Discussion:

1. Increasing Membership: June Jones discussed the importance of increasing NFCRTA membership, as well as ARTC membership. Emphasis was placed on contacting newly retired teachers and ways in which we could encourage them to join the organizations. It was decided to hold a Continental Breakfast at the Marion Anderson studio at the Danbury Museum on November 27, 2012 at 9:00AM. Flyers will be mailed out and further details will be arranged based on the number of retirees attending. The Board acknowledged the efforts of June Jones and Joretta Kilcourse in spearheading this event.
2. Slate of Officers: There are 3 vacancies that need to be filled: President, Vice President, and Insurance Committee Chairperson. Attendees at the Fall Luncheon were asked to fill out a questionnaire nominating people whom they felt might be interested in these positions. Names submitted were presented at the meeting and all nominees will be contacted by members of the Board. In addition, the possibility of having co-presidents was discussed.

Adjournment:

The meeting adjourned at 3:00PM.

Respectfully submitted,
Julianne Gallagher
Recording Secretary
