The meeting was called to order at 12:40 by President Rothhouse.

**Announcements:**

- The Fall Luncheon will be held at Anthony's Lake Club on Tuesday, October 30, 2018 at 11:30 AM.
- Joretta Kilcourse reported that information regarding the luncheon was sent out via email and that the information is also available on the website. Joretta, as webmaster, wanted to know if she could send out information on one particular candidate running for election. It was discussed and a decision was made that information regarding all candidates running for that position could be sent.
- June Jones reported letters went out to newly retired teachers encouraging them to become a member of NFCRTA and ARTC and informing them of our fall luncheon. We have acquired 10 new members since the spring mailing. We currently have 320 members.
- Libby reported, in absentia, that 51 have signed up for the luncheon.
- There was considerable discussion regarding how to encourage retired teachers to join NFCRTA.
- It was decided that Rona would craft an email to be sent targeting newly retired teachers to urge them to become members of NFCRTA and ARTC. She would also

write an email to be sent to “out of town” members encouraging them to join ARTC. In addition, Joretta will send a second email to remind members of the luncheon.

- Rose Paonessa suggested that instead of a newsletter a committee could be formed to create a pamphlet highlighting the benefits of becoming a member of NFCRTA and ARTC. One of the ways these pamphlets could be used would be to include them with the mailings that June sends to newly retired teachers.
- Bill Murray stated that he will be making a presentation at the luncheon informing members of important information regarding the candidates running for office.
- Rona Rothhouse reported that Richard Follman will be the guest speaker at the Fall Luncheon. He and his wife have co-chaired the insurance committee of ARTC at the local and state level. He will be speaking about the changes in our insurance plan.

The Meeting was adjourned at 2:10 PM
