

What's On Your Whiteboard?

Questions to Consider:

- 1. How would you describe the appetite for learning and development within your firm?
- 2. Are there specific skills or knowledge areas that you feel are lacking among your staff? Partners?
- 3. What role does technology play in your Firm?
- 4. How is the pace of change in your Firm and in our industry impacting your team members' ability to learn?
- 5. What barriers do you believe impact your team members' ability to learn?
- 6. How does your team collaborate and share knowledge within their teams? Firm-wide?
- 7. Are there challenges in catering to diverse learning preferences?
- 8. What challenges does your Firm face in balancing work responsibilities with learning opportunities?
