

TASK ORDER: TECHNOLOGY & INNOVATION PRESENTATION AND TRAINING

Company: _____ **CEO:** _____
address: _____ **DUNS:** _____
EIN: _____

Company Performing Work (“FORUM Consultant”):

MARCANTONIO GLOBAL LLC

Offices in Alexandria, Virginia USA: 202-631-8710

Specific Work to be performed by Consultant for Company/SPONSOR:

1. Assistance with the development and design of a PowerPoint or PowerPoint-like slideshow for the FORUM Presentation Forum, structured into the right formats and organized in the way that the US Military prefers. Includes, as necessary, graphics work and page design to best highlight the key points of the Company and its technology innovation. Crafting, reimagining, and translating future use cases and requirements for direct and indirect applications to national security.
2. Preparation/submission of the Technology Preview documentation to the Military
3. Scheduling and coordination of dates and times for the NAVSEA Defense Logistics Innovations Forum and strategic approach deployed for the NAVSEA OSD MG Community of Interest
4. Training in presenting to the US Military Forum. Includes practice sessions by phone (presentations are done by phone). Includes training the types of questions asked, how presentations get off track, how to respond, common presentation pitfalls, etc. Typically, at least two and no more than four such training sessions are required, each of approximately one (1) hour in duration.
5. Consultant participates the Forum presentation, introduces the company, monitors questions and answers, assists as necessary in responding, and provides a debrief.
6. Assist SPONOSOR in creating new, novel applicable uses cases for technology applications in new horizons
7. Assist SPONSOR in strategic partnering opportunities and discovery of RFIs, BAA, OTAs

Timeline and Duration of Work: Work begins immediately and shall be completed as quickly as practical (depending primarily on the responsiveness of the Company).
