

AVIATION THEMED CHILDREN'S BOOKS

About the Book-"My Mama is a Pilot"

"My Mama is a Pilot" is a heartwarming and inspiring children's book that showcases the journey of a young boy who admires his mother, a skilled and passionate pilot. Narrated from the perspective of this young boy, the story unfolds his admiration and pride for his mother's profession in the world of aviation, a field where women are significantly underrepresented, **making up just 8% of the pilot population worldwide.** The narrative takes the reader through the meticulous preparations and the excitement before each flight, highlighting the hard work, dedication, and sheer joy of flying.

This book serves not only as a **tribute to women in aviation** but also as a beacon of inspiration for young readers, **encouraging** them to pursue their dreams regardless of gender stereotypes. It aims to break barriers and instill a belief in children that the sky is not the limit and that they can **achieve their dreams** with passion and perseverance, just like the protagonist's mother. Through its engaging storyline and vivid illustrations, "My Mama is a Pilot" brings awareness to the significant role of women in aviation and aims to **inspire** a future generation of aviators, making it an essential read for children and adults alike, fostering an environment of **equality** and **empowerment**.

About the Author- Saba Shahid

General aviation is not just a hobby but a significant part of my life. As a private pilot working on my instrument rating, I enjoy exploring new destinations with my family and sharing these adventures through children's storybooks. My debut bilingual English-Urdu children's book, "Chapu Chapu Chapu Chalao," (Row Row Row Your Boat) was inspired by my family's kayaking adventures in Apopka, Florida, embodying my passion for travel and storytelling.

About the Book- "Red Plane, Blue Plane, One Plane, Two Planes"

"Red Plane, Blue Plane, One Plane, Two Planes" is an inspiring children's book that delves into the fascinating world of aviation. This book aims to spark the imagination and dreams of young readers, encouraging them to soar high. Through vibrant illustrations and simple, rhyming text, children are introduced to a variety of airplanes, each with **unique roles and purposes**, fueling their curiosity and excitement about flying.

The book celebrates the **diversity in aviation** with lines like "This plane, that plane. Serving few, serving many. Different shapes and different sizes." It showcases planes of various shapes and sizes, highlighting how each one plays a vital role, whether it's carrying a handful of passengers or hundreds. This **exploration** helps children appreciate the wide range of aircraft and their essential functions, fostering an early love and **respect for aviation**.

Furthermore, the book conveys a powerful message that despite their differences, all planes share a common purpose: they soar high and are guided by skilled and knowledgeable individuals known as **pilots**. By depicting a diverse group of pilots, the book emphasizes that anyone, regardless of their background, can aspire to become a pilot. This **inclusive representation** inspires children to dream big, work hard, and believe that the sky is not the limit, but just the beginning.

When we see ourselves reflected in the books we read, we feel seen! Books are a window to the world – what a child sees through that window has a profound impact on how he or she perceives the world – it tells them what's important, and what matters. Seeing themselves in that world establishes them as people who matter and establishes their sense of place in society.

As an adventurous, creative, and bold author, I aim to inspire young minds to explore, dream, and achieve, making every story an opportunity to empower the next generation.

About the Book-"Nani-Ma's ABC's"

Dive into the heartwarming embrace of "Nani-Ma's ABCs," where every page flip is a step into a world rich with culture, color, and wisdom. This is not just any alphabet book; it's a journey across the globe, guided by the loving hand of Nani-Ma.

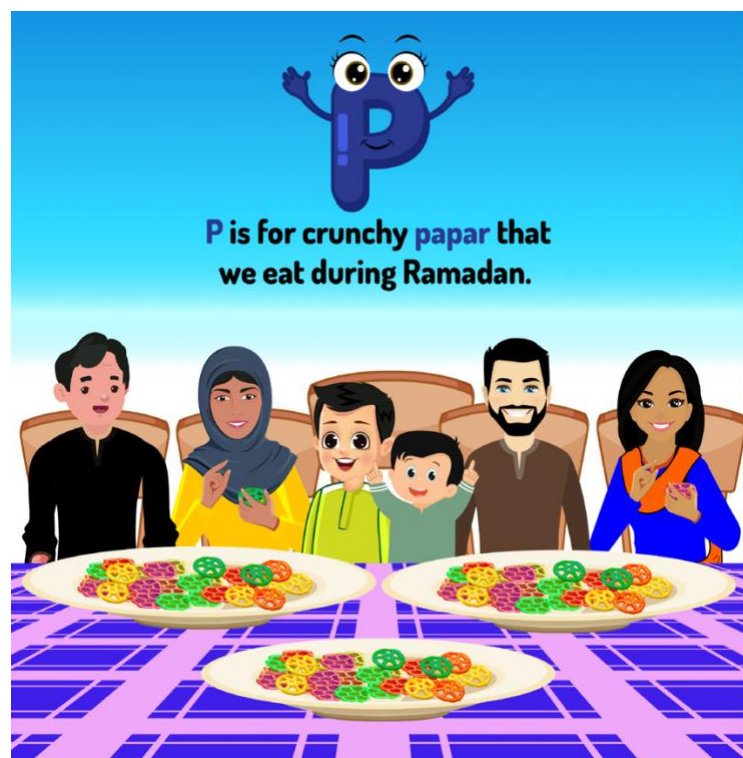

Through the eyes of Nani-Ma, a wise and affectionate grandmother figure, the book introduces young readers to the letters of the alphabet, pairing each one with foods deeply rooted in diverse cultures and traditions. This innovative approach not only aids in learning the ABCs but also opens up a world of cultural understanding and appreciation for young minds, evoking the cherished memories of gathering around food at your grandmother's home, where stories and traditions are passed down with each meal.

Under her guidance, children delve into the flavorful tapestry of tastes and textures that compose our rich culinary landscape. From the sweet taste of tarbooz (watermelon) to the vibrant world of letters, each page reveals a treasure chest of learning and discovery. Illustrated with a kaleidoscope of colors and imbued with tales and traditions, "Nani-Ma's ABCs" invites young minds to celebrate the alphabet through the eyes of someone who has seen the world in all its splendor. This book is a bridge between generations, a fusion of languages, and a celebration of cultural diversity, making it a radiant start to any child's educational journey.

About the Book

"Chota Sa Makora"-The Itsy Bity Spider

In this captivating tale, where each verse beckons a joyful sing-along, Aayan's mundane day transforms into something magical with a mere shake of his shoe. Out tumbles a spider, not just any spider, but one that leads him on an adventure of discovery and friendship. "The Itsy-Bitsy Spider" reimagined, this tale weaves together lessons of courage, the splendor of the natural world, and the unexpected friendships that can change us forever. With vibrant illustrations and a story that dances between languages, children and adults alike are invited to explore the wonder in ordinary creatures, the importance of kindness to all, and the joy of embracing the unknown.

"Chota Sa Makora" commences with the simple act of a spider seeking shelter in Aayan's shoe, later leading to a pivotal moment when Aayan shakes his shoes, setting the narrative in motion and reshaping his perspective on the seemingly inconsequential creatures. As Aayan navigates his feelings of initial surprise and trepidation, he learns to appreciate the spider's place in the world and the importance of all living beings. This bilingual story, richly illustrated, not only entertains but also educates, fostering a sense of empathy and curiosity in young readers. Through Aayan's eyes, they learn the value of coexistence and the beauty of the natural world.

The book encourages young readers to observe the world with curiosity and compassion through engaging storytelling and bilingual (English-Urdu/Hindi) dialogue. It highlights how every creature, no matter how small, plays a vital role in our world's intricate web of life.

Sing-a-long to The Itsy Bitsy Spider tune!
