

**Executive Board Meeting
NFCRTA
Friday, April 11, 2014**

Present: President John Luning; Treasurer: Libby Kasimer; Membership: June Jones; Newsletter: Rose Paonessa; Legislative: Bill Murray; Scholarship: Kay Santuro

Conversation during lunch addressed the ARTCCT unified membership proposal which is under consideration. Retirees cannot participate in affiliates without having paid state dues. This is a possibility for 2015. Vote will be taken at the state meeting being held at the Aqua Turf. The appeal of a lobbyist to speak at the spring luncheon came up for discussion. Members could get a sense of what is being lobbied on behalf of Connecticut retirees, possibly promoting membership in ARTCCT and the unified concept. President Luning to make contact.

Joretta Kilcourse (through Libby) offered the services of the Danbury Museum to make a short presentation at the meeting. Vice President Rona Rothhouse to be an “energizer” in an interactive performance met with approval.

Libby Kasimer gave the Treasurer’s Report.

It was suggested that the newsletter could be “friendlier” and more involving of the membership and the website be up to date. Also, the scholarship process be reevaluated and possibly revised.

Last of all, it was recommended that the new officers - John, Rona, and Bill, be introduced to the membership at the spring luncheon.

The meeting adjourned at 2:00PM.

Respectfully submitted,
Acting Recording Secretary Kay Santuro
