Field Day coming up August 10

Mark your calendar for August 10, 2026 for the annual Field Day and Plot Tour. A bus will be available and will leave Alma City park at 6:00pm to tour the corn and soybean plots.

A fish fry in the park will follow immediately. You and your family are invited to join us!

Field Day is a time for local farmers to meet and visit with local seed dealers and agronomists. It's a great opportunity to compare companies side-by-side, ask questions and fellowship with neighbors and friends. We hope you'll join us!
