

Second Annual

**MO AG STEWARDSHIP CONFERENCE**

*Sustaining Land & Profit on Missouri Farms*

GUEST SPEAKER PHIL NEEDHAM

The leading Wheat Management expert, Author, Consultant and Ag Entrepreneur, Phil will lead a no-till planter clinic and share tips for achieving high yielding wheat in Missouri.

David Kleinschmidt

Agronomist and Consultant who has worked with hundreds of producers to get started with soil health practices on their farm.

Drexel Atkisson

Veteran NRCS Soil Health Specialist who can help you stir up warm season natives in your pasture.

A Panel Session will be offered where each of the guest speakers will field your questions.
