to preceding clause (a), each of the Junior Priority Collateral Agent and the ABL Facility Collateral Agent shall (at the sole expenses of the Grantors) promptly (i) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Company or such New Term Loan Collateral Agent shall reasonably request in order to provide to the New Term Loan Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (ii) deliver to the New Term Loan Collateral Agent any Pledged Term Loan Priority Collateral held by any Junior Priority Collateral Agent or the ABL Facility Collateral Agent, as the case may be, together with any necessary endorsements (or otherwise allow the New Term Loan Collateral Agent to the extent it is the Directing Term Loan Collateral Agent to obtain control of such Pledged Term Loan Priority Collateral). The

New Term Loan Collateral Agent shall agree to be bound by the terms of this Agreement by executing an Intercreditor Agreement Joinder. If the new Term Loan Obligations under the new Term Loan Documents are secured by assets of the Grantors that do not also secure the Junior Priority Obligations or the ABL Facility Obligations, as the case may be, then the Junior Priority Obligations or the ABL Facility Obligations, as the case may be, shall be secured at such time by a similarly perfected Lien on such assets, which Lien shall be subject to the provisions of this Agreement.

(f) In the case of a designation of a new Ontario Capex Facility or Federal Capex Facility pursuant to preceding clause (a), each of the Term Loan Collateral Agents and the ABL Facility Collateral Agent shall (at the sole expense of the Grantors) promptly (i) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Company or such New Federal Capex Facility Provider or New Ontario Capex Facility Lender, as the case may be, shall reasonably request in order to provide to the New Federal Capex Facility Provider or New Ontario Capex Facility Lender, as the case may be, the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (ii) following the Discharge of Term Loan Obligations and the Discharge of ABL Facility Obligations, deliver to the New Federal Capex Facility Provider or New Ontario Capex Facility Lender, as the case may be, any Pledged Term Loan Priority Collateral held by the Directing Term Loan Collateral Agent, together with any necessary endorsements (or otherwise allow the New Federal Capex Facility Provider or New Ontario Capex Facility Lender, as the case may be, to obtain control of such Pledged Term Loan Priority Collateral). The New Federal Capex Facility Provider or New Ontario Capex Facility Lender, as the case may be, shall agree to be bound by the terms of this Agreement by executing an Intercreditor Agreement Joinder. If the new Junior Priority Obligations under the new Junior Priority Documents are secured by assets of the Grantors that do not also secure the Term Loan Obligations or the ABL Facility Obligations, as the case may be, then the Term Loan Obligations or the ABL Facility Obligations, as the case may be, shall be secured at such time by a similarly perfected Lien on such assets, which Lien shall be subject to the provisions of this Agreement.

(g) [Reserved].

(h) In the case of a designation of a new ABL Facility Credit Agreement pursuant to preceding clause (a), each of the Term Loan Collateral Agent and each Junior Priority Collateral Agent shall (at the sole expense of the Grantors) promptly (i) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Company and/or any Grantor or such New ABL Facility Collateral Agent shall reasonably request in order to provide to the New ABL Facility Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (ii) deliver to the New ABL Facility Collateral Agent any Pledged ABL Facility Priority Collateral held by the Directing Term Loan Collateral Agent or the Directing Junior Priority Collateral Agent, respectively, together with any necessary endorsements (or otherwise allow the New ABL Facility Collateral Agent to obtain control of such Pledged ABL Facility Priority Collateral). The New ABL Facility Collateral Agent shall agree to be bound by the terms of this Agreement by executing an Intercreditor Agreement Joinder. If the new ABL Facility Obligations under the new ABL Facility Documents are secured by assets of the Grantors that do not also secure the Term Loan Obligations and the Junior Priority Obligations, then each of the Term Loan

Obligations and the Junior Priority Obligations shall be secured at such time by a similarly perfected Lien on such assets, which Lien shall be subject to the provisions of this Agreement.

Notwithstanding the foregoing, nothing in this Agreement will be construed to permit or prohibit the incurrence of any additional Indebtedness by any Grantor, unless any such incurrence is otherwise permitted or prohibited, as the case may be, by the terms of each then applicable Term Loan Document, Junior Priority Document and ABL Facility Document.

8.20 Agreement Among Secured Parties to Coordinate Enforcement.

The Term Loan Secured Parties shall be deemed to have irrevocably appointed the Directing Term Loan Collateral Agent as their exclusive agent hereunder with respect to ABL Facility Priority Collateral. Consistent with such appointment, the Term Loan Secured Parties further shall be deemed to have agreed that only the Directing Term Loan Collateral Agent (and not any individual claimholder or group of claimholders) as agent for the Term Loan Secured Parties, or any of the Directing Term Loan Collateral Agent's agents shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to

interpret or otherwise enforce the provisions of this Agreement) with respect to ABL Facility Priority Collateral; provided that Term Loan Secured Parties may exercise customary rights of set-off against depository or other accounts maintained with them in accordance with the terms of the relevant Term Loan Document or applicable law. Specifically, but without limiting the generality of the foregoing, no Term Loan Secured Party, other than the Directing Term Loan Collateral Agent, shall be entitled to take or file, but instead shall be precluded from taking or filing (whether in any Insolvency or Liquidation Proceeding or otherwise), any action, judicial or otherwise, to enforce any right or power or pursue any remedy under this Agreement (including any declaratory judgment or other action to interpret or otherwise enforce the provisions of this Agreement), except solely as provided in the proviso in the immediately preceding sentence.

(c) [Reserved].

(d) Each Junior Priority Secured Party, solely as among themselves in such capacity and solely for their mutual benefit, hereby agrees that the Junior Priority Collateral Agent designated as the Directing Junior Priority Collateral Agent shall have the sole right and power, as among the Junior Priority Collateral Agents and the Junior Priority Secured Parties, to take and direct any right or remedy with respect to Collateral in accordance with the terms of this Agreement and the relevant Junior Priority Documents. The Junior Priority Secured Parties shall be deemed to have irrevocably appointed the Directing Junior Priority Collateral Agent as their exclusive agent hereunder. Consistent with such appointment, the Junior Priority Secured Parties further shall be deemed to have agreed that only the Directing Junior Priority Collateral Agent(and not any individual claimholder or group of claimholders) as agent for the Junior Priority Secured Parties, or any of the Directing Junior Priority Collateral Agent's agents shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement); provided that Junior Priority Secured Parties may exercise customary rights of set-off against depository or other accounts maintained with them in accordance with the terms of the relevant Junior Priority Document or applicable law. Specifically, but without limiting the generality of the foregoing, no Junior Priority Secured Party, other than the Directing Junior Priority Collateral Agent, shall be entitled to take or file, but instead shall be precluded from taking or filing (whether in any Insolvency or Liquidation Proceeding or otherwise), any action, judicial or otherwise, to enforce any right or power or pursue any remedy under this Agreement (including any declaratory judgment or other action to interpret or otherwise enforce the provisions of this Agreement), except solely as provided in the proviso in the immediately preceding sentence.

(e) Each ABL Facility Secured Party, solely as among themselves in such capacity and solely for their mutual benefit, hereby agrees that the Directing ABL Facility Collateral Agent shall have the sole right and power, as among the ABL Facility Collateral Agent and the ABL Facility Secured Parties, to take and direct any right or remedy with respect to Collateral in accordance with the terms of this Agreement and the relevant ABL Facility Documents. The ABL Facility Secured Parties shall be deemed to have irrevocably appointed the Directing ABL Facility Collateral Agent as their exclusive agent hereunder. Consistent with such appointment, the ABL Facility Secured Parties further shall be deemed to have agreed that only the Directing ABL Facility Collateral Agent (and not any individual claimholder or group of claimholders) as agent for the ABL Facility Secured Parties, or any of the Directing ABL Facility Collateral

Agent's agents shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement); provided that ABL Facility Secured Parties may exercise customary rights of set-off against depository or other accounts maintained with them in accordance with the terms of the relevant ABL Facility Document or applicable law. This Plan will be administered by the Plan Administrator and the Plan Administrator has sole and complete authority, in its discretion, to:

(a) determine the eligibility for Awards to be granted and the individuals to whom grants of Awards under the Plan may be made;

(b) make grants of Awards under the Plan, whether relating to the issuance of Shares or otherwise (including any combination of Director Units, Incentive RSUs or Incentive PSUs), in such amounts, to such Persons and, except as may otherwise be specified herein, on such terms and conditions as it determines including without limitation:

including any conditions relating to the attainment of specified Performance Goals (where applicable);

(iii) the number and type of Shares to be covered by any Award;

(iv) the price, if any, to be paid by a Participant in connection with the purchase of Shares covered by any Awards;

3.2 Delegation

(a) The initial Plan Administrator shall be the Board.

(b) To the extent permitted by applicable law, the Board may, from time to time, delegate to one or more other Persons all or any of the powers conferred on the Plan Administrator pursuant to this Plan.

3.3 Determinations Binding

Except as may otherwise be specified in any applicable Engagement Agreement, Award Agreement or other written agreement between the Corporation or an Affiliate of the Corporation and the Participant, any decision made or action taken by the Board or any delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration or interpretation of this Plan is final, conclusive and binding on the Corporation and all Affiliates of the Corporation, the affected Participant(s), their respective legal and personal representatives and all other Persons.

3.4 Eligibility

Participation in the Plan is voluntary and eligibility to participate does not confer upon any Participant any right to receive any grant of an Award pursuant to the Plan. The extent to which any Participant is entitled to receive a grant of an Award pursuant to the Plan will be determined in the discretion of the Plan Administrator.

3.5 Total Shares Subject to Awards

(a) The maximum number of Shares issuable under the Plan on the exercise of Awards shall be equal to 10,000,000 Shares, being 10% of the issued and outstanding Shares as of the date of this Plan. (d) Any Shares issued by the Corporation through the assumption or substitution of outstanding options or other equity-based awards from an acquired Person shall not reduce the number of Shares available for issuance pursuant to the exercise of Awards granted under this Plan.

3.6 Award Agreements

An Award under this Plan shall be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, any Award Agreement to a Participant granted an Award pursuant to this Plan.

3.7 Non-transferability of Awards

Except as permitted by the Plan Administrator, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards or under this Plan whatsoever in any assignee or transferee and, immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

Administrator, to evidence such Director's agreement to become a party to the Shareholders' Agreement.

4.5 Payment of Exercise Price for Director Units

(a) Upon exercising one or more Director Units, the applicable Notice of Exercise must be accompanied by payment, in full, of the Exercise Price for each Director Unit being exercised at that time. The aggregate Exercise Price for such Director Units must be fully paid by certified cheque, bank draft or money order payable to the Corporation in an amount equal to the aggregate Exercise Price for such Director Units, by such other means as might be specified from time to time by the Plan Administrator, or by such other means as the Plan Administrator may permit at that time.

(b) Except as may otherwise be specified herein, no Shares will be issued or transferred upon exercise of Director Units until full payment therefor has been received by the Corporation.

(ii) on the second anniversary of the Date of Grant, one-third of the total number of Incentive RSUs granted on such date shall vest; and

(iii) on the third anniversary of the Date of Grant of Incentive RSUs, one-third of the total number of Incentive RSUs granted on such date shall vest;

Notwithstanding the foregoing, all unvested Incentive RSUs shall immediately vest as of the Exercise Date.

(b) Subject to Section 10.2, Incentive RSUs held by a U.S. Taxpayer that would, but for this Section 5.4(b), vest pursuant to Section 5.4(a) shall not vest until the Exercise Date.

(c) Subject to Section 10.2, each vested Incentive RSU shall become exercisable as of the Exercise Date. Subject to Section 10.2, upon and following the Exercise Date, the portion of Incentive PSUs that will vest and become exercisable will be based on the applicable Equity Value Multiple achieved by the Corporation on the Liquidity Event, as set out in Schedule C. In the event that the Equity Value Multiple achieved by the Corporation on the Liquidity Event is between any of the Equity Value Multiples set out in Schedule C, then the portion of Incentive PSUs that will vest and become exercisable will be subject to straight-line interpolation between the applicable Equity Value Multiples. For example, if the Equity Value Multiple is 1.33, the portion of Incentive PSUs that vest and become exercisable will be equal to 14.80%.

(b) In addition to the foregoing, the Plan Administrator may specify any other Performance Goals that must be satisfied in order for Incentive PSUs to vest. Any such other Performance Goals shall be specified in the applicable Award Agreement.

(c) Where Incentive PSUs held by a Participant are reasonably expected to become exercisable, the Plan Administrator shall provide to the Participant a Notice of Vesting and Exercisability in advance of the Exercise Date (to the extent possible) in order to permit the Participant to exercise such Incentive PSUs prior to their expiration hereunder.

Dividend equivalents credited to a Participant's accounts shall vest, become exercisable, expire and terminate, as applicable, at the same times and on the same conditions as the Director Units, Incentive RSUs and Incentive PSUs to which they relate.

(b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

7.2 Withholding Taxes

Notwithstanding any other terms of this Plan, the granting, vesting and settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary

or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or Affiliate of the Corporation, as applicable, is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or any of its Affiliates, as applicable. 7.3 Recoupment

Notwithstanding any other terms of this Plan, Incentive RSUs and Incentive PSUs may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the applicable Affiliate of the Corporation and in effect at the Date of Grant of the Award, or as may be specified in the Participant's Engagement Agreement or Award Agreement, or in any other written agreement. (b) if the applicable Cessation Date occurs on or following the first six (6) months, but within the first twelve (12) months, following a particular Date of Grant, then (A) one-third of all Incentive RSUs granted on such Date of Grant shall immediately vest and (B) all other Incentive RSUs and all Incentive PSUs, in each case, granted on such Date of Grant, shall be immediately cancelled and forfeited for no consideration with effect as of the applicable Cessation Date; and

(c) if the applicable Cessation Date occurs on or following the first twelve (12) months following a particular Date of Grant, then

(i) in the case of a Participant who is not a U.S. Taxpayer, (A) all Incentive RSUs that would have vested, pursuant to Section 5.4(a), upon the next anniversary of such Date of Grant, shall immediately vest, (B) the portion of the Incentive PSUs granted on such Date of Grant that is equal to (x) the total number of Incentive PSUs granted on such Date of Grant *multiplied by* (y) the number of days elapsing between the Date of Grant and the applicable Participant's Cessation Date *divided by* (z) the number of days elapsing between the Date of Grant and the date upon which the Completion of a Liquidity Event, if any, occurs, shall remain in force and continue to be eligible to vest and become exercisable, pursuant to Section 6.4(a), for six (6) months from the applicable Participant's Cessation Date (unless such Incentive PSUs expire pursuant to Section 6.6) and thereafter shall be immediately cancelled and forfeited for no consideration; and (C) all other unvested Incentive RSUs and all other Incentive PSUs, in each case, granted on or after such Date of Grant shall be immediately cancelled and forfeited for no consideration with effect as of the applicable Cessation Date; and

(ii) in the case of a Participant who is a U.S. Taxpayer, (A) all Incentive RSUs that would have vested, pursuant to Section 5.4(a), upon the next anniversary of such Date of Grant if such Participant were not a U.S. Taxpayer, shall remain in force and continue to be eligible to vest pursuant to Section 5.4(a), as modified by Section 5.4(b), (B) the portion of the

Incentive PSUs granted on such Date of Grant that is equal to (x) the total number of Incentive PSUs granted on such Date of Grant *multiplied by* (y) the number of days elapsing between the Date of Grant and the applicable Participant's Cessation Date *divided by* (z) the number of days elapsing between the Date of Grant and the date upon which the Completion of a Liquidity Event, if any, occurs, shall remain in force and continue to be eligible to vest and become exercisable, pursuant to Section 6.4(a), for six (6) months from the applicable Participant's Cessation Date (unless such Incentive PSUs expire pursuant to Section 6.6) and thereafter shall be immediately cancelled and forfeited for no consideration; and (C) all other unvested Incentive RSUs and all other Incentive PSUs, in each case, granted on or after such Date of Grant shall (except as otherwise provided for in this Plan) be immediately cancelled and forfeited for no consideration with effect as of the applicable Cessation Date.

Except as set out in this Section 8.3, no Director Units held by such Participant shall be affected as a result of such termination or cessation of employment or engagement.

8.4 Termination with Just Cause

Except as may otherwise be determined by the Board or specified in the applicable Engagement Agreement, if a Participant's employment or engagement with the Corporation or a Related Entity is terminated with Just Cause, then all Incentive RSUs and all Incentive PSUs held by such Participant shall be immediately cancelled and forfeited for no consideration with effect as of the applicable Cessation Date. No Director Units held by such Participant shall be affected as a result of such cessation of employment or engagement.

8.5 Employment or Engagement with Related Entity

Notwithstanding any other terms of this Plan, unless otherwise determined by the Plan Administrator, a Participant's employment or engagement with the Corporation or a Related Entity shall be deemed not have ceased if such employment or engagement ceases in connection with such Participant becoming similarly employed or engaged with a Related Entity or the Corporation, as applicable.

8.6 Specified Employees

Notwithstanding any other terms of this Plan, if a Participant is (or, immediately prior to the applicable Cessation Date, was) a "specified employee" (as determined for purposes of Section 409A of the Internal Revenue Code) and would be entitled to any payment pursuant to this Article 8, the Plan Administrator shall take such steps as it determines, acting reasonably, are appropriate to cause such payment to be made as soon as practically possible after the end of the six-month period following the applicable Cessation Date.

ARTICLE 9
RESTRICTIVE COVENANTS

9.1 Non-Competition

Except on behalf of and for the benefit of the Corporation or a Related Entity, by accepting an Award the applicable Participant covenants that he or she will not, at any time during his or her employment or engagement with the Corporation or a Related Entity or within the twelve (12) month period immediately following the Participant's Cessation Date, in any capacity, directly or indirectly, anywhere in Canada or the United States, either individually or jointly with any other Person:

(a) become engaged as an employee, consultant, independent contractor, partner, principal, agent or advisor, or act as an officer or director of any Person which carries on a Competitive Business; or

(b) carry on or provide services in any capacity to or have any ownership or financial interest in any Person which carries on a Competitive Business.

For greater certainty, the restrictions contained in this Section 9.1 shall apply in the event of any termination of the Participant's employment or engagement with the Corporation or Related Entity, as applicable, regardless of who initiated the termination and regardless of the reasons for such termination.

9.2 Non-Solicitation and Non-Negotiation

Except on behalf of and for the benefit of the Corporation or a Related Entity, by accepting an Award the applicable Participant covenants that he or she will not, at any time during his or her employment or engagement with the Corporation or a Related Entity or within the twelve (12) month period immediately following the Participant's Cessation Date, in any capacity, directly or indirectly, either individually or jointly with any other Person:

(a) solicit or divert away from the Corporation or any of its Affiliates or employ or engage (as an employee, independent contractor or otherwise) any Person who is or was employed or engaged in any capacity by the Corporation or any of its Affiliates at any time within the twelve (12) month period immediately preceding the end of such employment or engagement;

(b) solicit, interfere with, induce or divert away from the Corporation or any of its Affiliates the business or patronage of any Customer;

(c) solicit, interfere with, induce or divert away from the Corporation or any of its Affiliates the business or patronage of any Supplier;

(d) for the purpose or benefit of any Competitive Business, accept any business or patronage from, render any service to, or contract with anyone who was a Customer of the Corporation or any of its Affiliates;

(e) participate in or advise any person or entity in any negotiation between any Business Relationship and the Corporation or any of its Affiliates; or

(f) attempt to do any of the foregoing.

For greater certainty, the restrictions contained in this Section 9.2 shall apply in the event of any termination of the Participant's employment or engagement with the Corporation or Related Entity, as applicable, regardless of who initiated the termination and regardless of the reasons for such termination.

9.3 Passive Investments

Subject to compliance with applicable law and to the policies of the Corporation or Related Entity, as applicable, (including those with respect to trading and conflict of interest), Sections 9.1 and 9.2 shall not prohibit or restrict the applicable Participant from holding or becoming beneficially interested in up to two percent (2%) of any class of securities in any corporation, provided that, such class of securities are listed on a recognized stock exchange in Canada or the United States.

ARTICLE 10
EVENTS AFFECTING THE CORPORATION

10.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 10 would have an adverse effect on this Plan or on any Award granted hereunder.

10.2 Non-Cash Liquidity Event

Where the consideration to be received by the Corporation's shareholders on a Liquidity Event includes, or consists solely of, non-cash consideration, and the Participants would, by exercising their Awards and participating in the Liquidity Event, be entitled to receive such non-cash consideration, then notwithstanding any other terms of the Plan, the Board shall, where and to the extent reasonably practicable, take steps to permit (but not obligate) the Participants to participate in the Liquidity Event, to the extent of such non-cash consideration as a percentage of the total consideration, in a tax-efficient manner, including but not limited to exchanging (in accordance with subsection 7(1.4) of the Tax Act or the corresponding provision, if any, of any provincial or foreign income tax legislation) the applicable portion of their Awards for rights to receive such non-cash consideration. If any Awards held by a U.S. Taxpayer are exchanged, pursuant to this

Section 10.2, for rights to receive such non-cash consideration, then notwithstanding Sections 5.4(b) and 6.4(a), the Awards held by such U.S. Taxpayer that are so exchanged shall be deemed not to vest pursuant to Sections 5.4(b) and 6.4(a) and shall instead vest and become exercisable at the time(s) prescribed by the applicable agreement(s) or other document(s) governing such rights to receive such non-cash consideration.

10.3 Cash-Out Right

If:

(a) a Participant's employment or engagement with the Corporation or a Related Entity ceases due to Voluntary Resignation, death, Total Incapacity or retirement;

(b) a Participant's employment or engagement with the Corporation or a Related Entity is terminated without Just Cause or due to constructive dismissal;

(c) the Plan Administrator determines, acting reasonably, that the nature of a Liquidity Event would not permit a Participant to dispose of Shares acquired upon the exercise of Director Units, Incentive RSUs or Incentive PSUs that would vest and become exercisable in connection with such Liquidity Event (as set out herein), within a reasonable period of time following such Liquidity Event, for consideration that is substantially equal to the Share Value at the time of such disposition; or

(d) a Participant receives non-cash consideration (or rights to receive non-cash consideration in accordance with Section 10.2) on a Liquidity Event, and such Participant's employment or engagement with the Corporation or a Related Entity (or the acquirer or successor thereto or a similar entity) ceases for any reason, other than termination with Just Cause, within twelve (12) months following the Liquidity Event,

then (i) in the case of Sections 10.3(a) and (c), such Participant shall have the right (but not the obligation), on the applicable Participant's Cessation Date, to surrender to the Corporation his or her vested Awards, in lieu of exercising his or her Awards, for cash consideration equal to the Share Value of the Shares issuable on the exercise of such surrendered Awards at the time of such surrender; (ii) in case of Section 10.3(b), such Participant shall have the right (but not the obligation), within five (5) Business Days following the applicable Participant's Cessation Date,

---

For Canadian tax purposes, when a Participant exercises his/her Awards and acquires Shares, he/she is taxable at that time. However, if the structure of the Liquidity Event is that the Participant would sell those Shares of ASHI for shares of the acquirer, the Participant would have triggered tax but not have cash to pay the tax (because he/she received shares of the acquirer on the Liquidity Event). If, however, the Participant is permitted to NOT exercise his/her Awards, and instead to exchange those Awards for **rights to receive** shares of the acquirer, this should not result in Canadian tax to the Participant until he/she exercises the rights to receive shares of the acquirer for shares of the acquirer or surrenders the rights for cash. This provision therefore causes the board to pursue this possibility where practicable, thereby ensuring that Participants who participate in the Liquidity Event will **effectively** receive the same mix of consideration as the ASHI shareholders, but hopefully without triggering upfront tax.

to surrender to the Corporation his or her vested Awards, in lieu of exercising his or her Awards, for cash consideration equal to the Share Value of the Shares issuable on the exercise of such surrendered Awards at the time of such surrender, following which such Awards shall be immediately cancelled and forfeited for no consideration; (iii) in the case of Section 10.3(d), such Participant shall have the right (but not the obligation), on the applicable Participant's Cessation Date, to surrender to the Corporation or a Related Entity (or the acquirer or successor thereto or a similar entity) the non-share consideration (or rights to receive non-share consideration) received by such Participant upon on the Liquidity Event and then held by the Participant for cash consideration equal to the fair market value of such consideration (or rights to such consideration) at the time of such surrender and (iv) the Plan Administrator shall take such other steps it determines, acting reasonably, are appropriate in such circumstances. For greater certainty, in the case of Sections 10.3(a), (c) or (d), any Awards that may be surrendered by the applicable Participant in accordance with this Section 10.3 that are not so surrendered shall continue to become exercisable in accordance with the terms of the Plan.

10.4 U.S. Taxpayers

Notwithstanding any other terms of the Plan, in the event that an Award held by a U.S. Taxpayer vests but is not exercised, surrendered or otherwise disposed of by February 15 of the calendar year immediately following the calendar year in which such Award vests, such Participant agrees to surrender such Award no later than March 15 of the calendar year immediately following the calendar year in which such Award vests for cash consideration equal to the fair market value of such Award at the time of such surrender, following which such Award shall be cancelled and forfeited for no consideration.

10.5 Reorganization of Corporation's Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend, or should any other change be made in the capitalization of the Corporation that does not constitute a Liquidity Event and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the exercise of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to any prior approval of the Exchange (if applicable) that is required, authorize such steps to be taken, and shall adjust the number of Awards outstanding and Shares issuable under this Plan, as it may in its discretion deem appropriate to reflect the event. In doing so, the Plan Administrator shall, to the extent in its discretion it determines appropriate, take into account tax consequences that would apply to Participants as a result of any such steps or adjustments.

10.6 Other Events Affecting the Corporation

In the event of an amalgamation, combination, arrangement, merger, liquidation, dissolution or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Liquidity Event and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award

in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to any prior approval of the Exchange (if applicable) that is required, authorize such steps to be taken and shall adjust the number of Awards outstanding and Shares issuable under this Plan, as it may in its discretion deem appropriate to reflect the event.

10.7 Unequal Treatment

In taking any of the steps provided in Sections 10.5 and 10.6, the Plan Administrator will not be required to treat all Awards similarly.

10.8 Issuance by Corporation of Additional Shares

Except as may otherwise be specified in this Article 10, neither the issuance by the Corporation of Shares or securities convertible into or exchangeable for Shares, nor the conversion or exchange of such Shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

10.9 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, where a Participant would become entitled to a fractional Share (whether as a result of any adjustment under this Article 10, a dividend equivalent or otherwise), the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 11
AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

11.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of Voting Shares, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, except as otherwise provided for in this Plan:

(a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable law; and

(b) any amendment that would cause an Award held by a U.S. Taxpayer be subject to the additional tax penalty under Section 409A(1)(B)(i)(II) of the Code shall be null and void ab initio with respect to the U.S. Taxpayer.

11.2 Shareholder Approval

Notwithstanding Section 11.1, approval of the holders of Voting Shares shall be required for any amendment, modification or change that:

(a) increases the number of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;

(b) extends the term of an Award beyond its original expiry date;

(c) permits Awards to be transferable or assignable other than for normal estate settlement purposes; or

(d) deletes or reduces the range of amendments which require approval of the holders of Voting Shares under this Section 11.2.

11.3 Permitted Amendments

Without limiting the generality of Section 11.1, but subject to Section 11.2, the Plan Administrator may, without approval of the holders of Voting Shares, at any time or from time to time, amend the Plan for the purposes of:

(a) making any amendments to the general vesting provisions of each Award;

(b) making any amendments to the provisions set out in Article 8;

(c) making any amendments to add covenants of the Corporation for the protection of Participants, as applicable, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as applicable;

(d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Trustees; or

(e) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error,

provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 12
MISCELLANEOUS

12.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of the Exchange (if applicable) upon which the Shares may then be listed.

12.2 Securities Law Compliance

No Awards shall be granted under the Plan and no Shares shall be issued and delivered under the Plan unless and until the Corporation and/or the Participant have complied with all applicable federal and state registration, listing and/or qualification requirements, if any, and all other requirements of law or of any regulatory agencies having jurisdiction.

12.3 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

12.4 Rights of Participant

Except as may otherwise be specified in the applicable Engagement Agreement, no Participant has any claim or right to be granted an Award. No Participant has any rights (including, without limitation, voting rights, dividends entitlements (other than as set out in this Plan) or rights on liquidation) as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award unless and until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

12.5 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

12.6 Unfunded Plan

The Plan shall be unfunded. Neither the Corporation nor any delegate to whom authority has been delegated pursuant to Section 3.2 shall be required to establish any special or separate fund or to segregate any assets to assure the performance of its obligations under the Plan.

12.7 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Award Agreement shall govern. In the event of any conflict between or among the provisions of this Plan, on the one hand, and a Participant's Engagement Agreement with the Corporation or a Related Entity, as applicable, on the other hand, the provisions of the Engagement Agreement or other written agreement shall prevail.

12.8 Anti-Hedging Policy

By accepting an Award, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars or similar securities or instruments that are designed to hedge or offset a decrease in the fair market value of Awards.

12.9 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

12.10 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly specified in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the fair market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants, each of whom is advised to consult with his or her own tax advisors.

12.11 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its Affiliates.

12.12 General Restrictions on Assignment

Except as required by law or as may otherwise be specified herein, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the

payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

12.13 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

12.14 Notices

All written notices to be given by a Participant to the Corporation shall be delivered personally, e-mail or mail, postage prepaid, addressed as follows:

Either the Corporation or the Participant may designate a different address by written notice to the other. Any notice given by either the Participant or the Corporation is not binding on the recipient thereof until received.

12.15 Effective Date

This Plan becomes effective on the date hereof.

12.16 Governing Law

This Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, without reference to conflicts of law rules.

12.17 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of Ontario in respect of any action or proceeding relating in any way to the Plan, including, without limitation, with respect to the grant of Awards and any issuance of Shares made in accordance with the Plan.
