The fall luncheon of the NFCRTA was held at Anthony's Lake Club on Tuesday, October 28, 2014 at 11:30AM. There were 84 members in attendance.

**Call to Order**

Because President John Luning could not be with us, Vice President Rona Rothhouse chaired the meeting and the call to order was issued at 11:50AM.

**Remarks**

Vice President Rothhouse welcomed attendees and stressed the importance of today's meeting due to the change in our Prescription Benefits plan. She asked that the restaurant serve our meal as soon as possible because of the length of today's presentation of our new plan and the question and answer period that will follow.

She also asked attendees to think about programs they would like to see presented at our luncheons. She requested that anyone with suggestions see her after the meeting.

**Webmaster**

Joretta Kilcourse reminded everyone of our web address ( [www.nfcrt.org](http://www.nfcrt.org) ) and said that she will post information about our new drug plan on the website, as well as links to other pertinent information. She also spoke about upcoming events at the Danbury Museum.

**Raffle**

Treasurer Libby Kasimer conducted a 50/50 raffle. The prize was \$174.00. The raffle helps to fund our scholarships.

## **Scholarship Report**

Scholarship Chairperson Kay Santuro directed everyone's attention to our newsletter which contains a report on this year's winners. Memorial Scholarship of \$1000.00 was awarded to Austin Ampeloquiro of Danbury High School and the Mary Frances Edgett Scholarship for \$1500.00 was awarded to Julia Lansing of Newtown High School. Kay also directed our attention to a thank you note from Julia Lansing, which also appears in the newsletter.

## **Newsletter**

Rose Paonessa, who is our newsletter chairperson, distributed copies of the Fall 2014 newsletter to all attendees. He discussed specifics of the plan and at the end of his presentation, he conducted a question and answer session. A representative from Express Scripts was also in attendance and she gave everyone informative handouts and also answered questions about the program.
